

# Celebrate the World!

## January

### *Martin Luther King Jr.— Day of Service*

Commemorate Dr. King's life and achievements by serving your community. Peace Corps Volunteers spend two years serving in countries around the world. Take this opportunity to take action through service learning.

Check out:

- o Our Correspondence Match program - communicate directly with a Volunteer who is serving abroad.
- o World Wise Schools' service-learning module
- o "Working for the Common Good"-A community in the Dominican Republic shows its true community spirit after Hurricane Georges
