

Celebrate the World!

March

Women's History Month

Celebrate women across the world during Women's History Month. Examine women's roles in other cultures and allow students to compare their own lives to the lives of females living in less developed countries.

Check out:

- o Daily Activity Schedules of Women-Compare the lives of women in the United States to that of women in Poland, Paraguay, and Cape Verde
- o *The Flow of Women's Work*-Learn about the effect of water on the lives of Lesotho women
