

Celebrate the World!

June

Flag Day

Which country has the only non-rectangular flag?*

Every nation's flag has a story delving into a country's history and culture. While explaining the Stars and Stripes, take the time to explore the significance of flags around the world.

Check out:

- o *Destination: Nepal*-Video and guide the only country with a nonconforming flag
- o ""This is Tanzania"-Learn about Tanzania's flag and its relation to the country's people

*The answer is Nepal
