[To accompany H. Res. 1559]

The Committee on Rules, having had under consideration House Resolution 1559, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 5822, the “Military Construction and Veterans Affairs and Related Agencies Appropriations Act, 2011,” under a structured rule. The resolution provides 1 hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution waives all points of order against consideration of the bill except those arising under clause 9 or 10 of rule XXI. The resolution provides that the bill shall be considered as read through page 63, line 4. The resolution waives points of order against provisions in the bill for failure to comply with clause 2 of rule XXI.

The resolution makes in order only those amendments printed in this report. The amendments made in order may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for 10 minutes equally divided and controlled by the proponent and an opponent, and shall not be subject to a demand for division of the question. All points of order against the amendments except those arising under clause 9 or 10 of rule XXI are waived. The resolution provides that for those amendments reported from the Committee of the Whole, the question of their adoption shall be put to the House en gros and without division of the question.

The resolution provides one motion to recommit with or without instructions. The resolution provides that after consideration of the bill for amendment, the chair and ranking minority member of the Committee on Appropriations or their designees each may offer one pro forma amendment to the bill for the purpose of debate, which shall be controlled by the proponent. The resolution provides that the Chair may entertain a motion that the Committee rise only if offered by the chair of the Committee on Appropriations or his designee. The resolution provides that the Chair may not entertain a motion to strike out the enacting words of the bill.

The resolution authorizes the Speaker to entertain motions that the House suspend the rules at any time through the calendar day of August 1, 2010. The Speaker or her designee shall consult with the Minority Leader or his designee on the designation of any matter for consideration pursuant to this resolution.

#### EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of Section 306 of the Congressional Budget Act, prohibiting consideration of legislation within the jurisdiction of the Committee on the Budget unless reported by, or discharged from, the Budget Committee. The rule waives clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill) against provisions in the bill.

*Rules Committee record vote No. 474*

Date: July 27, 2010.

Measure: H.R. 5822.

Motion by: Mr. Sessions.

Summary of motion: To make in order and provide appropriate waivers for an amendment by Rep. Moran (KS), #26, which would prohibit funding for the VA to forward the names of veterans to the FBI's National Instant Criminal Background Check System (NICS)—which prevents individuals from purchasing and possessing firearms—without a judicial authority first determining that these individuals pose a danger to themselves or others. Currently, the VA denies gun ownership rights to veterans for whom they appoint a fiduciary to assist in managing their financial affairs, a decision based solely on a veteran's capacity to manage his or her VA funds and not on information relevant to a veteran's capacity to own and purchase firearms.

Results: Defeated 3–7.

Vote by Members: Matsui—Nay; Cardoza—Nay; Arcuri—Nay; Perlmutter—Nay; Pingree—Nay; Polis—Nay; Diaz-Balart, L.—Yea; Sessions—Yea; Foxx—Yea; Slaughter—Nay.
