COMMITTEE CONSIDERATION

On May 16, 2001, the Full Committee met in open session and ordered reported H.R. 819 to designate the Federal building located at 143 West Liberty Street, Medina, Ohio, as the "Donald J. Pease Federal Building". It was approved March 28, 2001, by the Subcommittee on Economic Development, Public Buildings and Emergency Management, by voice vote with a quorum present. There were no recorded votes taken during Committee consideration of H.R. 819.

ROLLCALL VOTES

Clause 3(b) of rule XIII of the House of Representatives, requires each committee report to include the total number of votes cast for and against on each record vote on a motion to report and on any amendment offered to the measure or matter, and the names of those members voting for and against. There were no recorded votes taken in connection with ordering H.R. 819 reported. A motion by Mr. LaTourette to order H.R. 819 favorably reported to the House was agreed to by voice vote, a quorum being present.

COMPLIANCE WITH HOUSE RULE XIII

1. With respect to the requirement of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, and section 308(a) of the Congressional Budget Act of 1974, the Committee references the report of the Congressional Budget Office below.

2. With respect to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee advises that the bill contains no measure that authorizes funding, so no statement of general performance and objectives for which any measure authorizes funding is required.

3. With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for H.R. 819 from the Director of the Congressional Budget Office.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, May 17, 2001.

Hon. DON YOUNG,
Chairman, Committee on Transportation and Infrastructure,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed the following bills, which were ordered reported by the House Committee on Transportation and Infrastructure on May 16, 2001:

• H.R. 495, a bill to designate the Federal building located in Charlotte Amalie, St. Thomas, United States Virgin Islands, as the "Ron de Lugo Federal Building"; and

• H.R. 819, a bill to designate the Federal building located at 143 West Liberty Street, Medina, Ohio, as the "Donald J. Pease Federal Building."

CBO estimates that their enactment would have no significant impact on the federal budget, and would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply. The bills contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Lanette J. Walker.

Sincerely,

BARRY B. ANDERSON
(For Dan L. Crippen, Director).
