Mr. HASTINGS of Washington, from the Committee on Rules,  
submitted the following

REPORT

[To accompany H. Res. 174]

The Committee on Rules, having had under consideration House Resolution 174, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2217, the Department of the Interior and Related Agencies Appropriations Act, 2002, under an open rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations.

The rule waives all points of order against consideration of the bill. The rule further waives points of order against provisions in the bill for failure to comply with clause 2 of rule XXI (prohibiting unauthorized or legislative provisions in an appropriations bill), except as specified in the rule.

The rule provides that the bill shall be considered for amendment by paragraph. The rule waives points of order during consideration of the bill against amendments for failure to comply with clause 2(e) of rule XXI (prohibiting nonemergency designated amendments to be offered to an appropriations bill containing an emergency designation). The rule allows the Chairman of the Committee of the Whole to accord priority in recognition to Members who have preprinted their amendments in the Congressional Record. Finally, the rule provides one motion to recommit with or without instructions.
