PROVIDING FOR CONSIDERATION H.R. 3394, CYBER SECURITY RESEARCH AND DEVELOPMENT

FEBRUARY 5, 2002.—Referred to the House Calendar and ordered to be printed

Mr. DIAZ-BALART, from the Committee on Rules, submitted the following

R E P O R T

[To accompany H. Res. 343]

The Committee on Rules, having had under consideration House Resolution 343, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of H.R. 3394, the Cyber Security Research and Development Act, under an open rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Science.

The rule waives clause 4(a) of rule XIII (requiring a three-day layover of committee reports) against consideration of the bill. The rule authorizes the Chairman of the Committee of the Whole to accord priority in recognition to Members who have preprinted their amendments in the Congressional Record. Finally, the rule provides one motion to recommit with or without instructions.

The waiver of clause 4(a) of rule XIII is needed because the report was not filed until Monday, February 4 and the bill may be considered by the House as early as Wednesday, February 6.
