## By Your Own Design: A Teacher's Professional Learning Guide

This issue serves as an introduction to the wealth of content found in the [By Your Own Design](#) section under Professional Development. These resources empower teachers to take control of their professional development. The goal is to make every teacher an active participant in their professional learning.

### Welcome to the electronic version of the *ENC Focus* issue on the topic *By Your Own Design: A Teacher's Professional Learning Guide*

This page provides access to the full text of all articles in the print version of the magazine. Some articles have been enhanced for this electronic version, and the list of theme articles has been organized by content rather than reflecting the layout of the print version.

This electronic version has other benefits. Live links are provided for all web sites mentioned. [Focus on the Collection](#) links to complete catalog records of resources selected from ENC's vast collection.

## **Focus on *By Your Own Design: A Teacher's Professional Learning Guide***

A companion to the [By Your Own Design](#) CD-ROM, this issue of *ENC Focus* serves as an introduction to the wealth of content found in that product. ENC and the National Staff Development Council worked together toward a common vision: empowering teachers to take control of their professional development. The goal is to make every teacher an active participant in their professional learning.

All of the content on the CD-ROM is available online at [enc.org/pdguide](http://enc.org/pdguide).
