

PROVIDING FOR CONSIDERATION OF H.R. 2555, DEPARTMENT OF HOMELAND SECURITY APPROPRIATIONS ACT, 2004

JUNE 23, 2003.—Referred to the House Calendar and ordered to be printed

Mr. LINCOLN DIAZ-BALART, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 293]

The Committee on Rules, having had under consideration House Resolution 293, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2555, the Department of Homeland Security Appropriations Act for fiscal year 2004, under an open rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. The rule waives all points of order against consideration of the bill.

Under the rules of the House the bill shall be read for amendment by paragraph. The rule waives points of order against provisions in the bill for failure to comply with section 501 of House Concurrent Resolution 95 (prohibiting advanced appropriations) and clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill), except as specified in the resolution. The rule authorizes the Chair to accord priority in recognition to Members who have pre-printed their amendments in the Congressional Record.

Finally, the rule provides one motion to recommit with or without instructions.

The waiver of all points of order against consideration of the bill includes a waiver of clause 4(c) or rule XIII (requiring the three-day availability of printed hearings on a general appropriation bill). The waiver of clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill) is need-

ed because there are numerous legislative provisions included in the bill.
