THE WHITE HOUSE,  
*Washington, September 30, 2003.*

Hon. J. DENNIS HASTERT,  
*Speaker of the House of Representatives,*  
*Washington, DC.*

DEAR MR. SPEAKER: In order to continue responses necessary as a result of the September 11th terrorist attacks, I am notifying the Congress of my intent to reallocate funds previously transferred from the Emergency Response Fund (ERF).

At this time, \$290 million of ERF funds will be transferred to the Department of State to accelerate a variety of initiatives already underway in Afghanistan.

The details of this action are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

GEORGE W. BUSH.

[Estimate No 19, 108th Cong., 1st Sess.]

EXECUTIVE OFFICE OF THE PRESIDENT,  
OFFICE OF MANAGEMENT AND BUDGET,  
*Washington, DC, September 29, 2003.*

The PRESIDENT,  
*The White House.*

Submitted for your consideration is a request to reallocate funds provided in P.L. 107-38, the Emergency Supplemental Appropriations Act for Recovery from and Response to Terrorist Attacks on the United States, FY 2001, to the Department of State.

To accelerate a variety of ongoing initiatives in Afghanistan, your senior advisors now recommend that you reallocate \$290 million in Emergency Response Fund resources previously transferred to the Department of Defense (DOD). These DOD funds were originally planned for military operations. At this time, we believe these funds should be used to support the government of Afghanistan's efforts to secure and rebuild Afghanistan for the Afghan people. These funds would be used for items such as: accelerating police reform throughout Afghanistan; support for the Afghan National Army; funding for elections and governance; and, rehabilitation of roads in Afghanistan. Pursuant to P.L. 107-38, all of these funds will be made available 15 days after the transmittal of this request.

I have carefully reviewed this proposal and am satisfied that it is necessary at this time. Therefore, I join the Secretary of State and the Secretary of Defense in recommending your approval of the requested transfer.

Sincerely,

JOSHUA B. BOLTEN,  
*Director.*
