DESCRIPTION OF H.R. 4320, TO ENACT TITLE 41, UNITED STATES CODE, "PUBLIC CONTRACTS"

GENERAL EXPLANATION

Purpose.—The purpose of the bill is to revise and restate, without substantive change, certain general and permanent laws related to public contracts, and to enact the restatement of those laws as title 41, United States Code.

The bill was prepared by the Office of the Law Revision Counsel of the House of Representatives as part of its functions under section 285b of title 2, United States Code, to submit to the Committee on the Judiciary bills to enact the titles of the United States Code into positive law.

Revision of language.—In the restatement of existing law, certain changes in language are made. Some of the changes result from consolidating related provisions of law. Others are made to achieve uniformity within the title and to conform to common contemporary usage. Although changes are made in language, no substantive changes in the law are made.

Revision notes.— For each section of revised title 41, the source law is identified, both in terms of the United States Code and the Statutes at Large. When appropriate, a revision note explains any non-obvious changes in existing language. However, standard changes made throughout the title and described below are not explained each time they are made.

In the revision notes, citations to the United States Code are to title, followed by a colon, and then the section number. For example, section 1 of title 1 is cited 1:1.

Standard changes.—Standard changes are made throughout the revised title. The most significant are explained here:

The revised sections are stated in the present tense and the active voice as far as possible.

When there is a choice of 2 or more words, otherwise of equal legal effect, the more commonly understood word is used.

The word "shall" is used to direct that action be taken. The word "may" is used to grant a right, privilege, or power. The words "shall not" are used to direct that action not be taken. The words "may not" are used to deny a right, privilege, or power.

The words "any part of" mean "all or part of" and "in whole or in part".

The word "includes" means "includes but is not limited to".

The word "deemed" is used when a legal fiction, or what may in some cases be a legal fiction, is intended. The word "is" is used for statements of fact and legal conclusions.

When a right is conferred, the words "is entitled" or their equivalent are used.

The first time a descriptive title is used in a section, the complete title is used. Thereafter, in the same section, a shorter title is used unless the context requires the complete title to be used. For example, "Secretary of Transportation" is used the first time the title appears in a section. Subsequently, in the same section, the title "Secretary" is used.

The words "Federal Government" are substituted for "United States Government", "United States" (except when used in the geographical sense), and other terms identifying the Government. Subsequently, in the same section, the word "Government" is used unless the context requires "Federal Government" to be used to avoid confusion with other governments.

The word "law" is substituted for "Act" and "joint resolution" because the word "law" includes Acts and joint resolutions.

The word "such" is not used as a demonstrative adjective. The use of the word "each", "any", "every", or "all" is confined to instances in which a doubt could arise if the word were not used.

Provisos are not used. An exception or limitation is introduced by the words "except that" or "but" or by placing the excepting or limiting provision in a separate sentence.

The words "committee of Congress" include a committee of either House of Congress, a joint committee of Congress, or a subcommittee of any of those committees.

Substantive change not made.—As in other codification bills enacting titles of the United States Code into positive law, this bill makes no substantive change in the law. It is sometimes feared that mere changes in terminology and style will result in changes in substance or impair the precedent value of earlier judicial decisions and other interpretations. This fear is not warranted for a codification law. In ordinary amendatory legislation, intent to change substance can be inferred from a change in language. In a codification law, however, the courts uphold the contrary presumption: the law is intended to remain substantively unchanged. The following authorities affirm this principle:

Finley v. United States, 490 U.S. 545 (1989).

Fourco Glass Co. v. Transmirra Products Corp., 353 U.S. 222, 227 (1957).

SUBCHAPTER II—CHIEF ACQUISITION OFFICERS COUNCIL

1312. Functions.

SECTION 1301

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
1301(a)	41:421(a).	Pub. L. 93–400, § 25(a), (b), as added Pub. L. 100–679, § 4, Nov. 17, 1988, 102 Stat. 4056; Pub. L. 101–510, title VIII, § 807, Nov. 5, 1990, 104 Stat. 1593; Feb. 10, 1996, Pub. L. 104–106, title XLIII, § 4322(a)(2), 110 Stat. 677.
1301(b)	41:421(b).	

In subsection (a), the words "(hereinafter in this section referred to as the 'Council')" are omitted as unnecessary.

In subsection (b)(2)(A)(i), the words "Under Secretary of Defense for Acquisition, Technology, and Logistics" are substituted for "Under Secretary of Defense for Acquisition and Technology" because of section 911(a)(1) of the National Defense Authorization Act for Fiscal Year 2000 (Public Law 106–65, 113 Stat. 717).

In subsection (b)(2)(A)(ii), the cross-reference to section 16(3) of the Office of Federal Procurement Policy Act (41:414(3)) is treated as a cross-reference to section 16(c) of the Act to reflect the amendment of section 16 by section 1421(a)(1) of the National Defense Authorization Act for Fiscal Year 2004 (Public Law 108–136, 117 Stat. 1666).

SECTION 1302

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
1302(a)	41:421(c).	Pub. L. 93–400, § 25(c)–(f), as added Pub. L. 100–679, § 4, Nov. 17, 1988, 102 Stat. 4056; Pub. L. 104–201, title VIII, § 822, title X, § 1074(f)(3), Sept. 23, 1996, 110 Stat. 2609, 2661; Pub. L. 105–85, title VIII, § 841(d), Nov. 18, 1997, 111 Stat. 1843.
1302(b)	41:421(d).	
1302(c)	41:421(e).	
1302(d)	41:421(f).	

In subsection (a)(6), the text of 41:421(c)(6)(last sentence) is omitted because 41:407 was repealed by section 4305(b) of the National Defense Authorization Act of Fiscal Year 1996 (Public Law 104–106, 110 Stat. 665).

In subsection (b)(1)(A), the words "after 60 days after November 17, 1988" are omitted as obsolete.

In subsection (b)(1)(B), the words "(as that term is defined in section 3502(11) of title 44)" are omitted because chapter 35 of title 44 was amended generally by the Paperwork Reduction Act of 1995 (Public Law 104–13, 109 Stat. 163) and 44:3502 no longer defines "information collection request". The term "information collection request" is retained in this section of the revised title, however, because 44:ch. 35 still contains provisions about requests for collection of information.

In subsection (b)(2), the text of 41:422(a)(2)(C) is omitted as obsolete.

In subsection (b)(2)(A), the last sentence is substituted for "of the initial members, two shall be appointed for terms of two years, one shall be appointed for a term of three years, and one shall be appointed for a term of four years" because the initial members have already been appointed.

In subsection (c)(2), the reference to section 5376 of title 5 is substituted for the reference to grade GS–18 of the General Schedule because of section 529 [101(c)(1)] of the Treasury, Postal Service, and General Government Appropriations Act, 1991 (5:5376 note).

In subsection (f)(1), the words "Except as otherwise provided in subsection (a) of this section" are omitted because 41:422(a) does not provide any relevant exception.

In subsection (f)(2), the words "private sector" are substituted for "private life" for consistency with subsection (b)(1)(B) of the revised section.

In subsection (f)(3), the words "Executive Schedule" are substituted for "Federal Executive Salary Schedule under section 5316 of title 5" for consistency and to eliminate unnecessary words.

SECTION 6101

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6101(a)	41:5a.	Aug. 2, 1946, ch. 744, § 18, 60 Stat. 811.
6101(b)–(d)	41:5.	R.S. § 3709; Aug. 2, 1946, ch. 744, § 9(a), (c), 60 Stat. 809; June 30, 1949, ch. 288, title VI, § 602(f), formerly title V, § 502(e), 63 Stat. 403; redesignated as § 602(f) Sept. 5, 1950, ch. 849, §§ 6(a) and (b) (related to § 602(f)), 8(c) (related to § 602(f)), 64 Stat. 583, 591; Pub. L. 85–800, § 7, Aug. 28, 1958, 72 Stat. 967; Pub. L. 93–356, § 1, July 25, 1974, 88 Stat. 390; Pub. L. 98–191, § 9(b), Dec. 1, 1983, 97 Stat. 1332.

In subsection (a), the words "in this section" are substituted for "as used in this Act" as the probable intent of Congress. Section 9(a) of the Act of August 2, 1946 (ch. 744, 60 Stat. 809) restated 41:5 generally and section 9(c) of the Act, an independent provision, was editorially added as the last paragraph of 41:5. The definitions which apply "as used in this Act" are probably intended to apply also to 41:5 as restated by the Act. The definitions for "department" and "continental United States" are omitted because those terms do not appear in 41:5. In paragraphs (1) and (2), the word "includes" is substituted for "shall be construed to include" and for "shall be construed as including", respectively, to eliminate unnecessary words.

In subsection (c), the words "as authorized by section 29 of the Surplus Property Act of 1944 (50 U.S.C. App. 1638)" in section 3709 of the Revised Statutes are omitted because section 29 was repealed by section 602(a)(1) of the Federal Property and Services Administration Act of 1949 (ch. 288, 63 Stat. 399).

SECTION 6102

6102(h)	41:6a–4.	

In subsections (a)-(d), the words "under any appropriation Act" are omitted as unnecessary.

In subsection (e), the word "hereafter" is omitted as unnecessary. The words "according to common business practice" are substituted for "in the manner common among businessmen" for consistency in the revised title.

In subsection (h), section 1102(b) of title I of division H of the Consolidated Appropriations Resolution, 2003 (Public Law 108–7, 117 Stat. 370) is omitted as obsolete.

6301(b)	41:11(a) (words after 2nd comma), (b).	
6301(c)	41:14.	R.S. § 3736.

In subsection (b)(1), the words "Secretary of Transportation" are substituted for "Department of Transportation" because of 49:102. The words "Secretary of Defense" are substituted for "Department of Defense" because of 10:113.

SECTION 6302

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6302	41:11a.	June 30, 1921, ch. 33, § 1 (last proviso on p. 78), 42 Stat. 78.

The words "Secretary of the Army" are substituted for "Secretary of War" because of section 205(a) of the National Security Act of 1947 (ch. 343, 61 Stat. 501). The words "and Secretary of the Air Force" are added because of Secretary of Defense Transfer Order Nos. 6, eff. Jan. 15, 1948, 25, eff. Oct. 14, 1948, 39, eff. May 18, 1949, and 40[App. B(93)], eff. The words "the activity covered by the contract" are substituted for "the specific purpose" for clarity.

SECTION 6304

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6304	41:13.	R.S. § 3735.

The words "an executive department shall not" are substituted for "it shall not be lawful for any of the executive departments to" to state the legal prohibition directly and to eliminate unnecessary words.

SECTION 6305

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6305(a)	41:15(a).	R.S. § 3737; Oct. 9, 1940, ch. 779, § 1 (related to R.S. § 3737), 54 Stat. 1029; May 15, 1951, ch. 75, (related to R.S. § 3737), 65 Stat. 41; Pub. L. 103–355, title II, § 2451, Oct. 13, 1994, 108 Stat. 3324; Pub. L. 104–106, div. D, title XLIII, § 4321(i)(9), Feb. 10, 1996, 110 Stat. 676.
6305(b)(1)	41:15(b) (words before cl. (1) less words related to minimum amount).	
6305(b)(2)	41:15(b) (words before cl. (1) related to minimum amount).	
6305(b)(3)	41:15(b)(1).	
6305(b)(4)	41:15(b)(2) (related to full balance due).	
6305(b)(5)	41:15(b)(2) (related to single assignment).	
6305(b)(6)	41:15(b)(3).	
6305(b)(7)	41:15(c).	
6305(b)(8)	41:15(d).	
6305(b)(9)(A)	41:15(e).	
6305(b)(9)(B)	41:15(f) (less parenthetical phrase in cl. (3)).	
6305(b)(9)(C)	41:15(f) (parenthetical phrase in cl. (3)), (g).	

In subsection (a), the words "The party to whom the Federal Government gives a contract or order" are substituted for "the party to whom such contract or order is given" for clarity. The words "A purported transfer in violation of this subsection" are substituted for "any such transfer" because an actual transfer is precluded by this provision.

In subsection (b)(1), the words "amounts due from the Government" are substituted for "moneys due or to become due from the United States or from any agency or department thereof" to eliminate unnecessary words. The words "may be assigned" are added to provide explicitly for authority that is necessarily implied by the source provision.

In subsection (b)(3), the words "in the case of any contract entered into after October 9, 1940" are omitted as obsolete.

In subsection (b)(8), the words "is not liable to make any refund to the Government" are substituted for "no [liability] . . . shall create or impose any liability on the part of the assignee to make restitution, refund, or repayment to the United States of any amount heretofore since July 1, 1950, or hereafter received under the assignment" to eliminate unnecessary words. The words "an assignor's liability to the Government" are substituted for "liability of any nature of the assignor to the United States or any department or agency thereof" for clarity and to eliminate unnecessary words.

In subsection (b)(9)(A), the words "except any such contract under which full payment has been made" are omitted as unnecessary because subsection (b)(8) precludes refund where full payment has already been made. The words "payments made to an assignee under the contract" are substituted for "payments to be made to the assignee of any moneys due or to become due under such contract" to eliminate unnecessary words.

In subsection (b)(9)(B), the words "When a 'no reduction or setoff' provision is included in a contract as described in subparagraph (A)" are substituted for "If a provision described in subsection (e) of this section or a provision to the same general effect has been at any time heretofore or is hereafter included or inserted in any such contract", the words "payments to the assignee" are substituted for "payments to be made thereafter to an assignee of any moneys due or to become due", and the words "an assignor's liability" are substituted for "any liability of any nature of the assignor to the United States or any department or agency thereof", for clarity and to eliminate unnecessary words.

In subsection (b)(9)(C), the text of 40:15(g), which provided that nothing in 40:15 affected rights and obligations accrued before subsection (g) was added by the Act of May 15, 1951 (ch. 75, 65 Stat. 41), is omitted as obsolete.

SECTION 6306

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*

6306(b)	41:22 (last sentence).	Jan. 25, 1934, ch. 5, (related to R.S. § 3741), 48 Stat. 337; June 27, 1934, ch. 847, title V, § 510 (related to R.S. § 3741), 48 Stat. 1264; Aug. 26, 1937, ch. 821, (related to R.S. § 3741), 50 Stat. 838.

In subsection (b)(2), the words "Emergency Farm Mortgage Act of 1933" and "Federal Farm Mortgage Corporation Act" are omitted because all provisions of those Acts have previously been executed or repealed.

In subsection (b)(2)(B), the words "Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.)" are substituted for "Federal Farm Loan Act" and "Farm Credit Act of 1933" because of section 5.40(a), formerly

5.26(a), of the Farm Credit Act of 1971 (Pub. L. 92–181, 12:2001 note).

In subsection (b)(2)(C), the words "Home Owners' Loan Act" are substituted for "Home Owners' Loan Act of 1933" because of the amendment to 12:1461 made by Public Law 101–73.

SECTION 6307

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6307	41:23.	June 5, 1920, ch. 240, (last par. under heading "Purchase of Articles Manufactured at Government Arsenals"), 41 Stat. 975. July 1, 1922, ch. 259, (1st proviso on p. 812), 42 Stat. 812.

The words "heretofore or" are omitted as obsolete. The word "hereafter" is omitted as unnecessary because the provision is restated as permanent law rather than as part of a fiscal year appropriation.

SECTION 6308

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6308	41:24.	July 7, 1884, ch. 332, (words after "fifty five thousand dollars" in 3d par. under heading "Miscellaneous Objects Under the Treasury Department"), 23 Stat. 204.

The words "bullion, cash, or securities of the Federal Government" are substituted for "moneys, bullion, coin, notes, bonds, and other securities of the United States, and paper" to eliminate unnecessary words. The word "awarded" is substituted for "let" to use more modern terminology.

SECTION 6309

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6309(a)	41:49.	June 22, 1942, ch. 432, § 1, 56 Stat. 375.
6309(b)	41:50.	June 22, 1942, ch. 432, § 2, 56 Stat. 376; Pub. L. 97–31, § 12(16), Aug. 6, 1981, 95 Stat. 154.

In subsection (a), the words "Air Force" are added because of section 207(a) and (f) of the National Security Act of 1947 (ch. 343, 61 Stat. 502, 503).

Subsection (b)(2)(B) is set out as a separate provision to clarify that the certification applies only to contracts other than contracts with the Federal Government. If the certification were to be construed as applying to all contracts, then the words "under a contract with the United States or" in section 2 of the Act of June 22, 1942, would be rendered meaningless.

In subsection (b)(2)(B), the words "Secretary of the Army" are substituted for "Secretary of War", and the words "Secretary of the Air Force" are added, because of sections 205(a) and 207(a) and (f) of the National Security Act of 1947 (ch. 343, 61 Stat. 501, 502, 503).

6502(2)–(4)	41:35(b)–(d).	June 30, 1936, ch. 881, § 1(b)–(d), 49 Stat. 2037; May 13, 1942, ch. 306, 56 Stat. 277; Pub. L. 90–351, title I, § 819(b), formerly § 827(b), as added Pub. In the matter before clause (1), the words "and entered into" are omitted as unnecessary.

In clause (1), the words "under the contract" are substituted for "used in the performance of the contract" in 41:35(a) to eliminate unnecessary words and for consistency in the chapter. The words "Sections 35–45 of this title shall apply to all contracts entered into pursuant to invitations for bids issued on or after ninety days from June 30, 1936" in 41:45 are omitted as obsolete.

In clause (2), the words "under the contract" are substituted for "used in the performance of the contract" to eliminate unnecessary words and for consistency in the chapter.

In clause (3), the word "individual" is substituted for "person" because the specified gender and age characteristics are inappropriate for a "person" as defined in 41:41, restated in section 6501 of the revised title. The words "or production" are omitted for consistency with the source provisions for clauses (1) and (2) and because, in this context, the concept of "production" is included in the words "manufacture or furnishing". The words "under the contract" are substituted for "included in the contract" for consistency in the chapter.

In clause (4), the words "no materials . . . will be manufactured or furnished under the contract" are substituted for "nor will any of the materials . . . to be manufactured or furnished under said contract be manufactured or fabricated" for consistency in the chapter and to clarify that activities related to furnishing the materials must also be performed in safe and sanitary conditions.

Subsection (b)(2) is substituted for "a sum equal to the amount of any deductions, rebates, refunds, or underpayment of wages due to any employee engaged in the performance of such contract" for consistency in the chapter.

In subsection (c), the words "made the contract" and "make other contracts" are substituted for "entering into such contract" and "enter into other contracts", respectively, for consistency in the revised title.

In subsection (d), the words "suit brought by the Attorney General" are substituted for "suits brought in the name of the United States of America by the Attorney General thereof" to eliminate unnecessary words.

SECTION 6504

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6504	41:37.	June 30, 1936, ch. 881, § 3, 49 Stat. 2037.

In subsection (a), the words "or violated" are added for consistency in the chapter.

In subsection (b), the words "contract described in section 6502 of this title" are substituted for "contracts" to clarify the scope of the prohibition. The word "entity" is substituted for "any firm, corporation, partnership, or association" to use a single broad term clarifying that the prohibition applies to any kind of organization in which the person owns a controlling interest. The words "the date of the determination by the Secretary of Labor that a breach or violation occurred" are substituted for "the date the Secretary of Labor determines such breach [or violation] to have occurred" to clarify that the three-year period begins with the date of the Secretary's determination and not with the date of the breach or violation. The words "or violation" are added for consistency in the chapter.

SECTION 6506

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6506(a)	41:40 (last sentence proviso).	June 30, 1936, ch. 881, § 6, 49 Stat. 2038; June 28, 1940, ch. 440, title I, § 13, 54 Stat. 681.
6506(b)	41:40 (1st sentence).	
6506(c)	41:40 (2d sentence).	
6506(d)	41:40 (3d sentence).	
6506(e)	41:40 (last sentence less proviso).	

In subsection (a), the words "or all" are omitted as unnecessary.

In subsection (b), the words "an agency of the United States" are substituted for "the contracting agency or department" for consistency in the chapter. Commas are inserted after "exceptions" and "otherwise" to clarify that the words "when justice or the public interest will be served" apply to exceptions in "specific cases" as well as "otherwise". The word "thereby" is omitted as unnecessary.

In subsection (c), the words "an agency of the United States" are substituted for "the contracting agency", and the words "minimum wages" are substituted for "minimum rates of pay", for consistency in the chapter.

In subsection (d), the words "may provide reasonable limitations" are omitted, and the word "limitations" is inserted within the authorization to prescribe regulations, because the Secretary's means for "provid[ing] reasonable limitations" is via regulation. The words "prescribe regulations" are substituted for "make rules and regulations" for consistency in this title and with other titles of the United States Code. The words "as hereinbefore described" are omitted as unnecessary. The words "minimum wages" are substituted for "minimum rates of pay" for consistency in the chapter.

In subsection (e), the words "received by any employee affected" are omitted as unnecessary.

SECTION 6507

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6507	41:38.	June 30, 1936, ch. 881, § 4, 49 Stat. 2038.

In subsection (b), the words "and to prescribe rules and regulations with respect thereto" are omitted as unnecessary because of subsection (e).

In subsection (c), the words "without regard to the provisions of the civil-service laws", which appear in section 4 of the Walsh-Healey Act (June 30, 1936, ch. 881, 49 Stat. 2038), are omitted as obsolete because of Executive Order 8743, April 23, 1941 (5 U.S.C. 3301 note), issued by the President pursuant to the Act of November 26, 1940, ch. 919, title I, § 1, 54 Stat. 1211. The words "the Classification Act of 1923", which appear in section 4 of the Walsh-Healey Act (June 30, 1936, ch. 881, 49 Stat. 2038), are considered to be a reference to the Classification Act of 1949 because of section 1106(a) of the Classification Act of 1949 (Oct. 28, 1949, ch. 782, 63 Stat. 972). The words "chapter 51 and subchapter III of chapter 53 of title 5" are substituted for the reference to the Classification Act of 1949 for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (e), the words "rules" is omitted as included in "regulations".

SECTION 6508

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6508	41:39.	June 30, 1936, ch. 881, § 5, 49 Stat. 2038.

In subsection (c), the word "contumacy" is omitted as included in "refuses or fails". The words "may bring an action to enforce the order" are substituted for "upon the application by" for consistency in the revised title and with other titles of the United States Code. The words "the United States District Court for the District of Columbia" in section 5 of the Act of June 30, 1946 (which were substituted for "the Supreme Court for the District of Columbia" by section 32(b) of the Act of June 25, 1948 (ch. 646, 62 Stat. 991), as amended by section 127 of the Act of May 24, 1949 (ch. 139, 63 Stat. 107), and which were were editorially omitted from 41:39) are omitted as included in "a district court of the United States" because of sections 88 and 132(a) of title 28, United States Code. The words "within the court's judicial district'" are substituted for "within the jurisdiction of which" for clarity and for consistency in the revised title and with other titles of the United States Code. The words "requiring the person to obey the order issued under subsection (b)" are substituted for "requiring such person to appear before him or representative designated by him, to produce evidence if, as, and when so ordered, and to give testimony relating to the matter under investigation or in question" for clarity and to eliminate unnecessary words.

In subsection (d), the duty to make findings of fact is restated as a duty of the Secretary (or the Secretary's representative). The grammatical structure of the last sentence of 41:39 seems to sug-

gest that the court, rather than the Secretary (or the Secretary's representative), serves as fact finder. However, the provision taken as a whole indicates that it is the Secretary (or the Secretary's representative) who serves as fact finder. It is the Secretary (or the Secretary's representative) before whom hearings are held, witnesses testify, and evidence is produced. The court's involvement is limited to compelling recalcitrant witnesses "to appear before him [the Secretary] or representative designated by him". The restatement clarifies the generally accepted understanding that the Secretary (or the Secretary's representative) serves as fact finder (see, e.g., *United States v. Sweet Briar*, 92 F. Supp. 777, 780 (W.D.S.C. 1950) ("the Secretary 'shall make findings of fact'"); *Ready-Mix Conrete Company v. United States*, 158 F. Supp. 571, 578 (Cl. Ct. 1958) ("the findings of the Department of Labor")).

SECTION 6509

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6509	41:43a.	June 30, 1936, ch. 881, § 10, as added June 30, 1952, ch. 530, title III, § 301, 66 Stat. 308; Pub. L. 103–355, title VII, § 7201(2), (3), Oct. 13, 1994, 108 Stat. 3378; Pub. L. 104–106, div. D, title XLIII, § 4321(f)(2), Feb. 10, 1996, 110 Stat. 675.

Subsection (a) is substituted for "Notwithstanding any provision of section 4 of the Administrative Procedures Act, such Act shall be applicable in the administration of sections 1 to 5 and 7 to 9 of this Act" in section 10 of the Act of June 30, 1936, for consistency in the revised title and because of section 7(b) of Public Law 89–554 (80 Stat. 631).

In subsection (c)(2), the words "has the right of judicial review" are substituted for "Review . . . may be had" for consistency with sections 6509(b) and 6510(b) of the revised title and because the review provided for in chapter 7 of title 5 is denominated as judicial review.

SECTION 6510

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6510	41:43b.	June 30, 1936, ch. 881, § 11, as added Pub. L. 103–355, title VII, § 7201(4), Oct. 13, 1994, 108 Stat. 3378; Pub. L. 104–106, div. D, title XLIII, § 4321(f)(1)(A), Feb. 10, 1996, 110 Stat. 675.

In subsection (a), the words "an agency of the United States" are substituted for "any executive department, independent establishment, or other agency or instrumentality of the United States, or by the District of Columbia, or by any corporation all the stock of which is beneficially owned by the United States" because of the definition in section 6501 of the revised title.

SECTION 6511

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6511	41:42.	June 30, 1936, ch. 881, § 8, 49 Stat. 2039.

Clause (1) is substituted for "Title III of the act entitled 'An Act making appropriations for the Treasury and Post Office Departments for the fiscal year ending June 30, 1934, and for other purposes', approved May 3, 1933 (commonly known as the Buy American Act)" for consistency in the revised title and to correct an error in the source, which incorrectly gives May 3, 1933, rather than March 3, 1933, as the date of approval.

Clause (2) is substituted for "The Act entitled 'An Act relating to the rate of wages for laborers and mechanics employed on public buildings of the United States and the District of Columbia by contractors and subcontractors, and for other purposes', approved March 3, 1931 (commonly known as the Bacon-Davis Act), as amended from time to time" because of section 5(c) of Public Law 107–217 (116 Stat. 1303) and for consistency with title 40.

The words "the labor provisions of Title II of the National Industrial Recovery Act, approved June 16, 1933, as extended" are omitted as obsolete because of section 201 of the Act of June 21, 1938 (ch. 554, 52 Stat. 816), as amended by the Acts of June 27, 1940 (ch. 437, 54 Stat. 633), April 5, 1941 (ch. 40, 55 Stat. 110), and June 27, 1942 (ch. 450, 56 Stat. 410).

The words "or [the labor provisions] of section 7 of the Emergency Relief Appropriation Act, approved April 8, 1935" are omitted as obsolete. The intended reference was probably to section 7 of the Emergency Relief Appropriation Act of 1935 (49 Stat. 118). Section 7 of the Emergency Relief Appropriation Act of 1935 provided that the President shall require certain rates of pay for persons engaged in carrying out projects that were financed by amounts being appropriated in that Act.

Clause (3) is substituted for "the Act entitled 'An Act to provide for the diversification of employment of Federal prisoners, for their training and schooling in trades and occupations, and for other purposes', approved May 27, 1930, as amended and supplemented by the Act approved June 23, 1934" for consistency with title 18. The Act of May 27, 1930 (ch. 340, 46 Stat. 391) and the Act of June 23, 1934 (ch. 736, 48 Stat. 1211), which were classified to sections 744a through 744n of former title 18, were substantially repealed and were replaced by chapter 307 and section 4162 of title 18 in the codification of title 18 by the Act of June 25, 1948 (ch. 645, 62 Stat. 683). Subsequently, section 4162 of title 18 was repealed by section 218(a)(4) of Public Law 98–473 (98 Stat. 2027).

In this section, the definition of "Secretary" is omitted as unnecessary. For an explanation of the treatment of descriptive titles, see the "Standard changes" portion of the "General Explanation".

In clause (2), the word "individual" is substituted for "person" because of the definition of "person" in 1:1. The words "contract made by the Federal Government" are substituted for "contract entered into by the United States" for consistency in the revised title. The words "as of July 30, 1976, and any subsequent revision of those regulations" are omitted as obsolete.

In clause (3), the words "the outer Continental Shelf" are substituted for "Outer Continental Shelf lands" for consistency with the definition in 43:1331 and for consistency with the more common usage generally found in subchapter III of 43:ch. 29.

In subsection (b)(7), the words "United States Postal Service" are substituted for "Post Office Department" because of sections 4(a) and 6(*o*) of the Postal Reorganization Act (Public Law 91–375, 84 Stat. 773, 783).

tion 204(d)(1) of the Fair Labor Standards Amendments of 1966 (Public Law 89–601, 80 Stat. 836), which amended the Fair Labor Standards Act of 1938 by redesignating section 7(d) as 7(e).

A, title X, § 1073(g)(3), Nov. 18, 1997, 111 Stat. 1906.
6903(i)(3)(B)	41:605(e) (last sentence).	

Subsection (a)(1) is based on the words "relating to a contract", which appear four times in the first three sentences of 41:605(a).

In subsection (b)(1), with respect to claims by the Government against a contractor, as provided for in 41:605(a) (2d sentence), the words "shall be submitted to the contracting officer for a decision" are substituted for "shall be the subject of a decision by the contracting officer" for consistency in the section and because 41:605(a)

(3d sentence) suggests that both the Federal Government's claims and the contractor's claims are submitted to the contracting officer.

In subsections (c)(1)(D) and (2), the word "duly" is omitted as unnecessary.

In subsection (c)(3), the words "of contract appeals" are omitted as unnecessary because of the definition of "agency board" in section 6901 of the revised title.

In subsection (d)(2), the words "this subsection'", which appear in section 5 of the Contract Disputes Act of 1978 (92 Stat. 2384), and which were probably intended to mean "this section'", are translated as "this paragraph" in accordance with the probable intent of Congress.

In subsection (b)(1), the words "United States Court of Federal Claims" are substituted for "United States Claims Court" because of section 902(b)(1) of the Federal Courts Administration Act of 1992 (Pub. L. 102–572, 106 Stat. 4516).

6905(e)	41:610.	
6905(f)	41:607(e).	

In subsection (a)(2), the words "an agency board of contract appeals" are substituted for "a board of contract appeals" for consistency in the subsection and with the definition of "agency board" in section 6901 of the revised title.

In subsection (a)(3), the words "criteria for" are omitted as unnecessary. The words "the agency board established by the Tennessee Valley Authority" are substituted for "a board established by the Tennessee Valley Authority" for consistency in the section and with the definition of "agency board" in section 6901 of the revised title.

In subsection (b)(1), the words "administrative law judges" are substituted for "hearing examiners" because of section 3 of Public

Law 95–251 (5 U.S.C. 3105 note). The words "Full-time members of agency boards serving as such on the effective date of this chapter shall be considered qualified" are omitted as obsolete.

In subsection (b)(2), the words "of contract appeals" are omitted as unnecessary because of the definition of "agency board" in section 6901 of the revised title.

In subsection (c), the words "any appeals" are substituted for "the case" for consistency in the subsection.

In subsection (d)(1)(B), the words "pursuant to subsection (c)" are added to clarify that the exclusion of the Tennessee Valley Authority from inter-agency arrangements under subsection (c) is not rendered moot by the grant of jurisdiction in subsection (d).

In subsection (d)(2), the words "United States Court of Federal Claims" are substituted for "United States Claims Court" because of section 902(b)(1) of the Federal Courts Administration Act of 1992 (Pub. L. 102–572, 106 Stat. 4516).

In subsection (e), the words "agency board" are substituted for "agency board of contract appeals" and the words "agency board of the Tennessee Valley Authority" are substituted for "board of contract appeals of the Tennessee Valley Authority" for consistency with the definition of "agency board" in section 6901 of the revised title.

SECTION 6906

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6906(a)	41:607(f).	Pub. L. 95–563, § 8(f), Nov. 1, 1978, 92 Stat. 2386; Pub. L. 103–355, title II, § 2351(c), Oct. 13, 1994, 108 Stat. 3322.

In subsection (a), the word "only" is omitted for consistency with a similar provision in 41:608(a) and because the word "only" is redundant with the word "sole".

In subsection (b)(6), the words "from time to time, may review" are substituted for "is authorized to review at least every three years" because the source law, while effectively granting the Administrator authority to conduct the reviews, does not require the Administrator to conduct any reviews, and does not restrict the number of reviews the Administrator may conduct during any time period. The words "beginning with the third year after November 1, 1978" are omitted as obsolete. The words "the dollar amount specified in paragraph (1)" are substituted for "the dollar amount defined in subsection (a) of this section as a small claim" to eliminate unnecessary words and because 41:608(a), restated as paragraph (1), does not explicitly provide a definition for the term "small claim".

In subsection (a)(1) (matter before clause (A)), the words "of contract appeals" are omitted as unnecessary because of the definition of "agency board" in section 6901 of the revised title.

In subsection (a)(1)(B), the words "may transmit" are substituted for "transmits" to correct the grammatical structure of the provision in accordance with the probable intent of Congress. The words "the decision" are substituted for "the decision of the board of contract appeals" and for "the board's decision" to eliminate unnecessary words and for consistency with subsection (g)(1)(A).

In subsection (a)(2) (matter before clause (A)), the words "agency board" are substituted for "the board of contract appeals" to eliminate unnecessary words and for consistency with the definition of "agency board" in section 6901 of the revised title.

In subsection (a)(2)(B), the words "in any case" are omitted as unnecessary.

In subsection (d), the words "United States Court of Federal Claims" are substituted for "United States Claims Court" because of section 902(b)(1) of the Federal Courts Administration Act of 1992 (Pub. L. 102–572, 106 Stat. 4516).

In subsection (f)(1), (3), and (4), the words "agency board" are substituted for "board of contract appeals" to eliminate unnecessary words and for consistency with the definition of "agency board" in section 6901 of the revised title.

In subsection (f)(1), the words "under consideration" are substituted for "at issue" to avoid potential confusion with the words "issue described in paragraph (2)".

SECTION 6908

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6908	41:612.	Pub. L. 95–563, § 13, Nov. 1, 1978, 92 Stat. 2389; Pub. L. 104–106, div. D, title XLIII, § 4322(b)(7), Feb. 10, 1996, 110 Stat. 677.

SECTION 6909

Revised Section	*Source (U.S. Code)*	*Source (Statutes at Large)*
6909(a)(1)	41:611 (1st sentence).	Pub. L. 95–563, § 12, Nov. 1, 1978, 92 Stat. 2389.
6909(a)(2)	41:611 note.	Pub. L. 102–572, title IX, § 907(a)(3), Oct. 29, 1992, 106 Stat. 4518.
6909(b)	41:611 (last sentence).	

In subsection (a)(2), the words "on or after the date of the enactment of this Act [Oct. 29, 1992]", "the later of", and "or the date of the enactment of this Act" are omitted as obsolete.

Subsection (b) is substituted for "The interest provided for in this section shall be paid at the rate established by the Secretary of the Treasury pursuant to Public Law 92–41 (85 Stat. 97) for the Renegotiation Board" to eliminate obsolete language and to codify the criteria under which the interest rate is computed. Section 2(a)(3) of the Renegotiation Act of 1971 (Public Law 92–41, 85 Stat. 97) amended section 105(b)(2) of the Renegotiation Act of 1951 (ch. 15, 65 Stat. 13) by adding provisions substantially similar to those enacted here. However, the Renegotiation Act of 1951 (ch. 15, 65 Stat. 7) was omitted from the Code pursuant to section 102(c)(1) of the Act (ch. 15, 65 Stat. 8, amended several times, the last being the Act of Dec. 31, 1975, (Pub. L. 94–185, 89 Stat. 1061)), which provided that most provisions of that Act do not apply to receipts and accruals attributable to contract performance after September 30, 1976, and in view of the termination of the Renegotiation Board and the transfer of property and records of the Board to the Administrator of the General Services Administration on March 31, 1979, pursuant to section 501 of Public Law 95–431 (92 Stat. 1043). Although the Renegotiation Board is no longer in existence, Federal agencies, including the General Services Administration, are required to use interest rates that are computed under these criteria. See 31 U.S.C. § 3902(a) and the website of the Bureau of the Public Debt, available at http://www.publicdebt.treas.gov/opd/opdprmt2.htm. For an example of publication of rates under the criteria enacted here, see Federal Register, volume 67, number 247, page 78566, December 24, 2002.

SECTION 2—CONFORMING AMENDMENT

Section 2 amends section 2410i(b)(1) title 10, United States Code, to reflect the amendment of section 4(11) of the Office of Federal Procurement Policy Act (Public Law 93–400) by section 4001 of the Federal Acquisition Streamlining Act of 1994 (Public Law 103–355, 108 Stat. 3338).

SECTION 3—CONFORMING CROSS-REFERENCES

Section 3 makes conforming cross-references to titles of the United States Code that have been enacted into positive law and to the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.). These amendments are necessary because of the restatement of the source provisions in section 1.

SECTION 4—LEGISLATIVE PURPOSE AND CONSTRUCTION

Section 4 of the bill contains provisions related to the legislative effect and construction of provisions enacted by the bill.

SECTION 5—REPEALS

Section 5 of the bill relates to the repeal of those statutes that are codified and reenacted by the bill, and other statutes that are executed, superseded, obsolete, or otherwise of no present legal effect.

Subsection (a) provides that a repeal of a law may not be construed as a legislative inference that the provision was or was not in effect before its repeal.

Subsection (b) contains the schedule of laws to be repealed. It also preserves rights, duties, and penalties incurred, and proceedings begun, before the date of enactment of the bill.

MASTER DISPOSITION TABLES

Tables A, B, and C show the disposition of laws affected by the codification of title 41, United States Code, in section 1 of the bill.

Table A lists existing sections of the United States Code affected by the bill. For each existing section, a proposed new citation or other disposition is shown.

Table B lists, in chronological order by date of enactment, provisions of Public Laws affected by the bill. For each provision, the ex-

isting United States Code citation and a proposed new citation or other disposition are shown.

Table C lists provisions of the Revised Statutes affected by the bill. For each provision, the existing United States Code citation and a proposed new citation or other disposition are shown.

Disposition Keys.—The disposition of each provision listed in the tables is summarized by means of a disposition "key" of 1, 2, 3, 4, or X.

Disposition 1 means that the provision is restated in the proposed revised title. The existing provision is included in the Schedule of Laws repealed in section 5(b) of the bill (except as otherwise indicated).

Disposition 2 means that the provision is omitted from the proposed revised title. The existing provision is included in the Schedule of Laws repealed in section 5(b) of the bill. In general, disposition 2 is used for provisions that are executed or obsolete.

Disposition 3 also means that the provision is omitted from the proposed revised title. However, the existing provision is not included in the Schedule of Laws repealed in section 5(b) of the bill. In general, disposition 3 is used for provisions that are temporary or of limited interest.

Disposition 4 means that the provision is recommended for transfer to another title of the United States Code. The existing provision is not included in the Schedule of Laws repealed in section 5(b) of the bill.

Disposition X means that the provision was previously repealed.

Feb. 11	104	1 (matter purportedly classified to 41:6ee)	44	1081	20:68		X	This provision appears in the credit for 41:6ee. In addition, a table contained in the Act of October 10, 1940, ch. 851, § 4, 54 Stat. 1111, 1114, which repealed the provision, indicates that the provision is classified to 41:6ee. However, the provision appears to have been classified to 20:68, not 41:6ee. The provision is shown in the credit for 20:68 and Table III of the Code reflects classification of the provision only to 20:68. Notwithstanding the table at 54 Stat. 1114, the repeal was treated as a repeal of 20:68. The substance of 41:6ee relates to an exemption from 41:5 for certain purchases and services for the Tariff Commission (now International Trade Commission). The substance of 20:68 relates to a similar exemption for the Smithsonian Institution. At 44 Stat. 1081, only the exemption for the Smithsonian Institution appears. Confusion may have arisen because, in a subsequent law (the Act of April 18, 1940, ch. 107, 54 Stat. 137), exemptions for both the Tariff Commission and the Smithsonian Institution were set out on the same page.

Subsequently, section 10005(f)(4) of Public Law 103–355 (108 Stat. 3409) added, at the end, another section 5, which was amended and redesignated as section 7 by section 4321(a)(11) of Public Law 104–106 (110 Stat. 671).
