LETTER OF TRANSMITTAL

HOUSE OF REPRESENTATIVES,
Washington, DC, August 2, 1996.

Hon. NEWT GINGRICH,
Speaker of the House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: By direction of the Committee on Government Reform and Oversight, I submit herewith the committee's ninth report to the 104th Congress.

WILLIAM F. CLINGER, Jr.,
Chairman.

PREFACE

The Committee on Government Reform and Oversight has long believed that effective financial management is critically important to making the best decisions on the use of public resources in the support of the security and well-being of the American people.

To assist it in fulfilling oversight responsibilities, the committee has prepared this compilation of laws on financial management, with references to related requirements and guidelines issued by Federal agencies. This compilation is being released as an investigative report to serve as a reference guide in assisting the committee members and staff in their work. However, it should also prove useful to our congressional colleagues and staff, Government entities, and others interested in good stewardship of Federal resources.

The committee appreciates the assistance of Jeffrey C. Steinhoff and Bruce K. Michelson, of the General Accounting Office, and Kevin Sabo, the committee's General Counsel, for their efforts in preparing this investigative report.

INTRODUCTION

INTRODUCTION

This report contains the laws related to financial management in the federal government as of December 31, 1995, and also includes two financial management related laws passed during 1996, as explained below. The Print is intended as a guide for easy access to the codified laws and references to the related requirements and guidelines.

LAWS RELATED TO FINANCIAL MANAGEMENT

The selected provisions of the Code,¹ as of December 31, 1995, contained in this report are mostly from Title 31, "Money and Finance." Title 31 is the primary title containing financial management matters. Also included, however, are selected sections containing financial management mandates from eight other titles. (See appendix I for a further explanation of the provisions of the Code included in this report.) Most sections of the Code contain supplemental notes providing further requirements or explanations. In several sections of the Code contained in this Print, notes are provided where necessary to assist in interpreting the meaning of the section. They are in italic print to differentiate them from the text of the Code.

In addition, the full text of the recently enacted Debt Collection Improvement Act of 1996, and the Single Audit Act Amendments of 1996 are not included in the Code as of December 31, 1995, but are in this Print. Further, 11 major laws on financial management, though appearing in various parts of the Code in this Print, are also included separately as originally enacted.

REQUIREMENTS AND GUIDELINES ISSUED BY AGENCIES OR ENTITIES

The laws contained in this report are supplemented by references to selected requirements and guidelines issued by federal agencies. Where applicable, at the end of each chapter of the Code, the related selected references are cited. The citations are in italic print to differentiate them from the text of the Code.

The references cited are from seven sources. The first source is the requirements contained in the "Code of Federal Regulations" (C.F.R.). The C.F.R. contains the rules issued by agencies and is further explained in appendix II. The next five sources are the financial management issuances other than those contained in the C.F.R. of the "oversight" agencies or entities. They are the:

- General Accounting Office (GAO) (see appendix III);
- Office of Management and Budget (OMB) (see appendix IV);
- Department of the Treasury (see appendix V);
- Joint Financial Management Improvement Program (JFMIP) (see appendix VI); and

¹The information in this report comes from the United States Code Annotated (U.S.C.A.).

Federal Accounting Standards Advisory Board (FASAB) (see appendix VII).

Each of these five appendices contains a short description of the role of the agency or entity and lists the applicable selected requirements and guidelines and, the related parts of the Code. Appendices III, IV, and V also contain a cross-index listing the section of the Code in sequential order followed by the applicable requirement or guideline. In addition, each of these five appendices include the address and telephone numbers of the agency or entity for use in obtaining information or acquiring copies of the applicable requirements and guidelines.

The seventh source of financial management issuances is the Cost Accounting Standards Board (CASB). Appendix VIII provides a brief description of the CASB, its applicability to federal financial management, the related section of the Code pertaining to it, and portions of the C.F.R. containing the standards it issued. The address and telephone number of the CASB is provided if additional information is needed.

OTHER APPENDICES

Appendices IX and X provide cross-indexes of important financial management laws by popular name and statute citation or public law (PL) number.

Appendix IX lists the major laws by popular name with a corresponding reference to the U.S.C. citation and statute citation or PL number.² Thus, by knowing only the popular name, such as the Chief Financial Officers Act of 1990, the user can identify the U.S.C. citations and the related statute or PL number. For example, the Chief Financial Officers Act of 1990 will cross-index to several U.S.C. citations contained in this Print and PL 101-576.

Appendix X lists the statute citation (if the law was enacted before 1957) or PL number in sequential order cross-indexed to the popular name of the law. For example, PL 95-510 will contain a cross-index to: "Legislative Reorganization Act of 1970."

TABLE OF CONTENTS

In addition to the summary contents and the overall contents preceding this introduction, the selected provisions of each the nine Titles of the Code contained in this report will be preceded by a table listing the sections included from that title.

²The Code citation contains all amendments to the law as of December 31, 1995, related to the sections of Code included in this Print.

FINDINGS AND PURPOSES

Pub.L. 101–576, Title I, Sec. 102, Nov. 15, 1990, 104 Stat. 2838, provided that:

“(a) FINDINGS.—The Congress finds the following:

“(1) General management functions of the Office of Management and Budget need to be significantly enhanced to improve the efficiency and effectiveness of the Federal Government.

“(2) Financial management functions of the Office of Management and Budget need to be significantly enhanced to provide overall direction and leadership in the development of a modern Federal financial management structure and associated systems.

“(3) Billions of dollars are lost each year through fraud, waste, abuse, and mismanagement among the hundreds of programs in the Federal Government.

“(4) These losses could be significantly decreased by improved management, including improved central coordination of internal controls and financial accounting.

“(5) The Federal Government is in great need of fundamental reform in financial management requirements and practices as financial management systems are obsolete and inefficient, and do not provide complete, consistent, reliable, and timely information.

“(6) Current financial reporting practices of the Federal Government do not accurately disclose the current and probable future cost of operating and investment decisions, including the future need for cash or other resources, do not permit adequate comparison of actual costs among executive agencies, and do not provide the timely information required for efficient management of programs.

“(b) PURPOSES.—The purposes of this Act [Pub.L. 101–576, Nov. 15, 1990, 104 Stat. 2838, see Short Title of 1990 Amendment note under this section] are the following:

“(1) Bring more effective general and financial management practices to the Federal Government through statutory provisions which would establish in the Office of Management and Budget a Deputy Director for Management, establish an Office of Federal Financial Management headed by a Controller, and designate a Chief Financial Officer in each executive department and in each major executive agency in the Federal Government.

“(2) Provide for improvement, in each agency of the Federal Government, of systems of accounting, financial management, and internal controls to assure the issuance of reliable financial information and to deter fraud, waste, and abuse of Government resources.

“(3) Provide for the production of complete, reliable, timely, and consistent financial information for use by the executive branch of the Government and the Congress in the financing, management, and evaluation of Federal programs.”

DUTIES AND FUNCTIONS OF THE DEPARTMENT OF THE TREASURY

Pub.L. 101–576, Title II, Sec. 204, Nov. 15, 1990, 104 Stat. 2842, provided that: “Nothing in this Act [Pub.L. 101–576, Nov. 15, 1990, 104 Stat. 2838, see Short Title of 1990 Amendment note under this section] shall be construed to interfere with the exercise of the functions, duties, and responsibilities of the Department of the Treasury, as in effect immediately before the enactment of this Act [probably means the date of enactment of Pub.L. 101–576, which was approved Nov. 15, 1990].”

For the purposes of this subparagraph, an administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(3) Sections 3803 (except for subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812 of this title shall be applied, consistent with the requirements of this section, to the imposition and collection of civil penalties under this subsection.

(e)(1)(A) Subsection (a)(1) of this section does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement to the extent that the payment is for agency and legislative liaison activities not directly related to a Federal action referred to in subsection (a)(2) of this section.

(B) Subsection (a)(1) of this section does not prohibit any reasonable payment to a person in connection with, or any payment of reasonable compensation to an officer or employee of a person requesting or receiving, a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(C) Nothing in this paragraph shall be construed as permitting the use of appropriated funds for making any payment prohibited in or pursuant to any other provision of law.

(2) The reporting requirement in subsection (b) of this section shall not apply to any person with respect to—

ing a contract or subcontract to carry out any purpose for which such a loan is made.

(f) The Secretary of Defense may exempt a Federal action described in subsection (a)(2) from the prohibition in subsection (a)(1) whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such determination.

SEC. 1502. BALANCES AVAILABLE.

(a) The balance of an appropriation or fund limited for obligation to a definite period is available only for payment of expenses properly incurred during the period of availability or to complete contracts properly made within that period of availability and obligated consistent with section 1501 of this title. However, the appropriation or fund is not available for expenditure for a period beyond the period otherwise authorized by law.

(b) A provision of law requiring that the balance of an appropriation or fund be returned to the general fund of the Treasury at the end of a definite period does not affect the status of lawsuits or rights of action involving the right to an amount payable from the balance.

SEC. 1503. COMPTROLLER GENERAL REPORTS OF AMOUNTS FOR WHICH NO ACCOUNTING IS MADE.

The Comptroller General shall make a special report each year to Congress on recommendations for changes in laws, that the Comptroller General believes may be in the public interest, about amounts—

SEC. 1512. APPORTIONMENT AND RESERVES.

(a) Except as provided in this subchapter, an appropriation available for obligation for a definite period shall be apportioned to prevent obligation or expenditure at a rate that would indicate a necessity for a deficiency or supplemental appropriation for the period. An appropriation for an indefinite period and authority to

make obligations by contract before appropriations shall be apportioned to achieve the most effective and economical use. An apportionment may be reapportioned under this section.

(b)(1) An appropriation subject to apportionment is apportioned by—

(c)(1) In apportioning or reapportioning an appropriation, a reserve may be established only—

- (A) to provide for contingencies;

When an official designated in section 1513 of this title to make apportionments decides that an amount reserved will not be required to carry out the objectives and scope of the appropriation concerned, the official shall recommend the rescission of the amount in the way provided in chapter 11 of this title for appropriation requests. Reserves established under this section shall be reported to Congress as provided in the Impoundment Control Act of 1974 (2 U.S.C. 681 et seq.).

An appropriation shall be apportioned not later than the later of the following:

The head of each executive agency to which the appropriation is available shall submit to the President information required for the apportionment in the form and the way and at the time specified by

the President. The information shall be submitted not later than the later of the following:

Each amount may be changed during the fiscal year only by written direction of the head of the department. The direction shall state the reasons for the change.

(d) An appropriation apportioned under this subchapter may be divided and subdivided administratively within the limits of the apportionment.

(e) This section does not affect the initiation and operation of agricultural price support programs.

The system shall be designed to—

(2) enable the official or the head of the executive agency to fix responsibility for an obligation or expenditure exceeding an apportionment or reapportionment.

(b) To have a simplified system for administratively dividing appropriations, the head of each executive agency (except the Commission) shall work toward the objective of financing each operating unit, at the highest practical level, from not more than one administrative division for each appropriation affecting the unit.

(b)(1) Except as provided in subsection (a) of this section, an official may make, and the head of an executive agency may request, an apportionment under section 1512 of this title that would indicate a necessity for a deficiency or supplemental appropriation only when the official or agency head decides that the action is required because of—

(A) a law enacted after submission to Congress of the estimates for an appropriation that requires an expenditure beyond administrative control; or

(B) an emergency involving the safety of human life, the protection of property, or the immediate welfare of individuals when an appropriation that would allow the United States Government to pay, or contribute to, amounts required to be paid to individuals in specific amounts fixed by law or under formulas prescribed by law, is insufficient.

(2) If an official making an apportionment decides that an apportionment would indicate a necessity for a deficiency or supplemental appropriation, the official shall submit immediately a detailed report of the facts to Congress. The report shall be referred to in submitting a proposed deficiency or supplemental appropriation.

SEC. 1516. EXEMPTIONS.

(b) Payment shall be made promptly by check on the written request of the agency or unit filling the order. Payment may be in advance or on providing the goods or services ordered and shall be for any part of the estimated or actual cost as determined by the agency or unit filling the order. (a) In this subchapter—

(1) An obligated balance of an appropriation account as of the end of a fiscal year is the amount of unliquidated obligations applicable to the appropriation less amounts collectible as repayments to the appropriation.

(2) An unobligated balance is the difference between the obligated balance and the total unexpended balance.

(3) A fixed appropriation account is an appropriation account available for obligation for a definite period.

(b) The limitations on the availability for expenditure prescribed in this subchapter apply to all appropriations unless specifically otherwise authorized by a law that specifically—

(1) identifies the appropriate account for which the availability for expenditure is to be extended;

(2) provides that such account shall be available for recording, adjusting, and liquidating obligations properly chargeable to that account; and

(3) extends the availability for expenditure of the obligated balances.

(c) This subchapter does not apply to—

(1) appropriations for the District of Columbia government;

or

(2) appropriations to be disbursed by the Secretary of the Senate or the Clerk of the House of Representatives.

SEC. 1552. PROCEDURE FOR APPROPRIATION ACCOUNTS AVAILABLE FOR DEFINITE PERIODS.

(2) The total amount of charges to an account under paragraph (1) may not exceed an amount equal to 1 percent of the total appropriations for that account.

(c)(1) In the case of a fixed appropriation account with respect to which the period of availability for obligation has ended, if an obligation of funds from that account to provide funds for a program, project, or activity to cover amounts required for contract changes would cause the total amount of obligations from that appropriation during a fiscal year for contract changes for that program, project, or activity to exceed \$4,000,000, the obligation may only be made if the obligation is approved by the head of the agency (or an officer of the agency within the Office of the head of the agency

(2) In the case of a fixed appropriation account with respect to which the period of availability for obligation has ended, if an obligation of funds from that account to provide funds for a program, project, or activity to cover amounts required for contract changes would cause the total amount obligated from that appropriation during a fiscal year for that program, project, or activity to exceed \$25,000,000, the obligation may not be made until—

(A) the head of the agency submits to the appropriate authorizing committees of Congress and the Committees on Appropriations of the Senate and the House of Representatives a notice in writing of the intent to obligate such funds, together with a description of the legal basis for the proposed obligation and the policy reasons for the proposed obligation; and

(B) a period of 30 days has elapsed after the notice is submitted.

(3) In this subsection, the term “contract change” means a change to a contract under which the contractor is required to perform additional work. Such term does not include adjustments to pay claims or increases under an escalation clause.

(d)(1) Obligations under this section may be paid without prior action of the Comptroller General.

(D) describe any adjustment of obligations during that fiscal year pursuant to section 1553 of this title;

the account since the preceding review were supported by a proper obligation of funds and otherwise were proper;

(F) describe all balances canceled under sections 1552 and 1555 of this title.

(3) The head of each Federal agency shall provide a copy of each such report to the Speaker of the House of Representatives and the Committee on Appropriations, the Committee on Governmental Affairs, and other appropriate oversight and authorizing committees of the Senate.

A ruling is considered final on the date on which the time allowed for filing an appeal or request for reconsideration has expired, or the date on which a decision is rendered on such an appeal or request, whichever is later.

(b) Subsection (a) applies with respect to any protest filed under subchapter V of chapter 35 of this title or under section 111(f) of

(a) With the approval of the President, the Secretary of the Treasury may borrow on the credit of the United States Government amounts necessary for expenditures authorized by law and may issue bonds of the Government for the amounts borrowed and may buy, redeem, and make refunds under section 3111 of this title. The Secretary may issue bonds authorized by this section to the public and to Government accounts at any annual interest rate and prescribe conditions under section 3121 of this title.

(b) The Secretary shall offer the bonds authorized under this section first as a popular loan under regulations of the Secretary that allow the people of the United States as nearly as possible an equal opportunity to participate in subscribing to the offered bonds. However, the bonds may be offered in a way other than as a popular

loan when the Secretary decides the other way is in the public interest.

(c)(1) When the Secretary decides it is in the public interest in making a bond offering under this section, the Secretary may—

(A) make full allotments on receiving applications for smaller amounts of bonds to subscribers applying before the closing date the Secretary sets for filing applications;

(B) reject or reduce allotments on receiving applications filed after the closing date or for larger amounts;

(C) reject or reduce allotments on receiving applications from incorporated banks and trust companies for their own account and make full allotments or increase allotments to other subscribers; and

(D) prescribe a graduated scale of allotments.

(2) The Secretary shall prescribe regulations applying to all popular loan subscribers similarly situated governing a reduction or increase of an allotment under paragraph (1) of this subsection.

(d) The Secretary may make special arrangements for subscriptions from members of the armed forces. However, bonds issued to those members must be the same as other bonds of the same issue.

(e) The Secretary may dispose of any part of a bond offering not taken and may prescribe the price and way of disposition.

(b) The Government may redeem any part of a series of notes before maturity by giving at least 4 months' notice but not more than one year's notice.

(c) The holder of a note of one series issued under this section with the same issue date as another series of notes issued under this section may convert, at par value, a note of the holder for a note of the other series.

Savings bonds shall mature not more than 20 years from the date of issue. Savings certificates shall mature not more than 10 years from the date of issue. The difference between the price paid and the amount received on redeeming a savings bond or certificate is interest under the Internal Revenue Code of 1954 (26 U.S.C. 1 et seq.).

(b)(1) The Secretary may—

(A) fix the investment yield for savings bonds; and

(B) change the investment yield on an outstanding savings bond, except that the yield on a bond for the period held may not be decreased below the minimum yield for the period guaranteed on the date of issue.

(2) The Secretary may prescribe regulations providing that—

(A) owners of savings bonds may keep the bonds after maturity or after a period beyond maturity during which the bonds have earned interest and continue to earn interest at rates consistent with paragraph (1) of this subsection; and

(B) savings bonds earning a different rate of interest before the regulations are prescribed shall earn a rate of interest consistent with paragraph (1).

(c) The Secretary may prescribe for savings bonds and savings certificates issued under this section—

(1) the form and amount of an issue and series;

(2) the way in which they will be issued;

(3) the conditions, including restrictions on transfer, to which they will be subject;

(4) conditions governing their redemption;

(5) their sales price and denominations;

(6) a way to evidence payments for or on account of them and to provide for the exchange of savings certificates for savings bonds; and

(7) the maximum amount issued in a year that may be held by one person.

(d) The Secretary may authorize financial institutions to make payments to redeem savings bonds and savings notes. A financial institution may be a paying agent only if the institution—

(1) is incorporated under the laws of the United States, a State, the District of Columbia, or a territory or possession of the United States;

(2) in the usual course of business accepts, subject to withdrawal, money for deposit or the purchase of shares;

(3) is under the supervision of a banking authority of the jurisdiction in which it is incorporated;

(4) has a regular office to do business; and

(5) is qualified under regulations prescribed by the Secretary in carrying out this subsection.

(e)(1) The Secretary may prescribe a way in which a check issued to an individual (except a trust or estate) as a refund for taxes imposed under subtitle A of the Internal Revenue Code of 1954 (26 U.S.C. 1 et seq.) may become a series E savings bond. However, a check may become a bond only if the claim for a refund is filed by the last day prescribed by law for filing the return (determined without any extensions) for the taxable year for which the refund is made. The Secretary may prescribe the time and way in which the check becomes a bond.

(2) A bond issued under this subsection is deemed to be a series E bond issued under this section, except that the bond shall bear an issue date of the first day of the first month beginning after the close of the taxable year for which the bond is issued. The Secretary also may provide that a bond issued to joint payees may be redeemed by either payee alone.

SEC. 3106. RETIREMENT AND SAVINGS BONDS.

(a) With the approval of the President, the Secretary of the Treasury may issue retirement and savings bonds of the United States Government and may buy, redeem, and make refunds under section 3111 of this title. The proceeds from the bonds shall be used for expenditures authorized by law. Retirement and savings bonds may be issued only on a discount basis. The maturity period of the bonds shall be at least 10 years from the date of issue but not more than 30 years from the date of issue. The difference between the price paid and the amount received on redeeming a bond is interest under the Internal Revenue Code of 1954 (26 U.S.C. 1 et seq.).

(b) With the approval of the President, the Secretary may allow owners of retirement and savings bonds to keep the bonds after maturity and continue to earn interest on them at rates that are consistent with the rate of investment yield provided by retirement and savings bonds.

(c) Section 3105(c)(1)–(5) of this title applies to this section. Sections 3105(c)(6) and (d) and 3126 of this title apply to this section to the extent consistent with this section. The Secretary may prescribe the maximum amount of retirement and savings bonds issued under this section in a year that may be held by one person. However, the maximum amount shall be at least \$3,000.

SEC. 3107. INCREASING INTEREST RATES AND INVESTMENT YIELDS ON RETIREMENT BONDS.

With the approval of the President, the Secretary of the Treasury may increase by regulation the interest rate or investment yield on an offering of bonds issued under this chapter that are described in sections 405(b) and 409(a) of the Internal Revenue Code of 1954 (26 U.S.C. 405(b), 409(a)), as in effect before the enactment of the Tax Reform Act of 1984. The increased yield shall be for interest accrual periods specified in the regulations so that the interest rate or investment yield on the bonds for those periods is consistent

with the interest rate or investment yield on a new offering of those bonds.

SEC. 3108. PROHIBITION AGAINST CIRCULATION PRIVILEGE.

An obligation issued under sections 3102–3104(a)(1) and 3105–3107 of this title may not bear the circulation privilege.

SEC. 3109. TAX AND LOSS BONDS.

(a) The Secretary of the Treasury may issue tax and loss bonds of the United States Government and may buy, redeem, and make refunds under section 3111 of this title. The proceeds of the tax and loss bonds shall be used for expenditures authorized by law. Tax and loss bonds are nontransferrable except as provided by the Secretary, bear no interest, and shall be issued in amounts needed to allow persons to comply with section 832(e) of the Internal Revenue Code of 1954 (26 U.S.C. 832(e)). The Secretary may prescribe the amount of tax and loss bonds and the conditions under which the bonds will be issued as required by section 832(e).

(b) For a taxable year in which amounts are deducted from the mortgage guaranty account referred to in section 832(e)(3) of the Internal Revenue Code of 1954 (26 U.S.C. 832(e)(3)), an amount of tax and loss bonds bought under section 832(e)(2) of the Internal Revenue Code of 1954 (26 U.S.C. 832(e)(2)) shall be redeemed for the amount deducted from the account. The amount redeemed shall be applied as necessary to pay taxes due because of the inclusion under section 832(b)(1)(E) of the Internal Revenue Code of 1954 (26 U.S.C. 832(b)(1)(E)) of amounts in gross income. The Secretary also may prescribe additional ways to redeem the bonds.

SEC. 3110. SALE OF OBLIGATIONS OF GOVERNMENTS OF FOREIGN COUNTRIES.

(a) With the approval of the President, the Secretary of the Treasury may sell obligations of the government of a foreign country when the obligations were acquired under—

- (1) the First Liberty Bond Act and matured before June 16, 1947;
- (2) the Second Liberty Bond Act and matured before October 16, 1938; or
- (3) section 7(a) of the Victory Liberty Loan Act.

(b) The Secretary may prescribe the conditions and frequency for receiving payment under obligations of a government of a foreign country acquired under the laws referred to in subsection (a) of this section. A sale of an obligation acquired under those Acts shall at least equal the purchase price and accrued interest. The proceeds of obligations sold under this section and payments received from governments on the principal of their obligations shall be used to redeem or buy (for not more than par value and accrued interest) bonds of the United States Government issued under this chapter. If those bonds cannot be redeemed or bought, the Secretary shall redeem or buy other outstanding interest-bearing obligations of the Government that are subject to redemption or which can be bought at not more than par value and accrued interest.

SEC. 3111. NEW ISSUE USED TO BUY, REDEEM, OR REFUND OUTSTANDING OBLIGATIONS.

An obligation may be issued under this chapter to buy, redeem, or refund, at or before maturity, outstanding bonds, notes, certifi-

cates of indebtedness, Treasury bills, or savings certificates of the United States Government. Under regulations of the Secretary of the Treasury, money received from the sale of an obligation and other money in the general fund of the Treasury may be used in making the purchases, redemptions, or refunds.

SEC. 3112. SINKING FUND FOR RETIRING AND CANCELLING BONDS AND NOTES.

(a) The Department of the Treasury has a sinking fund for retiring bonds and notes issued under this chapter. Amounts in the fund are appropriated for payment of bonds and notes at maturity or for their redemption or purchase before maturity by the Secretary of the Treasury. The fund is available until all the bonds and notes are retired.

(b) For each fiscal year, an amount is appropriated equal to—

(1) the interest that would have been payable during the fiscal year for which the appropriation is made on the bonds and notes bought, redeemed, or paid out of the fund during that or prior years;

(2) 2.5 percent of the total amount of bonds and notes issued under the First Liberty Bond Act, the Second Liberty Bond Act, the Third Liberty Bond Act, the Fourth Liberty Bond Act, and the Victory Liberty Loan Act and outstanding on July 1, 1920, less an amount equal to the par amount of obligations of governments of foreign countries that the United States Government held on July 1, 1920; and

(3) 2.5 percent of the total amount expended after June 29, 1933, from appropriations made or authorized in sections 301 and 302 of the Emergency Relief and Construction Act of 1932.

(c) The Secretary may prescribe the price and conditions for paying, redeeming, and buying bonds and notes under this section. The average cost of bonds and notes bought under this section may not be more than par value and accrued interest. Bonds and notes bought, redeemed, or paid out of the sinking fund must be canceled and retired and may not be reissued.

SEC. 3113. ACCEPTING GIFTS.

(a) To provide the people of the United States with an opportunity to make gifts to the United States Government to be used to reduce the public debt—

(1) the Secretary of the Treasury may accept for the Government a gift of—

(A) money made only on the condition that it be used to reduce the public debt;

(B) an obligation of the Government included in the public debt made only on the condition that the obligation be canceled and retired and not reissued; and

(C) other intangible personal property made only on the condition that the property is sold and the proceeds from the sale used to reduce the public debt; and

(2) the Administrator of General Services may accept for the Government a gift of tangible property made only on the condition that it be sold and the proceeds from the sale be used to reduce the public debt.

(b) The Secretary and the Administrator each may reject a gift under this section when the rejection is in the interest of the Government.

(c) The Secretary and the Administrator shall convert a gift either of them accepts under subsection (a)(1)(C) or (2) of this section to money on the best terms available. If a gift accepted under subsection (a) of this section is subject to a gift or inheritance tax, the Secretary or the Administrator may pay the tax out of the proceeds of the gift or the proceeds of the redemption or sale of the gift.

(d) The Treasury has an account into which money received as gifts and proceeds from the sale or redemption of gifts under this section shall be deposited. The Secretary shall use the money in the account to pay at maturity, or to redeem or buy before maturity, an obligation of the Government included in the public debt. An obligation of the Government that is paid, redeemed, or bought with money from the account shall be canceled and retired and may not be reissued. Money deposited in the account is appropriated and may be expended to carry out this section.

(e)(1) The Secretary shall redeem a direct obligation of the Government bearing interest or sold on a discount basis on receiving it when the obligation—

(A) is given to the Government;

(B) becomes the property of the Government under the conditions of a trust; or

(C) is payable on the death of the owner to the Government (or to an officer of the Government in the officer's official capacity).

(2) If the gift or transfer to the Government is subject to a gift or inheritance tax, the Secretary shall pay the tax out of the proceeds of redemption.

SUBCHAPTER II—ADMINISTRATIVE

SEC. 3121. PROCEDURE.

(a) In issuing obligations under sections 3102–3104 of this title, the Secretary of the Treasury may prescribe—

(1) whether an obligation is to be issued on an interest-bearing basis, a discount basis, or an interest-bearing and discount basis;

(2) regulations on the conditions under which the obligation will be offered for sale, including whether it will be offered for sale on a competitive or other basis;

(3) the offering price and interest rate;

(4) the method of computing the interest rate;

(5) the dates for paying principal and interest;

(6) the form and denominations of the obligations; and

(7) other conditions.

(b)(1) Under conditions prescribed by the Secretary, an obligation issued under this chapter and redeemable on demand of the owner or holder may be used to pay the United States Government for taxes imposed by it.

(2) An obligation of the Government issued after March 3, 1971, under law may not be redeemed before its maturity to pay a tax imposed by the Government in an amount more than the fair mar-

ket value of the obligation at the time of its redemption. This paragraph does not apply to a Treasury bill issued under section 3104 of this title.

(c) Under conditions prescribed by the Secretary, an obligation authorized by this chapter may be issued in exchange for an obligation of an agency whose principal and interest are unconditionally guaranteed by the Government at or before maturity.

(d) Under conditions prescribed by the Secretary, the Secretary may issue registered bonds in exchange for and instead of coupon bonds that have been or may be issued. The registered bonds shall be similar in all respects to the registered bonds issued under a law authorizing the issue of coupon bonds offered for exchange.

(e) A decision of the Secretary about an issue of obligations under sections 3102–3104 of this title is final.

(f) The Secretary may accept voluntary services in carrying out the sale of public debt obligations.

(g)(1) In this subsection, “registration-required obligation” means an obligation except an obligation—

(A) not of a type offered to the public;

(B) having a maturity (at issue) of not more than one year;

or

(C) described in paragraph (2) of this subsection.

(2) An obligation is not a registration-required obligation if—

(A) there are arrangements reasonably designed to ensure that the obligation will be sold (or resold in connection with the original issue) only to a person that is not a United States person; and

(B) for an obligation not in registered form—

(i) interest on the obligation is payable only outside the United States and its territories and possessions; and

(ii) a statement is on the face of the obligation that a United States person holding the obligation is subject to limitations under the United States income tax laws.

(3) Every registration-required obligation of the Government shall be in registered form. A book entry obligation is deemed to be in registered form if the right to principal and stated interest on the obligation may be transferred only through a book entry consistent with regulations of the Secretary.

(4) The Secretary shall prescribe regulations necessary to carry out this subsection when there is a nominee.

(h)(1) The Secretary shall prescribe by regulation standards for the safeguarding and use of obligations issued under this chapter, and obligations otherwise issued or guaranteed as to principal or interest by the United States. Such regulations shall apply only to a depository institution that is not a government securities broker or a government securities dealer and that holds such obligations as fiduciary, custodian, or otherwise for the account of a customer and not for its own account. Such regulations shall provide for the adequate segregation of obligations so held, including obligations which are purchased or sold subject to resale or repurchase.

(2) Violation of a regulation prescribed under paragraph (1) shall constitute adequate basis for the issuance of an order under section 5239(a) or (b) of the Revised Statutes (12 U.S.C. 93(a) or (b)), section 8(b) or 8(c) of the Federal Deposit Insurance Act, section

5(d)(2) or 5(d)(3) of the Home Owners' Loan Act of 1933, section 407(e) or 407(f) of the National Housing Act, or section 206(e) or 206(f) of the Federal Credit Union Act. Such an order may be issued with respect to a depository institution by its appropriate regulatory agency and with respect to a federally insured credit union by the National Credit Union Administration Board.

(3) Nothing in this subsection shall be construed to affect in any way the powers of such agencies under any other provision of law.

(4) The Secretary shall, prior to adopting regulations under this subsection, determine with respect to each appropriate regulatory agency and the National Credit Union Administration Board, whether its rules and standards adequately meet the purposes of regulations to be promulgated under this subsection, and if the Secretary so determines, shall exempt any depository institution subject to such rules or standards from the regulations promulgated under this subsection.

(5) As used in this subsection—

(A) “depository institution” has the meaning stated in clauses (i) through (vi) of section 19(b)(1)(A) of the Federal Reserve Act and also includes a foreign bank, an agency or branch of a foreign bank, and a commercial lending company owned or controlled by a foreign bank (as such terms are defined in the International Banking Act of 1978).

(B) “government securities broker” has the meaning prescribed in section 3(a)(43) of the Securities Exchange Act of 1934.

(C) “government securities dealer” has the meaning prescribed in section 3(a)(44) of the Securities Exchange Act of 1934.

(D) “appropriate regulatory agency” has the meaning prescribed in section 3(a)(34)(G) of the Securities Exchange Act of 1934.

SEC. 3122. BANKS AND TRUST COMPANIES AS DEPOSITARIES.

(a) The Secretary of the Treasury may designate incorporated banks and trust companies as depositaries for any part of proceeds of an obligation issued under this chapter. The Secretary may prescribe the conditions under which deposits may be made under this section, including the interest rate on amounts deposited and security requirements.

(b) The Secretary may designate a bank or trust company that is a depository under subsection (a) of this section as a fiscal agent of the United States Government in selling and delivering bonds and certificates of indebtedness issued by the Government.

SEC. 3123. PAYMENT OF OBLIGATIONS AND INTEREST ON THE PUBLIC DEBT.

(a) The faith of the United States Government is pledged to pay, in legal tender, principal and interest on the obligations of the Government issued under this chapter.

(b) The Secretary of the Treasury shall pay interest due or accrued on the public debt. As the Secretary considers expedient, the Secretary may pay in advance interest on the public debt by a period of not more than one year, with or without a rebate of interest on the coupons.

(c)(1) The Secretary may issue a bond, note, or certificate of indebtedness authorized under this chapter whose principal and interest are payable in a foreign currency stated in the bond, note, or certificate. The Secretary may dispose of the bonds, notes, and certificates at a price that is at least par value without complying with section 3102(b)–(d) of this title.

(2) In determining the dollar amount of bonds, notes, and certificates of indebtedness that may be issued under this chapter, the dollar equivalent of the amount of bonds, notes, and certificates payable in a foreign currency is determined by the par of the exchange value on the date of issue of the bonds, notes, or certificates as published by the Secretary under section 5151 of this title.

(3) The Secretary may designate depositories in foreign countries in which any part of the proceeds of bonds, notes, or certificates of indebtedness payable in the foreign currency may be deposited.

SEC. 3124. EXEMPTION FROM TAXATION.

(a) Stocks and obligations of the United States Government are exempt from taxation by a State or political subdivision of a State. The exemption applies to each form of taxation that would require the obligation, the interest on the obligation, or both, to be considered in computing a tax, except—

(1) a nondiscriminatory franchise tax or another nonproperty tax instead of a franchise tax, imposed on a corporation; and

(2) an estate or inheritance tax.

(b) The tax status of interest on obligations and dividends, earnings, or other income from evidences of ownership issued by the Government or an agency and the tax treatment of gain and loss from the disposition of those obligations and evidences of ownership is decided under the Internal Revenue Code of 1954 (26 U.S.C. 1 et seq.). An obligation that the Federal Housing Administration had agreed, under a contract made before March 1, 1941, to issue at a future date, has the tax exemption privileges provided by the authorizing law at the time of the contract. This subsection does not apply to obligations and evidences of ownership issued by the District of Columbia, a territory or possession of the United States, or a department, agency, instrumentality, or political subdivision of the District, territory, or possession.

SEC. 3125. RELIEF FOR LOST, STOLEN, DESTROYED, MUTILATED, OR DEFACED OBLIGATIONS.

(a) In this section, “obligation” means a direct obligation of the United States Government issued under law for valuable consideration, including bonds, notes, certificates of indebtedness, Treasury bills, and interim certificates issued for an obligation.

(b) The Secretary of the Treasury may provide relief for the loss, theft, destruction, mutilation, or defacement of an obligation identified by number and description.

(c)(1) An indemnity bond is required as a condition of relief if the obligation is payable to bearer or assigned so as to become payable to bearer and is not proven clearly to have been destroyed. The Secretary may prescribe for the indemnity bond the form, amount, and surety or security requirements.

(2) Relief for interest coupons claimed to have been attached to an obligation may be provided only if the Secretary is satisfied that

the coupons have not been paid and are destroyed or will not become the basis of a valid claim against the Government.

SEC. 3126. LOSSES AND RELIEF FROM LIABILITY RELATED TO REDEEMING SAVINGS BONDS AND NOTES.

(a) Under regulations prescribed by the Secretary of the Treasury, a loss resulting from a payment related to redeeming a savings bond or savings note shall be replaced out of the fund established by section 2 of the Government Losses in Shipment Act (40 U.S.C. 722). A Federal reserve bank, a paying agent allowed to make payments in redeeming a bond or note, or an officer or employee of the Department of the Treasury is relieved from liability to the United States Government for the loss when the Secretary decides that the loss did not result from the fault or negligence of the bank, paying agent, officer, or employee. The Secretary shall relieve the bank, agent, officer, or employee from liability when the Secretary decides that written notice of liability or potential liability has not been given to the bank, agent, officer, or employee by the Government within 10 years from the date of the erroneous payment. However, the Secretary may not relieve a paying agent of an assumed unconditional liability to the Government.

(b) Section 3 of the Government Losses in Shipment Act (40 U.S.C. 723) (related to finality of decisions of the Secretary) applies to a decision of the Secretary made under this section. A recovery or repayment of a loss for which replacement is made out of the fund shall be credited to the fund and is available for the purposes for which the fund was established.

SEC. 3127. CREDIT TO OFFICERS, EMPLOYEES, AND AGENTS FOR STOLEN TREASURY NOTES.

When an officer, employee, or agent of the United States Government authorized to receive, redeem, or cancel Treasury notes receives or pays a note that was stolen and put in circulation after it had been received or redeemed by an officer, employee, or agent authorized to receive or redeem the note, the Secretary of the Treasury may allow the officer, employee, or agent receiving or paying the stolen note a credit for the amount of the note. The Secretary may allow the credit only if the Secretary is satisfied that the note was received or paid in good faith and in exercising ordinary prudence.

SEC. 3128. PROOF OF DEATH TO SUPPORT PAYMENT.

A finding of death made by an officer or employee of the United States Government authorized by law to make the finding is sufficient proof of death to allow credit in the accounts of a Federal reserve bank or accountable official of the Department of the Treasury in a case involving the transfer, exchange, reissue, redemption, or payment of obligations of the Government, including obligations guaranteed by the Government for which the Secretary of the Treasury acts as transfer agent.

SEC. 3129. APPROPRIATION TO PAY EXPENSES.

(a) Amounts to pay necessary expenses (including rent) for an issue of obligations authorized under this chapter are appropriated to the Secretary of the Treasury. However, the amount appropriated under this section may not be more than—

(1) .2 percent of the amount of bonds and notes authorized under this chapter;

(2) .1 percent of the amount of certificates of indebtedness authorized under section 3104 of this title; and

(3) .1 percent of the amount of certificates of indebtedness authorized under the First Liberty Bond Act.

(b) An appropriation under this section is available for obligation only through the end of the fiscal year after the fiscal year in which the issue was made. During a period for which an appropriation for a specified amount is made for expenses for which this section makes an appropriation for an unspecified amount, only the appropriation for the specified amount is available for obligation.

SEC. 3302. CUSTODIANS OF MONEY.

(a) Except as provided by another law, an official or agent of the United States Government having custody or possession of public money shall keep the money safe without—

Except as provided in paragraph (2), money required to be deposited pursuant to this subsection shall be deposited not later than the third day after the custodian receives the money. (a) The Secretary of the Treasury shall prohibit a check or warrant drawn on public money from being sent to a foreign country from the United States or from a territory or possession of the United States when the Secretary decides that postal, transportation, or banking facilities generally, or local conditions in the foreign country, do not reasonably ensure that the payee—

(2) will be able to negotiate it for full value.

(b)(1) If a check or warrant is prohibited from being sent to a foreign country under subsection (a) of this section, the drawer shall

hold the check or warrant until the end of the calendar quarter after the date of the check or warrant.

An amount transferred under section 3329(b)(4) or deposited as miscellaneous receipts is deemed to be payment for all purposes to the individual entitled to payment.

(c) If the payee of a check for pension, compensation, or emergency officers' retirement pay under laws administered by the Secretary of Veterans Affairs dies while the amount of the check is in the special deposit account, the amount is payable (subject to section 3329 of this title and this section) as follows:

SUBCHAPTER IV—COLLECTION

SEC. 3541. DISTRESS WARRANTS.

(a) When an official receiving public money before it is paid to the Treasury or a disbursing or certifying official of the United States Government does not submit an account or pay the money as prescribed by law, the Comptroller General shall make the account for the official and certify to the Secretary of the Treasury the amount due the Government.

(b) The Secretary shall issue a distress warrant against the official stating the amount due from the official and any amount paid. The warrant shall be directed to the marshal of the district in which the official resides. If the Secretary intends to take and sell the property of an official that is located in a district other than where the official resides, the warrant shall be directed to the marshal of the district in which the official resides and the marshal of the district in which the property is located.

SEC. 3542. CARRYING OUT DISTRESS WARRANTS.

(a) A marshal carrying out a distress warrant issued under section 3541 of this title shall seize the personal property of the official and sell the property after giving 10 days notice of the sale. Notice shall be given by posting an advertisement of the property to be sold in at least 2 public places in the town and county in which the property was taken or the town and county in which the owner of the property resides. If the property does not satisfy the amount due under the warrant, the official may be sent to prison until discharged by law.

(b)(1) The amount due under a warrant is a lien on the real property of the official from the date the distress warrant is issued. The lien shall be recorded in the office of the clerk of the appropriate district court until discharged under law.

(2) If the personal property of the official is not enough to satisfy a distress warrant, the marshal shall sell real property of the official after advertising the property for at least 3 weeks in at least 3 public places in the county or district where the property is located. A buyer of the real property has valid title against all persons claiming under the official.

(c) The official shall receive that part of the proceeds of a sale remaining after the distress warrant is satisfied and the reasonable costs and charges of the sale are paid.

SEC. 3543. POSTPONING A DISTRESS WARRANT PROCEEDING.

(a) A distress warrant proceeding may be postponed for a reasonable time if the Secretary of the Treasury believes the public interest will not be harmed by the postponement.

(b)(1) A person adversely affected by a distress warrant issued under section 3541 of this title may bring a civil action in a district court of the United States. The complaint shall state the kind and extent of the harm. The court may grant an injunction to stay any part of a distress warrant proceeding required by the action after the person applying for the injunction gives a bond in an amount the court prescribes for carrying out a judgment.

(2) An injunction under this subsection does not affect a lien under section 3542(b)(1) of this title. The United States Government is not required to answer in a civil action brought under this subsection.

(3) If the court dissolves the injunction on a finding that the civil action for the injunction was brought only for delay, the court may increase the interest rate imposed on amounts found due against the complainant to not more than 10 percent a year. The judge may grant or dissolve an injunction under this subsection either in or out of court.

(c) A person adversely affected by a refusal to grant an injunction or by dissolving an injunction under subsection (b) of this section may petition a judge of a circuit court of appeals in which the district is located or the Supreme Court justice allotted to that circuit by giving the judge or justice a copy of the proceeding held before the district judge. The judge or justice may grant an injunction or allow an appeal if the judge or justice finds the case requires it.

SEC. 3544. RIGHTS AND REMEDIES OF THE UNITED STATES GOVERNMENT RESERVED.

This subchapter does not affect a right or remedy the United States Government has by law to recover a tax, debt, or demand.

SEC. 3545. CIVIL ACTION TO RECOVER MONEY.

The Attorney General shall bring a civil action to recover an amount due to the United States Government on settlement of the account of a person accountable for public money when the person neglects or refuses to pay the amount to the Treasury. Any commission of that person and interest of 6 percent a year from the time the money is received by the person until repaid to the Treasury shall be added to the amount due on the account. The commission is forfeited when judgment is obtained.

SUBCHAPTER II—CLAIMS OF THE UNITED STATES GOVERNMENT

SEC. 3711. COLLECTION AND COMPROMISE.

(a) The head of an executive or legislative agency—

(1) shall try to collect a claim of the United States Government for money or property arising out of the activities of, or referred to, the agency;

(2) may compromise a claim of the Government of not more than \$100,000 (excluding interest) or such higher amount as the Attorney General may from time to time prescribe that has not been referred to another executive or legislative agency for further collection action; and

(3) may suspend or end collection action on a claim referred to in clause (2) of this subsection when it appears that no person liable on the claim has the present or prospective ability to pay a significant amount of the claim or the cost of collecting the claim is likely to be more than the amount recovered.

(b) The Comptroller General has the same authority that the head of the agency has under subsection (a) of this section when the claim is referred to the Comptroller General for further collection action. Only the Comptroller General may compromise a claim arising out of an exception the Comptroller General makes in the account of an accountable official.

(c)(1) The head of an executive or legislative agency may not act under subsection (a)(2) or (3) of this section on a claim that appears to be fraudulent, false, or misrepresented by a party with an interest in the claim, or that is based on conduct in violation of the anti-trust laws.

(2) The Secretary of Transportation may not compromise for less than \$500 a penalty under section 21302 of title 49 for a violation of chapter 203, 205, or 207 of title 49 or a regulation or requirement prescribed or order issued under any of those chapters.

(d) A compromise under this section is final and conclusive unless gotten by fraud, misrepresentation, presenting a false claim, or mutual mistake of fact. An accountable official is not liable for an amount paid or for the value of property lost or damaged if the amount or value is not recovered because of a compromise under this section.

(e) The head of an executive or legislative agency acts under—

(1) regulations prescribed by the head of the agency; and

(2) standards that the Attorney General and the Comptroller General may prescribe jointly.

(f)(1) When trying to collect a claim of the Government under a law except the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.),

the head of an executive or legislative agency may disclose to a consumer reporting agency information from a system of records that an individual is responsible for a claim if—

(A) notice required by section 552a(e)(4) of title 5 indicates that information in the system may be disclosed to a consumer reporting agency;

(B) the head of the agency has reviewed the claim and decided that the claim is valid and overdue;

(C) the head of the agency has notified the individual in writing—

(i) that payment of the claim is overdue;

(ii) that, within not less than 60 days after sending the notice, the head of the agency intends to disclose to a consumer reporting agency that the individual is responsible for the claim;

(iii) of the specific information to be disclosed to the consumer reporting agency; and

(iv) of the rights the individual has to a complete explanation of the claim, to dispute information in the records of the agency about the claim, and to administrative repeal or review of the claim;

(D) the individual has not—

(i) repaid or agreed to repay the claim under a written repayment plan that the individual has signed and the head of the agency has agreed to; or

(ii) filed for review of the claim under paragraph (2) of this subsection;

(E) the head of the agency has established procedures to—

(i) disclose promptly, to reach consumer reporting agency to which the original disclosure was made, a substantial change in the condition or amount of the claim;

(iii) get satisfactory assurances from each consumer reporting agency that the agency is complying with all laws of the United States related to providing consumer credit information; and

(F) the information disclosed to the consumer reporting agency is limited to—

(i) information necessary to establish the identity of the individual, including name, address, and taxpayer identification number;

(ii) the amount, status, and history of the claim; and

(iii) the agency or program under which the claim arose.

(2) Before disclosing information to a consumer reporting agency under paragraph (1) of this subsection and at other times allowed by law, the head of an executive or legislative agency shall provide, on request of an individual alleged by the agency to be responsible for the claim, for a review of the obligation of the individual, including an opportunity for reconsideration of the initial decision on the claim.

(3) Before disclosing information to a consumer reporting agency under paragraph (1) of this subsection, the head of an executive or

legislative agency shall take reasonable action to locate an individual for whom the head of the agency does not have a current address to send the notice under paragraph (1)(C).

SEC. 3712. TIME LIMITATIONS FOR PRESENTING CERTAIN CLAIMS OF THE GOVERNMENT.

(a) **CLAIMS OVER FORGED OR UNAUTHORIZED ENDORSEMENTS.—**

(1) **PERIOD FOR CLAIMS.**—If the Secretary of the Treasury determines that a Treasury check has been paid over a forged or unauthorized endorsement, the Secretary may reclaim the amount of such check from the presenting bank or any other endorser that has breached its guarantee of endorsements prior to—

(A) the end of the 1-year period beginning on the date of payment; or

(B) the expiration of the 180-day period beginning on the close of the period described in subparagraph (A) if a timely claim is received under section 3702.

(2) **CIVIL ACTIONS.**—(A) Except as provided in subparagraph (B), the United States may bring a civil action to enforce the liability of an endorser, transferor, depository, or fiscal agent on a forged or unauthorized signature or endorsement on, or a change in, a check or warrant issued by the Secretary of the Treasury, the United States Postal Service, or any disbursing official or agent not later than 1 year after a check or warrant is presented to the drawee for payment.

(B) If the United States has given an endorser written notice of a claim against the endorser within the time allowed by subparagraph (A), the 1-year period for bringing a civil action on that claim under subparagraph (A) shall be extended by 3 years.

(3) **EFFECT ON AGENCY AUTHORITY.**—Nothing in this subsection shall be construed to limit the authority of any agency under subchapter II of chapter 37 of this title.

(b) Notwithstanding subsection (a) of this section, a civil action may be brought within 2 years after the claim is discovered when an endorser, transferor, depository, or fiscal agent fraudulently conceals the claim from an officer or employee of the Government entitled to bring the civil action.

(c) The Comptroller General shall credit the appropriate account of the Treasury for the amount of a check or warrant for which a civil action cannot be brought because notice was not given within the time required under subsection (a) of this section if the failure to give notice was not the result of negligence of the Secretary.

(d) The Government waives all claims against a person arising from dual pay from the Government if the dual pay is not reported to the Comptroller General for collection within 6 years from the last date of a period of dual pay.

SEC. 3713. PRIORITY OF GOVERNMENT CLAIMS.

(a)(1) A claim of the United States Government shall be paid first when—

(A) a person indebted to the Government is insolvent and—

(i) the debtor without enough property to pay all debts makes a voluntary assignment of property;

- (ii) property of the debtor, if absent, is attached; or
- (iii) an act of bankruptcy is committed; or
- (B) the estate of a deceased debtor, in the custody of the executor or administrator, is not enough to pay all debts of the debtor.

(2) This subsection does not apply to a case under title 11.

(b) A representative of a person or an estate (except a trustee acting under title 11) paying any part of a debt of the person or estate before paying a claim of the Government is liable to the extent of the payment for unpaid claims of the Government.

SEC. 3714. KEEPING MONEY DUE STATES IN DEFAULT.

The Secretary of the Treasury shall keep the necessary amount of money the United States Government owes a State when the State defaults in paying principal or interest on investments in stocks or bonds the State issues or guarantees and that the Government holds in trust. The money shall be used to pay the principal or interest or reimburse, with interest, money the Government advanced for interest due on the stocks or bonds.

SEC. 3715. BUYING REAL PROPERTY OF A DEBTOR.

The head of an agency for whom a civil action is brought against a debtor of the United States Government may buy real property of the debtor at a sale on execution of the real property of the debtor resulting from the action. The head of the agency may not bid more for the property than the amount of the judgment for which the property is being sold, and costs. The marshal of the district in which the sale is held shall transfer the property to the Government.

SEC. 3716. ADMINISTRATIVE OFFSET.

(a) After trying to collect a claim from a person under section 3711(a) of this title, the head of an executive or legislative agency may collect the claim by administrative offset. The head of the agency may collect by administrative offset only after giving the debtor—

- (1) written notice of the type and amount of the claim, the intention of the head of the agency to collect the claim by administrative offset, and an explanation of the rights of the debtor under this section;
- (2) an opportunity to inspect and copy the records of the agency related to the claim;
- (3) an opportunity for a review within the agency of the decision of the agency related to the claim; and
- (4) an opportunity to make a written agreement with the head of the agency to repay the amount of the claim.

(b) Before collecting a claim by administrative offset under subsection (a) of this section, the head of an executive or legislative agency must prescribe regulations on collecting by administrative offset based on—

- (1) the best interests of the United States Government;
- (2) the likelihood of collecting a claim by administrative offset; and
- (3) for collecting a claim by administrative offset after the 6-year period for bringing a civil action on a claim under section

2415 of title 28 has expired, the cost effectiveness of leaving a claim unresolved for more than 6 years.

(c) This section does not apply—

(1) to a claim under this subchapter that has been outstanding for more than 10 years; or

(2) when a statute explicitly provides for or prohibits using administrative offset to collect the claim or type of claim involved.

SEC. 3717. INTEREST AND PENALTY ON CLAIMS.

(a)(1) The head of an executive or legislative agency shall charge a minimum annual rate of interest on an outstanding debt on a United States Government claim owed by a person that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point. The Secretary of the Treasury shall publish the rate before November 1 of that year. The rate is effective on the first day of the next calendar quarter.

(2) The Secretary may change the rate of interest for a calendar quarter if the average investment rate for the 12-month period ending at the close of the prior calendar quarter, rounded to the nearest whole percentage point, is more or less than the existing published rate by 2 percentage points.

(b) Interest under subsection (a) of this section accrues from the date—

(1) on which notice is mailed after October 25, 1982, if notice was first mailed before October 25, 1982; or

(2) notice of the amount due is first mailed to the debtor at the most current address of the debtor available to the head of the executive or legislative agency, if notice is first mailed after October 24, 1982.

(c) The rate of interest charged under subsection (a) of this section—

(1) is the rate in effect on the date from which interest begins to accrue under subsection (b) of this section; and

(2) remains fixed at that rate for the duration of the indebtedness.

(d) Interest under subsection (a) of this section may not be charged if the amount due on the claim is paid within 30 days after the date from which interest accrues under subsection (b) of this section. The head of an executive or legislative agency may extend the 30-day period.

(e) The head of an executive or legislative agency shall assess on a claim owed by a person—

(1) a charge to cover the cost of processing and handling a delinquent claim; and

(2) a penalty charge of not more than 6 percent a year for failure to pay a part of a debt more than 90 days past due.

(f) Interest under subsection (a) of this section does not accrue on a charge assessed under subsection (e) of this section.

(g) This section does not apply—

(1) if a statute, regulation required by statute, loan agreement, or contract prohibits charging interest or assessing charges or explicitly fixes the interest or charges; and

(2) to a claim under a contract executed before October 25, 1982, that is in effect on October 25, 1982.

(h) In conformity with standards prescribed jointly by the Attorney General and the Comptroller General, the head of an executive or legislative agency may prescribe regulations identifying circumstances appropriate to waiving collection of interest and charges under subsections (a) and (e) of this section. A waiver under the regulations is deemed to be compliance with this section.

SEC. 3718. CONTRACTS FOR COLLECTION SERVICES.

(a) Under conditions the head of an executive or legislative agency considers appropriate, the head of the agency may make a contract with a person for collection services to recover indebtedness owed the United States Government. The contract shall provide that—

(1) the head of the agency retains the authority to resolve a dispute, compromise a claim, end collection action, and refer a matter to the Attorney General to bring a civil action; and

(2) the person is subject to—

(A) section 552a of title 5, to the extent provided in section 552a(m); and

(B) laws and regulations of the United States Government and State governments related to debt collection practices.

(b)(1)(A) The Attorney General may make contracts retaining private counsel to furnish legal services, including representation in negotiation, compromise, settlement, and litigation, in the case of any claim of indebtedness owed the United States. Each such contract shall include such terms and conditions as the Attorney General considers necessary and appropriate, including a provision specifying the amount of the fee to be paid to the private counsel under such contract or the method for calculating that fee. The amount of the fee payable for legal services furnished under any such contract may not exceed the fee that counsel engaged in the private practice of law in the area or areas where the legal services are furnished typically charge clients for furnishing legal services in the collection of claims of indebtedness, as determined by the Attorney General, considering the amount, age, and nature of the indebtedness and whether the debtor is an individual or a business entity. If the Attorney General makes a contract for legal services to be furnished in any judicial district of the United States under the first sentence of this paragraph, the Attorney General shall use his best efforts to obtain, from among attorneys regularly engaged in the private practice of law in such district, at least four such contracts for legal services with private individuals or firms in such district. Nothing in this subparagraph shall relieve the Attorney General of the competition requirements set forth in title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 and following).

(B) The Attorney General shall use his best efforts to enter into contracts under this paragraph with law firms owned and controlled by socially and economically disadvantaged individuals, so as to enable each agency to comply with paragraph (3).

(2) The head of an executive or legislative agency may, subject to the approval of the Attorney General, refer to a private counsel retained under paragraph (1) of this subsection claims of indebtedness owed the United States arising out of activities of that agency.

(3) Each agency shall use its best efforts to assure that not less than 10 percent of the amounts of all claims referred to private counsel by that agency under paragraph (2) are referred to law firms owned and controlled by socially and economically disadvantaged individuals. For purposes of this paragraph—

(A) the term “law firm owned and controlled by socially and economically disadvantaged individuals” means a law firm that meets the requirements set forth in clauses (i) and (ii) of section 8(d)(3)(C) of the Small Business Act (15 U.S.C. 637(d)(3)(C)(i) and (ii)) and regulations issued under those clauses; and

(B) “socially and economically disadvantaged individuals” shall be presumed to include these groups and individuals described in the last paragraph of section 8(d)(3)(C) of the Small Business Act.

(4) Notwithstanding sections 516, 518(b), 519, and 547(2) of title 28, a private counsel retained under paragraph (1) of this subsection may represent the United States in litigation in connection with legal services furnished pursuant to the contract entered into with that counsel under paragraph (1) of this subsection.

(5) A contract made with a private counsel under paragraph (1) of this subsection shall include—

(A) a provision permitting the Attorney General to terminate either the contract or the private counsel’s representation of the United States in particular cases if the Attorney General finds that such action is for the convenience of the Government;

(B) a provision stating that the head of the executive or legislative agency which refers a claim under the contract retains the authority to resolve a dispute regarding the claim, to compromise the claim, or to terminate a collection action on the claim; and

(C) a provision requiring the private counsel to transmit monthly to the Attorney General and the head of the executive or legislative agency referring a claim under the contract a report on the services relating to the claim rendered under the contract during the month and the progress made during the month in collecting the claim under the contract.

(6) Notwithstanding the fourth sentence of section 803(6) of the Fair Debt Collection Practices Act (15 U.S.C. 1692a(6)), a private counsel performing legal services pursuant to a contract made under paragraph (1) of this subsection shall be considered to be a debt collector for the purposes of such Act.

(7) Any counterclaim filed in any action to recover indebtedness owed the United States which is brought on behalf of the United States by private counsel retained under this subsection may not be asserted unless the counterclaim is served directly on the Attorney General or the United States Attorney for the judicial district in which, or embracing the place in which, the action is brought.

Such service shall be made in accordance with the rules of procedure of the court in which the action is brought.

(c) The Attorney General shall transmit to the Congress an annual report on the activities of the Department of Justice to recover indebtedness owed the United States which was referred to the Department of Justice for collection. Each such report shall include a list, by agency, of—

(1) the total number and amounts of claims which were referred for legal services to the Department of Justice and to private counsel under subsection (b) during the 1-year period covered by the report;

(2) the total number and amount of those claims referred for legal services to the Department of Justice which were collected or were not collected or otherwise resolved during the 1-year period covered by the report; and

(3) the total number and amount of those claims referred for legal services to private counsel under subsection (b)—

(A) which were collected or were not collected or otherwise resolved during the 1-year period covered by the report;

(B) which were not collected or otherwise resolved under a contract terminated by the Attorney General during the 1-year period covered by the report; and

(C) on which the Attorney General terminated the private counsel's representation during the 1-year period covered by the report without terminating the contract with the private counsel under which the claims were referred.

(d) Notwithstanding section 3302(b) of this title, a contract under subsection (a) or (b) of this section may provide that a fee a person charges to recover indebtedness owed the United States Government is payable from the amount recovered.

(e) A contract under subsection (a) or (b) of this section is effective only to the extent and in the amount provided in an appropriation law. This limitation does not apply in the case of a contract that authorizes a person to collect a fee as provided in subsection (d) of this section.

(f) This section does not apply to the collection of debts under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(g) In order to assist Congress in determining whether use of private counsel is a cost-effective method of collecting Government debts, the Attorney General shall, following consultation with the General Accounting Office, maintain and make available to the Inspector General of the Department of Justice, statistical data relating to the comparative costs of debt collection by participating United States Attorneys' Offices and by private counsel.

The regulations shall specify the minimum amount of debt to which the reduction procedure established by subsection (c) may be applied and the fee that an agency must pay to reimburse the Secretary of the Treasury for the full cost of applying such procedure. - (1) to the Government independent of the contract; or
- (2) because of renegotiation, fine, penalty (except an amount that may be collected or withheld under, or because the assignor does not comply with, the contract), taxes, social security contributions, or withholding or failing to withhold taxes or social security contributions, arising from, or independent of, the contract.

- (1) discharge the debt if the plaintiff agrees to the setoff and discharges a part of the judgment equal to the debt; or
- (2)(A) withhold payment of an additional amount the Comptroller General decides will cover legal costs of bringing a civil action for the debt if the plaintiff denies the debt or does not agree to the setoff; and
- (B) have a civil action brought if one has not already been brought.

(c) If the Government loses a civil action to recover a debt or recovers less than the amount the Comptroller General withholds under this section, the Comptroller General shall pay the plaintiff the balance and interest of 6 percent for the time the money is withheld.

SEC. 3729. FALSE CLAIMS.

(a) LIABILITY FOR CERTAIN ACTS.—Any person who—

- (1) knowingly presents, or causes to be presented, to an officer or employee of the United States Government or a member of the Armed Forces of the United States a false or fraudulent claim for payment or approval;
- (2) knowingly makes, uses, or causes to be made or used, a false record or statement to get a false or fraudulent claim paid or approved by the Government;
- (3) conspires to defraud the Government by getting a false or fraudulent claim allowed or paid;
- (4) has possession, custody, or control of property or money used, or to be used, by the Government and, intending to defraud the Government or willfully to conceal the property, delivers, or causes to be delivered, less property than the amount for which the person receives a certificate or receipt;
- (5) authorized to make or deliver a document certifying receipt of property used, or to be used, by the Government and,

intending to defraud the Government, makes or delivers the receipt without completely knowing that the information on the receipt is true;

(6) knowingly buys, or receives as a pledge of an obligation or debt, public property from an officer or employee of the Government, or a member of the Armed Forces, who lawfully may not sell or pledge the property; or

(7) knowingly makes, uses, or causes to be made or used, a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the Government, is liable to the United States Government for a civil penalty of not less than \$5,000 and not more than \$10,000, plus 3 times the amount of damages which the Government sustains because of the act of that person, except that if the court finds that—

(A) the person committing the violation of this subsection furnished officials of the United States responsible for investigating false claims violations with all information known to such person about the violation within 30 days after the date on which the defendant first obtained the information;

(B) such person fully cooperated with any Government investigation of such violation; and

(C) at the time such person furnished the United States with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this title with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation;

the court may assess not less than 2 times the amount of damages which the Government sustains because of the act of the person. A person violating this subsection shall also be liable to the United States Government for the costs of a civil action brought to recover any such penalty or damages.

(b) **KNOWING AND KNOWINGLY DEFINED.**—For purposes of this section, the terms “knowing” and “knowingly” mean that a person, with respect to information—

(1) has actual knowledge of the information;

(2) acts in deliberate ignorance of the truth or falsity of the information; or

(3) acts in reckless disregard of the truth or falsity of the information,

and no proof of specific intent to defraud is required.

(c) **CLAIM DEFINED.**—For purposes of this section, “claim” includes any request or demand, whether under a contract or otherwise, for money or property which is made to a contractor, grantee, or other recipient if the United States Government provides any portion of the money or property which is requested or demanded, or if the Government will reimburse such contractor, grantee, or other recipient for any portion of the money or property which is requested or demanded.

(d) **EXEMPTION FROM DISCLOSURE.**—Any information furnished pursuant to subparagraphs (A) through (C) of subsection (a) shall be exempt from disclosure under section 552 of title 5.

(e) EXCLUSION.—This section does not apply to claims, records, or statements made under the Internal Revenue Code of 1986.

SEC. 3730. CIVIL ACTIONS FOR FALSE CLAIMS.

(a) RESPONSIBILITIES OF THE ATTORNEY GENERAL.—The Attorney General diligently shall investigate a violation under section 3729. If the Attorney General finds that a person has violated or is violating section 3729, the Attorney General may bring a civil action under this section against the person.

(b) ACTIONS BY PRIVATE PERSONS.—

(1) A person may bring a civil action for a violation of section 3729 for the person and for the United States Government. The action shall be brought in the name of the Government. The action may be dismissed only if the court and the Attorney General give written consent to the dismissal and their reasons for consenting.

(2) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Government pursuant to Rule 4(d)(4) of the Federal Rules of Civil Procedure. The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The Government may elect to intervene and proceed with the action within 60 days after it receives both the complaint and the material evidence and information.

(3) The Government may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2). Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until 20 days after the complaint is unsealed and served upon the defendant pursuant to Rule 4 of the Federal Rules of Civil Procedure.

(4) Before the expiration of the 60-day period or any extensions obtained under paragraph (3), the Government shall—

(A) proceed with the action, in which case the action shall be conducted by the Government; or

(B) notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.

(5) When a person brings an action under this subsection, no person other than the Government may intervene or bring a related action based on the facts underlying the pending action.

(c) RIGHTS OF THE PARTIES TO QUI TAM ACTIONS.—

(1) If the Government proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

(2)(A) The Government may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the Government of the filing of the

motion and the court has provided the person with an opportunity for a hearing on the motion.

(B) The Government may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(C) Upon a showing by the Government that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the Government's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as—

- (i) limiting the number of witnesses the person may call;
 - (ii) limiting the length of the testimony of such witnesses;
 - (iii) limiting the person's cross-examination of witnesses;
- or
- (iv) otherwise limiting the participation by the person in the litigation.

(D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(3) If the Government elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the Government so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts (at the Government's expense). When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the Government to intervene at a later date upon a showing of good cause.

(4) Whether or not the Government proceeds with the action, upon a showing by the Government that certain actions of discovery by the person initiating the action would interfere with the Government's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the Government has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(5) Notwithstanding subsection (b), the Government may elect to pursue its claim through any alternate remedy available to the Government, including any administrative proceeding to determine a civil money penalty. If any such alternate

remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section. For purposes of the preceding sentence, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the United States, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(d) AWARD TO QUI TAM PLAINTIFF.—

(1) If the Government proceeds with an action brought by a person under subsection (b), such person shall, subject to the second sentence of this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one which the court finds to be based primarily on disclosures of specific information (other than information provided by the person bringing the action) relating to allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government Accounting Office report, hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) If the Government does not proceed with an action under this section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the Government proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of section 3729 upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any

relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of section 3729, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the United States to continue the action, represented by the Department of Justice.

(4) If the Government does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(e) CERTAIN ACTIONS BARRED.—

(1) No court shall have jurisdiction over an action brought by a former or present member of the armed forces under subsection (b) of this section against a member of the armed forces arising out of such person's service in the armed forces.

(2)(A) No court shall have jurisdiction over an action brought under subsection (b) against a Member of Congress, a member of the judiciary, or a senior executive branch official if the action is based on evidence or information known to the Government when the action was brought.

(B) For purposes of this paragraph, "senior executive branch official" means any officer or employee listed in paragraphs (1) through (8) of section 101(f) of the Ethics in Government Act of 1978 (5 U.S.C.App.).

(3) In no event may a person bring an action under subsection (b) which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the Government is already a party.

(4)(A) No court shall have jurisdiction over an action under this section based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government Accounting Office report, hearing, audit, or investigation, or from the news media, unless the action is brought by the Attorney General or the person bringing the action is an original source of the information.

(B) For purposes of this paragraph, "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the Government before filing an action under this section which is based on the information.

(f) GOVERNMENT NOT LIABLE FOR CERTAIN EXPENSES.—The Government is not liable for expenses which a person incurs in bringing an action under this section.

(g) FEES AND EXPENSES TO PREVAILING DEFENDANT.—In civil actions brought under this section by the United States, the provisions of section 2412(d) of title 28 shall apply.

(h) Any employee who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in

the terms and conditions of employment by his or her employer because of lawful acts done by the employee on behalf of the employee or others in furtherance of an action under this section, including investigation for, initiation of, testimony for, or assistance in an action filed or to be filed under this section, shall be entitled to all relief necessary to make the employee whole. Such relief shall include reinstatement with the same seniority status such employee would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees. An employee may bring an action in the appropriate district court of the United States for the relief provided in this subsection.

SEC. 3731. FALSE CLAIMS PROCEDURE.

(a) A subpoena requiring the attendance of a witness at a trial or hearing conducted under section 3730 of this title may be served at any place in the United States.

(b) A civil action under section 3730 may not be brought—

(1) more than 6 years after the date on which the violation of section 3729 is committed, or

(2) more than 3 years after the date when facts material to the right of action are known or reasonably should have been known by the official of the United States charged with responsibility to act in the circumstances, but in no event more than 10 years after the date on which the violation is committed, whichever occurs last.

(c) In any action brought under section 3730, the United States shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(d) Notwithstanding any other provision of law, the Federal Rules of Criminal Procedure, or the Federal Rules of Evidence, a final judgment rendered in favor of the United States in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of the offense in any action which involves the same transaction as in the criminal proceeding and which is brought under subsection (a) or (b) of section 3730.

SEC. 3732. FALSE CLAIMS JURISDICTION.

(a) **ACTIONS UNDER SECTION 3730.**—Any action under section 3730 may be brought in any judicial district in which the defendant or, in the case of multiple defendants, any one defendant can be found, resides, transacts business, or in which any act proscribed by section 3729 occurred. A summons as required by the Federal Rules of Civil Procedure shall be issued by the appropriate district court and served at any place within or outside the United States.

(b) **CLAIMS UNDER STATE LAW.**—The district courts shall have jurisdiction over any action brought under the laws of any State for the recovery of funds paid by a State or local government if the action arises from the same transaction or occurrence as an action brought under section 3730.

SEC. 3733. CIVIL INVESTIGATIVE DEMANDS.

(a) **IN GENERAL.**—

(1) ISSUANCE AND SERVICE.—Whenever the Attorney General has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to a false claims law investigation, the Attorney General may, before commencing a civil proceeding under section 3730 or other false claims law, issue in writing and cause to be served upon such person, a civil investigative demand requiring such person—

(A) to produce such documentary material for inspection and copying,

(B) to answer in writing written interrogatories with respect to such documentary material or information,

(C) to give oral testimony concerning such documentary material or information, or

(D) to furnish any combination of such material, answers, or testimony.

The Attorney General may not delegate the authority to issue civil investigative demands under this subsection. Whenever a civil investigative demand is an express demand for any product of discovery, the Attorney General, the Deputy Attorney General, or an Assistant Attorney General shall cause to be served, in any manner authorized by this section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served.

(2) CONTENTS AND DEADLINES.—

(A) Each civil investigative demand issued under paragraph (1) shall state the nature of the conduct constituting the alleged violation of a false claims law which is under investigation, and the applicable provision of law alleged to be violated.

(B) If such demand is for the production of documentary material, the demand shall—

(i) describe each class of documentary material to be produced with such definiteness and certainty as to permit such material to be fairly identified;

(ii) prescribe a return date for each such class which will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying; and

(iii) identify the false claims law investigator to whom such material shall be made available.

(C) If such demand is for answers to written interrogatories, the demand shall—

(i) set forth with specificity the written interrogatories to be answered;

(ii) prescribe dates at which time answers to written interrogatories shall be submitted; and

(iii) identify the false claims law investigator to whom such answers shall be submitted.

(D) If such demand is for the giving of oral testimony, the demand shall—

(i) prescribe a date, time, and place at which oral testimony shall be commenced;

(ii) identify a false claims law investigator who shall conduct the examination and the custodian to whom the transcript of such examination shall be submitted;

(iii) specify that such attendance and testimony are necessary to the conduct of the investigation;

(iv) notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and

(v) describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(E) Any civil investigative demand issued under this section which is an express demand for any product of discovery shall not be returned or returnable until 20 days after a copy of such demand has been served upon the person from whom the discovery was obtained.

(F) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section shall be a date which is not less than seven days after the date on which demand is received, unless the Attorney General or an Assistant Attorney General designated by the Attorney General determines that exceptional circumstances are present which warrant the commencement of such testimony within a lesser period of time.

(G) The Attorney General shall not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the Attorney General, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary. The Attorney General may not, notwithstanding section 510 of title 28, authorize the performance, by any other officer, employee, or agency, of any function vested in the Attorney General under this subparagraph.

(b) PROTECTED MATERIAL OR INFORMATION.—

(1) IN GENERAL.—A civil investigative demand issued under subsection (a) may not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving of any oral testimony if such material, answers, or testimony would be protected from disclosure under—

(A) the standards applicable to subpoenas or subpoenas duces tecum issued by a court of the United States to aid in a grand jury investigation; or

(B) the standards applicable to discovery requests under the Federal Rules of Civil Procedure, to the extent that the application of such standards to any such demand is appropriate and consistent with the provisions and purposes of this section.

(2) EFFECT ON OTHER ORDERS, RULES, AND LAWS.—Any such demand which is an express demand for any product of discovery supersedes any inconsistent order, rule, or provision of law

(other than this section) preventing or restraining disclosure of such product of discovery to any person. Disclosure of any product of discovery pursuant to any such express demand does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(c) SERVICE; JURISDICTION.—

(1) BY WHOM SERVED.—Any civil investigative demand issued under subsection (a) may be served by a false claims law investigator, or by a United States marshal or a deputy marshal, at any place within the territorial jurisdiction of any court of the United States.

(2) SERVICE IN FOREIGN COUNTRIES.—Any such demand or any petition filed under subsection (j) may be served upon any person who is not found within the territorial jurisdiction of any court of the United States in such manner as the Federal Rules of Civil Procedure prescribe for service in a foreign country. To the extent that the courts of the United States can assert jurisdiction over any such person consistent with due process, the United States District Court for the District of Columbia shall have the same jurisdiction to take any action respecting compliance with the section by any such person that such court would have if such person were personally within the jurisdiction of such court.

(d) SERVICE UPON LEGAL ENTITIES AND NATURAL PERSONS.—

(1) LEGAL ENTITIES.—Service of any civil investigative demand issued under subsection (a) or of any petition filed under subsection (j) may be made upon a partnership, corporation, association, or other legal entity by—

(A) delivering an executed copy of such demand or petition to any partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity, or to any agent authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;

(B) delivering an executed copy of such demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(C) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to such partnership, corporation, association, or entity at its principal office or place of business.

(2) NATURAL PERSONS.—Service of any such demand or petition may be made upon any natural person by—

(A) delivering an executed copy of such demand or petition to the person; or

(B) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to the person at the person's residence or principal office or place of business.

(e) PROOF OF SERVICE.—A verified return by the individual serving any civil investigative demand issued under subsection (a) or

any petition filed under subsection (j) setting forth the manner of such service shall be proof of such service. In the case of service by registered or certified mail, such return shall be accompanied by the return post office receipt of delivery of such demand.

(f) DOCUMENTARY MATERIAL.—

(1) SWORN CERTIFICATES.—The production of documentary material in response to a civil investigative demand served under this section shall be made under a sworn certificate, in such form as the demand designates, by—

(A) in the case of a natural person, the person to whom the demand is directed, or

(B) in the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to such production and authorized to act on behalf of such person.

The certificate shall state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the false claims law investigator identified in the demand.

(2) PRODUCTION OF MATERIALS.—Any person upon whom any civil investigative demand for the production of documentary material has been served under this section shall make such material available for inspection and copying to the false claims law investigator identified in such demand at the principal place of business of such person, or at such other place as the false claims law investigator and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (j)(1). Such material shall be made so available on the return date specified in such demand, or on such later date as the false claims law investigator may prescribe in writing. Such person may, upon written agreement between the person and the false claims law investigator, substitute copies for originals of all or any part of such material.

(g) INTERROGATORIES.—Each interrogatory in a civil investigative demand served under this section shall be answered separately and fully in writing under oath and shall be submitted under a sworn certificate, in such form as the demand designates, by—

(1) in the case of a natural person, the person to whom the demand is directed, or

(2) in the case of a person other than a natural person, the person or persons responsible for answering each interrogatory. If any interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(h) ORAL EXAMINATIONS.—

(1) PROCEDURES.—The examination of any person pursuant to a civil investigative demand for oral testimony served under this section shall be taken before an officer authorized to ad-

minister oaths and affirmations by the laws of the United States or of the place where the examination is held. The officer before whom the testimony is to be taken shall put the witness on oath or affirmation and shall, personally or by someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony shall be taken stenographically and shall be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection shall not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the Federal Rules of Civil Procedure.

(2) PERSONS PRESENT.—The false claims law investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney for the Government, any person who may be agreed upon by the attorney for the Government and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking such testimony.

(3) WHERE TESTIMONY TAKEN.—The oral testimony of any person taken pursuant to a civil investigative demand served under this section shall be taken in the judicial district of the United States within which such person resides, is found, or transacts business, or in such other place as may be agreed upon by the false claims law investigator conducting the examination and such person.

(4) TRANSCRIPT OF TESTIMONY.—When the testimony is fully transcribed, the false claims law investigator or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless such examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make shall be entered and identified upon the transcript by the officer or the false claims law investigator, with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within 30 days after being afforded a reasonable opportunity to examine it, the officer or the false claims law investigator shall sign it and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons, if any, given therefor.

(5) CERTIFICATION AND DELIVERY TO CUSTODIAN.—The officer before whom the testimony is taken shall certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or false claims law investigator shall promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(6) FURNISHING OR INSPECTION OF TRANSCRIPT BY WITNESS.— Upon payment of reasonable charges therefor, the false claims law investigator shall furnish a copy of the transcript to the witness only, except that the Attorney General, the Deputy Attorney General, or an Assistant Attorney General may, for good cause, limit such witness to inspection of the official transcript of the witness' testimony.

(7) CONDUCT OF ORAL TESTIMONY.—

(A) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (a) may be accompanied, represented, and advised by counsel. Counsel may advise such person, in confidence, with respect to any question asked of such person. Such person or counsel may object on the record to any question, in whole or in part, and shall briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that such person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. Such person may not otherwise object to or refuse to answer any question, and may not directly or through counsel otherwise interrupt the oral examination. If such person refuses to answer any question, a petition may be filed in the district court of the United States under subsection (j)(1) for an order compelling such person to answer such question.

(B) If such person refuses to answer any question on the grounds of the privilege against self-incrimination, the testimony of such person may be compelled in accordance with the provisions of part V of title 18.

(8) WITNESS FEES AND ALLOWANCES.—Any person appearing for oral testimony under a civil investigative demand issued under subsection (a) shall be entitled to the same fees and allowances which are paid to witnesses in the district courts of the United States.

(i) CUSTODIANS OF DOCUMENTS, ANSWERS, AND TRANSCRIPTS.—

(1) DESIGNATION.—The Attorney General shall designate a false claims law investigator to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this section, and shall designate such additional false claims law investigators as the Attorney General determines from time to time to be necessary to serve as deputies to the custodian.

(2) RESPONSIBILITY FOR MATERIALS; DISCLOSURE.—

(A) A false claims law investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this section shall transmit them to the custodian. The custodian shall take physical possession of such material, answers, or transcripts and shall be responsible for the use made of them and for the return of documentary material under paragraph (4).

(B) The custodian may cause the preparation of such copies of such documentary material, answers to interro-

atories, or transcripts of oral testimony as may be required for official use by any false claims law investigator, or other officer or employee of the Department of Justice, who is authorized for such use under regulations which the Attorney General shall issue. Such material, answers, and transcripts may be used by any such authorized false claims law investigator or other officer or employee in connection with the taking of oral testimony under this section.

(C) Except as otherwise provided in this subsection, no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, shall be available for examination by any individual other than a false claims law investigator or other officer or employee of the Department of Justice authorized under subparagraph (B). The prohibition in the preceding sentence on the availability of material, answers, or transcripts shall not apply if consent is given by the person who produced such material, answers, or transcripts, or, in the case of any product of discovery produced pursuant to an express demand for such material, consent is given by the person from whom the discovery was obtained. Nothing in this subparagraph is intended to prevent disclosure to the Congress, including any committee or subcommittee of the Congress, or to any other agency of the United States for use by such agency in furtherance of its statutory responsibilities. Disclosure of information to any such other agency shall be allowed only upon application, made by the Attorney General to a United States district court, showing substantial need for the use of the information by such agency in furtherance of its statutory responsibilities.

(D) While in the possession of the custodian and under such reasonable terms and conditions as the Attorney General shall prescribe—

(i) documentary material and answers to interrogatories shall be available for examination by the person who produced such material or answers, or by a representative of that person authorized by that person to examine such material and answers; and

(ii) transcripts of oral testimony shall be available for examination by the person who produced such testimony, or by a representative of that person authorized by that person to examine such transcripts.

(3) USE OF MATERIAL, ANSWERS, OR TRANSCRIPTS IN OTHER PROCEEDINGS.—Whenever any attorney of the Department of Justice has been designated to appear before any court, grand jury, or Federal agency in any case or proceeding, the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony received under this section may deliver to such attorney such material, answers, or transcripts for official use in connection with any such case or proceeding as such attorney determines to be required. Upon the completion of any such case or proceeding, such attorney shall return

to the custodian any such material, answers, or transcripts so delivered which have not passed into the control of such court, grand jury, or agency through introduction into the record of such case or proceeding.

(4) CONDITIONS FOR RETURN OF MATERIAL.—If any documentary material has been produced by any person in the course of any false claims law investigation pursuant to a civil investigative demand under this section, and—

(A) any case or proceeding before the court or grand jury arising out of such investigation, or any proceeding before any Federal agency involving such material, has been completed, or

(B) no case or proceeding in which such material may be used has been commenced within a reasonable time after completion of the examination and analysis of all documentary material and other information assembled in the course of such investigation the custodian shall, upon written request of the person who produced such material, return to such person any such material (other than copies furnished to the false claims law investigator under subsection (f)(2) or made for the Department of Justice under paragraph (2)(B) which has not passed into the control of any court, grand jury, or agency through introduction into the record of such case or proceeding.

(5) APPOINTMENT OF SUCCESSOR CUSTODIANS.—In the event of the death, disability, or separation from service in the Department of Justice of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to a civil investigative demand under this section, or in the event of the official relief of such custodian from responsibility for the custody and control of such material, answers, or transcripts, the Attorney General shall promptly—

(A) designate another false claims law investigator to serve as custodian of such material, answers, or transcripts, and

(B) transmit in writing to the person who produced such material, answers, or testimony notice of the identity and address of the successor so designated.

Any person who is designated to be a successor under this paragraph shall have, with regard to such material, answers, or transcripts, the same duties and responsibilities as were imposed by this section upon that person's predecessor in office, except that the successor shall not be held responsible for any default or dereliction which occurred before that designation.

(j) JUDICIAL PROCEEDINGS.—

(1) PETITION FOR ENFORCEMENT.—Whenever any person fails to comply with any civil investigative demand issued under subsection (a), or whenever satisfactory copying or reproduction of any material requested in such demand cannot be done and such person refuses to surrender such material, the Attorney General may file, in the district court of the United States for any judicial district in which such person resides, is found, or transacts business, and serve upon such person a petition

for an order of such court for the enforcement of the civil investigative demand.

(2) PETITION TO MODIFY OR SET ASIDE DEMAND.—

(A) Any person who has received a civil investigative demand issued under subsection (a) may file, in the district court of the United States for the judicial district within which such person resides, is found, or transacts business, and serve upon the false claims law investigator identified in such demand a petition for an order of the court to modify or set aside such demand. In the case of a petition addressed to an express demand for any product of discovery, a petition to modify or set aside such demand may be brought only in the district court of the United States for the judicial district in which the proceeding in which such discovery was obtained is or was last pending. Any petition under this subparagraph must be filed—

(i) within 20 days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any false claims law investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the demand to comply with the provisions of this section or upon any constitutional or other legal right or privilege of such person. During the pendency of the petition in the court, the court may stay, as it deems proper, the running of the time allowed for compliance with the demand, in whole or in part, except that the person filing the petition shall comply with any portions of the demand not sought to be modified or set aside.

(3) PETITION TO MODIFY OR SET ASIDE DEMAND FOR PRODUCT OF DISCOVERY.—

(A) In the case of any civil investigative demand issued under subsection (a) which is an express demand for any product of discovery, the person from whom such discovery was obtained may file, in the district court of the United States for the judicial district in which the proceeding in which such discovery was obtained is or was last pending, and serve upon any false claims law investigator identified in the demand and upon the recipient of the demand, a petition for an order of such court to modify or set aside those portions of the demand requiring production of any such product of discovery. Any petition under this subparagraph must be filed—

(i) within 20 days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any false claims law investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the petition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed for compliance with the demand.

(4) PETITION TO REQUIRE PERFORMANCE BY CUSTODIAN OF DUTIES.—At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection (a), such person, and in the case of an express demand for any product of discovery, the person from whom such discovery was obtained, may file, in the district court of the United States for the judicial district within which the office of such custodian is situated, and serve upon such custodian, a petition for an order of such court to require the performance by the custodian of any duty imposed upon the custodian by this section.

(5) JURISDICTION.—Whenever any petition is filed in any district court of the United States under this subsection, such court shall have jurisdiction to hear and determine the matter so presented, and to enter such order or orders as may be required to carry out the provisions of this section. Any final order so entered shall be subject to appeal under section 1291 of title 28. Any disobedience of any final order entered under this section by any court shall be punished as a contempt of the court.

(6) APPLICABILITY OF FEDERAL RULES OF CIVIL PROCEDURE.—The Federal Rules of Civil Procedure shall apply to any petition under this subsection, to the extent that such rules are not inconsistent with the provisions of this section.

(k) DISCLOSURE EXEMPTION.—Any documentary material, answers to written interrogatories, or oral testimony provided under any civil investigative demand issued under subsection (a) shall be exempt from disclosure under section 552 of title 5.

TITLE 31—MONEY AND FINANCE

Subtitle III—Financial Management

* * * * *

CHAPTER 39—PROMPT PAYMENT

SEC. 3901. DEFINITIONS AND APPLICATION.

(a) In this chapter—

(1) “agency” has the same meaning given that term in section 551(1) of title 5 and includes an entity being operated, and the head of the agency identifies the entity as being operated, only as an instrumentality of the agency to carry out a program of the agency.

(2) “business concern” means—

(A) a person carrying on a trade or business; and

(B) a nonprofit entity operating as a contractor.

(3) “proper invoice” is an invoice containing or accompanied by substantiating documentation the Director of the Office of Management and Budget may require by regulation and the head of the appropriate agency may require by regulation or contract.

(4) for the purposes of determining a payment due date and the date upon which any late payment interest penalty shall begin to accrue, the head of the agency is deemed to receive an invoice—

(A) on the later of—

(i) the date on which the place or person designated by the agency to first receive such invoice actually receives a proper invoice; or

(ii) on the 7th day after the date on which, in accordance with the terms and conditions of the contract, the property is actually delivered or performance of the services is actually completed, as the case may be, unless—

(I) the agency has actually accepted such property or services before such 7th day; or

(II) the contract (except in the case of a contract for the procurement of a brand-name commercial item for authorized resale) specifies a longer acceptance period, as determined by the contracting officer to be required to afford the agency a practicable opportunity to inspect and test the property furnished or evaluate the services performed;

or

(B) on the date of the invoice, if the agency has failed to annotate the invoice with the date of receipt at the time

of actual receipt by the place or person designated by the agency to first receive such invoice.

(5) a payment is deemed to be made on the date a check for payment is dated or an electronic fund transfer is made.

(6) a contract to rent property is deemed to be a contract to acquire the property.

(b) This chapter applies to the Tennessee Valley Authority. However, regulations prescribed under this chapter do not apply to the Authority, and the Authority alone is responsible for carrying out this chapter as it applies to contracts of the Authority.

(c) This chapter, except section 3906 of this title, applies to the United States Postal Service. However, the Postmaster General shall be responsible for issuing the implementing procurement regulations, solicitation provisions, and contract clauses for the United States Postal Service.

SEC. 3902. INTEREST PENALTIES.

(a) Under regulations prescribed under section 3903 of this title, the head of an agency acquiring property or service from a business concern, who does not pay the concern for each complete delivered item of property or service by the required payment date, shall pay an interest penalty to the concern on the amount of the payment due. The interest shall be computed at the rate of interest established by the Secretary of the Treasury, and published in the Federal Register, for interest payments under section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611), which is in effect at the time the agency accrues the obligation to pay a late payment interest penalty.

(b) Except as provided in section 3906 of this title, the interest penalty shall be paid for the period beginning on the day after the required payment date and ending on the date on which payment is made.

(c)(1) A business concern shall be entitled to an interest penalty of \$1.00 or more which is owed such business concern under this section, and such penalty shall be paid without regard to whether the business concern has requested payment of such penalty.

(2) Each payment subject to this chapter for which a late payment interest penalty is required to be paid shall be accompanied by a notice stating the amount of the interest penalty included in such payment and the rate by which, and period for which, such penalty was computed.

(3) If a business concern—

(A) is owed an interest penalty by an agency;

(B) is not paid the interest penalty in a payment made to the business concern by the agency on or after the date on which the interest penalty becomes due;

(C) is not paid the interest penalty by the agency within 10 days after the date on which such payment is made; and

(D) makes a written demand, not later than 40 days after the date on which such payment is made, that the agency pay such a penalty,

such business concern shall be entitled to an amount equal to the sum of the late payment interest penalty to which the contractor is entitled and an additional penalty equal to a percentage of such

late payment interest penalty specified by regulation by the Director of the Office of Management and Budget, subject to such maximum as may be specified in such regulations.

(d) The temporary unavailability of funds to make a timely payment due for property or services does not relieve the head of an agency from the obligation to pay interest penalties under this section.

(e) An amount of an interest penalty unpaid after any 30-day period shall be added to the principal amount of the debt, and a penalty accrues thereafter on the added amount.

(f) This section does not authorize the appropriation of additional amounts to pay an interest penalty. The head of an agency shall pay a penalty under this section out of amounts made available to carry out the program for which the penalty is incurred.

(g) A recipient of a grant from the head of an agency may provide in a contract for the acquisition of property or service from a business concern that, consistent with the usual business practices of the recipient and applicable State and local law, the recipient will pay an interest penalty on amounts overdue under the contract under conditions agreed to by the recipient and the concern. The recipient may not pay the penalty from amounts received from an agency. Amounts expended for the penalty may not be counted toward a matching requirement applicable to the grant. An obligation to pay the penalty is not an obligation of the United States Government.

(h)(1) This section shall apply to contracts for the procurement of property or services entered into pursuant to section 4(h) of the Act of June 29, 1948 (15 U.S.C. 714b(h)).

(2)(A) In the case of a payment to which producers on a farm are entitled under the terms of an agreement entered into under the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.), an interest penalty shall be paid to the producers if the payment has not been made by the required payment or loan closing date. The interest penalty shall be paid—

(i) on the amount of payment or loan due; and

(ii) for the period beginning on the first day beginning after the required payment or loan closing date and ending on the date the amount is paid or loaned.

(B) As used in this subsection, the “required payment or loan closing date” means—

(i) for a purchase agreement, the 30th day after delivery of the warehouse receipt for the commodity subject to the purchase agreement;

(ii) for a loan agreement, the 30th day beginning after the date of receipt of an application with all requisite documentation and signatures, unless the applicant requests that the disbursement be deferred;

(iii) for refund of amounts received greater than the amount required to repay a commodity loan, the first business day after the Commodity Credit Corporation receives payment for such loan;

(iv) for land diversion payments (other than advance payments), the 30th day beginning after the date of completion of the production adjustment contract by the producer;

(v) for an advance land diversion payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer;

(vi) for a deficiency payment (other than advance payments) based upon a 12-month or 5-month period, 91 days after the end of such period; or

(vii) for an advance deficiency payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer.

(3) Payment of the interest penalty under this subsection shall be made out of funds available under section 8 of the Act of June 29, 1948 (15 U.S.C. 714f).

(4) Section 3907 of this title shall not apply to interest penalty payments made under this subsection.

SEC. 3903. REGULATIONS.

(a) The Director of the Office of Management and Budget shall prescribe regulations to carry out section 3902 of this title. The regulations shall—

(1) provide that the required payment date is—

(A) the date payment is due under the contract for the item of property or service provided; or

(B) 30 days after a proper invoice for the amount due is received if a specific payment date is not established by contract;

(2) for the acquisition of meat or a meat food product (as defined in section 2(a)(3) of the Packers and Stockyards Act, 1921 (7 U.S.C. 182(3)), including any edible fresh or frozen poultry meat, any perishable poultry meat food product, fresh eggs, and any perishable egg product, or of fresh or frozen fish (as defined in section 204(3) of the Fish and Seafood Promotion Act of 1986 (16 U.S.C. 4003(3)), provide a required payment date of not later than 7 days after the meat, meat food product, or fish is delivered; and

(3) for the acquisition of a perishable agricultural commodity (as defined in section 1(4) of the Perishable Agricultural Commodities Act, 1930 (7 U.S.C. 499a(4))), provide a required payment date consistent with that Act;

(4) for the acquisition of dairy products (as defined in section 111(e) of the Dairy Production Stabilization Act of 1983 (7 U.S.C. 4502(e)), the acquisition of edible fats or oils, and the acquisition of food products prepared from edible fats or oils, provide a required payment date of not later than 10 days after the date on which a proper invoice for the amount due has been received by the agency acquiring such dairy products, fats, oils, or food products;

(5) require periodic payments, in the case of a property or service contract which does not prohibit periodic payments for partial deliveries or other contract performance during the contract period, upon—

(A) submission of an invoice for property delivered or services performed during the contract period, if an invoice is required by the contract; and

(B) either—

- (i) acceptance of the property or services by an employee of an agency authorized to accept the property or services; or
 - (ii) the making of a determination by such an employee, that the performance covered by the payment conforms to the terms and conditions of the contract;
- (6) in the case of a construction contract, provide for the payment of interest on—
 - (A) a progress payment (including a monthly percentage-of-completion progress payment or milestone payments for completed phases, increments, or segments of any project) that is approved as payable by the agency pursuant to subsection (b) of this section and remains unpaid for—
 - (i) a period of more than 14 days after receipt of the payment request by the place or person designated by the agency to first receive such requests; or
 - (ii) a longer period, specified in the solicitation, if required to afford the Government a practicable opportunity to adequately inspect the work and to determine the adequacy of the contractor's performance under the contract; and
 - (B) any amounts which the agency has retained pursuant to a prime contract clause providing for retaining a percentage of progress payments otherwise due to a contractor and that are approved for release to the contractor, if such retained amounts are not paid to the contractor by a date specified in the contract or, in the absence of such a specified date, by the 30th day after final acceptance;
- (7) require that—
 - (A) each invoice be reviewed as soon as practicable after receipt for the purpose of determining that such an invoice is a proper invoice within the meaning of section 3901(a)(3) of this title;
 - (B) any invoice determined not to be such a proper invoice suitable for payment shall be returned as soon as practicable, but not later than 7 days, after receipt, specifying the reasons that the invoice is not a proper invoice; and
 - (C) the number of days available to an agency to make a timely payment of an invoice without incurring an interest penalty shall be reduced by the number of days by which an agency exceeds the requirements of subparagraph (B) of this paragraph;
- (8) permit an agency to make payment up to 7 days prior to the required payment date, or earlier as determined by the agency to be necessary on a case-by-case basis; and
- (9) prescribe the methods for computing interest under section 3903(c) of this title.
 - (b)(1) A payment request may not be approved under subsection (a)(6)(A) of this section unless the application for such payment includes—
 - (A) substantiation of the amounts requested; and
 - (B) a certification by the prime contractor, to the best of the contractor's knowledge and belief, that—

- (i) the amounts requested are only for performance in accordance with the specifications, terms, and conditions of the contract;
 - (ii) payments to subcontractors and suppliers have been made from previous payments received under the contract, and timely payments will be made from the proceeds of the payment covered by the certification, in accordance with their subcontract agreements and the requirements of this chapter; and
 - (iii) the application does not include any amounts which the prime contractor intends to withhold or retain from a subcontractor or supplier in accordance with the terms and conditions of their subcontract.
- (2) The agency shall return any such payment request which is defective to the contractor within 7 days after receipt, with a statement identifying the defect.
- (c)(1) The contracting officer shall—
- (A) compute the interest which a contractor shall be obligated to pay under sections 3905(a)(2) and 3905(e)(6) of this title on the basis of the average bond equivalent rates of 91-day Treasury bills auctioned at the most recent auction of such bills prior to the date the contractor received the unearned amount; and
 - (B) deduct the interest amount determined under subparagraph (A) of this paragraph from the next available payment to the contractor.
- (2) Amounts deducted from payments to contractors under paragraph (1)(B) shall revert to the Treasury.

SEC. 3904. LIMITATIONS ON DISCOUNT PAYMENTS.

The head of an agency offered a discount by a business concern from an amount due under a contract for property or service in exchange for payment within a specified time may pay the discounted amount only if payment is made within the specified time. For the purpose of the preceding sentence, the specified time shall be determined from the date of the invoice. The head of the agency shall pay an interest penalty on an amount remaining unpaid in violation of this section. The penalty accrues as provided under sections 3902 and 3903 of this title, except that the required payment date for the unpaid amount is the last day specified in the contract that the discounted amount may be paid.

SEC. 3905. PAYMENT PROVISIONS RELATING TO CONSTRUCTION CONTRACTS.

- (a) In the event that a contractor, after making a certified payment request to an agency pursuant to section 3903(b) of this title, discovers that a portion or all of such payment request constitutes a payment for performance by such contractor that fails to conform to the specifications, terms, and conditions of its contract (hereafter in this subsection referred to as the “unearned amount”), then the contractor shall—
- (1) notify the agency of such performance deficiency; and
 - (2) be obligated to pay the Government an amount equal to interest on the unearned amount (computed in the manner

provided in section 3903(c) of this title), from the date of the contractor's receipt of such unearned amount until—

(A) the date the contractor notifies the agency that the performance deficiency has been corrected; or

(B) the date the contractor reduces the amount of any subsequent certified application for payment to such agency by an amount equal to the unearned amount.

(b) Each construction contract awarded by an agency shall include a clause that requires the prime contractor to include in each subcontract for property or services entered into by the prime contractor and a subcontractor (including a material supplier) for the purpose of performing such construction contract—

(1) a payment clause which obligates the prime contractor to pay the subcontractor for satisfactory performance under its subcontract within 7 days out of such amounts as are paid to the prime contractor by the agency under such contract; and

(2) an interest penalty clause which obligates the prime contractor to pay to the subcontractor an interest penalty on amounts due in the case of each payment not made in accordance with the payment clause included in the subcontract pursuant to paragraph (1) of this subsection—

(A) for the period beginning on the day after the required payment date and ending on the date on which payment of the amount due is made; and

(B) computed at the rate specified by section 3902(a) of this title.

(c) The construction contract awarded by the agency shall further require the prime contractor to include in each of its subcontracts (for the purpose of performance of such construction contract) a provision requiring the subcontractor to include a payment clause and an interest penalty clause conforming to the standards of subsection (b) of this section in each of its subcontracts and to require each of its subcontractors to include such clauses in their subcontracts with each lower-tier subcontractor or supplier.

(d) The clauses required by subsections (b) and (c) of this section shall not be construed to impair the right of a prime contractor or a subcontractor at any tier to negotiate, and to conclude in their subcontract, provisions which—

(1) permit the prime contractor or a subcontractor to retain (without cause) a specified percentage of each progress payment otherwise due to a subcontractor for satisfactory performance under the subcontract, without incurring any obligation to pay a late payment interest penalty, in accordance with terms and conditions agreed to by the parties to the subcontract, giving such recognition as the parties deem appropriate to the ability of a subcontractor to furnish a performance bond and a payment bond;

(2) permit the contractor or subcontractor to make a determination that part or all of the subcontractor's request for payment may be withheld in accordance with the subcontract agreement; and

(3) permit such withholding without incurring any obligation to pay a late payment penalty if—

- (A) a notice conforming to the standards of subsection (g) of this section has been previously furnished to the subcontractor; and
 - (B) a copy of any notice issued by a prime contractor pursuant to subparagraph (A) of this paragraph has been furnished to the Government.
- (e) If a prime contractor, after making application to an agency for payment under a contract but before making a payment to a subcontractor for the subcontractor's performance covered by such application, discovers that all or a portion of the payment otherwise due such subcontractor is subject to withholding from the subcontractor in accordance with the subcontract agreement, then the prime contractor shall—
- (1) furnish to the subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon ascertaining the cause giving rise to a withholding, but prior to the due date for subcontractor payment;
 - (2) furnish to the Government, as soon as practicable, a copy of the notice furnished to the subcontractor pursuant to paragraph (1) of this subsection;
 - (3) reduce the subcontractor's progress payment by an amount not to exceed the amount specified in the notice of withholding furnished under paragraph (1) of this subsection;
 - (4) pay the subcontractor as soon as practicable after the correction of the identified subcontract performance deficiency, and—
 - (A) make such payment within—
 - (i) 7 days after correction of the identified subcontract performance deficiency (unless the funds therefor must be recovered from the Government because of a reduction under paragraph (5)(A)); or
 - (ii) 7 days after the contractor recovers such funds from the Government; or
 - (B) incur an obligation to pay a late payment interest penalty computed at the rate specified by section 3902(a) of this title;
 - (5) notify the Government, upon—
 - (A) reduction of the amount of any subsequent certified application for payment; or
 - (B) payment to the subcontractor of any withheld amounts of a progress payment, specifying—
 - (i) the amounts of the progress payments withheld under paragraph (1) of this subsection; and
 - (ii) the dates that such withholding began and ended; and
 - (6) be obligated to pay to the Government an amount equal to interest on the withheld payments (computed in the manner provided in section 3903(c) of this title), from the 8th day after receipt of the withheld amounts from the Government until—
 - (A) the day the identified subcontractor performance deficiency is corrected; or
 - (B) the date that any subsequent payment is reduced under paragraph (5)(A).

(f)(1) If a prime contractor, after making payment to a first-tier subcontractor, receives from a supplier or subcontractor of the first-tier subcontractor (hereafter referred to as a “second-tier subcontractor”) a written notice in accordance with section 2 of the Act of August 24, 1935 (40 U.S.C. 270b), asserting a deficiency in such first-tier subcontractor’s performance under the contract for which the prime contractor may be ultimately liable, and the prime contractor determines that all or a portion of future payments otherwise due such first-tier subcontractor is subject to withholding in accordance with the subcontract agreement, then the prime contractor may, without incurring an obligation to pay an interest penalty under subsection (e)(6) of this section—

(A) furnish to the first-tier subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon making such determination; and

(B) withhold from the first-tier subcontractor’s next available progress payment or payments an amount not to exceed the amount specified in the notice of withholding furnished under subparagraph (A) of this paragraph.

(2) As soon as practicable, but not later than 7 days after receipt of satisfactory written notification that the identified subcontract performance deficiency has been corrected, the prime contractor shall pay the amount withheld under paragraph (1)(B) of this subsection to such first-tier subcontractor, or shall incur an obligation to pay a late payment interest penalty to such first-tier subcontractor computed at the rate specified by section 3902(a) of this title.

(g) A written notice of any withholding shall be issued to a subcontractor (with a copy to the Government of any such notice issued by a prime contractor), specifying—

(1) the amount to be withheld;

(2) the specific causes for the withholding under the terms of the subcontract; and

(3) the remedial actions to be taken by the subcontractor in order to receive payment of the amounts withheld.

(h) A prime contractor may not request payment from the agency of any amount withheld or retained in accordance with subsection (d) of this section until such time as the prime contractor has determined and certified to the agency that the subcontractor is entitled to the payment of such amount.

(i) A dispute between a contractor and subcontractor relating to the amount or entitlement of a subcontractor to a payment or a late payment interest penalty under a clause included in the subcontract pursuant to subsection (b) or (c) of this section does not constitute a dispute to which the United States is a party. The United States may not be interpleaded in any judicial or administrative proceeding involving such a dispute.

(j) Except as provided in subsection (i) of this section, this section shall not limit or impair any contractual, administrative, or judicial remedies otherwise available to a contractor or a subcontractor in the event of a dispute involving late payment or nonpayment by a prime contractor or deficient subcontract performance or non-performance by a subcontractor.

(k) A contractor’s obligation to pay an interest penalty to a subcontractor pursuant to the clauses included in a subcontract under

subsection (b) or (c) of this section may not be construed to be an obligation of the United States for such interest penalty. A contract modification may not be made for the purpose of providing reimbursement of such interest penalty. A cost reimbursement claim may not include any amount for reimbursement of such interest penalty.

SEC. 3906. REPORTS.

(a)(1) By the 60th day after the end of the fiscal year, the head of each agency shall submit to the Director of the Office of Management and Budget a report on the agency's payment practices during that fiscal year, including a description of the extent to which those practices satisfy the requirements of this chapter.

(2) In addition to such other information as may be required by the Director, the report required by paragraph (1) shall include—

(A) the number, dollar value, and percentage of invoices for which interest or other late payment penalties were paid, the amount of such late payment interest and other penalties, and the reasons the interest penalties were not avoided by prompt payment; and

(B) the number, dollar value, and percentage of invoices paid after the required payment date without payment of an interest penalty or other late payment penalty, and the reasons no obligation to pay such penalties was incurred with respect to such invoices or no amount for such penalties were included in the payments of such invoices.

(b) By the 120th day after the end of each fiscal year, the Director shall submit to the Committees on Governmental Affairs, Appropriations, and Small Business of the Senate and the Committees on Government Operations, Appropriations, and Small Business of the House of Representatives a report on agency compliance with this chapter. The report shall include a summary of the report of each agency submitted under subsection (a) of this section and an analysis of progress made in reducing interest penalty payments by that agency from prior years.

SEC. 3907. RELATIONSHIP TO OTHER LAWS.

(a) A claim for an interest penalty not paid under this chapter may be filed under section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605).

(b)(1) An interest penalty under this chapter does not continue to accrue—

(A) after a claim for a penalty is filed under the Contract Disputes Act of 1978 (41 U.S.C. 601 et seq.); or

(B) for more than one year.

(2) Paragraph (1) of this subsection does not prevent an interest penalty from accruing under section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) after a penalty stops accruing under this chapter. A penalty accruing under section 12 may accrue on an unpaid contract payment and on the unpaid penalty under this chapter.

(c) Except as provided in section 3904 of this title, this chapter does not require an interest penalty on a payment that is not made because of a dispute between the head of an agency and a business concern over the amount of payment or compliance with the con-

tract. A claim related to the dispute, and interest payable for the period during which the dispute is being resolved, is subject to the Contract Disputes Act of 1978 (41 U.S.C. 601 et seq.).

SEC. 7502. AUDIT REQUIREMENTS; EXEMPTIONS.

(a)(1)(A) Each State and local government which receives a total amount of Federal financial assistance equal to or in excess of \$100,000 in any fiscal year of such government shall have an audit made for such fiscal year in accordance with the requirements of this chapter and the requirements of the regulations prescribed pursuant to section 7505 of this title.

(B) Each State and local government that receives a total amount of Federal financial assistance which is equal to or in excess of \$25,000 but less than \$100,000 in any fiscal year of such government shall—

(i) have an audit made for such fiscal year in accordance with the requirements of this chapter and the requirements of the regulations prescribed pursuant to section 7505 of this title; or

(ii) comply with any applicable requirements concerning financial or financial and compliance audits contained in Federal statutes and regulations governing programs under which such Federal financial assistance is provided to that government.

(C) Each State and local government that receives a total amount of Federal financial assistance which is less than \$25,000 in any fiscal year of such government shall be exempt for such fiscal year from compliance with—

(i) the audit requirements of this chapter; and

(ii) any applicable requirements concerning financial or financial and compliance audits contained in Federal statutes and regulations governing programs under which such Federal financial assistance is provided to that government.

The provisions of clause (ii) of this subparagraph do not exempt a State or local government from compliance with any provision of a Federal statute or regulation that requires such government to maintain records concerning Federal financial assistance provided to such government or that permits a Federal agency or the Comptroller General access to such records.

(2) For purposes of this section, a State or local government shall be considered to receive Federal financial assistance whether such assistance is received directly from a Federal agency or indirectly through another State or local government.

(b)(1) Except as provided in paragraphs (2) and (3), audits conducted pursuant to this chapter shall be conducted annually.

(2) If a State or local government is required—

(A) by constitution or statute, as in effect on October 19, 1984, or

(B) by administrative rules, regulations, guidelines, standards, or policies, as in effect on October 19, 1984, to conduct its audits less frequently than annually, the cognizant agency for such government shall, upon request of such government, permit the government to conduct its audits pursuant to this chapter biennially, except as provided in paragraph (3). Such audits shall cover both years within the biennial period.

(3) Any State or local government that is permitted, under clause (B) of paragraph (2), to conduct its audits pursuant to this chapter biennially by reason of the requirements of a rule, regulation, guideline, standard, or policy, shall, for any of its fiscal years beginning after December 31, 1986, conduct such audits annually unless such State or local government codifies a requirement for biennial audits in its constitution or statutes by January 1, 1987. Audits conducted biennially under the provisions of this paragraph shall cover both years within the biennial period.

(c) Each audit conducted pursuant to subsection (a) shall be conducted by an independent auditor in accordance with generally accepted government auditing standards, except that, for the purposes of this chapter, such standards shall not be construed to require economy and efficiency audits, program results audits, or program evaluations.

(d)(1) Each audit conducted pursuant to subsection (a) for any fiscal year shall cover the entire State or local government's operations except that, at the option of such government—

(A) such audit may, except as provided in paragraph (5), cover only each department, agency, or establishment which received, expended, or otherwise administered Federal financial assistance during such fiscal year; and

(B) such audit may exclude public hospitals and public colleges and universities.

(2) Each such audit shall encompass the entirety of the financial operation of such government or of such department, agency, or establishment, whichever is applicable, and shall determine and report whether—

(A)(i) the financial statements of the government, department, agency, or establishment present fairly its financial position and the results of its financial operations in accordance with generally accepted accounting principles; and

(ii) the government, department, agency, or establishment has complied with laws and regulations that may have a material effect upon the financial statements;

(B) the government, department, agency, or establishment has internal control systems to provide reasonable assurance that it is managing Federal financial assistance programs in compliance with applicable laws and regulations; and

(C) the government, department, agency, or establishment has complied with laws and regulations that may have a material effect upon each major Federal assistance program.

In complying with the requirements of subparagraph (C), the independent auditor shall select and test a representative number of transactions from each major Federal assistance program.

(3) Transactions selected from Federal assistance programs, other than major Federal assistance programs, pursuant to the requirements of paragraphs (2)(A) and (2)(B) shall be tested for compliance with Federal laws and regulations that apply to such transactions. Any noncompliance found in such transactions by the independent auditor in making determinations required by this paragraph shall be reported.

(4) The number of transactions selected and tested under paragraphs (2) and (3), the selection and testing of such transactions, and the determinations required by such paragraphs shall be based on the professional judgment of the independent auditor.

(5) A series of audits of individual departments, agencies, and establishments for the same fiscal year may be considered to be an audit for the purpose of this chapter.

(6) Redesignated (5)

(e)(1) Each State and local government subject to the audit requirements of this chapter, which receives Federal financial assistance and provides \$25,000 or more of such assistance in any fiscal year to a subrecipient, shall—

(A) if the subrecipient conducts an audit in accordance with the requirements of this chapter, review such audit and ensure that prompt and appropriate corrective action is taken on instances of material noncompliance with applicable laws and regulations with respect to Federal financial assistance provided to the subrecipient by the State or local government; or

(B) if the subrecipient does not conduct an audit in accordance with the requirements of this chapter—

(i) determine whether the expenditures of Federal financial assistance provided to the subrecipient by the State or local government are in accordance with applicable laws and regulations; and

(ii) ensure that prompt and appropriate corrective action is taken on instances of material noncompliance with applicable laws and regulations with respect to Federal financial assistance provided to the subrecipient by the State or local government.

(2) Each such State and local government shall require each subrecipient of Federal assistance through such government to permit, as a condition of receiving funds from such assistance, the independent auditor of the State or local government to have such access to the subrecipient's records and financial statements as may be necessary for the State or local government to comply with this chapter.

(f) The report made on any audit conducted pursuant to this section shall, within thirty days after completion of such report, be transmitted to the appropriate Federal officials and made available by the State or local government for public inspection.

(g) If an audit conducted pursuant to this section finds any material noncompliance with applicable laws and regulations by, or material weakness in the internal controls of, the State or local government with respect to the matters described in subsection (d)(2),

the State or local government shall submit to appropriate Federal officials a plan for corrective action to eliminate such material non-compliance or weakness or a statement describing the reasons that corrective action is not necessary. Such plan shall be consistent with the audit resolution standard promulgated by the Comptroller General (as part of the standards for internal controls in the Federal Government) pursuant to section 3512(c) of this title.

SEC. 7503. RELATION TO OTHER AUDIT REQUIREMENTS.

(a) An audit conducted in accordance with this chapter shall be in lieu of any financial or financial and compliance audit of an individual Federal assistance program which a State or local government is required to conduct under any other Federal law or regulation. To the extent that such audit provided a Federal agency with the information it requires to carry out its responsibilities under Federal law or regulation, a Federal agency shall rely upon and use that information and plan and conduct its own audits accordingly in order to avoid a duplication of effort.

(b) Notwithstanding subsection (a), a Federal agency shall conduct any additional audits which are necessary to carry out its responsibilities under Federal law or regulation. The provisions of this chapter do not authorize any State or local government (or subrecipient thereof) to constrain, in any manner, such agency from carrying out such additional audits.

(c) The provisions of this chapter do not limit the authority of Federal agencies to conduct, or enter into contracts for the conduct of, audits and evaluations of Federal financial assistance programs, nor limit the authority of any Federal agency Inspector General or other Federal audit official.

(d) Subsection (a) shall apply to a State or local government which conducts an audit in accordance with this chapter even though it is not required by section 7502(a) to conduct such audit.

(e) A Federal agency that performs or contracts for audits in addition to the audits conducted by recipients pursuant to this chapter shall, consistent with other applicable law, arrange for funding the cost of such additional audits. Such additional audits include economy and efficiency audits, program results audits, and program evaluations.

SEC. 7504. COGNIZANT AGENCY RESPONSIBILITIES.

(a) The Director shall designate cognizant agencies for audits conducted pursuant to this chapter.

(b) A cognizant agency shall—

(1) ensure that audits are made in a timely manner and in accordance with the requirements of this chapter;

(2) ensure that the audit reports and corrective action plans made pursuant to section 7502 of this title are transmitted to the appropriate Federal officials; and

(3) (A) coordinate, to the extent practicable, audits done by or under contract with Federal agencies that are in addition to the audits conducted pursuant to this chapter; and

(B) ensure that such additional audits build upon the audits conducted pursuant to this chapter.

SEC. 7505. REGULATIONS.

(a) The Director, after consultation with the Comptroller General and appropriate Federal, State, and local government officials, shall prescribe policies, procedures, and guidelines to implement this chapter. Each Federal agency shall promulgate such amendments to its regulations as may be necessary to conform such regulations to the requirements of this chapter and of such policies, procedures, and guidelines.

(b)(1) The policies, procedures, and guidelines prescribed pursuant to subsection (a) shall include criteria for determining the appropriate charges to programs of Federal financial assistance for the cost of audits. Such criteria shall prohibit a State or local government which is required to conduct an audit pursuant to this chapter from charging to any such program (A) the cost of any financial or financial and compliance audit which is not conducted in accordance with this chapter, and (B) more than a reasonably proportionate share of the cost of any such audit that is conducted in accordance with this chapter.

(2) The criteria prescribed pursuant to paragraph (1) shall not, in the absence of documentation demonstrating a higher actual cost, permit (A) the ratio of (i) the total charges by a government to Federal financial assistance programs for the cost of audits performed pursuant to this chapter, to (ii) the total cost of such audits, to exceed (B) the ratio of (i) total Federal financial assistance expended by such government during the applicable fiscal year or years, to (ii) such government's total expenditures during such fiscal year or years.

(c) Such policies, procedures, and guidelines shall include such provisions as may be necessary to ensure that small business concerns and business concerns owned and controlled by socially and economically disadvantaged individuals will have the opportunity to participate in the performance of contracts awarded to fulfill the audit requirements of this chapter.

SEC. 7506. MONITORING RESPONSIBILITIES OF THE COMPTROLLER GENERAL.

The Comptroller General shall review provisions requiring financial or financial and compliance audits of recipients of Federal assistance that are contained in bills and resolutions reported by the committees of the Senate and the House of Representatives. If the Comptroller General determines that a bill or resolution contains provisions that are inconsistent with the requirements of this chapter, the Comptroller General shall, at the earliest practicable date, notify in writing—

(1) the committee that reported such bill or resolution; and

(2)(A) the Committee on Governmental Affairs of the Senate (in the case of a bill or resolution reported by a committee of the Senate); or

(B) the Committee on Government Operations of the House of Representatives (in the case of a bill or resolution reported by a committee of the House of Representatives).

SEC. 7507. EFFECTIVE DATE; REPORT.

(a) This chapter shall apply to any State or local government with respect to any of its fiscal years which begin after December 31, 1984.

(b) The Director, on or before May 1, 1987, and annually thereafter, shall submit to each House of Congress a report on operations under this chapter. Each such report shall specifically identify each Federal agency or State or local government which is failing to comply with this chapter.

CHAPTER 97—MISCELLANEOUS

SEC. 9701. FEES AND CHARGES FOR GOVERNMENT SERVICES AND THINGS OF VALUE.

(a) It is the sense of Congress that each service or thing of value provided by an agency (except a mixed-ownership Government corporation) to a person (except a person on official business of the United States Government) is to be self-sustaining to the extent possible.

(b) The head of each agency (except a mixed-ownership Government corporation) may prescribe regulations establishing the charge for a service or thing of value provided by the agency. Regulations prescribed by the heads of executive agencies are subject to policies prescribed by the President and shall be as uniform as practicable. Each charge shall be—

(1) fair; and

(2) based on—

(A) the costs to the Government;

(B) the value of the service or thing to the recipient;

(C) public policy or interest served; and

(D) other relevant facts.

(c) This section does not affect a law of the United States—

(1) prohibiting the determination and collection of charges and the disposition of those charges; and

(2) prescribing bases for determining charges, but a charge may be redetermined under this section consistent with the prescribed bases.

SEC. 9702. INVESTMENT OF TRUST FUNDS.

Except as required by a treaty of the United States, amounts held in trust by the United States Government (including annual interest earned on the amounts)—

(1) shall be invested in Government obligations; and

(2) shall earn interest at an annual rate of at least 5 percent.

SEC. 9703. MANAGERIAL ACCOUNTABILITY AND FLEXIBILITY.

(a) Beginning with fiscal year 1999, the performance plans required under section 1115 may include proposals to waive administrative procedural requirements and controls, including specification of personnel staffing levels, limitations on compensation or remuneration, and prohibitions or restrictions on funding transfers among budget object classification 20 and subclassifications 11, 12, 31, and 32 of each annual budget submitted under section 1105, in

return for specific individual or organization accountability to achieve a performance goal. In preparing and submitting the performance plan under section 1105(a)(29), the Director of the Office of Management and Budget shall review and may approve any proposed waivers. A waiver shall take effect at the beginning of the fiscal year for which the waiver is approved.

(b) Any such proposal under subsection (a) shall describe the anticipated effects on performance resulting from greater managerial or organizational flexibility, discretion, and authority, and shall quantify the expected improvements in performance resulting from any waiver. The expected improvements shall be compared to current actual performance, and to the projected level of performance that would be achieved independent of any waiver.

(c) Any proposal waiving limitations on compensation or remuneration shall precisely express the monetary change in compensation or remuneration amounts, such as bonuses or awards, that shall result from meeting, exceeding, or failing to meet performance goals.

(d) Any proposed waiver of procedural requirements or controls imposed by an agency (other than the proposing agency or the Office of Management and Budget) may not be included in a performance plan unless it is endorsed by the agency that established the requirement, and the endorsement included in the proposing agency's performance plan.

(e) A waiver shall be in effect for one or two years as specified by the Director of the Office of Management and Budget in approving the waiver. A waiver may be renewed for a subsequent year. After a waiver has been in effect for three consecutive years, the performance plan prepared under section 1115 may propose that a waiver, other than a waiver of limitations on compensation or remuneration, be made permanent.

(f) For purposes of this section, the definitions under section 1115(f) shall apply.

SEC. 9704. PILOT PROJECTS FOR MANAGERIAL ACCOUNTABILITY AND FLEXIBILITY.

(a) The Director of the Office of Management and Budget shall designate not less than five agencies as pilot projects in managerial accountability and flexibility for fiscal years 1995 and 1996. (b) Pilot projects in the designated agencies shall include proposed waivers in accordance with section 9703 for one or more of the major functions and operations of the agency.

(c) The Director of the Office of Management and Budget shall include in the report to the President and to the Congress required under section 1118(c)—

(1) an assessment of the benefits, costs, and usefulness of increasing managerial and organizational flexibility, discretion, and authority in exchange for improved performance through a waiver; and

CHAPTER 6—CONGRESSIONAL AND COMMITTEE PROCEDURE; INVESTIGATIONS

SEC. 190D. LEGISLATIVE REVIEW BY STANDING COMMITTEES OF THE SENATE AND THE HOUSE OF REPRESENTATIVES.

(a) SCOPE OF ASSISTANCE.—In order to assist the Congress in—

(1) its analysis, appraisal, and evaluation of the application, administration, and execution of the laws enacted by the Congress, and

(2) its formulation, consideration, and enactment of such modifications of or changes in those laws, and of such additional legislation, as may be necessary or appropriate,

each standing committee of the Senate and the House of Representatives shall review and study, on a continuing basis, the application, administration, and execution of those laws, or parts of laws, the subject matter of which is within the jurisdiction of that committee. Such committees may carry out the required analysis, appraisal, and evaluation themselves, or by contract, or may require a Government agency to do so and furnish a report thereon to the Congress. Such committees may rely on such techniques as pilot testing, analysis of costs in comparison with benefits, or provision for evaluation after a defined period of time.

(2) After the Congress has expressed its opinion pursuant to paragraph (1) as to the year in which the goals for reducing unemployment set forth in section 4(b) of the Employment Act of 1946 [15 U.S.C.A. Sec. 1022a(b)] can be achieved, if, pursuant to section 4(e) of such Act [15 U.S.C.A. Sec. 1022a(e)], the President recommends in the Economic Report that such goals be achieved in a year which is different from the year in which the Congress has expressed its opinion that such goals should be achieved, either in its action pursuant to paragraph (1) or in its most recent action pursuant to this paragraph, the concurrent resolution on the budget for the fiscal year beginning after the date on which such Economic Report is received by the Congress may set forth the year in which, in the opinion of the Congress, such goals can be achieved.

(3) It shall be in order to amend the provision of such resolution setting forth such year only if the amendment thereto also proposes to alter the estimates, amounts, and levels (as described in subsection (a) of this section) set forth in such resolution in germane fashion in order to be consistent with the economic goals (as described in sections 3(a)(2) [15 U.S.C.A. Sec. 1022(a)(2)] and 4(b) [15 U.S.C.A. Sec. 1022a(b)] of the Employment Act of 1946) which such amendment proposes can be achieved by the year specified in such amendment.

(g) ECONOMIC ASSUMPTIONS.—

(1) It shall not be in order in the Senate to consider any concurrent resolution on the budget for a fiscal year, or any amendment thereto, or any conference report thereon, that sets forth amounts and levels that are determined on the basis of more than one set of economic and technical assumptions.

(2) The joint explanatory statement accompanying a conference report on a concurrent resolution on the budget shall set forth the common economic assumptions upon which such joint statement and conference report are based, or upon which any amendment contained in the joint explanatory statement to be proposed by the conferees in the case of technical disagreement, is based.

(3) Subject to periodic reestimation based on changed economic conditions or technical estimates, determinations under titles III [2 U.S.C.A. Sec. 631 et seq.] and IV [2 U.S.C.A. Sec. 651 et seq.] of the Congressional Budget Act of 1974 shall be based upon such common economic and technical assumptions.

(h) BUDGET COMMITTEE'S CONSULTATION WITH COMMITTEES.—
The Committee on the Budget of the House of Representatives shall consult with the committees of its House having legislative

jurisdiction during the preparation, consideration, and enforcement of the concurrent resolution on the budget with respect to all matters which relate to the jurisdiction or functions of such committees.

(i) **MAXIMUM DEFICIT AMOUNT MAY NOT BE EXCEEDED.**—It shall not be in order in the Senate to consider any concurrent resolution on the budget as reported to the Senate that would decrease the excess of social security revenues over social security outlays in any of the fiscal years covered by the concurrent resolution. No change in chapter 1 of the Internal Revenue Code of 1986 [26 U.S.C.A. Sec. 1 et seq.] shall be treated as affecting the amount of social security revenues unless such provision changes the income tax treatment of social security benefits.

NOTE

Exclusion of Social Security from All Budgets

Section 13301(a) of Pub. L. 101-508 provided that:

“Notwithstanding any other provision of law, the receipts and disbursements of the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund shall not be counted as new budget authority, outlays, receipts, or deficit or surplus for purposes of—

“(1) the budget of the United States Government as submitted by the President,

“(2) the congressional budget, or

“(3) the Balanced Budget and Emergency Deficit Control Act of 1985 [Pub. L. 99-177, Title II, Dec. 12, 1985, 99 Stat. 1038].”

SEC. 633. COMMITTEE ALLOCATIONS.

(a) **ALLOCATION OF TOTALS.**—(1) For the House of Representatives, the joint explanatory statement accompanying a conference report on a concurrent resolution on the budget shall include an estimated allocation, based upon such concurrent resolution as recommended in such conference report, of the appropriate levels of total budget outlays, total new budget authority, and total entitlement authority among each committee of the House of Representatives which has jurisdiction over laws, bills and resolutions providing such new budget authority, or such entitlement authority. The allocation shall, for each committee, divide new budget authority, and entitlement authority between amounts provided or required by law on the date of such conference report (mandatory or uncontrollable amounts), and amounts not so provided or required (discretionary or controllable amounts), and shall make the same division for estimated outlays that would result from such new budget authority.

(2) For the Senate, the joint explanatory statement accompanying a conference report on a concurrent resolution on the budget shall include an estimated allocation, based upon such concurrent resolution as recommended in such conference report, of the appropriate levels of social security outlays for the fiscal year of the resolution and for each of the 4 succeeding fiscal years, total budget outlays and total new budget authority among each committee of

the Senate which has jurisdiction over bills and resolutions providing such new budget authority.

(b) **REPORTS BY COMMITTEES.**—As soon as practicable after a concurrent resolution on the budget is agreed to—

(1) the Committee on Appropriations of each House shall, after consulting with the Committee on Appropriations of the other House, (A) subdivide among its subcommittees the allocation of budget outlays and new budget authority allocated to it in the joint explanatory statement accompanying the conference report on such concurrent resolution, and (B) further subdivide the amount with respect to each such subcommittee between controllable amounts and all other amounts; and

(2) every other committee of the House and Senate to which an allocation was made in such joint explanatory statement shall, after consulting with the committee or committees of the other House to which all or part of its allocation was made, (A) subdivide such allocation among its subcommittees or among programs over which it has jurisdiction, and (B) further subdivide the amount with respect to each subcommittee or program between controllable amounts and all other amounts.

Each such committee shall promptly report to its House the subdivisions made by it pursuant to this subsection.

(c) **POINT OF ORDER.**—It shall not be in order in the House of Representatives or the Senate to consider any bill, joint resolution, amendment, motion, or conference report, providing—

(1) new budget authority for a fiscal year; or

(2) new spending authority as described in section 651(c)(2) of this title for a fiscal year

within the jurisdiction of any committee which has received an appropriate allocation of such authority pursuant to subsection (a) of this section for such fiscal year, unless and until such committee makes the allocation or subdivisions required by subsection (b) of this section, in connection with the most recently agreed to concurrent resolution on the budget for such fiscal year.

(d) **SUBSEQUENT CONCURRENT RESOLUTIONS.**—In the case of a concurrent resolution on the budget referred to in section 635 of this title, the allocations under subsection (a) of this section and the subdivisions under subsection (b) of this section shall be required only to the extent necessary to take into account revisions made in the most recently agreed to concurrent resolution on the budget.

(e) **ALTERATION OF ALLOCATIONS.**—At any time after a committee reports the allocations required to be made under subsection (b) of this section, such committee may report to its House an alteration of such allocations. Any alteration of such allocations must be consistent with any actions already taken by its House on legislation within the committee's jurisdiction.

(f) **LEGISLATION SUBJECT TO POINT OF ORDER.**—

(1) **IN HOUSE OF REPRESENTATIVES.**—After the Congress has completed action on a concurrent resolution on the budget for a fiscal year, it shall not be in order in the House of Representatives to consider any bill, joint resolution, or amendment providing new budget authority for such fiscal year or new entitle-

ment authority effective during such fiscal year, or any conference report on any such bill or joint resolution, if—

- (A) the enactment of such bill or resolution as reported;
- (B) the adoption and enactment of such amendment; or
- (C) the enactment of such bill or resolution in the form

recommended in such conference report,

would cause the appropriate allocation made pursuant to subsection (b) of this section for such fiscal year of new discretionary budget authority or new entitlement authority to be exceeded.

(2) IN SENATE.—At any time after the Congress has completed action on the concurrent resolution on the budget required to be reported under section 632(a) of this title for a fiscal year, it shall not be in order in the Senate to consider any bill, joint resolution, amendment, motion, or conference report, that provides for budget outlays, new budget authority, or new spending authority (as defined in section 651(c)(2) of this title) in excess of (A) the appropriate allocation of such outlays or authority reported under subsection (a) of this section, or (B) the appropriate allocation (if any) of such outlays or authority reported under subsection (b) of this section in connection with the most recently agreed to concurrent resolution on the budget for such fiscal year or provides for social security outlays in excess of the appropriate allocation of social security outlays under subsection (a) of this section for the fiscal year of the resolution or for the total of that year and the 4 succeeding fiscal years. Subparagraph (A) shall not apply to any bill, resolution, amendment, motion, or conference report that is within the jurisdiction of the Committee on Appropriations. In applying this paragraph—

(A) estimated social security outlays shall be deemed to be reduced by the excess of estimated social security revenues (including social security revenues provided for in the bill, resolution, amendment, or conference report with respect to which this paragraph is applied) over the appropriate level of social security revenues specified in the most recently adopted concurrent resolution on the budget;

(B) estimated social security outlays shall be deemed increased by the shortfall of estimated social security revenues (including social security revenues provided for in the bill, resolution, amendment, or conference report with respect to which this paragraph is applied) below the appropriate level of social security revenues specified in the most recently adopted concurrent resolution on the budget; and

(C) no provision of any bill or resolution, or any amendment thereto or conference report thereon, involving a change in chapter 1 of Title 26 shall be treated as affecting the amount of social security revenues unless such provision changes the income tax treatment of social security benefits.

The Chairman of the Committee on the Budget of the Senate may file with the Senate appropriately revised allocations under subsection (a) of this section and revised functional lev-

els and aggregates to reflect the application of the preceding sentence. Such revised allocations, functional levels, and aggregates shall be considered as allocations, functional levels, and aggregates contained in the most recently agreed to concurrent resolution on the budget, and the appropriate committees shall report revised allocations pursuant to subsection (b) of this section.

(g) DETERMINATIONS BY BUDGET COMMITTEES.—For purposes of this section, the levels of new budget authority, spending authority as described in section 651(c)(2) of this title, outlays, and new credit authority for a fiscal year shall be determined on the basis of estimates made by the Committee on the Budget of the House of Representatives or the Senate, as the case may be.

SEC. 634. ADOPTION OF FIRST CONCURRENT RESOLUTION ON THE BUDGET PRIOR TO CONSIDERATION OF LEGISLATION PROVIDING NEW BUDGET AUTHORITY, NEW SPENDING AUTHORITY, NEW CREDIT AUTHORITY, OR CHANGES IN REVENUES OR PUBLIC DEBT LIMIT.

(a) IN GENERAL.—It shall not be in order in either the House of Representatives or the Senate to consider any bill, joint resolution, amendment, motion, or conference report as reported to the House or Senate which provides—

- (1) new budget authority for a fiscal year;
- (2) an increase or decrease in revenues to become effective during a fiscal year;
- (3) an increase or decrease in the public debt limit to become effective during a fiscal year;
- (4) new entitlement authority to become effective during a fiscal year;
- (5) in the Senate only, new spending authority (as defined in section 651(c)(2) of this title) for a fiscal year; or
- (6) in the Senate only, outlays,

until the concurrent resolution on the budget for such fiscal year (or, in the Senate, a concurrent resolution on the budget covering such fiscal year) has been agreed to pursuant to section 632 of this title.

(b) EXCEPTIONS.—

(1) In the House of Representatives, subsection (a) of this section does not apply to any bill or resolution—

(A) providing new budget authority which first becomes available in a fiscal year following the fiscal year to which the concurrent resolution applies; or

(B) increasing or decreasing revenues which first become effective in a fiscal year following the fiscal year to which the concurrent resolution applies.

After May 15 of any calendar year, subsection (a) of this section does not apply in the House of Representatives to any general appropriation bill, or amendment thereto, which provides new budget authority for the fiscal year beginning in such calendar year.

(2) In the Senate, subsection (a) of this section does not apply to any bill or resolution making advance appropriations for the fiscal year to which the concurrent resolution applies and the two succeeding fiscal years.

(c) WAIVER IN SENATE.—

(1) The committee of the Senate which reports any bill or resolution (or amendment thereto) to which subsection (a) of this section applies may at or after the time it reports such bill or resolution (or amendment), report a resolution to the Senate (A) providing for the waiver of subsection (a) of this section with respect to such bill or resolution (or amendment), and (B) stating the reasons why the waiver is necessary. The resolution shall then be referred to the Committee on the Budget of the Senate. That committee shall report the resolution to the Senate within 10 days after the resolution is referred to it (not counting any day on which the Senate is not in session) beginning with the day following the day on which it is so referred, accompanied by that committee's recommendations and reasons for such recommendations with respect to the resolution. If the committee does not report the resolution within such 10-day period, it shall automatically be discharged from further consideration of the resolution and the resolution shall be placed on the calendar.

(2) During the consideration of any such resolution, debate shall be limited to one hour, to be equally divided between, and controlled by, the majority leader and minority leader or their designees, and the time on any debatable motion or appeal shall be limited to twenty minutes, to be equally divided between, and controlled by, the mover and the manager of the resolution. In the event the manager of the resolution is in favor of any such motion or appeal, the time in opposition thereto shall be controlled by the minority leader or his designee. Such leaders, or either of them, may, from the time under their control on the passage of such resolution, allot additional time to any Senator during the consideration of any debatable motion or appeal. No amendment to the resolution is in order.

(3) If, after the Committee on the Budget has reported (or been discharged from further consideration of) the resolution, the Senate agrees to the resolution, then subsection (a) of this section shall not apply with respect to the bill or resolution (or amendment thereto) to which the resolution so agreed to applies.

SEC. 635. PERMISSIBLE REVISIONS OF CONCURRENT RESOLUTIONS ON THE BUDGET.

(a) IN GENERAL.—At any time after the concurrent resolution on the budget for a fiscal year has been agreed to pursuant to section 632 of this title, and before the end of such fiscal year, the two Houses may adopt a concurrent resolution on the budget which revises or reaffirms the concurrent resolution on the budget for such fiscal year most recently agreed to.

(b) ECONOMIC ASSUMPTIONS.—The provisions of section 632(g) of this title shall apply with respect to concurrent resolutions on the budget under this section (and amendments thereto and conference reports thereon) in the same way they apply to concurrent resolutions on the budget under such section 632(g) of this title (and amendments thereto and conference reports thereon).

SEC. 636. CONSIDERATION OF CONCURRENT RESOLUTIONS ON THE BUDGET.**(a) PROCEDURE IN HOUSE OF REPRESENTATIVES AFTER REPORT OF COMMITTEE; DEBATE.—**

(1) When the Committee on the Budget of the House of Representatives has reported any concurrent resolution on the budget, it is in order at any time after the fifth day (excluding Saturdays, Sundays, and legal holidays) following the day on which the report upon such resolution by the Committee on the Budget has been available to Members of the House and, if applicable, after the first day (excluding Saturdays, Sundays, and legal holidays) following the day on which a report upon such resolution by the Committee on Rules pursuant to section 632(c) of this title has been available to Members of the House (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the concurrent resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(2) General debate on any concurrent resolution on the budget in the House of Representatives shall be limited to not more than 10 hours, which shall be divided equally between the majority and minority parties, plus such additional hours of debate as are consumed pursuant to paragraph (3). A motion further to limit debate is not debatable. A motion to recommit the concurrent resolution is not in order, and it is not in order to move to reconsider the vote by which the concurrent resolution is agreed to or disagreed to.

(3) Following the presentation of opening statements on the concurrent resolution on the budget for a fiscal year by the chairman and ranking minority member of the Committee on the Budget of the House, there shall be a period of up to four hours for debate on economic goals and policies.

(4) Only if a concurrent resolution on the budget reported by the Committee on the Budget of the House sets forth the economic goals (as described in sections 1022(a) and 1022a(b) of Title 15) which the estimates, amounts, and levels (as described in section 632(a) of this title) set forth in such resolution are designed to achieve, shall it be in order to offer to such resolution an amendment relating to such goals, and such amendment shall be in order only if it also proposes to alter such estimates, amounts, and levels in germane fashion in order to be consistent with the goals proposed in such amendment.

(5) Consideration of any concurrent resolution on the budget by the House of Representatives shall be in the Committee of the Whole, and the resolution shall be considered for amendment under the five-minute rule in accordance with the applicable provisions of rule XXIII of the Rules of the House of Representatives. After the Committee rises and reports the resolution back to the House, the previous question shall be considered as ordered on the resolution and any amendments thereto to final passage without intervening motion; except that it

shall be in order at any time prior to final passage (notwithstanding any other rule or provision of law) to adopt an amendment (or a series of amendments) changing any figure or figures in the resolution as so reported to the extent necessary to achieve mathematical consistency.

(6) Debate in the House of Representatives on the conference report on any concurrent resolution on the budget shall be limited to not more than 5 hours, which shall be divided equally between the majority and minority parties. A motion further to limit debate is not debatable. A motion to recommit the conference report is not in order, and it is not in order to move to reconsider the vote by which the conference report is agreed to or disagreed to.

(7) Appeals from decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to any concurrent resolution on the budget shall be decided without debate.

(b) PROCEDURE IN SENATE AFTER REPORT OF COMMITTEE; DEBATE; AMENDMENTS.—

(1) Debate in the Senate on any concurrent resolution on the budget, and all amendments thereto and debatable motions and appeals in connection therewith, shall be limited to not more than 50 hours, except that with respect to any concurrent resolution referred to in section 635(a) of this title all such debate shall be limited to not more than 15 hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

(2) Debate in the Senate on any amendment to a concurrent resolution on the budget shall be limited to 2 hours, to be equally divided between, and controlled by, the mover and the manager of the concurrent resolution, and debate on any amendment to an amendment, debatable motion, or appeal shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the concurrent resolution, except that in the event the manager of the concurrent resolution is in favor of any such amendment, motion, or appeal, the time in opposition thereto shall be controlled by the minority leader or his designee. No amendment that is not germane to the provisions of such concurrent resolution shall be received. Such leaders, or either of them, may, from the time under their control on the passage of the concurrent resolution, allot additional time to any Senator during the consideration of any amendment, debatable motion, or appeal.

(3) Following the presentation of opening statements on the concurrent resolution on the budget for a fiscal year by the chairman and ranking minority member of the Committee on the Budget of the Senate, there shall be a period of up to four hours for debate on economic goals and policies.

(4) Subject to the other limitations of this Act, only if a concurrent resolution on the budget reported by the Committee on the Budget of the Senate sets forth the economic goals (as described in sections 1022(a)(2) and 1022a(b) of Title 15) which the estimates, amounts, and levels (as described in section 632(a) of this title) set forth in such resolution are designed to

achieve, shall it be in order to offer to such resolution an amendment relating to such goals, and such amendment shall be in order only if it also proposes to alter such estimates, amounts, and levels in germane fashion in order to be consistent with the goals proposed in such amendment.

(5) A motion to further limit debate is not debatable. A motion to recommit (except a motion to recommit with instructions to report back within a specified number of days, not to exceed 3, not counting any day on which the Senate is not in session) is not in order. Debate on any such motion to recommit shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the concurrent resolution.

(6) Notwithstanding any other rule, an amendment or series of amendments to a concurrent resolution on the budget proposed in the Senate shall always be in order if such amendment or series of amendments proposes to change any figure or figures then contained in such concurrent resolution so as to make such concurrent resolution mathematically consistent or so as to maintain such consistency.

(c) ACTION ON CONFERENCE REPORTS IN THE SENATE.—

(1) A motion to proceed to the consideration of the conference report on any concurrent resolution on the budget (or a reconciliation bill or resolution) may be made even though a previous motion to the same effect has been disagreed to.

(2) During the consideration in the Senate of the conference report (or a message between Houses) on any concurrent resolution on the budget, and all amendments in disagreement, and all amendments thereto, and debatable motions and appeals in connection therewith, debate shall be limited to 10 hours, to be equally divided between, and controlled by, the majority leader and minority leader or their designees. Debate on any debatable motion or appeal related to the conference report (or a message between Houses) shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the conference report (or a message between Houses).

(3) Should the conference report be defeated, debate on any request for a new conference and the appointment of conferees shall be limited to 1 hour, to be equally divided between, and controlled by, the manager of the conference report and the minority leader or his designee, and should any motion be made to instruct the conferees before the conferees are named, debate on such motion shall be limited to one-half hour, to be equally divided between, and controlled by, the mover and the manager of the conference report. Debate on any amendment to any such instructions shall be limited to 20 minutes, to be equally divided between and controlled by the mover and the manager of the conference report. In all cases when the manager of the conference report is in favor of any motion, appeal, or amendment, the time in opposition shall be under the control of the minority leader or his designee.

(4) In any case in which there are amendments in disagreement, time on each amendment shall be limited to 30 minutes,

to be equally divided between, and controlled by, the manager of the conference report and the minority leader or his designee. No amendment that is not germane to the provisions of such amendments shall be received.

(d) CONCURRENT RESOLUTION MUST BE CONSISTENT IN SENATE.—It shall not be in order in the Senate to vote on the question of agreeing to—

(1) a concurrent resolution on the budget unless the figures then contained in such resolution are mathematically consistent; or

(2) a conference report on a concurrent resolution on the budget unless the figures contained in such resolution, as recommended in such conference report, are mathematically consistent.

(e) Redesignated (d).

SEC. 637. LEGISLATION DEALING WITH CONGRESSIONAL BUDGET MUST BE HANDLED BY BUDGET COMMITTEES.

No bill, resolution, amendment, motion, or conference report, dealing with any matter which is within the jurisdiction of the Committee on the Budget of either House shall be considered in that House unless it is a bill or resolution which has been reported by the Committee on the Budget of that House (or from the consideration of which such committee has been discharged) or unless it is an amendment to such a bill or resolution.

SEC. 638. HOUSE COMMITTEE ACTION ON ALL APPROPRIATION BILLS TO BE COMPLETED BY JUNE 10.

On or before June 10 of each year, the Committee on Appropriations of the House of Representatives shall report annual appropriation bills providing new budget authority under the jurisdiction of all of its subcommittees for the fiscal year which begins on October 1 of that year.

SEC. 639. REPORTS, SUMMARIES, AND PROJECTIONS OF CONGRESSIONAL BUDGET ACTIONS.

(a) REPORTS ON LEGISLATION PROVIDING NEW BUDGET AUTHORITY, NEW SPENDING AUTHORITY, OR NEW CREDIT AUTHORITY, OR PROVIDING INCREASE OR DECREASE IN REVENUES OR TAX EXPENDITURES.—

(1) Whenever a committee of either House reports to its House a bill or resolution, or committee amendment thereto, providing new budget authority (other than continuing appropriations), new spending authority described in section 651(c)(2) of this title, or new credit authority, or providing an increase or decrease in revenues or tax expenditures for a fiscal year (or fiscal years), the report accompanying that bill or resolution shall contain a statement, or the committee shall make available such a statement in the case of an approved committee amendment which is not reported to its House, prepared after consultation with the Director of the Congressional Budget Office—

(A) comparing the levels in such measure to the appropriate allocations in the reports submitted under section 633(b) of this title for the most recently agreed to concur-

rent resolution on the budget for such fiscal year (or fiscal years);

(B) including an identification of any new spending authority described in section 651(c)(2) of this title which is contained in such measure and a justification for the use of such financing method instead of annual appropriations;

(C) containing a projection by the Congressional Budget Office of how such measure will affect the levels of such budget authority, budget outlays, spending authority, revenues, tax expenditures, direct loan obligations, or primary loan guarantee commitments under existing law for such fiscal year (or fiscal years) and each of the four ensuing fiscal years, if timely submitted before such report is filed; and

(D) containing an estimate by the Congressional Budget Office of the level of new budget authority for assistance to State and local governments provided by such measure, if timely submitted before such report is filed.

(2) Whenever a conference report is filed in either House and such conference report or any amendment reported in disagreement or any amendment contained in the joint statement of managers to be proposed by the conferees in the case of technical disagreement on such bill or resolution provides new budget authority (other than continuing appropriations), new spending authority described in section 651(c)(2) of this title, or new credit authority, or provides an increase or decrease in revenues for a fiscal year (or fiscal years), the statement of managers accompanying such conference report shall contain the information described in paragraph (1), if available on a timely basis. If such information is not available when the conference report is filed, the committee shall make such information available to Members as soon as practicable prior to the consideration of such conference report.

(b) UP-TO-DATE TABULATION OF CONGRESSIONAL BUDGET ACTION.—

(1) The Director of the Congressional Budget Office shall issue to the committees of the House of Representatives and the Senate reports on at least a monthly basis detailing and tabulating the progress of congressional action on bills and resolutions providing new budget authority, new spending authority described in section 651(c)(2) of this title, or new credit authority, or providing an increase or decrease in revenues or tax expenditures for each fiscal year covered by a concurrent resolution on the budget. Such reports shall include but are not limited to an up-to-date tabulation comparing the appropriate aggregate and functional levels (including outlays) included in the most recently adopted concurrent resolution on the budget with the levels provided in bills and resolutions reported by committees or adopted by either House or by the Congress, and with the levels provided by law for the fiscal year preceding the first fiscal year covered by the appropriate concurrent resolution.

(2) The Committee on the Budget of each House shall make available to Members of its House summary budget scorekeeping reports. Such reports—

(A) shall be made available on at least a monthly basis, but in any case frequently enough to provide Members of each House an accurate representation of the current status of congressional consideration of the budget;

(B) shall include, but are not limited to, summaries of tabulations provided under subsection (b)(1) of this section; and

(C) shall be based on information provided under subsection (b)(1) of this section without substantive revision.

The chairman of the Committee on the Budget of the House of Representatives shall submit such reports to the Speaker.

(c) **FIVE-YEAR PROJECTION OF CONGRESSIONAL BUDGET ACTION.**—As soon as practicable after the beginning of each fiscal year, the Director of the Congressional Budget Office shall issue a report projecting for the period of 5 fiscal years beginning with such fiscal year—

(1) total new budget authority and total budget outlays for each fiscal year in such period;

(2) revenues to be received and the major sources thereof, and the surplus or deficit, if any, for each fiscal year in such period;

(3) tax expenditures for each fiscal year in such period;

(4) entitlement authority for each fiscal year in such period; and

(5) credit authority for each fiscal year in such period.

SEC. 640. HOUSE APPROVAL OF REGULAR APPROPRIATION BILLS.

It shall not be in order in the House of Representatives to consider any resolution providing for an adjournment period of more than three calendar days during the month of July until the House of Representatives has approved annual appropriation bills providing new budget authority under the jurisdiction of all the subcommittees of the Committee on Appropriations for the fiscal year beginning on October 1 of such year. For purposes of this section, the chairman of the Committee on Appropriations of the House of Representatives shall periodically advise the Speaker as to changes in jurisdiction among its various subcommittees.

SEC. 641. RECONCILIATION.

(a) **INCLUSION OF RECONCILIATION DIRECTIVES IN CONCURRENT RESOLUTIONS ON THE BUDGET.**—A concurrent resolution on the budget for any fiscal year, to the extent necessary to effectuate the provisions and requirements of such resolution, shall—

(1) specify the total amount by which—

(A) new budget authority for such fiscal year;

(B) budget authority initially provided for prior fiscal years;

(C) new entitlement authority which is to become effective during such fiscal year; and

(D) credit authority for such fiscal year, contained in laws, bills, and resolutions within the jurisdiction of a committee, is to be changed and direct that committee to de-

(2) specify the total amount by which revenues are to be changed and direct that the committees having jurisdiction to determine and recommend changes in the revenue laws, bills, and resolutions to accomplish a change of such total amount;

(3) specify the amounts by which the statutory limit on the public debt is to be changed and direct the committee having jurisdiction to recommend such change; or

(4) specify and direct any combination of the matters described in paragraphs (1), (2), and (3) (including a direction to achieve deficit reduction).

(b) **LEGISLATIVE PROCEDURE.**—If a concurrent resolution containing directives to one or more committees to determine and recommend changes in laws, bills, or resolutions is agreed to in accordance with subsection (a) of this section, and—

(1) only one committee of the House or the Senate is directed to determine and recommend changes, that committee shall promptly make such determination and recommendations and report to its House reconciliation legislation containing such recommendations; or

(2) more than one committee of the House or the Senate is directed to determine and recommend changes, each such committee so directed shall promptly make such determination and recommendations and submit such recommendations to the Committee on the Budget of its House, which, upon receiving all such recommendations, shall report to its House reconciliation legislation carrying out all such recommendations without any substantive revision.

For purposes of this subsection, a reconciliation resolution is a concurrent resolution directing the Clerk of the House of Representatives or the Secretary of the Senate, as the case may be, to make specified changes in bills and resolutions which have not been enrolled.

(c) **COMPLIANCE WITH RECONCILIATION DIRECTIONS.**—

(1) Any committee of the House of Representatives or the Senate that is directed, pursuant to a concurrent resolution on the budget, to determine and recommend changes of the type described in paragraphs (1) and (2) of subsection (a) of this section with respect to laws within its jurisdiction, shall be deemed to have complied with such directions—

(A) if—

(i) the amount of the changes of the type described in paragraph (1) of such subsection recommended by such committee do not exceed or fall below the amount of the changes such committee was directed by such concurrent resolution to recommend under such paragraph by more than 20 percent of the total of the amounts of the changes such committee was directed to make under paragraphs (1) and (2) of such subsection, and

(ii) the amount of the changes of the type described in paragraph (2) of such subsection recommended by such committee do not exceed or fall below the amount

of the changes such committee was directed by such concurrent resolution to recommend under that paragraph by more than 20 percent of the total of the amounts of the changes such committee was directed to make under paragraphs (1) and (2) of such subsection; and

(B) if the total amount of the changes recommended by such committee is not less than the total of the amounts of the changes such committee was directed to make under paragraphs (1) and (2) of such subsection.

(2)(A) Upon the reporting to the Committee on the Budget of the Senate of a recommendation that shall be deemed to have complied with such directions solely by virtue of this subsection, the chairman of that committee may file with the Senate appropriately revised allocations under section 633(a) of this title and revised functional levels and aggregates to carry out this subsection.

(B) Upon the submission to the Senate of a conference report recommending a reconciliation bill or resolution in which a committee shall be deemed to have complied with such directions solely by virtue of this subsection, the chairman of the Committee on the Budget of the Senate may file with the Senate appropriately revised allocations under section 633(a) of this title and revised functional levels and aggregates to carry out this subsection.

(C) Allocations, functional levels, and aggregates revised pursuant to this paragraph shall be considered to be allocations, functional levels, and aggregates contained in the concurrent resolution on the budget pursuant to section 632 of this title.

(D) Upon the filing of revised allocations pursuant to this paragraph, the reporting committee shall report revised allocations pursuant to section 633(b) of this title to carry out this subsection.

(d) LIMITATION ON AMENDMENTS TO RECONCILIATION BILLS AND RESOLUTIONS.—

(1) It shall not be in order in the House of Representatives to consider any amendment to a reconciliation bill or reconciliation resolution if such amendment would have the effect of increasing any specific budget outlays above the level of such outlays provided in the bill or resolution (for the fiscal years covered by the reconciliation instructions set forth in the most recently agreed to concurrent resolution on the budget), or would have the effect of reducing any specific Federal revenues below the level of such revenues provided in the bill or resolution (for such fiscal years), unless such amendment makes at least an equivalent reduction in other specific budget outlays, an equivalent increase in other specific Federal revenues, or an equivalent combination thereof (for such fiscal years), except that a motion to strike a provision providing new budget authority or new entitlement authority may be in order.

(2) It shall not be in order in the Senate to consider any amendment to a reconciliation bill or reconciliation resolution if such amendment would have the effect of decreasing any specific budget outlay reductions below the level of such outlay

reductions provided (for the fiscal years covered) in the reconciliation instructions which relate to such bill or resolution set forth in a resolution providing for reconciliation, or would have the effect of reducing Federal revenue increases below the level of such revenue increases provided (for such fiscal years) in such instructions relating to such bill or resolution, unless such amendment makes a reduction in other specific budget outlays, an increase in other specific Federal revenues, or a combination thereof (for such fiscal years) at least equivalent to any increase in outlays or decrease in revenues provided by such amendment, except that a motion to strike a provision shall always be in order.

(3) Paragraphs (1) and (2) shall not apply if a declaration of war by the Congress is in effect.

(4) For purposes of this section, the levels of budget outlays and Federal revenues for a fiscal year shall be determined on the basis of estimates made by the Committee on the Budget of the House of Representatives or of the Senate, as the case may be.

(5) The Committee on Rules of the House of Representatives may make in order amendments to achieve changes specified by reconciliation directives contained in a concurrent resolution on the budget if a committee or committees of the House fail to submit recommended changes to its Committee on the Budget pursuant to its instruction.

(e) PROCEDURE IN SENATE.—

(1) Except as provided in paragraph (2), the provisions of section 636 of this title for the consideration in the Senate of concurrent resolutions on the budget and conference reports thereon shall also apply to the consideration in the Senate of reconciliation bills reported under subsection (b) of this section and conference reports thereon.

(2) Debate in the Senate on any reconciliation bill reported under subsection (b) of this section, and all amendments thereto and debatable motions and appeals in connection therewith, shall be limited to not more than 20 hours.

(f) COMPLETION OF RECONCILIATION PROCESS.—It shall not be in order in the House of Representatives to consider any resolution providing for an adjournment period of more than three calendar days during the month of July until the House of Representatives has completed action on the reconciliation legislation for the fiscal year beginning on October 1 of the calendar year to which the adjournment resolution pertains, if reconciliation legislation is required to be reported by the concurrent resolution on the budget for such fiscal year.

(g) LIMITATION ON CHANGES TO SOCIAL SECURITY ACT.—Notwithstanding any other provision of law, it shall not be in order in the Senate or the House of Representatives to consider any reconciliation bill or reconciliation resolution reported pursuant to a concurrent resolution on the budget agreed to under section 632 or 635 of this title, or a joint resolution pursuant to section 907(d) of this title, or any amendment thereto or conference report thereon, that contains recommendations with respect to the old-age, survivors,

and disability insurance program established under title II of the Social Security Act [42 U.S.C.A. Sec. 401 et seq.].

SEC. 642. NEW BUDGET AUTHORITY, NEW SPENDING AUTHORITY, AND REVENUE LEGISLATION TO BE WITHIN APPROPRIATE LEVELS.

(a) **LEGISLATION SUBJECT TO POINT OF ORDER.—**

(1) Except as provided by subsection (b) of this section, after the Congress has completed action on a concurrent resolution on the budget for a fiscal year, it shall not be in order in either the House of Representatives or the Senate to consider any bill, joint resolution, amendment, motion, or conference report providing new budget authority for such fiscal year, providing new entitlement authority effective during such fiscal year, or reducing revenues for such fiscal year, if—

(A) the enactment of such bill or resolution as reported;

(B) the adoption and enactment of such amendment; or

(C) the enactment of such bill or resolution in the form

recommended in such conference report;

would cause the appropriate level of total new budget authority or total budget outlays set forth in the most recently agreed to concurrent resolution on the budget for such fiscal year to be exceeded, or would cause revenues to be less than the appropriate level of total revenues set forth in such concurrent resolution except in the case that a declaration of war by the Congress is in effect.

(2)(A) After the Congress has completed action on a concurrent resolution on the budget, it shall not be in order in the Senate to consider any bill, resolution, amendment, motion, or conference report that would cause the appropriate level of total new budget authority or total budget outlays or social security outlays set forth for the first fiscal year in the most recently agreed to concurrent resolution on the budget covering such fiscal year to be exceeded, or would cause revenues to be less than the appropriate level of total revenues (or social security revenues to be less than the appropriate level of social security revenues) set forth for the first fiscal year covered by the resolution and for the period including the first fiscal year plus the following 4 fiscal years in such concurrent resolution.

(B) **In applying this paragraph—**

(i)(I) estimated social security outlays shall be deemed to be reduced by the excess of estimated social security revenues (including those provided for in the bill, resolution, amendment, or conference report with respect to which this subsection is applied) over the appropriate level of Social Security revenues specified in the most recently agreed to concurrent resolution on the budget;

(II) estimated social security revenues shall be deemed to be increased to the extent that estimated social security outlays are less (taking into account the effect of the bill, resolution, amendment, or conference report to which this subsection is being applied) than the appropriate level of social security outlays in the most recently agreed to concurrent resolution on the budget; and

(ii)(I) estimated Social Security outlays shall be deemed to be increased by the shortfall of estimated social security revenues (including Social Security revenues provided for in the bill, resolution, amendment, or conference report with respect to which this subsection is applied) below the appropriate level of social security revenues specified in the most recently adopted concurrent resolution on the budget; and

(II) estimated social security revenues shall be deemed to be reduced by the excess of estimated social security outlays (including social security outlays provided for in the bill, resolution, amendment, or conference report with respect to which this subsection is applied) above the appropriate level of social security outlays specified in the most recently adopted concurrent resolution on the budget; and

(iii) no provision of any bill or resolution, or any amendment thereto or conference report thereon, involving a change in chapter 1 of Title 26 shall be treated as affecting the amount of social security revenues unless such provision changes the income tax treatment of social security benefits.

The chairman of the Committee on the Budget of the Senate may file with the Senate appropriately revised allocations under section 633(a) of this title and revised functional levels and aggregates to reflect the application of the preceding sentence. Such revised allocations, functional levels, and aggregates shall be considered as allocations, functional levels, and aggregates contained in the most recently agreed to concurrent resolution on the budget, and the appropriate committees shall report revised allocations pursuant to section 633(b) of this title.

(b) EXCEPTION IN HOUSE OF REPRESENTATIVES.—Subsection (a) of this section shall not apply in the House of Representatives to any bill, resolution, or amendment which provides new budget authority or new entitlement authority effective during such fiscal year, or to any conference report on any such bill or resolution, if—

(1) the enactment of such bill or resolution as reported;

(2) the adoption and enactment of such amendment; or

(3) the enactment of such bill or resolution in the form recommended in such conference report, would not cause the appropriate allocation of new discretionary budget authority or new entitlement authority made pursuant to section 633(a) of this title for such fiscal year, for the committee within whose jurisdiction such bill, resolution, or amendment falls, to be exceeded.

(c) DETERMINATION OF BUDGET LEVELS.—For purposes of this section, the levels of new budget authority, budget outlays, new entitlement authority, and revenues for a fiscal year shall be determined on the basis of estimates made by the Committee on the Budget of the House of Representatives or of the Senate, as the case may be.

SEC. 643. EFFECTS OF POINTS OF ORDER.

(a) **POINTS OF ORDER IN THE SENATE AGAINST AMENDMENTS BETWEEN THE HOUSES.**—Each provision of this Act that establishes a point of order against an amendment also establishes a point of order in the Senate against an amendment between the Houses. If a point of order under this Act is raised in the Senate against an amendment between the Houses, and the Presiding Officer sustains the point of order, the effect shall be the same as if the Senate had disagreed to the amendment.

(b) **EFFECT OF A POINT OF ORDER ON A BILL IN THE SENATE.**—In the Senate, if the Chair sustains a point of order under this Act against a bill, the Chair shall then send the bill to the committee of appropriate jurisdiction for further consideration.

SEC. 644. EXTRANEOUS MATTER IN RECONCILIATION LEGISLATION.

(a) **IN GENERAL.**—When the Senate is considering a reconciliation bill or a reconciliation resolution pursuant to section 641 of this title, (whether that bill or resolution originated in the Senate or the House) or section 907d of this title, upon a point of order being made by any Senator against material extraneous to the instructions to a committee which is contained in any title or provision of the bill or resolution or offered as an amendment to the bill or resolution, and the point of order is sustained by the Chair, any part of said title or provision that contains material extraneous to the instructions to said Committee as defined in subsection (b) of this section shall be deemed stricken from the bill and may not be offered as an amendment from the floor.

(b) **EXTRANEOUS PROVISIONS.**—

(1)(A) Except as provided in paragraph (2), a provision of a reconciliation bill or reconciliation resolution considered pursuant to section 641 of this title shall be considered extraneous if such provision does not produce a change in outlays or revenues, including changes in outlays and revenues brought about by changes in the terms and conditions under which outlays are made or revenues are required to be collected (but a provision in which outlay decreases or revenue increases exactly offset outlay increases or revenue decreases shall not be considered extraneous by virtue of this subparagraph); (B) any provision producing an increase in outlays or decrease in revenues shall be considered extraneous if the net effect of provisions reported by the Committee reporting the title containing the provision is that the Committee fails to achieve its reconciliation instructions; (C) a provision that is not in the jurisdiction of the Committee with jurisdiction over said title or provision shall be considered extraneous; (D) a provision shall be considered extraneous if it produces changes in outlays or revenues which are merely incidental to the non-budgetary components of the provision; (E) a provision shall be considered to be extraneous if it increases, or would increase, net outlays, or if it decreases, or would decrease, revenues during a fiscal year after the fiscal years covered by such reconciliation bill or reconciliation resolution, and such increases or decreases are greater than outlay reductions or revenue increases resulting from other provisions in such title in such year; and (F) a provision

shall be considered extraneous if it violates section 641(g) of this title.

(2) A Senate-originated provision shall not be considered extraneous under paragraph (1)(A) if the Chairman and Ranking Minority Member of the Committee on the Budget and the Chairman and Ranking Minority Member of the Committee which reported the provision certify that: (A) the provision mitigates direct effects clearly attributable to a provision changing outlays or revenues and both provisions together produce a net reduction in the deficit; (B) the provision will result in a substantial reduction in outlays or a substantial increase in revenues during fiscal years after the fiscal years covered by the reconciliation bill or reconciliation resolution; (C) a reduction of outlays or an increase in revenues is likely to occur as a result of the provision, in the event of new regulations authorized by the provision or likely to be proposed, court rulings on pending litigation, or relationships between economic indices and stipulated statutory triggers pertaining to the provision, other than the regulations, court rulings or relationships currently projected by the Congressional Budget Office for scorekeeping purposes; or (D) such provision will be likely to produce a significant reduction in outlays or increase in revenues but, due to insufficient data, such reduction or increase cannot be reliably estimated.

(3) A provision reported by a committee shall not be considered extraneous under paragraph (1)(C) if (A) the provision is an integral part of a provision or title, which if introduced as a bill or resolution would be referred to such committee, and the provision sets forth the procedure to carry out or implement the substantive provisions that were reported and which fall within the jurisdiction of such committee; or (B) the provision states an exception to, or a special application of, the general provision or title of which it is a part and such general provision or title if introduced as a bill or resolution would be referred to such committee.

(c) POINT OF ORDER.—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a reconciliation bill or reconciliation resolution pursuant to section 641 of this title, upon—

(1) a point of order being made by any Senator against extraneous material meeting the definition of subsections (b)(1)(A), (b)(1)(B), (b)(1)(D), (b)(1)(E), or (b)(1)(F) of this section, and

(2) such point of order being sustained,

such material contained in such conference report or amendment shall be deemed stricken, and the Senate shall proceed, without intervening action or motion, to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion in the Senate shall be debatable for two hours. In any case in which such point of order is sustained against a conference report

(or Senate amendment derived from such conference report by operation of this subsection) no further amendment shall be in order.

(d) **EXTRANEOUS MATERIALS.**—Upon the reporting or discharge of a reconciliation bill or resolution pursuant to section 641 of this title in the Senate, and again upon the submission of a conference report on such a reconciliation bill or resolution, the Committee on the Budget of the Senate shall submit for the record a list of material considered to be extraneous under subsections (b)(1)(A), (b)(1)(B), and (b)(1)(E) of this section to the instructions of a committee as provided in this section. The inclusion or exclusion of a provision shall not constitute a determination of extraneousness by the Presiding Officer of the Senate.

(e) **GENERAL POINT OF ORDER.**—Notwithstanding any other law or rule of the Senate, it shall be in order for a Senator to raise a single point of order that several provisions of a bill, resolution, amendment, motion, or conference report violate this section. The Presiding Officer may sustain the point of order as to some or all of the provisions against which the Senator raised the point of order. If the Presiding Officer so sustains the point of order as to some of the provisions (including provisions of an amendment, motion, or conference report) against which the Senator raised the point of order, then only those provisions (including provisions of an amendment, motion, or conference report) against which the Presiding Officer sustains the point of order shall be deemed stricken pursuant to this section. Before the Presiding Officer rules on such a point of order, any Senator may move to waive such a point of order as it applies to some or all of the provisions against which the point of order was raised. Such a motion to waive is amendable in accordance with the rules and precedents of the Senate. After the Presiding Officer rules on such a point of order, any Senator may appeal the ruling of the Presiding Officer on such a point of order as it applies to some or all of the provisions on which the Presiding Officer ruled.

(f) **DETERMINATION OF LEVELS.**—For purposes of this section, the levels of new budget authority, budget outlays, new entitlement authority, and revenues for a fiscal year shall be determined on the basis of estimates made by the Committee on the Budget of the Senate.

SEC. 651. BILLS PROVIDING NEW SPENDING AUTHORITY.

(a) CONTROLS ON LEGISLATION PROVIDING SPENDING AUTHORITY.—It shall not be order in either the House of Representatives or the Senate to consider any bill, joint resolution, amendment, motion, or conference report, as reported to its House which provides new spending authority described in subsection (c)(2)(A) or (B) of this section, unless that bill, resolution, conference report, or amendment also provides that such new spending authority as described in subsection (c)(2)(A) or (B) of this section is to be effective for any fiscal year only to such extent or in such amounts as are provided in appropriation Acts.

(b) LEGISLATION PROVIDING ENTITLEMENT AUTHORITY.—

(1) It shall not be in order in either the House of Representatives or the Senate to consider any bill, joint resolution, amendment, motion, or conference report, as reported to its House which provides new spending authority described in subsection (c)(2)(C) of this section which is to become effective before the first day of the fiscal year which begins during the calendar year in which such bill or resolution is reported.

(2) If any committee of the House of Representatives or the Senate reports any bill or resolution which provides new spending authority described in subsection (c)(2)(C) of this section which is to become effective during a fiscal year and the amount of new budget authority which will be required for such fiscal year if such bill or resolution is enacted as so reported exceeds the appropriate allocation of new budget authority reported under section 633(b) of this title in connection with the most recently agreed to concurrent resolution on the budget for such fiscal year, such bill or resolution shall then be referred to the Committee on Appropriations of that House with instructions to report it, with the committee's recommendations, within 15 calendar days (not counting any day on which that House is not in session) beginning with the day following the day on which it is so referred. If the Committee on Appropriations of either House fails to report a bill or resolution referred to it under this paragraph within such 15-day

period, the committee shall automatically be discharged from further consideration of such bill or resolution and such bill or resolution shall be placed on the appropriate calendar.

(3) The Committee on Appropriations of each House shall have jurisdiction to report any bill or resolution referred to it under paragraph (2) with an amendment which limits the total amount of new spending authority provided in such bill or resolution.

(c) DEFINITIONS.—

(1) For purposes of this section, the term “new spending authority” means spending authority not provided by law on the effective date of this Act, including any increase in or addition to spending authority provided by law on such date.

(2) For purposes of paragraph (1), the term “spending authority” means authority (whether temporary or permanent)—

(C) to make payments (including loans and grants), the budget authority for which is not provided for in advance by appropriation Acts, to any person or government if, under the provisions of the law containing such authority, the United States is obligated to make such payments to persons or governments who meet the requirements established by such law;

(D) to forego the collection by the United States of proprietary offsetting receipts, the budget authority for which is not provided in advance by appropriation Acts to offset such foregone receipts; and

(E) to make payments by the United States (including loans, grants, and payments from revolving funds) other than those covered by subparagraph (A), (B), (C), or (D), the budget authority for which is not provided in advance by appropriation Acts.

Such term does not include authority to insure or guarantee the repayment of indebtedness incurred by another person or government.

(d) EXCEPTIONS.—

(1) Subsections (a) and (b) of this section shall not apply to new spending authority if the budget authority for outlays which will result from such new spending authority is derived—

(A) from a trust fund established by the Social Security Act [42 U.S.C.A. Sec. 301 et seq.] (as in effect on July 12, 1974); or

(B) from any other trust fund, 90 percent or more of the receipts of which consist or will consist of amounts (transferred from the general fund of the Treasury) equivalent to amounts of taxes (related to the purposes for which such outlays are or will be made) received in the Treasury

under specified provisions of the Internal Revenue Code of 1954 [26 U.S.C.A. Sec. 1 et seq.].

(2) Subsections (a) and (b) of this section shall not apply to new spending authority which is an amendment to or extension of chapter 67 of Title 31, or a continuation of the program of fiscal assistance to State and local governments provided by that chapter, to the extent so provided in the bill or resolution providing such authority.

(3) Subsections (a) and (b) of this section shall not apply to new spending authority to the extent that—

(A) the outlays resulting therefrom are made by an organization which is (i) a mixed-ownership Government corporation (as defined in section 9101(2) of Title 31) or (ii) a wholly owned Government corporation (as defined in section 9101(3) of Title 31) which is specifically exempted by law from compliance with any or all of the provisions of chapter 91 of Title 31, as of December 12, 1985; or

(B) the outlays resulting therefrom consist exclusively of the proceeds of gifts or bequests made to the United States for a specific purpose.

SEC. 652. LEGISLATION PROVIDING NEW CREDIT AUTHORITY.

(a) CONTROLS ON LEGISLATION PROVIDING NEW CREDIT AUTHORITY.—It shall not be in order in either the House of Representatives or the Senate to consider any bill, joint resolution, amendment, motion, or conference report as reported to its House, which provides new credit authority described in subsection (b)(1) of this section, unless that bill, resolution, conference report, or amendment also provides that such new credit authority is to be effective for any fiscal year only to such extent or in such amounts as are provided in appropriation Acts.

(b) DEFINITION.—For purposes of this Act, the term “new credit authority” means credit authority (as defined in section 622(10) of this title) not provided by law on the effective date of this section, including any increase in or addition to credit authority provided by law on such date.

SEC. 653. ANALYSIS BY CONGRESSIONAL BUDGET OFFICE.

The Director of the Congressional Budget Office shall, to the extent practicable, prepare for each bill or resolution of a public character reported by any committee of the House of Representatives or the Senate (except the Committee on Appropriations of each House), and submit to such committee—

(1) an estimate of the costs which would be incurred in carrying out such bill or resolution in the fiscal year in which it is to become effective and in each of the 4 fiscal years following such fiscal year, together with the basis for each such estimate;

(2) a comparison of the estimates of costs described in paragraph (1) and (2) with any available estimates of costs made by such committee or by any Federal agency; and

(3) a description of each method for establishing a Federal financial commitment contained in such bill or resolution.

The estimates, comparison, and description so submitted shall be included in the report accompanying such bill or resolution if timely submitted to such committee before such report is filed.

SEC. 654. STUDY BY GENERAL ACCOUNTING OFFICE OF FORMS OF FEDERAL FINANCIAL COMMITMENT NOT REVIEWED ANNUALLY BY CONGRESS.

The General Accounting Office shall study those provisions of law which provide spending authority as described by section 651(c)(2) of this title and which provide permanent appropriations, and report to the Congress its recommendations for the appropriate form of financing for activities or programs financed by such provisions not later than eighteen months after December 12, 1985. Such report shall be revised from time to time.

SEC. 655. OFF-BUDGET AGENCIES, PROGRAMS, AND ACTIVITIES.

(a) Notwithstanding any other provision of law, budget authority, credit authority, and estimates of outlays and receipts for activities of the Federal budget which are off-budget immediately prior to December 12, 1985, not including activities of the Federal Old-Age and Survivors Insurance and Federal Disability Insurance Trust Funds, shall be included in a budget submitted pursuant to section 1105 of Title 31, and in a concurrent resolution on the budget reported pursuant to section 632 or 635 of this title and shall be considered, for purposes of this Act, budget authority, outlays, and spending authority in accordance with definitions set forth in this Act.

CHAPTER 17A—CONGRESSIONAL BUDGET AND FISCAL OPERATIONS

Subchapter III—Credit Reform

SEC. 661. PURPOSES.

The purposes of this subchapter are to—

- (1) measure more accurately the costs of Federal credit programs;
- (2) place the cost of credit programs on a budgetary basis equivalent to other Federal spending;
- (3) encourage the delivery of benefits in the form most appropriate to the needs of beneficiaries; and
- (4) improve the allocation of resources among credit programs and between credit and other spending programs.

SEC. 661A. DEFINITIONS.

For purposes of this subchapter—

(1) The term “direct loan” means a disbursement of funds by the Government to a non-Federal borrower under a contract that requires the repayment of such funds with or without interest. The term includes the purchase of, or participation in, a loan made by another lender. The term does not include the acquisition of a federally guaranteed loan in satisfaction of default claims or the price support loans of the Commodity Credit Corporation.

(2) The term “direct loan obligation” means a binding agreement by a Federal agency to make a direct loan when specified conditions are fulfilled by the borrower.

(3) The term “loan guarantee” means any guarantee, insurance, or other pledge with respect to the payment of all or a part of the principal or interest on any debt obligation of a non-Federal borrower to a non-Federal lender, but does not include the insurance of deposits, shares, or other withdrawable accounts in financial institutions.

(4) The term “loan guarantee commitment” means a binding agreement by a Federal agency to make a loan guarantee when specified conditions are fulfilled by the borrower, the lender, or any other party to the guarantee agreement.

(5)(A) The term “cost” means the estimated long-term cost to the Government of a direct loan or loan guarantee, calculated on a net present value basis, excluding administrative costs and any incidental effects on governmental receipts or outlays.

(B) The cost of a direct loan shall be the net present value, at the time when the direct loan is disbursed, of the following cash flows:

- (i) loan disbursements;
- (ii) repayments of principal; and
- (iii) payments of interest and other payments by or to the Government over the life of the loan after adjusting for estimated defaults, prepayments, fees, penalties and other recoveries.

(C) The cost of a loan guarantee shall be the net present value when a guaranteed loan is disbursed of the cash flow from—

- (i) estimated payments by the Government to cover defaults and delinquencies, interest subsidies, or other payments, and
- (ii) the estimated payments to the Government including origination and other fees, penalties and recoveries.

(D) Any Government action that alters the estimated net present value of an outstanding direct loan or loan guarantee (except modifications within the terms of existing contracts or through other existing authorities) shall be counted as a change in the cost of that direct loan or loan guarantee. The calculation of such changes shall be based on the estimated present value of the direct loan or loan guarantee at the time of modification.

(E) In estimating net present values, the discount rate shall be the average interest rate on marketable Treasury securities of similar maturity to the direct loan or loan guarantee for which the estimate is being made.

(6) The term “credit program account” means the budget account into which an appropriation to cover the cost of a direct loan or loan guarantee program is made and from which such cost is disbursed to the financing account.

(7) The term “financing account” means the non-budget account or accounts associated with each credit program account which holds balances, receives the cost payment from the credit program account, and also includes all other cash flows to and from the Government resulting from direct loan obligations or loan guarantee commitments made on or after October 1, 1991.

(8) The term “liquidating account” means the budget account that includes all cash flows to and from the Government resulting from direct loan obligations or loan guarantee commitments made prior to October 1, 1991.

These accounts shall be shown in the budget on a cash basis.

(9) The term “Director” means the Director of the Office of Management and Budget.

SEC. 661B. OMB AND CBO ANALYSIS, COORDINATION, AND REVIEW.

(a) IN GENERAL.—For the executive branch, the Director shall be responsible for coordinating the estimates required by this title. The Director shall consult with the agencies that administer direct loan or loan guarantee programs.

(b) **DELEGATION.**—The Director may delegate to agencies authority to make estimates of costs. The delegation of authority shall be based upon written guidelines, regulations, or criteria consistent with the definitions in this title.

(c) **COORDINATION WITH THE CONGRESSIONAL BUDGET OFFICE.**—In developing estimation guidelines, regulations, or criteria to be used by Federal agencies, the Director shall consult with the Director of the Congressional Budget Office.

(d) **IMPROVING COST ESTIMATES.**—The Director and the Director of the Congressional Budget Office shall coordinate the development of more accurate data on historical performance of direct loan and loan guarantee programs. They shall annually review the performance of outstanding direct loans and loan guarantees to improve estimates of costs. The Office of Management and Budget and the Congressional Budget Office shall have access to all agency data that may facilitate the development and improvement of estimates of costs.

(e) **HISTORICAL CREDIT PROGRAM COSTS.**—The Director shall review, to the extent possible, historical data and develop the best possible estimates of adjustments that would convert aggregate historical budget data to credit reform accounting.

(f) **ADMINISTRATIVE COSTS.**—The Director and the Director of the Congressional Budget Office shall each analyze and report to Congress on differences in long-term administrative costs for credit programs versus grant programs by January 31, 1992. Their reports shall recommend to Congress any changes, if necessary, in the treatment of administrative costs under credit reform accounting.

SEC. 661C. BUDGETARY TREATMENT.

(a) **PRESIDENT'S BUDGET.**—Beginning with fiscal year 1992, the President's budget shall reflect the costs of direct loan and loan guarantee programs. The budget shall also include the planned level of new direct loan obligations or loan guarantee commitments associated with each appropriations request.

(b) **APPROPRIATIONS REQUIRED.**—Notwithstanding any other provision of law, new direct loan obligations may be incurred and new loan guarantee commitments may be made for fiscal year 1992 and thereafter only to the extent that—

(1) appropriations of budget authority to cover their costs are made in advance;

(2) a limitation on the use of funds otherwise available for the cost of a direct loan or loan guarantee program is enacted; or

(3) authority is otherwise provided in appropriation Acts.

(c) **EXEMPTION FOR MANDATORY PROGRAMS.**—Subsection (b) of this section shall not apply to a direct loan or loan guarantee program that—

(1) constitutes an entitlement (such as the guaranteed student loan program or the veterans' home loan guaranty program); or

(2) all existing credit programs of the Commodity Credit Corporation on November 5, 1990.

(d) **BUDGET ACCOUNTING.**—

(1) The authority to incur new direct loan obligations, make new loan guarantee commitments, or directly or indirectly alter the costs of outstanding direct loans and loan guarantees shall constitute new budget authority in an amount equal to the cost of the direct loan or loan guarantee in the fiscal year in which definite authority becomes available or indefinite authority is used. Such budget authority shall constitute an obligation of the credit program account to pay to the financing account.

(2) The outlays resulting from new budget authority for the cost of direct loans or loan guarantees described in paragraph (1) shall be paid from the credit program account into the financing account and recorded in the fiscal year in which the direct loan or the guaranteed loan is disbursed or its costs altered.

(3) All collections and payments of the financing accounts shall be a means of financing.

(e) MODIFICATIONS.—A direct loan obligation or loan guarantee commitment shall not be modified in a manner that increases its cost unless budget authority for the additional cost is appropriated, or is available out of existing appropriations or from other budgetary resources.

(f) REESTIMATES.—When the estimated cost for a group of direct loans or loan guarantees for a given credit program made in a single fiscal year is reestimated in a subsequent year, the difference between the reestimated cost and the previous cost estimate shall be displayed as a distinct and separately identified subaccount in the credit program account as a change in program costs and a change in net interest. There is hereby provided permanent indefinite authority for these reestimates.

(g) ADMINISTRATIVE EXPENSES.—All funding for an agency's administration of a direct loan or loan guarantee program shall be displayed as distinct and separately identified subaccounts within the same budget account as the program's cost.

SEC. 661D. AUTHORIZATIONS.

(a) AUTHORIZATION OF APPROPRIATIONS FOR COSTS.—There are authorized to be appropriated to each Federal agency authorized to make direct loan obligations or loan guarantee commitments, such sums as may be necessary to pay the cost associated with such direct loan obligations or loan guarantee commitments.

(b) AUTHORIZATION FOR FINANCING ACCOUNTS.—In order to implement the accounting required by this subchapter, the President is authorized to establish such non-budgetary accounts as may be appropriate.

(c) TREASURY TRANSACTIONS WITH THE FINANCING ACCOUNTS.—The Secretary of the Treasury shall borrow from, receive from, lend to, or pay to the financing accounts such amounts as may be appropriate. The Secretary of the Treasury may prescribe forms and denominations, maturities, and terms and conditions for the transactions described above. The authorities described above shall not be construed to supercede or override the authority of the head of a Federal agency to administer and operate a direct loan or loan guarantee program. All of the transactions provided in this sub-

section shall be subject to the provisions of subchapter II of chapter 15 of Title 31. Cash balances of the financing accounts in excess of current requirements shall be maintained in a form of uninvested funds and the Secretary of the Treasury shall pay interest on these funds.

(d) **AUTHORIZATION FOR LIQUIDATING ACCOUNTS.**—If funds in liquidating accounts are insufficient to satisfy the obligations and commitments of said accounts, there is hereby provided permanent, indefinite authority to make any payments required to be made on such obligations and commitments.

(e) **AUTHORIZATION OF APPROPRIATIONS FOR IMPLEMENTATION EXPENSES.**—There are authorized to be appropriated to existing accounts such sums as may be necessary for salaries and expenses to carry out the responsibilities under this subchapter.

(f) **REINSURANCE.**—Nothing in this subchapter shall be construed as authorizing or requiring the purchase of insurance or reinsurance on a direct loan or loan guarantee from private insurers. If any such reinsurance for a direct loan or loan guarantee is authorized, the cost of such insurance and any recoveries to the Government shall be included in the calculation of the cost.

(g) **ELIGIBILITY AND ASSISTANCE.**—Nothing in this subchapter shall be construed to change the authority or the responsibility of a Federal agency to determine the terms and conditions of eligibility for, or the amount of assistance provided by a direct loan or a loan guarantee.

SEC. 661E. TREATMENT OF DEPOSIT INSURANCE AND AGENCIES AND OTHER INSURANCE PROGRAMS.

(a) **IN GENERAL.**—

(1) This subchapter shall not apply to the credit or insurance activities of the Federal Deposit Insurance Corporation, National Credit Union Administration, Resolution Trust Corporation, Pension Benefit Guaranty Corporation, National Flood Insurance, National Insurance Development Fund, Crop Insurance, or Tennessee Valley Authority.

(2) The Director and the Director of the Congressional Budget Office shall each study whether the accounting for Federal deposit insurance programs should be on a cash basis on the same basis as loan guarantees, or on a different basis. Each Director shall report findings and recommendations to the President and the Congress on or before May 31, 1991.

(3) For the purposes of paragraph (2), the Office of Management and Budget and the Congressional Budget Office shall have access to all agency data that may facilitate these studies.

SEC. 661F. EFFECT ON OTHER LAWS.

(a) **EFFECT ON OTHER LAWS.**—This subchapter shall supersede, modify, or repeal any provision of law enacted prior to November 5, 1990, to the extent such provision is inconsistent with this subchapter. Nothing in this subchapter shall be construed to establish a credit limitation on any Federal loan or loan guarantee program.

(b) **CREDITING OF COLLECTIONS.**—Collections resulting from direct loans obligated or loan guarantees committed prior to October 1, 1991, shall be credited to the liquidating accounts of Federal agencies. Amounts so credited shall be available, to the same ex-

tent that they were available prior to November 5, 1988, to liquidate obligations arising from such direct loans obligated or loan guarantees committed prior to October 1, 1991, including repayment of any obligations held by the Secretary of the Treasury or the Federal Financing Bank. The unobligated balances of such accounts that are in excess of current needs shall be transferred to the general fund of the Treasury. Such transfers shall be made from time to time but, at least once each year.

SEC. 665A. COMMITTEE ALLOCATIONS AND ENFORCEMENT.

- (a) COMMITTEE SPENDING ALLOCATIONS.—
- (1) HOUSE OF REPRESENTATIVES.—
- (A) ALLOCATION AMONG COMMITTEES.—The joint explanatory statement accompanying a conference report on a budget resolution shall include allocations, consistent with

the resolution recommended in the conference report, of the appropriate levels (for each fiscal year covered by that resolution and a total for all such years) of—

- (i) total new budget authority,
- (ii) total entitlement authority,
- (iii) total outlays,
- (iv) new budget authority from the Violent Crime Reduction Trust Fund, and
- (v) outlays from the Violent Crime Reduction Trust Fund;

among each committee of the House of Representatives that has jurisdiction over legislation providing or creating such amounts.

(B) NO DOUBLE COUNTING.—Any item allocated to one committee of the House of Representatives may not be allocated to another such committee.

(C) FURTHER DIVISION OF AMOUNTS.—The amounts allocated to each committee for each fiscal year, other than the Committee on Appropriations, shall be further divided between amounts provided or required by law on the date of filing of that conference report and amounts not so provided or required. The amounts allocated to the Committee on Appropriations for each fiscal year shall be further divided between discretionary and mandatory amounts or programs, as appropriate.

(2) SENATE ALLOCATION AMONG COMMITTEES.—The joint explanatory statement accompanying a conference report on a budget resolution shall include an allocation, consistent with the resolution recommended in the conference report, of the appropriate levels of—

- (A) total new budget authority;
- (B) total outlays;
- (C) social security outlays;
- (D) new budget authority from the Violent Crime Reduction Trust Fund; and
- (E) outlays from the Violent Crime Reduction Trust Fund;

among each committee of the Senate that has jurisdiction over legislation providing or creating such amounts.

(3) AMOUNTS NOT ALLOCATED.—

(A) In the House of Representatives, if a committee receives no allocation of new budget authority, entitlement authority, or outlays, that committee shall be deemed to have received an allocation equal to zero for new budget authority, entitlement authority, or outlays.

(B) In the Senate, if a committee receives no allocation of new budget authority, outlays, or social security outlays, that committee shall be deemed to have received an allocation equal to zero for new budget authority, outlays, or social security outlays.

(4) NO DOUBLE COUNTING.—Amounts allocated among committees under clause (iv) or (v) of paragraph (1)(A) or under subparagraph (D) or (E) of paragraph (2) shall not be included within any other allocation under that paragraph.

(b) SUBALLOCATIONS BY COMMITTEES.—

(1) SUBALLOCATIONS BY APPROPRIATIONS COMMITTEES.—As soon as practicable after a budget resolution is agreed to, the Committee on Appropriations of each House (after consulting with the Committee on Appropriations of the other House) shall suballocate each amount allocated to it for the budget year under subsection (a)(1)(A) or (a)(2) of this section among its subcommittees. Each Committee on Appropriations shall promptly report to its House suballocations made or revised under this paragraph.

(2) SUBALLOCATIONS BY OTHER COMMITTEES OF THE SENATE.—Each other committee of the Senate to which an allocation under subsection (a)(2) of this section is made in the joint explanatory statement may subdivide each amount allocated to it under subsection (a) of this section among its subcommittees or among programs over which it has jurisdiction and shall promptly report any such suballocations to the Senate. Section 633(c) of this title shall not apply in the Senate to committees other than the Committee on Appropriations.

(c) APPLICATION OF SECTION 633(f) OF THIS TITLE TO THIS SECTION.—In fiscal years through 1995, reference in section 633(f) of this title to the appropriate allocation made pursuant to section 633(b) of this title for a fiscal year shall, for purposes of this section, be deemed to be a reference to any allocation made under subsection (a) or any suballocation made under subsection (b) of this section, as applicable, for the fiscal year of the resolution or for the total of all fiscal years made by the joint explanatory statement accompanying the applicable concurrent resolution on the budget. In the House of Representatives, the preceding sentence shall not apply with respect to fiscal year 1991.

(d) APPLICATION OF SUBSECTIONS (A) AND (B) OF THIS SECTION TO FISCAL YEARS 1992 TO 1995.—In the case of concurrent resolutions on the budget for fiscal years 1992 through 1995, allocations shall be made under subsection (a) of this section instead of section 633(a) of this title and shall be made under subsection (b) of this section instead of section 633(b) of this title. For those fiscal years, all references in sections 633(c), (d), (e), (f), and (g) of this title to section 633(a) of this title shall be deemed to be to subsection (a) of this section (including revisions made under section 665c of this title) and all such references to section 633(b) of this title shall be deemed to be to subsection (b) of this section (including revisions made under section 665c of this title).

(e) PAY-AS-YOU-GO EXCEPTION IN THE HOUSE.—Section 663(f)(1) of this title and, after April 15 of any calendar year section 633(a) of this title, shall not apply to any bill, joint resolution, amendment thereto, or conference report thereon if, for each fiscal year covered by the most recently agreed to concurrent resolution on the budget—

- (1) the enactment of such bill or resolution as reported;
- (2) the adoption and enactment of such amendment; or
- (3) the enactment of such bill or resolution in the form recommended in such conference report,

would not increase the deficit for any such fiscal year, and, if the sum of any revenue increases provided in legislation already en-

acted during the current session (when added to revenue increases, if any, in excess of any outlay increase provided by the legislation proposed for consideration) is at least as great as the sum of the amount, if any, by which the aggregate level of Federal revenues should be increased as set forth in that concurrent resolution and the amount, if any, by which revenues are to be increased pursuant to pay-as-you-go procedures under section 632(b)(8) of this title if included in that concurrent resolution.

(2) REVISED ALLOCATIONS.—

(A) As soon as practicable after Congress agrees to a bill or joint resolution that would have been subject to a point of order under section 633(f)(1) of this title but for the exception provided in paragraph (1), the chairman of the Committee on the Budget of the House of Representatives may file with the House appropriately revised allocations under section 633(a) of this title and revised functional levels and budget aggregates to reflect that bill.

(B) such revised allocations, functional levels, and budget aggregates shall be considered for the purposes of this Act as allocations, functional levels, and budget aggregates contained in the most recently agreed to concurrent resolution on the budget.

SEC. 665B. CONSIDERATION OF LEGISLATION BEFORE ADOPTION OF BUDGET RESOLUTION FOR THAT FISCAL YEAR.

(a) ADJUSTING SECTION ALLOCATION OF DISCRETIONARY SPENDING.—If a concurrent resolution on the budget is not adopted by April 15, the chairman of the Committee on the Budget of the House of Representatives shall submit to the House, as soon as practicable, a section 665a(a) allocation to the Committee on Appropriations consistent with the discretionary spending limits contained in the most recent budget submitted by the President under section 1105(a) of Title 31. Such allocations shall include the full allowance specified under section 901(b)(2)(E)(i) of this title.

(b) As soon as practicable after a section 665a(a) allocation is submitted under this section, the Committee on Appropriations shall make suballocations and promptly report those suballocations to the House of Representatives.

SEC. 665C. RECONCILIATION DIRECTIVES REGARDING PAY-AS-YOU-GO REQUIREMENTS.

(a) INSTRUCTIONS TO EFFECTUATE PAY-AS-YOU-GO IN THE HOUSE OF REPRESENTATIVES.—If legislation providing for a net reduction in revenues in any fiscal year (that, within the same measure, is not fully offset in that fiscal year by reductions in direct spending) is enacted, the Committee on the Budget of the House of Representatives may report, within 15 legislative days during a Congress, a pay-as-you-go reconciliation directive in the form of a concurrent resolution—

(1) specifying the total amount by which revenues sufficient to eliminate the net deficit increase resulting from that legislation in each fiscal year are to be changed; and

(2) directing that the committees having jurisdiction determine and recommend changes in the revenue law, bills, and resolutions to accomplish a change of such total amount.

(b) CONSIDERATION OF PAY-AS-YOU-GO RECONCILIATION LEGISLATION IN THE HOUSE OF REPRESENTATIVES.—In the House of Representatives, subsections (b) through (d) of section 641 of this title shall apply in the same manner as if the reconciliation directive described in subsection (a) of this section were a concurrent resolution on the budget.

SEC. 665D. APPLICATION OF SECTION 642 OF THIS TITLE; POINT OF ORDER.

(a) APPLICATION OF SECTION 642(a) OF THIS TITLE.—

(1) In the House of Representatives, in the application of section 642(a)(1) of this title to any bill, resolution, amendment, or conference report, reference in section 642 of this title to the appropriate level of total budget authority or total budget outlays or appropriate level of total revenues set forth in the most recently agreed to concurrent resolution on the budget for a fiscal year shall be deemed to be a reference to the appropriate level for that fiscal year and to the total of the appropriate level for that year and the 4 succeeding years.

(2) In the Senate, in the application of section 642(a)(2) of this title to any bill, resolution, motion, or conference report, reference in section 642 of this title to the appropriate level of total revenues set forth in the most recently agreed to concurrent resolution on the budget for a fiscal year shall be deemed to be a reference to the appropriate level for that fiscal year and to the total of the appropriate levels for that year and the 4 succeeding years.

(b) MAXIMUM DEFICIT AMOUNT POINT OF ORDER IN THE SENATE.—After Congress has completed action on a concurrent resolution on the budget, it shall not be in order in the Senate to consider any bill, resolution, amendment, motion, or conference report that would result in a deficit for the first fiscal year covered by that resolution that exceeds the maximum deficit amount specified for such fiscal year in section 655(a) of this title.

SEC. 665E. 5-YEAR BUDGET RESOLUTIONS; BUDGET RESOLUTIONS MUST CONFORM TO BALANCED BUDGET AND EMERGENCY DEFICIT CONTROL ACT OF 1985.

(a) 5-YEAR BUDGET RESOLUTIONS.—In the case of any concurrent resolution on the budget for fiscal year 1992, 1993, 1994, or 1995, that resolution shall set forth appropriate levels for the fiscal year beginning on October 1 of the calendar year in which it is reported and for each of the 4 succeeding fiscal years for the matters described in section 632(a) of this title.

(b) POINT OF ORDER IN THE HOUSE OF REPRESENTATIVES.—It shall not be in order in the House of Representatives to consider any concurrent resolution on the budget for a fiscal year or conference report thereon under section 632 or 635 of this title that exceeds the maximum deficit amount for each fiscal year covered by the concurrent resolution or conference report as determined under section 665(a) of this title, including possible revisions under part C of the Balanced Budget and Emergency Deficit Control Act of 1985 [2 U.S.C.A. Sec. 900 et seq.].

(c) POINT OF ORDER IN THE SENATE.—It shall not be in order in the Senate to consider any concurrent resolution on the budget for a fiscal year under section 632 of this title, or to consider any

amendment to such a concurrent resolution, or to consider a conference report on such a concurrent resolution, if the level of total budget outlays for the first fiscal year that is set forth in such concurrent resolution or conference report exceeds the recommended level of Federal revenues set forth for that year by an amount that is greater than the maximum deficit amount for such fiscal year as determined under section 665(a) of this title or if the adoption of such amendment would result in a level of total budget outlays for that fiscal year which exceeds the recommended level of Federal revenues for that fiscal year, by an amount that is greater than the maximum deficit amount for such fiscal years as determined under section 665(a) of this title.

(d) ADJUSTMENTS.—

(1) Notwithstanding any other provision of law, concurrent resolutions on the budget for fiscal years 1992, 1993, 1994, and 1995 under section 632 or 635 of this title may set forth levels consistent with allocations increased by—

(A) amounts not to exceed the budget authority amounts in section 251(b)(2)(E) (i) and (ii) of the Balanced Budget and Emergency Deficit Control Act of 1985 [2 U.S.C.A. Sec. 901(b)(2)(E) (i) and (ii)] and the composite outlays per category consistent with them; and

(B) the budget authority and outlay amounts in section 251(b)(1) of that Act [2 U.S.C.A. Sec. 901(b)(1)].

(2) For purposes of congressional consideration of provisions described in sections 251(b)(2)(A), 251(b)(2)(B), 251(b)(2)(C), 251(b)(2)(D), and 252(e), determinations under sections 633, 634, and 642 of this title shall not take into account any new budget authority, new entitlement authority, outlays, receipts, or deficit effects in any fiscal year of those provisions.

CHAPTER 17B—IMPOUNDMENT CONTROL

SEC. 681. DISCLAIMER.

Nothing contained in this Act, or in any amendments made by this Act, shall be construed as—

(1) asserting or conceding the constitutional powers or limitations of either the Congress or the President;

(2) ratifying or approving any impoundment heretofore or hereafter executed or approved by the President or any other Federal officer or employee, except insofar as pursuant to statutory authorization then in effect;

(3) affecting in any way the claims or defenses of any party to litigation concerning any impoundment; or

(4) superseding any provision of law which requires the obligation of budget authority or the making of outlays thereunder.

SEC. 682. DEFINITIONS.

For purposes of sections 682 to 688 of this title—

(1) “deferral of budget authority” includes—

(A) withholding or delaying the obligation or expenditure of budget authority (whether by establishing reserves or otherwise) provided for projects or activities; or

(2) “Comptroller General” means the Comptroller General of the United States;

(3) “rescission bill” means a bill or joint resolution which only rescinds, in whole or in part, budget authority proposed to be rescinded in a special message transmitted by the President under section 683 of this title, and upon which the Congress completes action before the end of the first period of 45 calendar days of continuous session of the Congress after the date on which the President’s message is received by the Congress;

(4) “impoundment resolution” means a resolution of the House of Representatives or the Senate which only expresses its disapproval of a proposed deferral of budget authority set forth in a special message transmitted by the President under section 684 of this title; and

If a special message is transmitted under section 683 of this title during any Congress and the last session of such Congress adjourns sine die before the expiration of 45 calendar days of continuous session (or a special message is so transmitted after the last session of the Congress adjourns sine die), the message shall be deemed to have been retransmitted on the first day of the succeeding Congress and the 45-day period referred to in paragraph (3) of this section and in section 683 of this title (with respect to such message) shall commence on the day after such first day.

SEC. 683. RESCISSION OF BUDGET AUTHORITY.

(a) TRANSMITTAL OF SPECIAL MESSAGE.—Whenever the President determines that all or part of any budget authority will not be required to carry out the full objectives or scope of programs for which it is provided or that such budget authority should be rescinded for fiscal policy or other reasons (including the termination of authorized projects or activities for which budget authority has been provided), or whenever all or part of budget authority provided for only one fiscal year is to be reserved from obligation for such fiscal year, the President shall transmit to both Houses of Congress a special message specifying—

(1) the amount of budget authority which he proposes to be rescinded or which is to be so reserved;

(2) any account, department, or establishment of the Government to which such budget authority is available for obligation, and the specific project or governmental functions involved;

(3) the reasons why the budget authority should be rescinded or is to be so reserved;

(4) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect of the proposed rescission or of the reservation; and

(5) all facts, circumstances, and considerations relating to or bearing upon the proposed rescission or the reservation and the decision to effect the proposed rescission or the reservation, and to the maximum extent practicable, the estimated effect of the proposed rescission or the reservation upon the objects, purposes, and programs for which the budget authority is provided.

(b) **REQUIREMENT TO MAKE AVAILABLE FOR OBLIGATION.**—Any amount of budget authority proposed to be rescinded or that is to be reserved as set forth in such special message shall be made available for obligation unless, within the prescribed 45-day period, the Congress has completed action on a rescission bill rescinding all or part of the amount proposed to be rescinded or that is to be reserved. Funds made available for obligation under this procedure may not be proposed for rescission again.

SEC. 684. PROPOSED DEFERRALS OF BUDGET AUTHORITY.

(a) **TRANSMITTAL OF SPECIAL MESSAGE.**—Whenever the President, the Director of the Office of Management and Budget, the head of any department or agency of the United States, or any officer or employee of the United States proposes to defer any budget authority provided for a specific purpose or project, the President shall transmit to the House of Representatives and the Senate a special message specifying—

(3) the period of time during which the budget authority is proposed to be deferred;

(4) the reasons for the proposed deferral, including any legal authority invoked to justify the proposed deferral;

(5) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect of the proposed deferral; and

(6) all facts, circumstances, and considerations relating to or bearing upon the proposed deferral and the decision to effect the proposed deferral, including an analysis of such facts, circumstances, and considerations in terms of their application to any legal authority, including specific elements of legal authority, invoked to justify such proposed deferral, and to the maximum extent practicable, the estimated effect of the proposed deferral upon the objects, purposes, and programs for which the budget authority is provided.

A special message may include one or more proposed deferrals of budget authority. A deferral may not be proposed for any period of

time extending beyond the end of the fiscal year in which the special message proposing the deferral is transmitted to the House and the Senate.

(b) **CONSISTENCY WITH LEGISLATIVE POLICY.**—Deferrals shall be permissible only—

- (1) to provide for contingencies;
- (2) to achieve savings made possible by or through changes in requirements or greater efficiency of operations; or
- (3) as specifically provided by law.

No officer or employee of the United States may defer any budget authority for any other purpose.

(c) **EXCEPTION.**—The provisions of this section do not apply to any budget authority proposed to be rescinded or that is to be reserved as set forth in a special message required to be transmitted under section 683 of this title.

SEC. 685. TRANSMISSION OF MESSAGES; PUBLICATION.

(a) **DELIVERY TO HOUSE AND SENATE.**—Each special message transmitted under section 683 or 684 of this title shall be transmitted to the House of Representatives and the Senate on the same day, and shall be delivered to the Clerk of the House of Representatives if the House is not in session, and to the Secretary of the Senate if the Senate is not in session. Each special message so transmitted shall be referred to the appropriate committee of the House of Representatives and the Senate. Each such message shall be printed as a document of each House.

(b) **DELIVERY TO COMPTROLLER GENERAL.**—A copy of each special message transmitted under section 683 or 684 of this title shall be transmitted to the Comptroller General on the same day it is transmitted to the House of Representatives and the Senate. In order to assist the Congress in the exercise of its functions under sections 683 and 684 of this title, the Comptroller General shall review each such message and inform the House of Representatives and the Senate as promptly as practicable with respect to—

- (1) in the case of a special message transmitted under section 683 of this title, the facts surrounding the proposed rescission or the reservation of budget authority (including the probable effects thereof); and
- (2) in the case of a special message transmitted under section 684 of this title, (A) the facts surrounding each proposed deferral of budget authority (including the probable effects thereof) and (B) whether or not (or to what extent), in his judgment, such proposed deferral is in accordance with existing statutory authority.

(c) **TRANSMISSION OF SUPPLEMENTARY MESSAGES.**—If any information contained in a special message transmitted under section 683 or 684 of this title is subsequently revised, the President shall transmit to both Houses of Congress and the Comptroller General a supplementary message stating and explaining such revision. Any such supplementary message shall be delivered, referred, and printed as provided in subsection (a) of this section. The Comptroller General shall promptly notify the House of Representatives and the Senate of any changes in the information submitted by him

under subsection (b) of this section which may be necessitated by such revision.

(d) **PRINTING IN FEDERAL REGISTER.**—Any special message transmitted under section 683 or 684 of this title, and any supplementary message transmitted under subsection (c) of this section, shall be printed in the first issue of the Federal Register published after such transmittal.

(e) **CUMULATIVE REPORTS OF PROPOSED RESCISSIONS, RESERVATIONS, AND DEFERRALS OF BUDGET AUTHORITY.**—

(1) The President shall submit a report to the House of Representatives and the Senate, not later than the 10th day of each month during a fiscal year, listing all budget authority for that fiscal year with respect to which, as of the first day of such month—

(B) he has transmitted a special message under section 684 of this title proposing a deferral.

Such report shall also contain, with respect to each such proposed rescission or deferral, or each such reservation, the information required to be submitted in the special message with respect thereto under section 683 or 684 of this title.

(2) Each report submitted under paragraph (1) shall be printed in the first issue of the Federal Register published after its submission.

SEC. 686. REPORTS BY COMPTROLLER GENERAL.

(a) **FAILURE TO TRANSMIT SPECIAL MESSAGE.**—If the Comptroller General finds that the President, the Director of the Office of Management and Budget, the head of any department or agency of the United States, or any other officer or employee of the United States—

(1) is to establish a reserve or proposes to defer budget authority with respect to which the President is required to transmit a special message under section 683 or 684 of this title; or

(2) has ordered, permitted, or approved the establishment of such a reserve or a deferral of budget authority;

and that the President has failed to transmit a special message with respect to such reserve or deferral, the Comptroller General shall make a report on such reserve or deferral and any available information concerning it to both Houses of Congress. The provisions of sections 682 to 688 of this title shall apply with respect to such reserve or deferral in the same manner and with the same effect as if such report of the Comptroller General were a special message transmitted by the President under section 683 or 684 of this title, and, for purposes of sections 682 to 688 of this title, such report shall be considered a special message transmitted under section 683 or 684 of this title.

(b) **INCORRECT CLASSIFICATION OF SPECIAL MESSAGE.**—If the President has transmitted a special message to both Houses of Congress in accordance with section 683 or 684 of this title, and the Comptroller General believes that the President so transmitted

the special message in accordance with one of those sections when the special message should have been transmitted in accordance with the other of those sections, the Comptroller General shall make a report to both Houses of the Congress setting forth his reasons.

SEC. 687. SUITS BY COMPTROLLER GENERAL.

If, under this chapter, budget authority is required to be made available for obligation and such budget authority is not made available for obligation, the Comptroller General is hereby expressly empowered, through attorneys of his own selection, to bring a civil action in the United States District Court for the District of Columbia to require such budget authority to be made available for obligation, and such court is hereby expressly empowered to enter in such civil action, against any department, agency, officer or employee of the United States, any decree, judgment, or order which may be necessary or appropriate to make such budget authority available for obligation. No civil action shall be brought by the Comptroller General under this section until the expiration of 25 calendar days of continuous session of the Congress following the date on which an explanatory statement by the Comptroller General of the circumstances giving rise to the action contemplated has been filed with the Speaker of the House of Representatives and the President of the Senate.

SEC. 688. PROCEDURE IN HOUSE OF REPRESENTATIVES AND SENATE.

(a) REFERRAL.—Any rescission bill introduced with respect to a special message or impoundment resolution introduced with respect to a proposed deferral of budget authority shall be referred to the appropriate committee of the House of Representatives or the Senate, as the case may be.

(b) DISCHARGE OF COMMITTEE.—

(1) If the committee to which a rescission bill or impoundment resolution has been referred has not reported it at the end of 25 calendar days of continuous session of the Congress after its introduction, it is in order to move either to discharge the committee from further consideration of the bill or resolution or to discharge the committee from further consideration of any other rescission bill with respect to the same special message or impoundment resolution with respect to the same proposed deferral, as the case may be, which has been referred to the committee.

(2) A motion to discharge may be made only by an individual favoring the bill or resolution, may be made only if supported by one-fifth of the Members of the House involved (a quorum being present), and is highly privileged in the House and privileged in the Senate (except that it may not be made after the committee has reported a bill or resolution with respect to the same special message or the same proposed deferral, as the case may be); and debate thereon shall be limited to not more than 1 hour, the time to be divided in the House equally between those favoring and those opposing the bill or resolution, and to be divided in the Senate equally between, and controlled by, the majority leader and the minority leader or their designees. An amendment to the motion is not in order, and

it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(c) FLOOR CONSIDERATION IN THE HOUSE.—

(1) When the committee of the House of Representatives has reported, or has been discharged from further consideration of, a rescission bill or impoundment resolution, it shall at any time thereafter be in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the bill or resolution. The motion shall be highly privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(2) Debate on a rescission bill or impoundment resolution shall be limited to not more than 2 hours, which shall be divided equally between those favoring and those opposing the bill or resolution. A motion further to limit debate shall not be debatable. In the case of an impoundment resolution, no amendment to, or motion to recommit, the resolution shall be in order. It shall not be in order to move to reconsider the vote by which a rescission bill or impoundment resolution is agreed to or disagreed to.

(3) Motions to postpone, made with respect to the consideration of a rescission bill or impoundment resolution, and motions to proceed to the consideration of other business, shall be decided without debate.

(4) All appeals from the decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to any rescission bill or impoundment resolution shall be decided without debate.

(5) Except to the extent specifically provided in the preceding provisions of this subsection, consideration of any rescission bill or impoundment resolution and amendments thereto (or any conference report thereon) shall be governed by the Rules of the House of Representatives applicable to other bills and resolutions, amendments, and conference reports in similar circumstances.

(d) FLOOR CONSIDERATION IN THE SENATE.—

(1) Debate in the Senate on any rescission bill or impoundment resolution, and all amendments thereto (in the case of a rescission bill) and debatable motions and appeals in connection therewith, shall be limited to not more than 10 hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

(2) Debate in the Senate on any amendment to a rescission bill shall be limited to 2 hours, to be equally divided between, and controlled by, the mover and the manager of the bill. Debate on any amendment to an amendment, to such a bill, and debate on any debatable motion or appeal in connection with such a bill or an impoundment resolution shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the bill or resolution, except that in the event the manager of the bill or resolution is in favor of any such amendment, motion, or appeal, the time in opposition

thereto, shall be controlled by the minority leader or his designee. No amendment that is not germane to the provisions of a rescission bill shall be received. Such leaders, or either of them, may, from the time under their control on the passage of a rescission bill or impoundment resolution, allot additional time to any Senator during the consideration of any amendment, debatable motion, or appeal.

(3) A motion to further limit debate is not debatable. In the case of a rescission bill, a motion to recommit (except a motion to recommit with instructions to report back within a specified number of days, not to exceed 3, not counting any day on which the Senate is not in session) is not in order. Debate on any such motion to recommit shall be limited to one hour, to be equally divided between, and controlled by, the mover and the manager of the concurrent resolution. In the case of an impoundment resolution, no amendment or motion to recommit is in order.

(4) The conference report on any rescission bill shall be in order in the Senate at any time after the third day (excluding Saturdays, Sundays, and legal holidays) following the day on which such a conference report is reported and is available to Members of the Senate. A motion to proceed to the consideration of the conference report may be made even though a previous motion to the same effect has been disagreed to.

(5) During the consideration in the Senate of the conference report on any rescission bill, debate shall be limited to 2 hours, to be equally divided between, and controlled by, the majority leader and minority leader or their designees. Debate on any debatable motion or appeal related to the conference report shall be limited to 30 minutes, to be equally divided between, and controlled by, the mover and the manager of the conference report.

(6) Should the conference report be defeated, debate on any request for a new conference and the appointment of conferees shall be limited to one hour, to be equally divided between, and controlled by, the manager of the conference report and the minority leader or his designee, and should any motion be made to instruct the conferees before the conferees are named, debate on such motion shall be limited to 30 minutes, to be equally divided between, and controlled by, the mover and the manager of the conference report. Debate on any amendment to any such instructions shall be limited to 20 minutes, to be equally divided between, and controlled by, the mover and the manager of the conference report. In all cases when the manager of the conference report is in favor of any motion, appeal, or amendment, the time in opposition shall be under the control of the minority leader or his designee.

(7) In any case in which there are amendments in disagreement, time on each amendment shall be limited to 30 minutes, to be equally divided between, and controlled by, the manager of the conference report and the minority leader or his designee. No amendment that is not germane to the provisions of such amendments shall be received.

Executive Order No. 12857

Aug. 4, 1993, 58 F.R. 42181

Budget Control

By the authority vested in me as President of the United States by the Constitution and the laws of the United States of America, including section 1105 of title 31, United States Code [section 1105 of Title 31, Money and Finance], it is hereby ordered as follows:

SECTION 1.—Purpose. The purpose of this order is to create a mechanism to monitor total costs of direct spending programs, and, in the event that actual or projected costs exceed targeted levels, to require that the budget address adjustments in direct spending.

SEC. 2.—Establishment of Direct Spending Targets.

(a) **IN GENERAL.**—The initial direct spending targets for each of fiscal years 1994 through 1997 shall equal total outlays for all direct spending except net interest and deposit insurance as determined by the Director of the Office of Management and Budget (Director) under subsection (b).

(b) **INITIAL REPORT BY DIRECTOR.**—(1) Not later than 30 days after the date of enactment of the Omnibus Budget Reconciliation Act of 1993 (OBRA) [Aug. 10, 1993], the Director shall submit a report to the Congress setting forth projected direct spending targets for each of fiscal years 1994 through 1997.

(2) The Director’s projections shall be based on legislation enacted as of 5 days before the report is submitted under paragraph (1). To the extent feasible, the Director shall use the same economic and technical assumptions used in preparing the concurrent resolution on the budget for fiscal year 1994 (H.Con.Res. 64).

(c) **Adjustments.** Direct spending targets shall be subsequently adjusted by the Director under Section 6.

SEC. 3. Annual Review of Direct Spending and Receipts by President. As part of each budget submitted under section 1105(a) of title 31, United States Code, the Director shall provide an annual review of direct spending and receipts, which shall include (1) information supporting the adjustment of direct spending targets pursuant to Section 6, (2) information on total outlays for programs covered by the direct spending targets, including actual outlays for the prior fiscal year and projected outlays for the current fiscal year and the 5 succeeding fiscal years, and (3) information on the major categories of Federal receipts, including a comparison between the levels of those receipts and the levels projected as of the date of enactment of OBRA [Aug. 10, 1993].

SEC. 4. Special Direct Spending Message by President. (a) **TRIGGER.**—In the event that the information submitted under Section 3 indicates—

(1) that actual outlays for direct spending in the prior fiscal year exceeded the applicable direct spending target, or

(2) that outlays for direct spending for the current or budget year are projected to exceed the applicable direct spending targets, the Director shall include in the budget a special direct spending message meeting the requirements of subsection (b) of this Section.

(b) CONTENTS.—(1) The special direct spending message shall include:

(A) An explanation of any adjustments to the direct spending targets pursuant to Section 6.

(B) An analysis of the variance in direct spending over the adjusted direct spending targets.

(C) The President's recommendations for addressing the direct spending overages, if any, in the prior, current, or budget year.

(2) The recommendations may consist of any of the following:

(A) Proposed legislative changes to reduce outlays, increase revenues, or both, in order to recoup or eliminate the overage for the prior, current, and budget years in the current year, the budget year, and the 4 out-years.

(B) Proposed legislative changes to reduce outlays, increase revenues, or both, in order to recoup or eliminate part of the overage for the prior, current, and budget year in the current year, the budget year, and the 4 out-years, accompanied by a finding by the President that, because of economic conditions or for other specified reasons, only some of the overage should be recouped or eliminated by outlay reductions or revenue increases, or both.

(C) A proposal to make no legislative changes to recoup or eliminate any overage, accompanied by a finding by the President that, because of economic conditions or for other specified reasons, no legislative changes are warranted.

(3) Any proposed legislative change under paragraph (2) to reduce outlays may include reductions in direct spending or in the discretionary spending limits under section 601 of the Congressional Budget Act of 1974 [section 665 of this title].

SEC. 5. Proposed Special Direct Spending Resolution. If the President recommends reductions consistent with subsection 4(b)(2)(A) or (B), the special direct spending message shall include the text of a special direct spending resolution implementing the President's recommendations through reconciliation directives instructing the appropriate committees of the House of Representatives and Senate to determine and recommend changes in laws within their jurisdictions to reduce outlays or increase revenues by specified amounts. If the President recommends no reductions pursuant to Section 4(b)(2)(C), the special direct spending message shall include the text of a special resolution concurring in the President's recommendation of no legislative action.

SEC. 6. Adjustments to Direct Spending Targets.

(a) REQUIRED ANNUAL ADJUSTMENTS.—Prior to the submission of the President's budget for each of fiscal years 1995 through 1997, the Director shall adjust the direct spending targets in accordance with this Section. Any such adjustments shall be reflected in the targets used in the report under Section 3 and message (if any) under Section 4.

(b) *ADJUSTMENT FOR INCREASES IN BENEFICIARIES.*—(1) *The Director shall adjust the direct spending targets for increases (if any) in actual or projected numbers of beneficiaries under direct spending programs for which the number of beneficiaries is a variable in determining costs.*

(2) *The adjustment shall be made by—*

(A) *computing, for each program under paragraph (1), the percentage change between (i) the annual average number of beneficiaries under that program (including actual numbers of beneficiaries for the prior fiscal year and projections for the budget and subsequent fiscal years) to be used in the President's budget with which the adjustments will be submitted, and (ii) the annual average number of beneficiaries used in the adjustments made by the Director in the previous year (or, in the case of adjustments made in 1994, the annual average number of beneficiaries used in the Director's initial report under Section 2(b));*

(B) *applying the percentages computed under subparagraph (A) to the projected levels of outlays for each program consistent with the direct spending targets in effect immediately prior to the adjustment; and*

(C) *adding the results of the calculations required by subparagraph (B) to the direct spending targets in effect immediately prior to the adjustment.*

(3) *No adjustment shall be made for any program for a fiscal year in which the percentage increase computed under paragraph (2)(A) is less than or equal to zero.*

(c) *ADJUSTMENTS FOR REVENUE LEGISLATION.*—*The Director shall adjust the targets as follows:*

(1) *they shall be increased by the amount of any increase in receipts; or*

(2) *they shall be decreased by the amount of any decrease in receipts, resulting from receipts legislation enacted after the date of enactment of OBRA [Aug. 10, 1993], except legislation enacted in response to the message transmitted under Section 4.*

(d) *ADJUSTMENTS TO REFLECT CONGRESSIONAL DECISIONS.*—*Upon enactment of a reconciliation bill enacted in response to a message submitted under Section 4, the Director shall adjust direct spending targets for the current year, the budget year, and each out-year through 1997 by—*

(1) *increasing the target for the current year and the budget year by the amount stated for that year in that reconciliation bill (but if a separate vote was required by Congressional rules, only if that vote has occurred); and*

(2) *decreasing the target for the current, budget, and outyears through 1997 by the amount of reductions in direct spending enacted in that reconciliation bill.*

(e) *DESIGNATED EMERGENCIES.*—*The Director shall adjust the targets to reflect the costs of legislation that is designated as an emergency by Congress and the President under section 252(e) of the Balanced Budget and Emergency Deficit Control Act of 1985 [section 902(e) of this title].*

SEC. 7. Relationship to Balanced Budget and Emergency Deficit Control Act. Recommendations pursuant to Section 4 shall include

a provision specifying that reductions in outlays or increases in receipts resulting from that legislation shall not be taken into account for purposes of any budget enforcement procedures under the Balanced Budget and Emergency Deficit Control Act of 1985 [Pub.L. 99-177; see Tables].

SEC. 8. Estimating Margin. For any fiscal year for which the overage is less than one-half of 1 percent of the direct spending target for that year, the procedures set forth in Section 4 shall not apply.

SEC. 9. Means-Tested Programs. In making recommendations under Section 4, the Director shall seriously consider all other alternatives before proposing reductions in means-tested programs.

SEC. 10. Effective Date. This order shall take effect upon enactment of OBRA [Pub.L. 103-66, which was approved Aug. 10, 1993]. This order shall apply to direct spending targets for fiscal years 1994 through 1997 and shall expire at the end of fiscal year 1997.

WILLIAM J. CLINTON.

SEC. 901. ENFORCING DISCRETIONARY SPENDING LIMITS.

(a) FISCAL YEARS 1991-1998 ENFORCEMENT.—

(1) SEQUESTRATION.—Within 15 calendar days after Congress adjourns to end a session and on the same day as a sequestration (if any) under section 902 of this title and section 903 of this title, there shall be a sequestration to eliminate a budget-year breach, if any, within any category.

(2) ELIMINATING A BREACH.—Each non-exempt account within a category shall be reduced by a dollar amount calculated by multiplying the baseline level of sequestrable budgetary resources in that account at that time by the uniform percentage necessary to eliminate a breach within that category; except that the health programs set forth in section 906(e) of this title shall not be reduced by more than 2 percent and the uniform percent applicable to all other programs under this paragraph shall be increased (if necessary) to a level sufficient to eliminate that breach. If, within a category, the discretionary spending limits for both new budget authority and outlays are breached, the uniform percentage shall be calculated by—

(A) first, calculating the uniform percentage necessary to eliminate the breach in new budget authority, and

(B) second, if any breach in outlays remains, increasing the uniform percentage to a level sufficient to eliminate that breach.

(3) MILITARY PERSONNEL.—If the President uses the authority to exempt any military personnel from sequestration under section 905(h) of this title, each account within subfunctional category 051 (other than those military personnel accounts for which the authority provided under section 905(h) of this title has been exercised) shall be further reduced by a dollar amount calculated by multiplying the enacted level of non-exempt budgetary resources in that account at that time by the uniform percentage necessary to offset the total dollar amount by which outlays are not reduced in military personnel accounts by reason of the use of such authority.

(4) PART-YEAR APPROPRIATIONS.—If, on the date specified in paragraph (1), there is in effect an Act making or continuing appropriations for part of a fiscal year for any budget account, then the dollar sequestration calculated for that account under paragraphs (2) and (3) shall be subtracted from—

(A) the annualized amount otherwise available by law in that account under that or a subsequent part-year appropriation; and

(B) when a full-year appropriation for that account is enacted, from the amount otherwise provided by the full-year appropriation.

(5) LOOK-BACK.—If, after June 30, an appropriation for the fiscal year in progress is enacted that causes a breach within a category for that year (after taking into account any sequestration of amounts within that category), the discretionary spending limits for that category for the next fiscal year shall be reduced by the amount or amounts of that breach.

(6) WITHIN-SESSION SEQUESTRATION.—If an appropriation for a fiscal year in progress is enacted (after Congress adjourns to end the session for that budget year and before July 1 of that fiscal year) that causes a breach within a category for that year (after taking into account any prior sequestration of amounts within that category), 15 days later there shall be a sequestration to eliminate that breach within that category following the procedures set forth in paragraphs (2) through (4).

(7) OMB ESTIMATES.—As soon as practicable after Congress completes action on any discretionary appropriation, CBO, after consultation with the Committees on the Budget of the House of Representatives and the Senate, shall provide OMB with an estimate of the amount of discretionary new budget authority and outlays for the current year (if any) and the budget year provided by that legislation. Within 5 calendar days after the enactment of any discretionary appropriation, OMB shall transmit a report to the House of Representatives and to the Senate containing the CBO estimate of that legislation, an OMB estimate of the amount of discretionary new budget authority and outlays for the current year (if any) and the budget year provided by that legislation, and an explanation of any difference between the two estimates. For purposes of this paragraph, amounts provided by annual appropriations shall include any new budget authority and outlays for those years in accounts for which funding is provided in that legislation that result from previously enacted legislation. Those OMB estimates shall be made using current economic and technical assumptions. OMB shall use the OMB estimates transmitted to the Congress under this paragraph for the purposes of this subsection. OMB and CBO shall prepare estimates under this paragraph in conformance with scorekeeping guidelines determined after consultation among the House and Senate Committees on the Budget, CBO, and OMB.

(b) ADJUSTMENTS TO DISCRETIONARY SPENDING LIMITS.—

(1) When the President submits the budget under section 1105(a) of Title 31 for budget year 1992, 1993, 1994, 1995, 1996, 1997, or 1998 (except as otherwise indicated), OMB shall

calculate (in the order set forth below), and the budget shall include, adjustments to discretionary spending limits (and those limits as cumulatively adjusted) for the budget year and each outyear through 1998 to reflect the following:

(A) CHANGES IN CONCEPTS AND DEFINITIONS.—The adjustments produced by the amendments made by Title XIII of the Omnibus Budget Reconciliation Act of 1990 or by any other changes in concepts and definitions shall equal the baseline levels of new budget authority and outlays using up-to-date concepts and definitions minus those levels using the concepts and definitions in effect before such changes. Such other changes in concepts and definitions may only be made in consultation with the Committees on Appropriations, the Budget, Government Operations, and Governmental Affairs of the House of Representatives and Senate.

(B) CHANGES IN INFLATION.—

(i) For a budget submitted for budget year 1992, 1993, 1994, or 1995, the adjustments produced by changes in inflation shall equal the levels of discretionary new budget authority and outlays in the baseline (calculated using current estimates) subtracted from those levels in that baseline recalculated with the baseline inflators for the budget year only, multiplied by the inflation adjustment factor computed under clause (ii).

(ii) For a budget year the inflation adjustment factor shall equal the ratio between the level of year-over-year inflation measured for the fiscal year most recently completed and the applicable estimated level for that year set forth below: For 1990, 1.041; for 1991, 1.052; for 1992, 1.041; and for 1993, 1.033. Inflation shall be measured by the average of the estimated gross national product implicit price deflator index for a fiscal year divided by the average index for the prior fiscal year.

(iii) For a budget submitted for budget year 1996, 1997, or 1998, the adjustments shall be those necessary to reflect changes in inflation estimates since those of March 31, 1993, set forth on page 46 of House Conference Report 103–48.

(C) CREDIT REESTIMATES.—For a budget submitted for fiscal year 1993 or 1994, the adjustments produced by reestimates to costs of Federal credit programs shall be, for any such program, a current estimate of new budget authority and outlays associated with a baseline projection of the prior year's gross loan level for that program minus the baseline projection of the prior year's new budget authority and associated outlays for that program.

(2) When OMB submits a sequestration report under section 904(g) or (h) of this title for fiscal year 1991, 1992, 1993, 1994, 1995, 1996, 1997, or 1998 (except as otherwise indicated), OMB shall calculate (in the order set forth below), and the sequestration report, and subsequent budgets submitted by the Presi-

dent under section 1105(a) of Title 31, shall include, adjustments to discretionary spending limits (and those limits as adjusted) for the fiscal year and each succeeding year through 1998, as follows:

(A) IRS FUNDING.—To the extent that appropriations are enacted that provide additional new budget authority or result in additional outlays (as compared with the CBO baseline constructed in June 1990) for the Internal Revenue Service compliance initiative in any fiscal year, the adjustments for that year shall be those amounts, but shall not exceed the amounts set forth below—

(i) for fiscal year 1991, \$191,000,000 in new budget authority and \$183,000,000 in outlays; s

(ii) for fiscal year 1992, \$172,000,000 in new budget authority and \$169,000,000 in outlays;

(iii) for fiscal year 1993, \$183,000,000 in new budget authority and \$179,000,000 in outlays;

(iv) for fiscal year 1994, \$187,000,000 in new budget authority and \$183,000,000 in outlays; and

(v) for fiscal year 1995, \$188,000,000 in new budget authority and \$184,000,000 in outlays; and

the prior-year outlays resulting from these appropriations of budget authority.

(B) DEBT FORGIVENESS.—If, in calendar year 1990 or 1991, an appropriation is enacted that forgives the Arab Republic of Egypt's foreign military sales indebtedness to the United States and any part of the Government of Poland's indebtedness to the United States, the adjustment shall be the estimated costs (in new budget authority and outlays, in all years) of that forgiveness.

(C) IMF FUNDING.—If, in fiscal year 1991, 1992, 1993, 1994, or 1995 an appropriation is enacted to provide to the International Monetary Fund the dollar equivalent, in terms of Special Drawing Rights, of the increase in the United States quota as part of the International Monetary Fund Ninth General Review of Quotas, the adjustment shall be the amount provided by that appropriation.

(D) EMERGENCY APPROPRIATIONS.—

(i) If, for any fiscal year, appropriations for discretionary accounts are enacted that the President designates as emergency requirements and that the Congress so designates in statute, the adjustment shall be the total of such appropriations in discretionary accounts designated as emergency requirements and the outlays flowing in all years from such appropriations. This subparagraph shall not apply to appropriations to cover agricultural crop disaster assistance.

(ii) The costs for operation Desert Shield are to be treated as emergency funding requirements not subject to the defense spending limits. Funding for Desert Shield will be provided through the normal legislative process. Desert Shield costs should be accommodated through Allied burden-sharing, subsequent appropriation Acts, and if the President so chooses, through off-

sets within other defense accounts. Emergency Desert Shield costs mean those incremental costs associated with the increase in operations in the Middle East and do not include costs that would be experienced by the Department of Defense as part of its normal operations absent Operation Desert Shield.

(E) SPECIAL ALLOWANCE FOR DISCRETIONARY NEW BUDGET AUTHORITY.—

(i) For each of fiscal years 1992 and 1993, the adjustment for the domestic category in each year shall be an amount equal to 0.1 percent of the sum of the adjusted discretionary spending limits on new budget authority for all categories for fiscal years 1991, 1992, and 1993 (cumulatively), together with outlays associated therewith (calculated at the composite outlay rate for the domestic category);

(ii) for each of fiscal years 1992 and 1993, the adjustment for the international category in each year shall be an amount equal to 0.079 percent of the sum of the adjusted discretionary spending limits on new budget authority for all categories for fiscal years 1991, 1992, and 1993 (cumulatively), together with outlays associated therewith (calculated at the composite outlay rate for the international category);

(iii) if, for fiscal years 1992 and 1993, the amount of new budget authority provided in appropriation Acts exceeds the discretionary spending limit on new budget authority for any category due to technical estimates made by the Director of the Office of Management and Budget, the adjustment is the amount of the excess, but not to exceed an amount (for 1992 and 1993 together) equal to 0.042 percent of the sum of the adjusted discretionary limits on new budget authority for all categories for fiscal years 1991, 1992, and 1993 (cumulatively); and

(iv) if, for fiscal years 1994, 1995, 1996, 1997, and 1998, the amount of new budget authority provided in appropriation Acts exceeds the discretionary spending limit on new budget authority due to technical estimates made by the director of the Office of Management and Budget, the adjustment is the amount of the excess, but not to exceed an amount (for any one fiscal year) equal to 0.1 percent of the adjusted discretionary spending limit on new budget authority for that fiscal year.

(F) SPECIAL OUTLAY ALLOWANCE.—If in any fiscal year outlays for a category exceed the discretionary spending limit for that category but new budget authority does not exceed its limit for that category (after application of the first step of a sequestration described in subsection (a)(2) of this section, if necessary), the adjustment in outlays is the amount of the excess, but not to exceed \$2,500,000,000 in the defense category, \$1,500,000,000 in the international category, or \$2,500,000,000 in the domestic cat-

egory (as applicable) in fiscal year 1991, 1992, or 1993, and not to exceed \$6,500,000,000 in fiscal year 1994 or 1995 less any of the outlay adjustments made under subparagraph (E) for a category for a fiscal year, and not to exceed 0.5 percent of the adjusted discretionary spending limit on outlays for the fiscal year in fiscal year 1996, 1997, or 1998.

(G) NET GUARANTEE COSTS.—The net costs for fiscal year 1994 and 1995 of the appropriation made under section 2186 of Title 22 are not subject to the discretionary spending limits or the Appropriations Committee's Foreign Operations Subcommittee's 602(b) allocation in fiscal year 1994 and 1995.

SEC. 902. ENFORCING PAY-AS-YOU-GO.

(a) FISCAL YEAR 1992–1998 ENFORCEMENT.—The purpose of this section is to assure that any legislation (enacted after November 5, 1990) affecting direct spending or receipts that increases the deficit in any fiscal year covered by this Act will trigger an offsetting sequestration.

(b) SEQUESTRATION; LOOK-BACK.—Within 15 calendar days after Congress adjourns to end a session (other than of the One Hundred First Congress) and on the same day as a sequestration (if any) under section 901 of this title and section 903 of this title, there shall be a sequestration to offset the amount of any net deficit increase in that fiscal year and the prior fiscal year caused by all direct spending and receipts legislation enacted after the date of enactment of this section (after adjusting for any prior sequestration as provided by paragraph (2)). OMB shall calculate the amount of deficit increase, if any, in those fiscal years by adding—

(1) all applicable estimates of direct spending and receipts legislation transmitted under subsection (d) of this section applicable to those fiscal years, other than any amounts included in such estimates resulting from—

(A) full funding of, and continuation of, the deposit insurance guarantee commitment in effect on November 5, 1990, and

(B) emergency provisions as designated under subsection (e) of this section; and

(2) the estimated amount of savings in direct spending programs applicable to those fiscal years resulting from the prior year's sequestration under this section or section 903 of this title, if any (except for any amounts sequestered as a result of a net deficit increase in the fiscal year immediately preceding the prior fiscal year), as published in OMB's end-of-session sequestration report for that prior year.

(c) ELIMINATING A DEFICIT INCREASE.—

(1) The amount required to be sequestered in a fiscal year under subsection (b) of this section shall be obtained from non-exempt direct spending accounts from actions taken in the following order:

(A) FIRST.—All reductions in automatic spending increases specified in section 906(a) of this title shall be made.

(B) SECOND.—If additional reductions in direct spending accounts are required to be made, the maximum reductions permissible under sections 906(b) of this title (guaranteed student loans) and 906(c) of this title (foster care and adoption assistance) shall be made.

(C) THIRD.—

(i) If additional reductions in direct spending accounts are required to be made, each remaining non-exempt direct spending account shall be reduced by the uniform percentage necessary to make the reductions in direct spending required by paragraph (1); except that the medicare programs specified in section 906(d) of this title shall not be reduced by more than 4 percent and the uniform percentage applicable to all other direct spending programs under this paragraph shall be increased (if necessary) to a level sufficient to achieve the required reduction in direct spending.

(ii) For purposes of determining reductions under clause (i), outlay reductions (as a result of sequestration of Commodity Credit Corporation commodity price support contracts in the fiscal year of a sequestration) that would occur in the following fiscal year shall be credited as outlay reductions in the fiscal year of the sequestration.

(2) For purposes of this subsection, accounts shall be assumed to be at the level in the baseline.

(d) OMB ESTIMATES.—As soon as practicable after Congress completes action on any direct spending or receipts legislation enacted after November 5, 1990, after consultation with the Committees on the Budget of the House of Representatives and the Senate, CBO shall provide OMB with an estimate of the amount of change in outlays or receipts, as the case may be, in each fiscal year through fiscal year 1998 resulting from that legislation. Within 5 calendar days after the enactment of any direct spending or receipts legislation enacted after November 5, 1990, OMB shall transmit a report to the House of Representatives and to the Senate containing such CBO estimate of that legislation, an OMB estimate of the amount of change in outlays or receipts, as the case may be, in each fiscal year through fiscal year 1998 resulting from that legislation, and an explanation of any difference between the two estimates. Those OMB estimates shall be made using current economic and technical assumptions. OMB and CBO shall prepare estimates under this paragraph in conformance with scorekeeping guidelines determined after consultation among the House and Senate Committees on the Budget, CBO, and OMB.

(e) EMERGENCY LEGISLATION.—If, for any fiscal year from 1991 through 1998, a provision of direct spending or receipts legislation is enacted that the President designates as an emergency requirement and that the Congress so designates in statute, the amounts of new budget authority, outlays, and receipts in all fiscal years through 1995 resulting from that provision shall be designated as an emergency requirement in the reports required under subsection (d) of this section. This subsection shall not apply to direct spending provisions to cover agricultural crop disaster assistance.

(2) TIMING OF APPLICATION OF REDUCTIONS.—

(A) IN GENERAL.—Except as provided in subparagraph (B), if a reduction is made under paragraph (1) in payment amounts pursuant to a sequestration order, the reduction shall be applied to payment for services furnished during the effective period of the order. For purposes of the previous sentence, in the case of inpatient services furnished for an individual, the services shall be considered to be furnished on the date of the individual's discharge from the inpatient facility.

(3) NO INCREASE IN BENEFICIARY CHARGES IN ASSIGNMENT-RELATED CASES.—If a reduction in payment amounts is made under paragraph (1) for services for which payment under part B of title XVIII of the Social Security Act [42 U.S.C.A. Secs. 655 and 658] by reducing the Federal matching rate for State administrative costs under such program, as specified (for the fiscal year involved) in section 455(a) of such Act [42 U.S.C.A. Sec. 655(a)], to the extent necessary to reduce such expenditures by that amount.

(g) FEDERAL PAY.—

(1) IN GENERAL.—For purposes of any order issued under section 904 of this title—

- (A) Federal pay under a statutory pay system, and
- (B) elements of military pay,

shall be subject to reduction under an order in the same manner as other administrative expense components of the Federal budget; except that no such order may reduce or have the effect of reducing the rate of pay to which any individual is entitled under any such statutory pay system (as increased by any amount payable under section 5304 of Title 5, or section 302 of the Federal Employees Pay Comparability Act of 1990) or the rate of any element of military pay to which any individual is entitled under Title 37, or any increase in rates of pay which is scheduled to take effect under section 5303 of Title 5, section 1009 of Title 37, or any other provision of law.

(2) Notwithstanding any other provision of law, administrative expenses of any program, project, activity, or account which is self-supporting and does not receive appropriations shall be subject to reduction under a sequester order, unless specifically exempted in this joint resolution.

(3) Payments made by the Federal Government to reimburse or match administrative costs incurred by a State or political subdivision under or in connection with any program, project, activity, or account shall not be considered administrative expenses of the Federal Government for purposes of this section, and shall be subject to reduction or sequestration under this subchapter to the extent (and only to the extent) that other payments made by the Federal Government under or in connection with that program, project, activity, or account are subject to such reduction or sequestration; except that Federal payments made to a State as reimbursement of administrative costs incurred by such State under or in connection with the unemployment compensation programs specified in subsection (h)(1) of this section shall be subject to reduction or sequestration under this subchapter notwithstanding the exemption otherwise granted to such programs under that subsection.

(C) any payment made from the Federal Employees Compensation Account (as established under section 909 of such Act [42 U.S.C.A. (B) A reduction by a State in accordance with subparagraph (A) shall be not be considered as a failure to fulfill the requirements of section 3304(a)(11) of the Internal Revenue Code of 1954 [26 U.S.C.A. Sec. 3304(A)(11)].

(2) REDUCTION IN PAYMENTS MADE UNDER CONTRACTS.—

(A) Payments and loan eligibility under any contract entered into with a person by the Commodity Credit Corporation prior to the time an order has been issued under section 904 of this title shall not be reduced by an order subsequently issued. Subject to subparagraph (B), after an order is issued under such section for a fiscal year, any cash payments made by the Commodity Credit Corporation—

(i) under the terms of any one-year contract entered into in such fiscal year and after the issuance of the order; and

(ii) out of an entitlement account, to any person (including any producer, lender, or guarantee entity) shall be subject to reduction under the order.

(B) Each contract entered into with producers or producer cooperatives with respect to a particular crop of a commodity and subject to reduction under subparagraph (A) shall be reduced in accordance with the same terms and conditions. If some, but not all, contracts applicable to a crop of a commodity have been entered into prior to the issuance of an order under section 904 of this title, the order shall provide that the necessary reduction in payments under contracts applicable to the commodity be uniformly applied to all contracts for the next succeeding crop of the commodity, under the authority provided in paragraph (3).

(3) DELAYED REDUCTION IN OUTLAYS PERMISSIBLE.—Notwithstanding any other provision of this joint resolution, if an order under section 904 of this title is issued with respect to a fiscal year, any reduction under the order applicable to contracts described in paragraph (1) may provide for reductions in outlays for the account involved to occur in the fiscal year following the fiscal year to which the order applies. No other account, or other program, project, or activity, shall bear an increased reduction for the fiscal year to which the order applies as a result of the operation of the preceding sentence.

(4) UNIFORM PERCENTAGE RATE OF REDUCTION AND OTHER LIMITATIONS.—All reductions described in paragraph (2) which are required to be made in connection with an order issued under section 904 of this title with respect to a fiscal year—

(A) shall be made so as to ensure that outlays for each program, project, activity, or account involved are reduced by a percentage rate that is uniform for all such programs, projects, activities, and accounts, and may not be made so as to achieve a percentage rate of reduction in any such item exceeding the rate specified in the order; and

(B) with respect to commodity price support and income protection programs, shall be made in such manner and under such procedures as will attempt to ensure that—

(i) uncertainty as to the scope of benefits under any such program is minimized;

(ii) any instability in market prices for agricultural commodities resulting from the reduction is minimized; and

(iii) normal production and marketing relationships among agricultural commodities (including both contract and non-contract commodities) are not distorted.

In meeting the criterion set out in clause (iii) of subparagraph (B) of the preceding sentence, the President shall take into consideration that reductions under an order may apply to programs for two or more agricultural commodities that use the same type of production or marketing resources or that are alternative commodities among which a producer could choose in making annual production decisions.

(5) NO DOUBLE REDUCTION.—No agricultural price support or income protection program that is subject to reduction under an order issued under section 904 of this title for a fiscal year may be subject, as well, to modification or suspension under such order as an automatic spending increase.

(6) CERTAIN AUTHORITY NOT TO BE LIMITED.—Nothing in this joint resolution shall limit or reduce, in any way, any appropriation that provides the Commodity Credit Corporation with budget authority to cover the Corporation's net realized losses.

(k) SPECIAL RULES FOR THE JOBS PORTION OF AFDC.—

(1) FULL AMOUNT OF SEQUESTRATION REQUIRED.—Any order issued by the President under section 904 of this title shall accomplish the full amount of any required sequestration of the job opportunities and basic skills training program under section 402(a)(19) [42 U.S.C.A. Sec. 602(a)(19)], and part F of title

VI, of the Social Security Act, in the manner specified in this subsection. Such an order may not reduce any Federal matching rate pursuant to section 403(l) of the Social Security Act [42 U.S.C.A. Sec. 603(l)].

(2) NEW ALLOTMENT FORMULA.—

(A) GENERAL RULE.—Notwithstanding section 403(k) of the Social Security Act [42 U.S.C.A. Sec. 603(k)], each State's percentage share of the amount available after sequestration for direct spending pursuant to section 403(l) of such Act [42 U.S.C.A. Sec. 603(l)] for the fiscal year to which the sequestration applies shall be equal to—

(I) that percentage of the total amount paid to the States pursuant to such section 403(l) for the prior fiscal year that is represented by the amount paid to such State pursuant to such section 403(l) [42 U.S.C.A. Sec. 603(l)] for the prior fiscal year; or

(II) the amount that would have been allotted to such State pursuant to such section 403(k) [42 U.S.C.A. Sec. 603(k)] had the sequestration not been in effect.

(B) REALLOTMENT OF AMOUNTS REMAINING UNALLOTTED AFTER APPLICATION OF GENERAL RULE.—Any amount made available after sequestration for direct spending pursuant to section 403(l) of the Social Security Act [42 U.S.C.A. Sec. 603(l)] for the fiscal year to which the sequestration applies that remains unallotted as a result of subparagraph (A) of this paragraph shall be allotted among the States in proportion to the absolute difference between the amount allotted, respectively, to each State as a result of such subparagraph and the amount that would have been allotted to such State pursuant to section 403(k) [42 U.S.C.A. Sec. 603(k)] of such Act had the sequestration not been in effect, except that a State may not be allotted an amount under this subparagraph that results in a total allotment to the State under this paragraph of more than the amount that would have been allotted to such State pursuant to such section 403(k) [42 U.S.C.A. Sec. 603(k)] had the sequestration not been in effect.

(1) EFFECTS OF SEQUESTRATION.—The effects of sequestration shall be as follows:

(1) Budgetary resources sequestered from any account other than a trust or special fund account shall be permanently cancelled.

(2) Except as otherwise provided, the same percentage sequestration shall apply to all programs, projects, and activities within a budget account (with programs, projects, and activities as delineated in the appropriation Act or accompanying report for the relevant fiscal year covering that account, or for accounts not included in appropriation Acts, as delineated in the most recently submitted President's budget).

(3) Administrative regulations or similar actions implementing a sequestration shall be made within 120 days of the sequestration order. To the extent that formula allocations differ at different levels of budgetary resources within an account,

program, project, or activity, the sequestration shall be interpreted as producing a lower total appropriation, with the remaining amount of the appropriation being obligated in a manner consistent with program allocation formulas in substantive law.

(4) Except as otherwise provided, obligations in sequestered accounts shall be reduced only in the fiscal year in which a sequester occurs.

(5) If an automatic spending increase is sequestered, the increase (in the applicable index) that was disregarded as a result of that sequestration shall not be taken into account in any subsequent fiscal year.

(6) Except as otherwise provided, sequestration in trust and special fund accounts for which obligations are indefinite shall be taken in a manner to ensure that obligations in the fiscal year of a sequestration are reduced, from the level that would actually have occurred, by the applicable sequestration percentage.

SEC. 907. THE BASELINE.

(a) IN GENERAL.—For any budget year, the baseline refers to a projection of current-year levels of new budget authority, outlays, revenues, and the surplus or deficit into the budget year and the outyears based on laws enacted through the applicable date.

(b) DIRECT SPENDING AND RECEIPTS.—For the budget year and each outyear, the baseline shall be calculated using the following assumptions:

(1) IN GENERAL.—Laws providing or creating direct spending and receipts are assumed to operate in the manner specified in those laws for each such year and funding for entitlement authority is assumed to be adequate to make all payments required by those laws.

(2) EXCEPTIONS.—

(A) No program with estimated current-year outlays greater than \$50 million shall be assumed to expire in the budget year or outyears.

(B) The increase for veterans' compensation for a fiscal year is assumed to be the same as that required by law for veterans' pensions unless otherwise provided by law enacted in that session.

(C) Excise taxes dedicated to a trust fund, if expiring, are assumed to be extended at current rates.

(3) HOSPITAL INSURANCE TRUST FUND.—Notwithstanding any other provision of law, the receipts and disbursements of the Hospital Insurance Trust Fund shall be included in all calculations required by this Act.

(c) DISCRETIONARY APPROPRIATIONS.—For the budget year and each outyear, the baseline shall be calculated using the following assumptions regarding all amounts other than those covered by subsection (b) of this section:

(1) INFLATION OF CURRENT-YEAR APPROPRIATIONS.—Budgetary resources other than unobligated balances shall be at the level provided for the budget year in full-year appropriation Acts. If for any account a full-year appropriation has not yet

been enacted, budgetary resources other than unobligated balances shall be at the level available in the current year, adjusted sequentially and cumulatively for expiring housing contracts as specified in paragraph (2), for social insurance administrative expenses as specified in paragraph (3), to offset pay absorption and for pay annualization as specified in paragraph (4), for inflation as specified in paragraph (5), and to account for changes required by law in the level of agency payments for personnel benefits other than pay.

(2) EXPIRING HOUSING CONTRACTS.—New budget authority to renew expiring multiyear subsidized housing contracts shall be adjusted to reflect the difference in the number of such contracts that are scheduled to expire in that fiscal year and the number expiring in the current year, with the per-contract renewal cost equal to the average current-year cost of renewal contracts.

(3) SOCIAL INSURANCE ADMINISTRATIVE EXPENSES.—Budgetary resources for the administrative expenses of the following trust funds shall be adjusted by the percentage change in the beneficiary population from the current year to that fiscal year: the Federal Hospital Insurance Trust Fund, the Supplementary Medical Insurance Trust Fund, the Unemployment Trust Fund, and the railroad retirement account.

(4) PAY ANNUALIZATION; OFFSET TO PAY ABSORPTION.—Current-year new budget authority for Federal employees shall be adjusted to reflect the full 12-month costs (without absorption) of any pay adjustment that occurred in that fiscal year.

(5) INFLATORS.—The inflator used in paragraph (1) to adjust budgetary resources relating to personnel shall be the percent by which the average of the Bureau of Labor Statistics Employment Cost Index (wages and salaries, private industry workers) for that fiscal year differs from such index for the current year. The inflator used in paragraph (1) to adjust all other budgetary resources shall be the percent by which the average of the estimated gross national product fixed-weight price index for that fiscal year differs from the average of such estimated index for the current year.

(6) CURRENT-YEAR APPROPRIATIONS.—If, for any account, a continuing appropriation is in effect for less than the entire current year, then the current-year amount shall be assumed to equal the amount that would be available if that continuing appropriation covered the entire fiscal year. If law permits the transfer of budget authority among budget accounts in the current year, the current-year level for an account shall reflect transfers accomplished by the submission of, or assumed for the current year in, the President's original budget for the budget year.

(d) UP-TO-DATE CONCEPTS.—In deriving the baseline for any budget year or outyear, current-year amounts shall be calculated using the concepts and definitions that are required for that budget year.

(e) SALE OF ASSETS OR PREPAYMENT OF LOANS.—The sale of an asset or prepayment of a loan shall not alter the deficit or produce any net deficit reduction in the budget baseline, except that the

budget baseline estimate shall include asset sales mandated by law before September 18, 1987, and routine, ongoing asset sales and loan prepayments at levels consistent with agency operations in fiscal year 1986.

SEC. 907A. SUSPENSION IN THE EVENT OF WAR OR LOW GROWTH.

(a) **PROCEDURES IN THE EVENT OF A LOW GROWTH REPORT.**—

(1) **TRIGGER.**—Whenever CBO issues a low-growth report under section 254(j), the Majority Leader of the House of Representatives may, and the Majority Leader of the Senate shall, introduce a joint resolution (in the form set forth in paragraph (2)) declaring that the conditions specified in section 254(j) are met and suspending the relevant provisions of this title, titles III and VI of the Congressional Budget Act of 1974, and section 1103 of title 31, United States Code.

(2) **FORM OF JOINT RESOLUTION.**—

(A) The matter after the resolving clause in any joint resolution introduced pursuant to paragraph (1) shall be as follows: That the Congress declares that the conditions specified in section 254(j) of the Balanced Budget and Emergency Deficit Control Act of 1985 are met, and the implementation of the Congressional Budget and Impoundment Control Act of 1974, chapter 11 of title 31, United States Code, and part C of the Balanced Budget and Emergency Deficit Control Act of 1985 are modified as described in section 258(b) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(B) The title of the joint resolution shall be “Joint resolution suspending certain provisions of law pursuant to section 258(a)(2) of the Balanced Budget and Emergency Deficit Control Act of 1985.”; and the joint resolution shall not contain any preamble.

(3) **COMMITTEE ACTION.**—Each joint resolution introduced pursuant to paragraph (1) shall be referred to the appropriate committees of the House of Representatives or the Committee on the Budget of the Senate, as the case may be; and such Committee shall report the joint resolution to its House without amendment on or before the fifth day on which such House is in session after the date on which the joint resolution is introduced. If the Committee fails to report the joint resolution within the five-day period referred to in the preceding sentence, it shall be automatically discharged from further consideration of the joint resolution, and the joint resolution shall be placed on the appropriate calendar.

(4) **CONSIDERATION OF JOINT RESOLUTION.**—

(A) A vote on final passage of a joint resolution reported to the Senate or discharged pursuant to paragraph (3) shall be taken on or before the close of the fifth calendar day of session after the date on which the joint resolution is reported or after the Committee has been discharged from further consideration of the joint resolution. If prior to the passage by one House of a joint resolution of that House, that House receives the same joint resolution from the other House, then—

(i) the procedure in that House shall be the same as if no such joint resolution had been received from the other House, but

(ii) the vote on final passage shall be on the joint resolution of the other House.

When the joint resolution is agreed to, the Clerk of the House of Representatives (in the case of a House joint resolution agreed to in the House of Representatives) or the Secretary of the Senate (in the case of a Senate joint resolution agreed to in the Senate) shall cause the joint resolution to be engrossed, certified, and transmitted to the other House of the Congress as soon as practicable.

(B) (i) In the Senate, a joint resolution under this paragraph shall be privileged. It shall not be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(ii) Debate in the Senate on a joint resolution under this paragraph, and all debatable motions and appeals in connection therewith, shall be limited to not more than five hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

(iii) Debate in the Senate on any debatable motion or appeal in connection with a joint resolution under this paragraph shall be limited to not more than one hour, to be equally divided between, and controlled by, the mover and the manager of the joint resolution, except that in the event the manager of the joint resolution is in favor of any such motion or appeal, the time in opposition thereto shall be controlled by the minority leader or his designee.

(iv) A motion in the Senate to further limit debate on a joint resolution under this paragraph is not debatable. A motion to table or to recommit a joint resolution under this paragraph is not in order.

(C) No amendment to a joint resolution considered under this paragraph shall be in order in the Senate.

(b) SUSPENSION OF SEQUESTRATION PROCEDURES.—Upon the enactment of a declaration of war or a joint resolution described in subsection (a)—

(1) the subsequent issuance of any sequestration report or any sequestration order is precluded;

(2) sections 302(f), 310(d), 311(a), and title VI of the Congressional Budget Act of 1974 are suspended; and

(3) section 1103 of title 31, United States Code, is suspended.

(c) RESTORATION OF SEQUESTRATION PROCEDURES.—

(1) In the event of a suspension of sequestration procedures due to a declaration of war, then, effective with the first fiscal year that begins in the session after the state of war is concluded by Senate ratification of the necessary treaties, the provisions of subsection (b) triggered by that declaration of war are no longer effective.

(2) In the event of a suspension of sequestration procedures due to the enactment of a joint resolution described in subsection (a), then, effective with regard to the first fiscal year

beginning at least 12 months after the enactment of that resolution, the provisions of subsection (b) triggered by that resolution are no longer effective.

SEC. 907B. MODIFICATION OF PRESIDENTIAL ORDER.

(a) **INTRODUCTION OF JOINT RESOLUTION.**—At any time after the Director of OMB issues a final sequestration report under section 904 of this title for a fiscal year, but before the close of the twentieth calendar day of the session of Congress beginning after the date of issuance of such report, the majority leader of either House of Congress may introduce a joint resolution which contains provisions directing the President to modify the most recent order issued under section 904 of this title or provide an alternative to reduce the deficit for such fiscal year. After the introduction of the first such joint resolution in either House of Congress in any calendar year, then no other joint resolution introduced in such House in such calendar year shall be subject to the procedures set forth in this section.

(b) **PROCEDURES FOR CONSIDERATION OF JOINT RESOLUTIONS.**—

(1) **REFERRAL TO COMMITTEE.**—A joint resolution introduced in the Senate under subsection (a) of this section shall not be referred to a committee of the Senate and shall be placed on the calendar pending disposition of such joint resolution in accordance with this subsection.

(2) **CONSIDERATION IN THE SENATE.**—On or after the third calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution is introduced under subsection (a) of this section, notwithstanding any rule or precedent of the Senate, including Rule XXII of the Standing Rules of the Senate, it is in order (even though a previous motion to the same effect has been disagreed to) for any Member of the Senate to move to proceed to the consideration of the joint resolution. The motion is not in order after the eighth calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution (to which the motion applies) is introduced. The joint resolution is privileged in the Senate. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the joint resolution is agreed to, the Senate shall immediately proceed to consideration of the joint resolution without intervening motion, order, or other business, and the joint resolution shall remain the unfinished business of the Senate until disposed of.

(3) **DEBATE IN THE SENATE.**—

(A) In the Senate, debate on a joint resolution introduced under subsection (a) of this section, amendments thereto, and all debatable motions and appeals in connection therewith shall be limited to not more than 10 hours, which shall be divided equally between the majority leader and the minority leader (or their designees).

(B) A motion to postpone, or a motion to proceed to the consideration of other business is not in order. A motion to reconsider the vote by which the joint resolution is agreed

to or disagreed to is not in order, and a motion to recommit the joint resolution is not in order.

(C) (i) No amendment that is not germane to the provisions of the joint resolution or to the order issued under section 904 of this title shall be in order in the Senate. In the Senate, an amendment, any amendment to an amendment, or any debatable motion or appeal is debatable for not to exceed 30 minutes to be equally divided between, and controlled by, the mover and the majority leader (or their designees), except that in the event that the majority leader favors the amendment, motion, or appeal, the minority leader (or the minority leader's designee) shall control the time in opposition to the amendment, motion, or appeal.

(ii) In the Senate, an amendment that is otherwise in order shall be in order notwithstanding the fact that it amends the joint resolution in more than one place or amends language previously amended. It shall not be in order in the Senate to vote on the question of agreeing to such a joint resolution or any amendment thereto unless the figures then contained in such joint resolution or amendment are mathematically consistent.

(4) VOTE ON FINAL PASSAGE.—Immediately following the conclusion of the debate on a joint resolution introduced under subsection (a) of this section, a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate, and the disposition of any pending amendments under paragraph (3), the vote on final passage of the joint resolution shall occur.

(5) APPEALS.—Appeals from the decisions of the Chair shall be decided without debate.

(6) CONFERENCE REPORTS.—In the Senate, points of order under titles III, IV, and VI of the Congressional Budget Act of 1974 [2 U.S.C.A. Secs. 631 et seq., 651 et seq., and 665 et seq.] are applicable to a conference report on the joint resolution or any amendments in disagreement thereto.

(7) RESOLUTION FROM OTHER HOUSE.—If, before the passage by the Senate of a joint resolution of the Senate introduced under subsection (a) of this section, the Senate receives from the House of Representatives a joint resolution introduced under subsection (a) of this section, then the following procedures shall apply:

(A) The joint resolution of the House of Representatives shall not be referred to a committee and shall be placed on the calendar.

(B) With respect to a joint resolution introduced under subsection (a) of this section in the Senate—

(i) the procedure in the Senate shall be the same as if no joint resolution had been received from the House; but

(ii)(I) the vote on final passage shall be on the joint resolution of the House if it is identical to the joint resolution then pending for passage in the Senate; or

(II) if the joint resolution from the House is not identical to the joint resolution then pending for passage in the Senate and the Senate then passes the Senate joint resolution, the Senate shall be considered to have passed the House joint resolution as amended by the text of the Senate joint resolution.

(C) Upon disposition of the joint resolution received from the House, it shall no longer be in order to consider the resolution originated in the Senate.

(8) **SENATE ACTION ON HOUSE RESOLUTION.**—If the Senate receives from the House of Representatives a joint resolution introduced under subsection (a) of this section after the Senate has disposed of a Senate originated resolution which is identical to the House passed joint resolution, the action of the Senate with regard to the disposition of the Senate originated joint resolution shall be deemed to be the action of the Senate with regard to the House originated joint resolution. If it is not identical to the House passed joint resolution, then the Senate shall be considered to have passed the joint resolution of the House as amended by the text of the Senate joint resolution.

SEC. 907C. FLEXIBILITY AMONG DEFENSE PROGRAMS, PROJECTS, AND ACTIVITIES.

(a) **REDUCTIONS BEYOND AMOUNT SPECIFIED IN PRESIDENTIAL ORDER.**—Subject to subsections (b), (c), and (d) of this section, new budget authority and unobligated balances for any programs, projects, or activities within major functional category 050 (other than a military personnel account) may be further reduced beyond the amount specified in an order issued by the President under section 904 of this title for such fiscal year. To the extent such additional reductions are made and result in additional outlay reductions, the President may provide for lesser reductions in new budget authority and unobligated balances for other programs, projects, or activities within major functional category 050 for such fiscal year, but only to the extent that the resulting outlay increases do not exceed the additional outlay reductions, and no such program, project, or activity may be increased above the level actually made available by law in appropriation Acts (before taking sequestration into account). In making calculations under this subsection, the President shall use account outlay rates that are identical to those used in the report by the Director of OMB under section 904 of this title.

(b) **BASE CLOSURES PROHIBITED.**—No actions taken by the President under subsection (a) of this section for a fiscal year may result in a domestic base closure or realignment that would otherwise be subject to section 2687 of Title 10.

(c) **REPORT AND JOINT RESOLUTION REQUIRED.**—The President may not exercise the authority provided by this paragraph for a fiscal year unless—

(1) the President submits a single report to Congress specifying, for each account, the detailed changes proposed to be made for such fiscal year pursuant to this section;

(2) that report is submitted within 5 calendar days of the start of the next session of Congress; and

(3) a joint resolution affirming or modifying the changes proposed by the President pursuant to this paragraph becomes law.

(d) INTRODUCTION OF JOINT RESOLUTION.—Within 5 calendar days of session after the President submits a report to Congress under subsection (c)(1) of this section for a fiscal year, the majority leader of each House of Congress shall (by request) introduce a joint resolution which contains provisions affirming the changes proposed by the President pursuant to this paragraph.

(e) FORM AND TITLE OF JOINT RESOLUTION.—

(1) The matter after the resolving clause in any joint resolution introduced pursuant to subsection (d) of this section shall be as follows: “That the report of the President as submitted on [Insert Date] under section 258B is hereby approved.”

(2) The title of the joint resolution shall be “Joint resolution approving the report of the President submitted under section 258B of the Balanced Budget and Emergency Deficit Control Act of 1985.”

(3) Such joint resolution shall not contain any preamble.

(f) CALENDARING AND CONSIDERATION OF JOINT RESOLUTION IN THE SENATE.—

(1) A joint resolution introduced in the Senate under subsection (d) of this section shall be referred to the Committee on Appropriations, and if not reported within 5 calendar days (excluding Saturdays, Sundays, and legal holidays) from the date of introduction shall be considered as having been discharged therefrom and shall be placed on the appropriate calendar pending disposition of such joint resolution in accordance with this subsection. In the Senate, no amendment proposed in the Committee on Appropriations shall be in order other than an amendment (in the nature of a substitute) that is germane or relevant to the provisions of the joint resolution or to the order issued under section 904 of this title. For purposes of this paragraph, an amendment shall be considered to be relevant if it relates to function 050 (national defense).

(2) On or after the third calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution is placed on the Senate calendar, notwithstanding any rule or precedent of the Senate, including Rule XXII of the Standing Rules of the Senate, it is in order (even though a previous motion to the same effect has been disagreed to) for any Member of the Senate to move to proceed to the consideration of the joint resolution. The motion is not in order after the eighth calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after such joint resolution is placed on the appropriate calendar. The motion is not debatable. The joint resolution is privileged in the Senate. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the joint resolution is agreed to, the Senate shall immediately proceed to consideration of the joint resolution without intervening motion, order, or other business, and the joint resolution shall remain the unfinished business of the Senate until disposed of.

(g) DEBATE OF JOINT RESOLUTION; MOTIONS.—

(1) In the Senate, debate on a joint resolution introduced under subsection (d) of this section, amendments thereto, and all debatable motions and appeals in connection therewith shall be limited to not more than 10 hours, which shall be divided equally between the majority leader and the minority leader (or their designees).

(2) A motion to postpone, or a motion to proceed to the consideration of other business is not in order. A motion to reconsider the vote by which the joint resolution is agreed to or disagreed to is not in order. In the Senate, a motion to recommit the joint resolution is not in order.

(h) AMENDMENT OF JOINT RESOLUTION.—

(1) No amendment that is not germane or relevant to the provisions of the joint resolution or to the order issued under section 904 of this title shall be in order in the Senate. For purposes of this paragraph, an amendment shall be considered to be relevant if it relates to function 050 (national defense). In the Senate, an amendment, any amendment to an amendment, or any debatable motion or appeal is debatable for not to exceed 30 minutes to be equally divided between, and controlled by, the mover and the majority leader (or their designees), except that in the event that the majority leader favors the amendment, motion, or appeal, the minority leader (or the minority leader's designee) shall control the time in opposition to the amendment, motion, or appeal.

(2) In the Senate, an amendment that is otherwise in order shall be in order notwithstanding the fact that it amends the joint resolution in more than one place or amends language previously amended, so long as the amendment makes or maintains mathematical consistency. It shall not be in order in the Senate to vote on the question of agreeing to such a joint resolution or any amendment thereto unless the figures then contained in such joint resolution or amendment are mathematically consistent.

(3) It shall not be in order in the Senate to consider any amendment to any joint resolution introduced under subsection (d) of this section or any conference report thereon if such amendment or conference report would have the effect of decreasing any specific budget outlay reductions below the level of such outlay reductions provided in such joint resolution unless such amendment or conference report makes a reduction in other specific budget outlays at least equivalent to any increase in outlays provided by such amendment or conference report.

(4) For purposes of the application of paragraph (3), the level of outlays and specific budget outlay reductions provided in an amendment shall be determined on the basis of estimates made by the Committee on the Budget of the Senate.

(i) VOTE ON FINAL PASSAGE OF JOINT RESOLUTION.—Immediately following the conclusion of the debate on a joint resolution introduced under subsection (d) of this section, a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate, and the disposition of any pending amend-

ments under subsection (h) of this section, the vote on final passage of the joint resolution shall occur.

(j) **APPEAL FROM DECISION OF CHAIR.**—Appeals from the decisions of the Chair relating to the application of the rules of the Senate to the procedure relating to a joint resolution described in subsection (d) of this section shall be decided without debate.

(k) **CONFERENCE REPORTS.**—In the Senate, points of order under titles III [2 U.S.C.A. Sec. 631 et seq.] and IV [2 U.S.C.A. Sec. 651 et seq.] of the Congressional Budget Act of 1974 (including points of order under sections 302(c) [2 U.S.C.A. Sec. 633(c)], 303(a) [2 U.S.C.A. Sec. 634(a)], 306 [2 U.S.C.A. Sec. 637], and 401(b)(1) [2 U.S.C.A. Sec. 651(b)(1)]) are applicable to a conference report on the joint resolution or any amendments in disagreement thereto.

(l) **RESOLUTION FROM OTHER HOUSE.**—If, before the passage by the Senate of a joint resolution of the Senate introduced under subsection (d) of this section, the Senate receives from the House of Representatives a joint resolution introduced under subsection (d) of this section, then the following procedures shall apply:

(1) The joint resolution of the House of Representatives shall not be referred to a committee.

(2) With respect to a joint resolution introduced under subsection (d) of this section in the Senate—

(A) the procedure in the Senate shall be the same as if no joint resolution had been received from the House; but

(B)(i) the vote on final passage shall be on the joint resolution of the House if it is identical to the joint resolution then pending for passage in the Senate; or

(ii) if the joint resolution from the House is not identical to the joint resolution then pending for passage in the Senate and the Senate then passes the Senate joint resolution, the Senate shall be considered to have passed the House joint resolution as amended by the text of the Senate joint resolution.

(3) Upon disposition of the joint resolution received from the House, it shall no longer be in order to consider the joint resolution originated in the Senate.

(m) **SENATE ACTION ON HOUSE RESOLUTION.**—If the Senate receives from the House of Representatives a joint resolution introduced under subsection (d) of this section after the Senate has disposed of a Senate originated joint resolution which is identical to the House passed joint resolution, the action of the Senate with regard to the disposition of the Senate originated joint resolution shall be deemed to be the action of the Senate with regard to the House originated joint resolution. If it is not identical to the House passed joint resolution, then the Senate shall be considered to have passed the joint resolution of the House as amended by the text of the Senate joint resolution.

SEC. 907D. SPECIAL RECONCILIATION PROCESS.

(a) **REPORTING OF RESOLUTIONS AND RECONCILIATION BILLS AND RESOLUTIONS, IN THE SENATE.**—

(1) **COMMITTEE ALTERNATIVES TO PRESIDENTIAL ORDER.**—After the submission of an OMB sequestration update report under section 904 of this title that envisions a sequestration

under section 902 of this title or 903 of this title, each standing committee of the Senate may, not later than October 10, submit to the Committee on the Budget of the Senate information of the type described in section 632(d) of this title with respect to alternatives to the order envisioned by such report insofar as such order affects laws within the jurisdiction of the committee.

(2) INITIAL BUDGET COMMITTEE ACTION.—After the submission of such a report, the Committee on the Budget of the Senate may, not later than October 15, report to the Senate a resolution. The resolution may affirm the impact of the order envisioned by such report, in whole or in part. To the extent that any part is not affirmed, the resolution shall state which parts are not affirmed and shall contain instructions to committees of the Senate of the type referred to in section 641(a) of this title, sufficient to achieve at least the total level of deficit reduction contained in those sections which are not affirmed.

(3) RESPONSE OF COMMITTEES.—Committees instructed pursuant to paragraph (2), or affected thereby, shall submit their responses to the Budget Committee no later than 10 days after the resolution referred to in paragraph (2) is agreed to, except that if only one such Committee is so instructed such Committee shall, by the same date, report to the Senate a reconciliation bill or reconciliation resolution containing its recommendations in response to such instructions. A committee shall be considered to have complied with all instructions to it pursuant to a resolution adopted under paragraph (2) if it has made recommendations with respect to matters within its jurisdiction which would result in a reduction in the deficit at least equal to the total reduction directed by such instructions.

(4) BUDGET COMMITTEE ACTION.—Upon receipt of the recommendations received in response to a resolution referred to in paragraph (2), the Budget Committee shall report to the Senate a reconciliation bill or reconciliation resolution, or both, carrying out all such recommendations without any substantive revisions. In the event that a committee instructed in a resolution referred to in paragraph (2) fails to submit any recommendation (or, when only one committee is instructed, fails to report a reconciliation bill or resolution) in response to such instructions, the Budget Committee shall include in the reconciliation bill or reconciliation resolution reported pursuant to this subparagraph legislative language within the jurisdiction of the noncomplying committee to achieve the amount of deficit reduction directed in such instructions.

(5) POINT OF ORDER.—It shall not be in order in the Senate to consider any reconciliation bill or reconciliation resolution reported under paragraph (4) with respect to a fiscal year, any amendment thereto, or any conference report thereon if—

- (A) the enactment of such bill or resolution as reported;
- (B) the adoption and enactment of such amendment; or
- (C) the enactment of such bill or resolution in the form

recommended in such conference report, would cause the amount of the deficit for such fiscal year to exceed the maximum deficit amount for such fiscal year, unless

the low-growth report submitted under section 904 of this title projects negative real economic growth for such fiscal year, or for each of any two consecutive quarters during such fiscal year.

(6) TREATMENT OF CERTAIN AMENDMENTS.—In the Senate, an amendment which adds to a resolution reported under paragraph (2) an instruction of the type referred to in such paragraph shall be in order during the consideration of such resolution if such amendment would be in order but for the fact that it would be held to be non-germane on the basis that the instruction constitutes new matter.

(7) DEFINITION.—For purposes of paragraphs (1), (2), and (3), the term “day” shall mean any calendar day on which the Senate is in session.

(b) PROCEDURES.—

(1) IN GENERAL.—Except as provided in paragraph (2), in the Senate the provisions of sections 636 and 641 of this title for the consideration of concurrent resolutions on the budget and conference reports thereon shall also apply to the consideration of resolutions, and reconciliation bills and reconciliation resolutions reported under this paragraph and conference reports thereon.

(5) DEFINITION.—For purposes of this subsection, the term “resolution” means a simple, joint, or concurrent resolution.

(2) IMMEDIATE CONSIDERATION.—On or after the third calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution is introduced under subsection (a) of this section, notwithstanding any rule or precedent of the Senate, including Rule 22 of the Standing Rules of the Senate, it is in order (even though a previous motion to the same effect has been disagreed to) for any Member of the respective House to move to proceed to the consideration of the joint resolution, and all points of order against the joint resolution (and against consideration of the joint resolution) are waived, except for points of order under titles III [2 U.S.C.A. Sec. 631 et seq.] or IV [2 U.S.C.A. Sec. 651 et seq.] of the Congressional Budget Act of 1974. The motion is not in order after the eighth calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution (to which the motion applies) is introduced. The motion is highly privileged in the House of Representatives and is privileged in the Senate and is not debatable. The motion is not subject to amendment, or to a motion to postpone, or to a motion to proceed to the consideration of other business. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the joint resolution is agreed to, the respective House shall immediately proceed to consideration of the joint resolution without intervening motion, order, or other business, and the joint resolution shall remain the unfinished business of the respective House until disposed of.

(A) In the Senate, debate on a joint resolution introduced under subsection (a) of this section, amendments thereto, and all debatable motions and appeals in connection therewith shall be limited to not more than 10 hours, which shall be divided equally between the majority leader and the minority leader (or their designees). In the House, general debate on a joint resolution introduced under subsection (a) of this section shall be limited to not more than 4 hours which shall be equally divided between the majority and minority leaders.

A motion to reconsider the vote by which the joint resolution is agreed to or disagreed to is not in order. In the Senate, a motion to recommit the joint resolution is not in order. In the House, a motion further to limit debate is in order and not debatable. In the House, a motion to recommit is in order.

(C)(i) In the House of Representatives, an amendment and any amendment thereto is debatable for not to exceed 30 minutes to be equally divided between the proponent of the amendment and a Member opposed thereto.

(ii) No amendment that is not germane or relevant to the provisions of the joint resolution or to the order issued under section 902(b)(1) of this title shall be in order in the Senate. In the Senate, an amendment, any amendment to an amendment, or any debatable motion or appeal is debatable for not to exceed 30 minutes to be equally divided between the majority leader and the minority leader (or their designees).

(iii) In the Senate, an amendment that is otherwise in order shall be in order notwithstanding the fact that it amends the joint resolution in more than one place or amends language previously amended. It shall not be in order in the Senate to vote on the question of agreeing to such a joint resolution or any amendment thereto unless the figures then contained in such joint resolution or amendment are mathematically consistent.

(4) VOTE ON FINAL PASSAGE.—Immediately following the conclusion of the debate on a joint resolution introduced under subsection (a) of this section, a single quorum call at the conclusion of the debate if requested in accordance with the rules of the appropriate House, and the disposition of any amendments under paragraph (3) (except for the motion to recommit in the House of Representatives), the vote on final passage of the joint resolution shall occur.

(5) APPEALS.—Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a joint resolution described in subsection (a) of this section shall be decided without debate.

Sec. 651 et seq.] of the Congressional Budget Act of 1974 (including points of order under sections 302(c) [2 U.S.C.A. Sec. 633(c)], 303(a) [2 U.S.C.A. Sec. 634(a)], 306 [2 U.S.C.A. Sec. 637], and 401(b)(1) [2 U.S.C.A. Sec. 651(b)(1)]) are applicable to a conference report on the joint resolution or any amendments in disagreement thereto.

(7) RESOLUTION FROM OTHER HOUSE.—If, before the passage by the Senate of a joint resolution of the Senate introduced under subsection (a) of this section, the Senate receives from the House of Representatives a joint resolution introduced under subsection (a), of this section, then the following procedures shall apply:

(A) The joint resolution of the House of Representatives shall not be referred to a committee.

(B) With respect to a joint resolution introduced under subsection (a) of this section in the Senate—

(2) No source agency may renew a matching agreement unless—

(A) the recipient agency or non-Federal agency has certified that it has complied with the provisions of that agreement; and

(B) the source agency has no reason to believe that the certification is inaccurate.

(r) REPORT ON NEW SYSTEMS AND MATCHING PROGRAMS.—Each agency that proposes to establish or make a significant change in a system of records or a matching program shall provide adequate advance notice of any such proposal (in duplicate) to the Committee on Government Operations of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Office of Management and Budget in order to permit an evaluation of the probable or potential effect of such proposal on the privacy or other rights of individuals.

The inspector general shall not serve as chairman of the Data Integrity Board.

(3) EACH DATA INTEGRITY BOARD.—

CHAPTER 14A—AID TO SMALL BUSINESS

SEC. 644. AWARDS OR CONTRACTS

(a) DETERMINATION.—To effectuate the purposes of this chapter, small-business concerns within the meaning of this chapter shall receive any award or contract or any part thereof, and be awarded any contract for the sale of Government property, as to which it is determined by the Administration and the contracting procurement or disposal agency (1) to be in the interest of maintaining or mobilizing the Nation's full productive capacity, (2) to be in the interest of war or national defense programs, (3) to be in the interest of assuring that a fair proportion of the total purchases and contracts for property and services for the Government in each industry category are placed with small-business concerns, or (4) to be in the interest of assuring that a fair proportion of the total sales of Government property be made to small-business concerns; but nothing contained in this chapter shall be construed to change any preferences or priorities established by law with respect to the sale of electrical power or other property by the Government or any agency thereof. These determinations may be made for individual awards or contracts or for classes of awards or contracts. If a proposed procurement includes in its statement of work goods or services currently being performed by a small business, and if the proposed procurement is in a quantity or estimated dollar value the magnitude of which renders small business prime contract participation unlikely, or if a proposed procurement for construction seeks to package or consolidate discrete construction projects, the Procurement Activity shall provide a copy of the proposed procurement to the Procurement Activity's Small Business Procurement Center Representative at least 30 days prior to the solicitation's issuance along with a statement explaining (1) why the proposed acquisition cannot be divided into reasonably small lots (not less than economic production runs) to permit offers on quantities less than the total requirement, (2) why delivery schedules cannot be established on a realistic basis that will encourage small business participation to the extent consistent with the actual requirements of the Government, (3) why the proposed acquisition cannot be offered so as to make small business participation likely, or (4) why construction cannot be procured as separate discrete projects. The thirty-day notification process shall occur concurrently with other processing steps required prior to issuance of the solicitation. Within 15 days after receipt of the proposed procurement and accompanying statement, if the Procurement Center Representative believes that the procurement as proposed will render small business prime contract

participation unlikely, the Representative shall recommend to the Procurement Activity alternative procurement methods which would increase small business prime contracting opportunities. Whenever the Administration and the contracting procurement agency fail to agree, the matter shall be submitted for determination to the Secretary or the head of the appropriate department or agency by the Administrator. For purposes of clause (3) of the first sentence of this subsection, an industry category is a discrete group of similar goods and services. Such groups shall be determined by the Administration in accordance with the four-digit standard industrial classification codes contained in the Standard Industrial Classification Manual published by the Office of Management and Budget, except that the Administration shall limit such an industry category to a greater extent than provided under such classification codes if the Administration receives evidence indicating that further segmentation for purposes of this paragraph is warranted due to special capital equipment needs or special labor or geographic requirements or to recognize a new industry. A market for goods or services may not be segmented under the preceding sentence due to geographic requirements unless the Government typically designates the area where work for contracts for such goods or services is to be performed and Government purchases comprise the major portion of the entire domestic market for such goods or services and, due to the fixed location of facilities, high mobilization costs, or similar economic factors, it is unreasonable to expect competition from business concerns located outside of the general areas where such concerns are located. A contract may not be awarded under this subsection if the award of the contract would result in a cost to the awarding agency which exceeds a fair market price.

(b) **PLACEMENT OF CONTRACTS BY CONTRACTING PROCUREMENT AGENCY.**—With respect to any work to be performed the amount of which would exceed the maximum amount of any contract for which a surety may be guaranteed against loss under section 694b of this title, the contracting procurement agency shall, to the extent practicable, place contracts so as to allow more than one small business concern to perform such work.

(c) **PROGRAMS FOR BLIND AND HANDICAPPED INDIVIDUALS.**—(1) As used in this subsection:

(A) The term “Committee” means the Committee for Purchase From People Who Are Blind or Severely Disabled established under section 46 of Title 41.

(B) The term “public or private organization for the handicapped” has the same meaning given such term in section 3(e).

(C) The term “handicapped individual” has the same meaning given such term in section 632(f) of this title.

(2)(A) During fiscal year 1995, public or private organizations for the handicapped shall be eligible to participate in programs authorized under this section in an aggregate amount not to exceed \$40,000,000.

(B) None of the amounts authorized for participation by subparagraph (A) may be placed on the procurement list maintained by the Committee pursuant to section 47 of Title 41.

(3) The Administrator shall monitor and evaluate such participation.

(4)(A) Not later than ten days after the announcement of a proposed award of a contract by an agency or department to a public or private organization for the handicapped, a for-profit small business concern that has experienced or is likely to experience severe economic injury as the result of the proposed award may file an appeal of the proposed award with the Administrator.

(B) If such a concern files an appeal of a proposed award under subparagraph (A) and the Administrator, after consultation with the Executive Director of the Committee, finds that the concern has experienced or is likely to experience severe economic injury as the result of the proposed award, not later than thirty days after the filing of the appeal, the Administration shall require each agency and department having procurement powers to take such action as may be appropriate to alleviate economic injury sustained or likely to be sustained by the concern.

(5) Each agency and department having procurement powers shall report to the Office of Federal Procurement Policy each time a contract subject to paragraph (2)(A) is entered into, and shall include in its report the amount of the next higher bid submitted by a for-profit small business concern. The Office of Federal Procurement Policy shall collect data reported under the preceding sentence through the Federal procurement data system and shall report to the Administration which shall notify all such agencies and departments when the maximum amount of awards authorized under paragraph (2)(A) has been made during any fiscal year.

(6) For the purpose of this subsection, a contract may be awarded only if at least 75 per centum of the direct labor performed on each item being produced under the contract in the sheltered workshop or performed in providing each type of service under the contract by the sheltered workshop is performed by handicapped individuals.

(7) Agencies awarding one or more contracts to such an organization pursuant to the provisions of this subsection may use multiyear contracts, if appropriate.

(d) PRIORITY.—For purposes of this section priority shall be given to the awarding of contracts and the placement of subcontracts to small business concerns which shall perform a substantial proportion of the production on those contracts and subcontracts within areas of concentrated unemployment or underemployment or within labor surplus areas. Notwithstanding any other provision of law, total labor surplus area set-asides pursuant to Defense Manpower Policy Number 4 (32A C.F.R. Chapter 1) or any successor policy shall be authorized if the Secretary or his designee specifically determines that there is a reasonable expectation that offers will be obtained from a sufficient number of eligible concerns so that awards will be made at reasonable prices. As soon as practicable and to the extent possible, in determining labor surplus areas, consideration shall be given to those persons who would be available for employment were suitable employment available. Until such definition reflects such number, the present criteria of such policy shall govern.

(e), (f) Repealed.—Pub. L. 103–355, Title VII, Sec. 7101(a), Oct. 13, 1994, 108 Stat. 3367

(g) GOALS FOR PARTICIPATION OF SMALL BUSINESS CONCERNS IN PROCUREMENT CONTRACTS.—

(1) The President shall annually establish Government-wide goals for procurement contracts awarded to small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women. The Government-wide goal for participation by small business concerns shall be established at not less than 20 percent of the total value of all prime contract awards for each fiscal year. The Government-wide goal for participation by small business concerns owned and controlled by socially and economically disadvantaged individuals shall be established at not less than 5 percent of the total value of all prime contract and subcontract awards for each fiscal year. The Government-wide goal for participation by small business concerns owned and controlled by women shall be established at not less than 5 percent of the total value of all prime contract and subcontract awards for each fiscal year. Notwithstanding the Government-wide goal, each agency shall have an annual goal that presents, for that agency, the maximum practicable opportunity for small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women to participate in the performance of contracts let by such agency. The Administration and the Administrator of the Office of Federal Procurement Policy shall, when exercising their authority pursuant to paragraph (2), insure that the cumulative annual prime contract goals for all agencies meet or exceed the annual Government-wide prime contract goal established by the President pursuant to this paragraph.

(2) The head of each Federal agency shall, after consultation with the Administration, establish goals for the participation by small business concerns, owned and controlled by socially and economically disadvantaged individuals, and by small business concerns owned and controlled by women in procurement contracts of such agency. Goals established under this subsection shall be jointly established by the Administration and the head of each Federal agency and shall realistically reflect the potential of small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women to perform such contracts and to perform subcontracts under such contracts. Whenever the Administration and the head of any Federal agency fail to agree on established goals, the disagreement shall be submitted to the Administrator of the Office of Federal Procurement Policy for final determination. For the purpose of establishing goals under this subsection, the head of each Federal agency shall make consistent efforts to annually expand participation by small business concerns from each industry category in procurement contracts of the agency, including participation by

small business concerns owned and controlled by socially and economically disadvantaged individuals and participation by small business concerns owned and controlled by women. The head of each Federal agency, in attempting to attain such participation, shall consider—

(A) contracts awarded as the result of unrestricted competition; and

(B) contracts awarded after competition restricted to eligible small business concerns under this section and under the program established under section 637(a) of this title.

(h) REPORTS TO ADMINISTRATION; SUBMITTAL OF INFORMATION TO CONGRESS.—

(1) At the conclusion of each fiscal year, the head of each Federal agency shall report to the Administration on the extent of participation by small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women in procurement contracts of such agency. Such reports shall contain appropriate justifications for failure to meet the goals established under subsection (g) of this section.

(2) The Administration shall annually compile and analyze the reports submitted by the individual agencies pursuant to paragraph (1) and shall submit them to the President. The Administration's submission to the President shall include the following:

(A) The Government-wide goals for participation by small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women and the performance in attaining such goals.

(B) The goals in effect for each agency and the agency's performance in attaining such goals.

(C) An analysis of any failure to achieve the Government-wide goals or any individual agency goals and the actions planned by such agency (and approved by the Administration) to achieve the goals in the succeeding fiscal year.

(D) The number and the dollar value of contracts awarded to small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women through—

(i) noncompetitive negotiation,

(ii) competition restricted to small business concerns owned and controlled by socially and economically disadvantaged individuals,

(iii) competition restricted to small business concerns, and

(iv) unrestricted competitions, for each agency and on a Government-wide basis.

(E) The number and dollar value of subcontracts awarded to small business concerns, small business concerns owned and controlled by socially and economically dis-

advantaged individuals, and small business concerns owned and controlled by women.

(F) The number and dollar value of prime contracts and subcontracts awarded to small business concerns owned and controlled by women.

(3) The President shall include the information required by paragraph (2) in each annual report to the Congress on the state of small business prepared pursuant to section 631b(a) of this title.

(i) **SMALL BUSINESS SET-ASIDES.**—Nothing in this chapter or any other provision of law precludes exclusive small business set-asides for procurements of architectural and engineering services, research, development, test and evaluation, and each Federal agency is authorized to develop such set-asides to further the interests of small business in those areas.

(j) **SMALL BUSINESS RESERVATION.**—

(1) Each contract for the purchase of goods and services that has an anticipated value greater than \$2,500 but not greater than \$100,000 shall be reserved exclusively for small business concerns unless the contracting officer is unable to obtain offers from two or more small business concerns that are competitive with market prices and are competitive with regard to the quality and delivery of the goods or services being purchased.

(2) In carrying out paragraph (1), a contracting officer shall consider a responsive offer timely received from an eligible small business offeror.

(3) Nothing in paragraph (1) shall be construed as precluding an award of a contract with a value not greater than \$100,000 under the authority of subsection (a) of section 637 of this title, section 2323 of Title 10, section 712 of the Business Opportunity Development Reform Act of 1988 (Public Law 100-656; 15 U.S.C. 644 note), or section 7102 of the Federal Acquisition Streamlining Act of 1994.

(k) **OFFICE OF SMALL AND DISADVANTAGED BUSINESS UTILIZATION; DIRECTOR.**—There is hereby established in each Federal agency having procurement powers an office to be known as the “Office of Small and Disadvantaged Business Utilization”. The management of each such office shall be vested in an officer or employee of such agency who shall—

(1) be known as the “Director of Small and Disadvantaged Business Utilization” for such agency,

(2) be appointed by the head of such agency,

(3) be responsible only to, and report directly to, the head of such agency or to the deputy of such head, except that the director for the Office of the Secretary of Defense shall be responsible only to, and report directly to, such Secretary or the Secretary’s designee,

(4) be responsible for the implementation and execution of the functions and duties under this section and section 637 of this title which relate to such agency,

(5) assist small business concerns to obtain payments, required late payment interest penalties, or information regarding payments due to such concerns from an executive agency

or a contractor, in conformity with chapter 39 of Title 31 or any other protection for contractors or subcontractors (including suppliers) that is included in the Federal Acquisition Regulation or any individual agency supplement to such Government-wide regulation,

(6) have supervisory authority over personnel of such agency to the extent that the functions and duties of such personnel relate to functions and duties under this section and section 637 of this title,

(7) assign a small business technical adviser to each office to which the Administration has assigned a procurement center representative—

(A) who shall be a full-time employee of the procuring activity and shall be well qualified, technically trained and familiar with the supplies or services purchased at the activity, and

(B) whose principal duty shall be to assist the Administration procurement center representative in his duties and functions relating to this section and section 637 of this title, and

(8) cooperate, and consult on a regular basis, with the Administration with respect to carrying out the functions and duties described in paragraph (4) of this subsection, and

(9) make recommendations to contracting officers as to whether a particular contract requirement should be awarded pursuant to subsection (a) of this section, or section 637(a) of this title or section 2323 of Title 10. Such recommendations shall be made with due regard to the requirements of subsection (m) of this section, and the failure of the contracting officer to accept any such recommendations shall be documented and included within the appropriate contract file. This subsection shall not apply to the Administration.

(1) BREAKOUT PROCUREMENT CENTER REPRESENTATIVES.—(1) The Administration shall assign to each major procurement center a breakout procurement center representative with such assistance as may be appropriate. The breakout procurement center representative shall carry out the activities described in paragraph (2), and shall be an advocate for the breakout of items for procurement through full and open competition, whenever appropriate, while maintaining the integrity of the system in which such items are used, and an advocate for the use of full and open competition, whenever appropriate, for the procurement of supplies and services by such center. Any breakout procurement center representative assigned under this subsection shall be in addition to the representative referred to in subsection (k)(6) of this section.

(2) In addition to carrying out the responsibilities assigned by the Administration, a breakout procurement center representative is authorized to—

(A) attend any provisioning conference or similar evaluation session during which determinations are made as to whether requirements are to be procured through other than full and open competition and make recommendations with respect to such requirements to the members of such conference or session;

(B) review, at any time, restrictions on competition previously imposed on items through acquisition method coding or similar procedures, and recommend to personnel of the appropriate activity the prompt reevaluation of such limitations;

(C) review restrictions on competition arising out of restrictions on the rights of the United States in technical data, and, when appropriate, recommend that personnel of the appropriate activity initiate a review of the validity of such an asserted restriction;

(D) obtain from any governmental source, and make available to personnel of the appropriate activity, technical data necessary for the preparation of a competitive solicitation package for any item of supply or service previously procured noncompetitively due to the unavailability of such technical data;

(E) have access to procurement records and other data of the procurement center commensurate with the level of such representative's approved security clearance classification;

(F) receive unsolicited engineering proposals and, when appropriate (i) conduct a value analysis of such proposal to determine whether such proposal, if adopted, will result in lower costs to the United States without substantially impeding legitimate acquisition objectives and forward to personnel of the appropriate activity recommendations with respect to such proposal, or (ii) forward such proposals without analysis to personnel of the activity responsible for reviewing such proposals and who shall furnish the breakout procurement center representative with information regarding the disposition of any such proposal; and

(G) review the systems that account for the acquisition and management of technical data within the procurement center to assure that such systems provide the maximum availability and access to data needed for the preparation of offers to sell to the United States those supplies to which such data pertain which potential offerors are entitled to receive.

(3) A breakout procurement center representative is authorized to appeal the failure to act favorably on any recommendation made pursuant to paragraph (2). Such appeal shall be filed and processed in the same manner and subject to the same conditions and limitations as an appeal filed by the Administrator pursuant to subsection (a).

(4) The Administration shall assign and co-locate at least two small business technical advisers to each major procurement center in addition to such other advisers as may be authorized from time to time. The sole duties of such advisers shall be to assist the breakout procurement center representative for the center to which such advisers are assigned in carrying out the functions described in paragraph (2) and the representatives referred to in subsection (k)(6) of this section.

(5)(A) The breakout procurement center representatives and technical advisers assigned pursuant to this subsection shall be—

(i) full-time employees of the Administration; and

(ii) fully qualified, technically trained, and familiar with the supplies and services procured by the major procurement center to which they are assigned.

(B) In addition to the requirements of subparagraph (A), each breakout procurement center representative, and at least one technical adviser assigned to such representative, shall be an accredited engineer.

(C) The Administration shall establish personnel positions for breakout procurement representatives and advisers assigned pursuant to this subsection, which are classified at a grade level of the General Schedule sufficient to attract and retain highly qualified personnel.

(6) For purposes of this subsection, the term “major procurement center” means a procurement center that, in the opinion of the Administrator, purchases substantial dollar amounts of other than commercial items and which has the potential to incur significant savings as the result of the placement of a breakout procurement center representative.

(7)(A) At such times as the Administrator deems appropriate, the breakout procurement center representative shall conduct familiarization sessions for contracting officers and other appropriate personnel of the procurement center to which such representative is assigned. Such sessions shall acquaint the participants with the provisions of this subsection and shall instruct them in methods designed to further the purposes of such subsection.

(B) The breakout procurement center representative shall prepare and personally deliver an annual briefing and report to the head of the procurement center to which such representative is assigned. Such briefing and report shall detail the past and planned activities of the representative and shall contain such recommendations for improvement in the operation of the center as may be appropriate. The head of such center shall personally receive such briefing and report and shall, within sixty calendar days after receipt, respond, in writing, to each recommendation made by such representative.

(m) RELATIONSHIP TO OTHER PROCUREMENT PROGRAMS.—

(1) Each agency subject to the requirements of section 2323 of Title 10 shall, when implementing such requirements—

(A) establish policies and procedures that insure that there will be no reduction in the number of dollar value of contracts awarded pursuant to this section and section 637(a) of this title in order to achieve any goal or other program objective; and

(B) assure that such requirements will not alter or change the procurement process used to implement this section or section 637(a) of this title.

(2) All procurement center representatives (including those referred to in subsection (k)(6) of this section), in addition to such other duties as may be assigned by the Administrator, shall—

(A) monitor the performance of the procurement activities to which they are assigned to ascertain the degree of compliance with the requirements of paragraph (1);

(B) report to their immediate supervisors all instances of noncompliance with such requirements; and

(C) increase, insofar as possible, the number and dollar value of procurements that may be used for the programs

established under this section, section 637(a) of this title, and section 2323 of Title 10.

(n) DETERMINATION OF LABOR SURPLUS AREAS.—For purposes of this section, the determination of labor surplus areas shall be made on the basis of the criteria in effect at the time of the determination, except that any minimum population criteria shall not exceed twenty-five thousand. Such determination, as modified by the preceding sentence, shall be made by the Secretary of Labor.

(o) COSTS OF CONTRACT PERFORMANCE AND MANUFACTURING.—

(1) A concern may not be awarded a contract under subsection (a) as a small business concern unless the concern agrees that—

(A) in the case of a contract for services (except construction), at least 50 percent of the cost of contract performance incurred for personnel shall be expended for employees of the concern; and

(B) in the case of a contract for procurement of supplies (other than procurement from a regular dealer in such supplies), the concern will perform work for at least 50 percent of the cost of manufacturing the supplies (not including the cost of materials).

(2) The Administrator may change the percentage under subparagraph (A) or (B) of paragraph (1) if the Administrator determines that such change is necessary to reflect conventional industry practices among business concerns that are below the numerical size standard for businesses in that industry category.

(3) The Administration shall establish, through public rule-making, requirements similar to those specified in paragraph (1) to be applicable to contracts for general and specialty construction and to contracts for any other industry category not otherwise subject to the requirements of such paragraph. The percentage applicable to any such requirement shall be determined in accordance with paragraph (2).

- (4) a description of how the performance goals included in the plan required under section 2803 shall be related to the general goals and objectives in the strategic plan;
- (5) an identification of those key factors external to the Postal Service and beyond its control that could significantly affect the achievement of the general goals and objectives; and

(6) a description of the program evaluations used in establishing or revising general goals and objectives, with a schedule for future program evaluations.

(b) The strategic plan shall cover a period of not less than five years forward from the fiscal year in which it is submitted, and shall be updated and revised at least every three years.

(c) The performance plan required under section 2803 shall be consistent with the Postal Service's strategic plan. A performance plan may not be submitted for a fiscal year not covered by a current strategic plan under this section.

SEC. 2803. PERFORMANCE PLANS.

(a) The Postal Service shall prepare an annual performance plan covering each program activity set forth in the Postal Service budget, which shall be included in the comprehensive statement presented under section 2401(g) of this title. Such plan shall—

(1) include separate descriptive statements of—

(A) a minimally effective program, and

(B) a successful program,

with sufficient precision and in such terms that would allow for an accurate, independent determination of whether the program activity's performance meets the criteria of either description; or

(2) state why it is infeasible or impractical to express a performance goal in any form for the program activity.

(c) In preparing a comprehensive and informative plan under this section, the Postal Service may aggregate, disaggregate, or consolidate program activities, except that any aggregation or consolidation may not omit or minimize the significance of any program activity constituting a major function or operation.

(d) The Postal Service may prepare a non-public annex to its plan covering program activities or parts of program activities relating to—

- or
- (2) matters otherwise exempt from public disclosure under section 410(c) of this title.

SEC. 2804. PROGRAM PERFORMANCE REPORTS.

(a) The Postal Service shall prepare a report on program performance for each fiscal year, which shall be included in the annual comprehensive statement presented under section 2401(g) of this title.

(b)(1) The program performance report shall set forth the performance indicators established in the Postal Service performance plan, along with the actual program performance achieved compared with the performance goals expressed in the plan for that fiscal year.

(2) If performance goals are specified by descriptive statements of a minimally effective program activity and a successful program activity, the results of such program shall be described in relationship to those categories, including whether the performance failed to meet the criteria of either category.

(c) The report for fiscal year 2000 shall include actual results for the preceding fiscal year, the report for fiscal year 2001 shall include actual results for the two preceding fiscal years, and the report for fiscal year 2002 and all subsequent reports shall include actual results for the three preceding fiscal years.

(d) Each report shall—

(2) evaluate the performance plan for the current fiscal year relative to the performance achieved towards the performance goals in the fiscal year covered by the report;

(3) explain and describe, where a performance goal has not been met (including when a program activity's performance is determined not to have met the criteria of a successful program activity under section 2803(b)(2))—

(A) why the goal was not met;

(B) those plans and schedules for achieving the established performance goal; and

(C) if the performance goal is impractical or infeasible, why that is the case and what action is recommended; and

(4) include the summary findings of those program evaluations completed during the fiscal year covered by the report.

(2) Rules, regulations, cost accounting standards, and modifications thereof promulgated or amended under this section shall have the full force and effect of law, and shall become effective within 120 days after publication in the Federal Register in final form, unless the Board determines a longer period is necessary. Implementation dates for contractors and subcontractors shall be determined by the Board, but in no event shall such dates be later than the beginning of the second fiscal year of the contractor or subcontractor after the standard becomes effective. Rules, regulations, cost accounting standards, and modifications thereof promulgated or amended under this section shall be accompanied by prefatory comments and by illustrations, if necessary.

(3) The functions exercised under this section are excluded from the operation of sections 551, 553 through 559, and 701 through 706 of Title 5.

(h) IMPLEMENTING REGULATIONS.—(1) The Board shall promulgate rules and regulations for the implementation of cost accounting standards promulgated or interpreted under subsection (f) of this section. Such regulations shall be incorporated into the Federal Acquisition Regulation and shall require contractors and subcontractors as a condition of contracting with the United States to—

(A) disclose in writing their cost accounting practices, including methods of distinguishing direct costs from indirect costs and the basis used for allocating indirect costs; and

(B) agree to a contract price adjustment, with interest, for any increased costs paid to such contractor or subcontractor by the United States by reason of a change in the contractor's or subcontractor's cost accounting practices or by reason of a failure by the contractor or subcontractor to comply with applicable cost accounting standards.

(2) If the United States and a contractor or subcontractor fail to agree on a contract price adjustment, including whether the contractor or subcontractor has complied with the applicable cost accounting standards, the disagreement will constitute a dispute under the Contract Disputes Act (41 U.S.C. 601).

(3) Any contract price adjustment undertaken pursuant to paragraph (1)(B) shall be made, where applicable, on relevant contracts between the United States and the contractor that are subject to the cost accounting standards so as to protect the United States from payment, in the aggregate, of increased costs (as defined by the Board). In no case shall the Government recover costs greater than the increased cost (as defined by the Board) to the Government, in the aggregate, on the relevant contracts subject to the price adjustment, unless the contractor made a change in its cost accounting practices of which it was aware or should have been aware at the time of the price negotiation and which it failed to disclose to the Government.

(4) The interest rate applicable to any contract price adjustment shall be the annual rate of interest established under section 6621 of Title 26 for such period. Such interest shall accrue from the time payments of the increased costs were made to the contractor or subcontractor to the time the United States receives full compensation for the price adjustment.

(i) **REPORTS TO CONGRESS.**—The Board shall report to the Congress not later than one year after November 17, 1988, and annually thereafter, with respect to the activities and operations of the Board under this section, together with such recommendations as it considers appropriate.

(j) **EFFECT ON OTHER STANDARDS AND REGULATIONS.**—(1) All cost accounting standards, waivers, exemptions, interpretations, modifications, rules, and regulations promulgated by the Cost Accounting Standards Board under section 2168 of this Appendix to Title 5 (50 U.S.C. App. 2168) shall remain in effect unless and until amended, superseded, or rescinded by the Board pursuant to this section.

(2) Existing cost accounting standards referred to in paragraph (1) shall be subject to the provisions of this Act in the same manner as if promulgated by the Board under this chapter.

(3) The Administrator, under the authority set forth in section 405 of this title, shall ensure that no regulation or proposed regulation of an executive agency is inconsistent with a cost accounting standard promulgated or amended under this section by rescinding or denying the promulgation of any such inconsistent regulation or proposed regulation and taking such other action authorized under section 405 of this title as may be appropriate.

(4) Costs which are the subject of cost accounting standards promulgated under this section shall not be subject to regulations that are established by another executive agency that differ from such standards with respect to the measurement, assignment, and allocation of such costs.

(k) **EXAMINATIONS.**—For the purpose of determining whether a contractor or subcontractor has complied with cost accounting standards promulgated under this section and has followed consistently the contractor's or subcontractor's disclosed cost accounting practices, any authorized representative of the head of the agency concerned, of the offices of inspector general established pursuant to the Inspector General Act of 1978, or of the Comptroller General of the United States shall have the right to examine and make copies of any documents, papers, or records of such contractor or subcontractor relating to compliance with such cost accounting standards.

Nothing in this chapter shall prohibit executive agencies from including a clause in government contracts requiring that pending final decision of an appeal, action, or final settlement, a contractor shall proceed diligently with performance of the contract in accordance with the contracting officer's decision.

(c) AMOUNT OF CLAIM; CERTIFICATION; NOTIFICATION; TIME OF ISSUANCE; PRESUMPTION; AUTHORIZATION OF CERTIFIER.—(1) A contracting officer shall issue a decision on any submitted claim of \$100,000 or less within sixty days from his receipt of a written request from the contractor that a decision be rendered within that period. For claims of more than \$100,000, the contractor shall certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of his knowledge and belief, that the amount requested accurately reflects the contract adjustment for which the contractor believes the government is liable, and that the certifier is duly authorized to certify the claim on behalf of the contractor.

(2) A contracting officer shall, within sixty days of receipt of a submitted certified claim over \$100,000—

(A) issue a decision; or

(B) notify the contractor of the time within which a decision will be issued.

(3) The decision of a contracting officer on submitted claims shall be issued within a reasonable time, in accordance with regulations promulgated by the agency, taking into account such factors as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the contractor.

(4) A contractor may request the tribunal concerned to direct a contracting officer to issue a decision in a specified period of time, as determined by the tribunal concerned, in the event of undue delay on the part of the contracting officer.

(5) Any failure by the contracting officer to issue a decision on a contract claim within the period required will be deemed to be a decision by the contracting officer denying the claim and will authorize the commencement of the appeal or suit on the claim as otherwise provided in this chapter. However, in the event an appeal or suit is so commenced in the absence of a prior decision by the contracting officer, the tribunal concerned may, at its option,

stay the proceedings to obtain a decision on the claim by the contracting officer.

(6) The contracting officer shall have no obligation to render a final decision on any claim of more than \$100,000 that is not certified in accordance with paragraph (1) if, within 60 days after receipt of the claim, the contracting officer notifies the contractor in writing of the reasons why any attempted certification was found to be defective. A defect in the certification of a claim shall not deprive a court or an agency board of contract appeals of jurisdiction over that claim. Prior to the entry of a final judgment by a court or a decision by an agency board of contract appeals, the court or agency board shall require a defective certification to be corrected.

(7) The certification required by paragraph (1) may be executed by any person duly authorized to bind the contractor with respect to the claim.

(d) **ALTERNATIVE MEANS OF DISPUTE RESOLUTION.**—Notwithstanding any other provision of this chapter, a contractor and a contracting officer may use any alternative means of dispute resolution under subchapter IV of chapter 5 of Title 5, or other mutually agreeable procedures, for resolving claims. In a case in which such alternative means of dispute resolution or other mutually agreeable procedures are used, the contractor shall certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of his or her knowledge and belief, and that the amount requested accurately reflects the contract adjustment for which the contractor believes the Government is liable. All provisions of subchapter IV of chapter 5 of Title 5 shall apply to such alternative means of dispute resolution.

(e) **CESSATION OF AUTHORITY IN DISPUTE RESOLUTION; PROCEDURES REGARDING SMALL BUSINESS CONTRACTORS.**—The authority of agencies to engage in alternative means of dispute resolution proceedings under subsection (d) of this section shall cease to be effective on October 1, 1999, except that such authority shall continue in effect with respect to then pending dispute resolution proceedings which, in the judgment of the agencies that are parties to such proceedings, require such continuation, until such proceedings terminate. In any case in which the contracting officer rejects a contractor's request for alternative dispute resolution proceedings, the contracting officer shall provide the contractor with a written explanation, citing one or more of the conditions in section 572(b) of Title 5, or such other specific reasons that alternative dispute resolution procedures are inappropriate for the resolution of the dispute. In any case in which a contractor rejects a request of an agency for alternative dispute resolution proceedings, the contractor shall inform the agency in writing of the contractor's specific reasons for rejecting the request.

SEC. 611. INTEREST.

Interest on amounts found due contractors on claims shall be paid to the contractor from the date the contracting officer receives the claim pursuant to section 605(a) of this title from the contractor until payment thereof. The interest provided for in this section shall be paid at the rate established by the Secretary of the Treas-

ury pursuant to Public Law 92–41 (85 Stat. 97) for the Renegotiation Board.

OF 1996**

Debt Collection Improvement Act of 1996¹⁴

(Public Law 104–134)

(a)(1) This section may be cited as the “Debt Collection Improvement Act of 1996”.

(2)(A) IN GENERAL.—The provisions of this section and the amendments made by this section shall take effect on the date of the enactment of this Act.

(B) OFFSETS FROM SOCIAL SECURITY PAYMENTS, ETC.—Subparagraph (A) of section 3716(c)(3) of title 31, United States Code (as added by subsection (d)(2) of this section), shall apply only to payments made after the date which is 4 months after the date of the enactment of this Act.

(b) The purposes of this section are the following:

(1) To maximize collections of delinquent debts owed to the Government by ensuring quick action to enforce recovery of debts and the use of all appropriate collection tools.

(2) To minimize the costs of debt collection by consolidating related functions and activities and utilizing interagency teams.

(3) To reduce losses arising from debt management activities by requiring proper screening of potential borrowers, aggressive monitoring of all accounts, and sharing of information within and among Federal agencies.

(4) To ensure that the public is fully informed of the Federal Government’s debt collection policies and that debtors are cognizant of their financial obligations to repay amounts owed to the Federal Government.

(5) To ensure that debtors have all appropriate due process rights, including the ability to verify, challenge, and compromise claims, and access to administrative appeals procedures which are both reasonable and protect the interests of the United States.

(6) To encourage agencies, when appropriate, to sell delinquent debt, particularly debts with underlying collateral.

(7) To rely on the experience and expertise of private sector professionals to provide debt collection services to Federal agencies.

(c) Chapter 37 of title 31, United States Code, is amended—

(1) in each of sections 3711, 3716, 3717, and 3718, by striking “the head of an executive or legislative agency” each place it appears and inserting “the head of an executive, judicial, or legislative agency”; and

(2) by amending section 3701(a)(4) to read as follows:

¹⁴This Act is Section 31001 of Public Law 104–134, the “Omnibus Consolidated Rescissions and Appropriations Act of 1996,” enacted on April 26, 1996.

“(4) ‘executive, judicial, or legislative agency’ means a department, agency, court, court administrative office, or instrumentality in the executive, judicial, or legislative branch of Government, including government corporations.”

“(c) In sections 3716 and 3717 of this title, the term ‘person’ does not include an agency of the United States Government.”

(2) REQUIREMENTS AND PROCEDURES.—Section 3716 of title 31, United States Code, is amended—

(A) by amending subsection (b) to read as follows:

“(b) Before collecting a claim by administrative offset, the head of an executive, judicial, or legislative agency must either—

“(1) adopt, without change, regulations on collecting by administrative offset promulgated by the Department of Justice, the General Accounting Office, or the Department of the Treasury; or

“(2) prescribe regulations on collecting by administrative offset consistent with the regulations referred to in paragraph (1).”;

(B) by amending subsection (c)(2) to read as follows:

“(2) when a statute explicitly prohibits using administrative offset or setoff to collect the claim or type of claim involved.”

(C) by redesignating subsection (c) as subsection (e); and

(D) by inserting after subsection (b) the following new subsections:

“(c)(1)(A) Except as otherwise provided in this subsection, a disbursing official of the Department of the Treasury, the Department of Defense, the United States Postal Service, or any other government corporation, or any disbursing official of the United States designated by the Secretary of the Treasury, shall offset at least annually the amount of a payment which a payment certifying agency has certified to the disbursing official for disbursement, by an amount equal to the amount of a claim which a creditor agency has certified to the Secretary of the Treasury pursuant to this subsection.

“(B) An agency that designates disbursing officials pursuant to section 3321(c) of this title is not required to certify claims arising out of its operations to the Secretary of the Treasury before such agency’s disbursing officials offset such claims.

“(C) Payments certified by the Department of Education under a program administered by the Secretary of Education under title IV of the Higher Education Act of 1965 shall not be subject to administrative offset under this subsection.

“(2) Neither the disbursing official nor the payment certifying agency shall be liable—

“(A) for the amount of the administrative offset on the basis that the underlying obligation, represented by the payment before the administrative offset was taken, was not satisfied; or

“(B) for failure to provide timely notice under paragraph (8).

“(3)(A)(i) Notwithstanding any other provision of law (including sections 207 and 1631(d)(1) of the Social Security Act (42 U.S.C. 407 and 1383(d)(1)), section 413(b) of Public Law 91-173 (30 U.S.C.

923(b)), and section 14 of the Act of August 29, 1935 (45 U.S.C. 231m)), except as provided in clause (ii), all payments due to an individual under—

“(I) the Social Security Act,

“(II) part B of the Black Lung Benefits Act, or

“(III) any law administered by the Railroad Retirement Board (other than payments that such Board determines to be tier 2 benefits), shall be subject to offset under this section.

“(ii) An amount of \$9,000 which a debtor may receive under Federal benefit programs cited under clause (i) within a 12-month period shall be exempt from offset under this subsection. In applying the \$9,000 exemption, the disbursing official shall—

“(B) The Secretary of the Treasury shall exempt from administrative offset under this subsection payments under means-tested programs when requested by the head of the respective agency. The Secretary may exempt other payments from administrative offset under this subsection upon the written request of the head of a payment certifying agency. A written request for exemption of other payments must provide justification for the exemption under standards prescribed by the Secretary. Such standards shall give due consideration to whether administrative offset would tend to interfere substantially with or defeat the purposes of the payment certifying agency’s program. The Secretary shall report to the Congress annually on exemptions granted under this section.

“(C) The provisions of sections 205(b)(1) and 1631(c)(1) of the Social Security Act shall not apply to any administrative offset executed pursuant to this section against benefits authorized by either title II or title XVI of the Social Security Act, respectively.

“(4) The Secretary of the Treasury may charge a fee sufficient to cover the full cost of implementing this subsection. The fee may be collected either by the retention of a portion of amounts collected pursuant to this subsection, or by billing the agency referring or transferring a claim for those amounts. Fees charged to the agencies shall be based on actual administrative offsets completed. Amounts received by the United States as fees under this subsection shall be deposited into the account of the Department of the Treasury under section 3711(g)(7) of this title, and shall be collected and accounted for in accordance with the provisions of that section.

“(5) The Secretary of the Treasury in consultation with the Commissioner of Social Security and the Director of the Office of Management and Budget, may prescribe such rules, regulations, and

procedures as the Secretary of the Treasury considers necessary to carry out this subsection. The Secretary shall consult with the heads of affected agencies in the development of such rules, regulations, and procedures.

“(6) Any Federal agency that is owed by a person a past due, legally enforceable nontax debt that is over 180 days delinquent, including nontax debt administered by a third party acting as an agent for the Federal Government, shall notify the Secretary of the Treasury of all such nontax debts for purposes of administrative offset under this subsection.

“(7)(A) The disbursing official conducting an administrative offset with respect to a payment to a payee shall notify the payee in writing of—

“(i) the occurrence of the administrative offset to satisfy a past due legally enforceable debt, including a description of the type and amount of the payment otherwise payable to the payee against which the offset was executed;

“(ii) the identity of the creditor agency requesting the offset; and

“(iii) a contact point within the creditor agency that will handle concerns regarding the offset.

“(B) If the payment to be offset is a periodic benefit payment, the disbursing official shall take reasonable steps, as determined by the Secretary of the Treasury, to provide the notice to the payee not later than the date on which the payee is otherwise scheduled to receive the payment, or as soon as practical thereafter, but no later than the date of the administrative offset. Notwithstanding the preceding sentence, the failure of the debtor to receive such notice shall not impair the legality of such administrative offset.

“(8) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over requests for administrative offset pursuant to other laws.

“(d) Nothing in this section is intended to prohibit the use of any other administrative offset authority existing under statute or common law.”.

“(f) The Secretary may waive the requirements of sections 552a(o) and (p) of title 5 for administrative offset or claims collection upon written certification by the head of a State or an executive, judicial, or legislative agency seeking to collect the claim that the requirements of subsection (a) of this section have been met.

“(g) The Data Integrity Board of the Department of the Treasury established under 552a(u) of title 5 shall review and include in reports under paragraph (3)(D) of that section a description of any matching activities conducted under this section. “(A) provide such recipient the program names (and any identifying numbers) from which such awards are derived, and the Federal requirements which govern the use of such awards and the requirements of this chapter; and

“(i) If an audit conducted pursuant to this section discloses any audit findings, as defined by the Director, including material non-compliance with individual compliance requirements for a major program by, or reportable conditions in the internal controls of, the non-Federal entity with respect to the matters described in subsection (e), the non-Federal entity shall submit to Federal officials designated by the Director, a plan for corrective action to eliminate such audit findings or reportable conditions or a statement describing the reasons that corrective action is not necessary. Such plan shall be consistent with the audit resolution standard promulgated

“§ 7503. Relation to other audit requirements

“(a) An audit conducted in accordance with this chapter shall be in lieu of any financial audit of Federal awards which a non-Federal entity is required to undergo under any other Federal law or regulation. To the extent that such audit provides a Federal agency with the information it requires to carry out its responsibilities under Federal law or regulation, a Federal agency shall rely upon and use that information.

“(b) Notwithstanding subsection (a), a Federal agency may conduct or arrange for additional audits which are necessary to carry out its responsibilities under Federal law or regulation. The provisions of this chapter do not authorize any non-Federal entity (or subrecipient thereof) to constrain, in any manner, such agency from carrying out or arranging for such additional audits, except that the Federal agency shall plan such audits to not be duplicative of other audits of Federal awards.

“(c) The provisions of this chapter do not limit the authority of Federal agencies to conduct, or arrange for the conduct of, audits and evaluations of Federal awards, nor limit the authority of any Federal agency Inspector General or other Federal official.

“(d) Subsection (a) shall apply to a non-Federal entity which undergoes an audit in accordance with this chapter even though it is not required by section 7502(a) to have such an audit.

“(e) A Federal agency that provides Federal awards and conducts or arranges for audits of non-Federal entities receiving such awards that are in addition to the audits of non-Federal entities conducted pursuant to this chapter shall, consistent with other applicable law, arrange for funding the full cost of such additional audits. Any such additional audits shall be coordinated with the Federal agency determined under criteria issued under section 7504 to preclude duplication of the audits conducted pursuant to this chapter or other additional audits.

“(f) Upon request by a Federal agency or the Comptroller General, any independent auditor conducting an audit pursuant to this chapter shall make the auditor’s working papers available to the Federal agency or the Comptroller General as part of a quality review, to resolve audit findings, or to carry out oversight responsibilities consistent with the purposes of this chapter. Such access to auditor’s working papers shall include the right to obtain copies.

“§ 7504. Federal agency responsibilities and relations with non-Federal entities

“(a) Each Federal agency shall, in accordance with guidance issued by the Director under section 7505, with regard to Federal awards provided by the agency—

“(1) monitor non-Federal entity use of Federal awards, and

“(2) assess the quality of audits conducted under this chapter for audits of entities for which the agency is the single Federal agency determined under subsection (b).

“(b) Each non-Federal entity shall have a single Federal agency, determined in accordance with criteria established by the Director, to provide the non-Federal entity with technical assistance and assist with implementation of this chapter.

“(c) The Director shall designate a Federal clearinghouse to—

“(1) receive copies of all reporting packages developed in accordance with this chapter;

“(2) identify recipients that expend \$300,000 or more in Federal awards or such other amount specified by the Director under section 7502(a)(3) during the recipient’s fiscal year but did not undergo an audit in accordance with this chapter; and

“(3) perform analyses to assist the Director in carrying out responsibilities under this chapter.

“§ 7505. Regulations

“(a) The Director, after consultation with the Comptroller General, and appropriate officials from Federal, State, and local governments and nonprofit organizations shall prescribe guidance to implement this chapter. Each Federal agency shall promulgate such amendments to its regulations as may be necessary to conform such regulations to the requirements of this chapter and of such guidance.

“(b)(1) The guidance prescribed pursuant to subsection (a) shall include criteria for determining the appropriate charges to Federal awards for the cost of audits. Such criteria shall prohibit a non-Federal entity from charging to any Federal awards—

“(A) the cost of any audit which is—

“(i) not conducted in accordance with this chapter; or

“(ii) conducted in accordance with this chapter when expenditures of Federal awards are less than amounts cited in section 7502(a)(1)(A) or specified by the Director under section 7502(a)(3), except that the Director may allow the cost of limited scope audits to monitor subrecipients in accordance with section 7502(f)(2)(B); and

“(B) more than a reasonably proportionate share of the cost of any such audit that is conducted in accordance with this chapter.

“(2) The criteria prescribed pursuant to paragraph (1) shall not, in the absence of documentation demonstrating a higher actual cost, permit the percentage of the cost of audits performed pursuant to this chapter charged to Federal awards, to exceed the ratio of total Federal awards expended by such non-Federal entity during the applicable fiscal year or years, to such non-Federal entity’s total expenditures during such fiscal year or years.

“(c) Such guidance shall include such provisions as may be necessary to ensure that small business concerns and business concerns owned and controlled by socially and economically disadvantaged individuals will have the opportunity to participate in the performance of contracts awarded to fulfill the audit requirements of this chapter.

“§ 7506. Monitoring responsibilities of the Comptroller General

“(a) The Comptroller General shall review provisions requiring financial audits of non-Federal entities that receive Federal awards that are contained in bills and resolutions reported by the committees of the Senate and the House of Representatives.

“(b) If the Comptroller General determines that a bill or resolution contains provisions that are inconsistent with the requirements of this chapter, the Comptroller General shall, at the earliest practicable date, notify in writing—

“(1) the committee that reported such bill or resolution; and

“(2)(A) the Committee on Governmental Affairs of the Senate (in the case of a bill or resolution reported by a committee of the Senate); or

“(B) the Committee on Government Reform and Oversight of the House of Representatives (in the case of a bill or resolution reported by a committee of the House of Representatives).

“§ 7507. Effective date

“This chapter shall apply to any non-Federal entity with respect to any of its fiscal years which begin after June 30, 1996.”.

SEC. 3. TRANSITIONAL APPLICATION.

Subject to section 7507 of title 31, United States Code (as amended by section 2 of this Act) the provisions of chapter 75 of such title (before amendment by section 2 of this Act) shall continue to apply to any State or local government with respect to any of its fiscal years beginning before July 1, 1996.

DEFINITIONS

SEC. 1011. For purposes of this part—

(1) “deferral of budget authority” includes—

(A) withholding or delaying the obligation or expenditure of budget authority (whether by establishing reserves or otherwise) provided for projects or activities; or

(2) “Comptroller General” means the Comptroller General of the United States;

(3) “rescission bill” means a bill or joint resolution which only rescinds, in whole or in part, budget authority proposed to be rescinded in a special message transmitted by the President under section 1012, and upon which the Congress completes action before the end of the first period of 45 calendar days of continuous session of the Congress after the date on which the President’s message is received by the Congress;

(4) “impoundment resolution” means a resolution of the House of Representatives or the Senate which only expresses its disapproval of a proposed deferral of budget authority set forth in a special message transmitted by the President under section 1013; and

If a special message is transmitted under section 1012 during any Congress and the last session of such Congress adjourns sine die before the expiration of 45 calendar days of continuous session (or a special message is so transmitted after the last session of the Congress adjourns sine die), the message shall be deemed to have been retransmitted on the first day of the succeeding Congress and the 45-day period referred to in paragraph (3) of this section and in section 1012 (with respect to such message) shall commence on the day after such first day.

SEC. 1012. (a) TRANSMITTAL OF SPECIAL MESSAGE.—Whenever the President determines that all or part of any budget authority will not be required to carry out the full objectives or scope of programs for which it is provided or that such budget authority should be rescinded for fiscal policy or other reasons (including the termination of authorized projects or activities for which budget authority has been provided), or whenever all or part of budget authority provided for only one fiscal year is to be reserved from obligation

for such fiscal year, the President shall transmit to both Houses of Congress a special message specifying—

- (1) the amount of budget authority which he proposes to be rescinded or which is to be so reserved;
- (2) any account, department, or establishment of the Government to which such budget authority is available for obligation, and the specific project or governmental functions involved;
- (3) the reasons why the budget authority should be rescinded or is to be so reserved;
- (4) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect of the proposed rescission or of the reservation; and
- (5) all facts, circumstances, and considerations relating to or bearing upon the proposed rescission or the reservation and the decision to effect the proposed rescission or the reservation, and to the maximum extent practicable, the estimated effect of the proposed rescission or the reservation upon the objects, purposes, and programs for which the budget authority is provided.

(b) REQUIREMENT TO MAKE AVAILABLE FOR OBLIGATION.—Any amount of budget authority proposed to be rescinded or that is to be reserved as set forth in such special message shall be made available for obligation unless, within the prescribed 45-day period, the Congress has completed action on a rescission bill rescinding all or part of the amount proposed to be rescinded or that is to be reserved.

DISAPPROVAL OF PROPOSED DEFERRALS OF BUDGET AUTHORITY

SEC. 1013. (a) TRANSMITTAL OF SPECIAL MESSAGE.—Whenever the President, the Director of the Office of Management and Budget, the head of any department or agency of the United States, or any officer or employee of the United States proposes to defer any budget authority provided for a specific purpose or project, the President shall transmit to the House of Representatives and the Senate a special message specifying—

- (3) the period of time during which the budget authority to be deferred;
- (4) the reasons for the proposed deferral, including any legal authority invoked by him to justify the proposed deferral;
- (5) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect of the proposed deferral; and
- (6) all facts, circumstances, and considerations relating to or bearing upon the proposed deferral and the decision to effect the proposed deferral, including an analysis of such facts, circumstances, and considerations in terms of their application to any legal authority and specific elements of legal authority invoked by him to justify such proposed deferral, and to the maximum extent practicable, the estimated effect of the proposed

deferral upon the objects, purposes, and programs for which the budget authority is provided.

A special message may include one or more proposed deferrals of budget authority. A deferral may not be proposed for any period of time extending beyond the end of the fiscal year in which the special message proposing the deferral is transmitted to the House and the Senate.

(b) REQUIREMENT TO MAKE AVAILABLE FOR OBLIGATION.—Any amount of budget authority proposed to be deferred, as set forth in a special message transmitted under subsection (a), shall be made available for obligation if either House of Congress passes an impoundment resolution disapproving such proposed deferral.

(c) EXCEPTION.—The provisions of this section do not apply to any budget authority proposed to be rescinded or that is to be reserved as set forth in a special message required to be transmitted under section 1012.

(a) DELIVERY TO HOUSE AND SENATE.—Each special message transmitted under section 1012 or 1013 shall be transmitted to the House of Representatives and the Senate on the same day, and shall be delivered to the Clerk of the House of Representatives if the House is not in session, and to the Secretary of the Senate if the Senate is not in session. Each special message so transmitted shall be referred to the appropriate committee of the House of Representatives and the Senate. Each such message shall be printed as a document of each House.

(b) DELIVERY TO COMPTROLLER GENERAL.—A copy of each special message transmitted under section 1012 or 1013 shall be transmitted to the Comptroller General on the same day it is transmitted to the House of Representatives and the Senate. In order to assist the Congress in the exercise of its functions under sections 1012 and 1013, the Comptroller General shall review each such message and inform the House of Representatives and the Senate as promptly as practicable with respect to—

(1) in the case of a special message transmitted under section 1012, the facts surrounding the proposed rescission or the reservation of budget authority (including the probable effects thereof); and

(2) in the case of a special message transmitted under section 1013, (A) the facts surrounding each proposed deferral of budget authority (including the probable effects thereof) and (B) whether or not (or to what extent), in his judgment, such proposed deferral is in accordance with existing statutory authority.

(c) TRANSMISSION OF SUPPLEMENTARY MESSAGES.—If any information contained in a special message transmitted under section 1012 or 1013 is subsequently revised, the President shall transmit to both Houses of Congress and the Comptroller General a supplementary message stating and explaining such revision. Any such supplementary message shall be delivered, referred, and printed as provided in subsection (a). The Comptroller General shall promptly notify the House of Representatives and the Senate of any changes

in the information submitted by him under his subsection (b) which may be necessitated by such revision.

(d) **PRINTING IN FEDERAL REGISTER.**—Any special message transmitted under section 1012 or 1013, and any supplementary message transmitted under subsection (c) shall be printed in the first issue of the Federal Register published after such transmittal.

(e) **CUMULATIVE REPORTS OF PROPOSED RESCISSIONS, RESERVATIONS, AND DEFERRALS OF BUDGET AUTHORITY.**—

(1) The President shall submit a report to the House of Representatives and the Senate, not later than the 10th day of each month during a fiscal year, listing all budget authority for that fiscal year with respect to which, as of the first day of such month—

(A) he has transmitted a special message under section 1012 with respect to a proposed rescission or a reservation; and

(B) he has transmitted a special message under section 1013 proposing a deferral.

Such report shall also contain, with respect to each such proposed rescission or deferral, or each such reservation, the information required to be submitted in the special message with respect thereto under section 1012 or 1013.

(2) Each report submitted under paragraph (1) shall be printed in the first issue of the Federal Register published after its submission.

REPORTS BY COMPTROLLER GENERAL

SEC. 1015. (a) FAILURE TO TRANSMIT SPECIAL MESSAGE.—If the Comptroller General finds that the President, the Director of the Office of Management and Budget, the head of any department or agency of the United States, or any other officer or employee of the United States—

(1) is to establish a reserve or proposes to defer budget authority with respect to which the President is required to transmit a special message under section 1012 or 1013; or

(2) has ordered, permitted, or approved the establishment of such a reserve or a deferral of budget authority;

and that the President has failed to transmit a special message with respect to such reserve or deferral, the Comptroller General shall make a report on such reserve or deferral and any available information concerning it to both Houses of Congress. The provisions of this part shall apply with respect to such reserve or deferral in the same manner and with the same effect as if such report of the Comptroller General were a special message transmitted by the President under section 1012 or 1013, and, for purposes of this part, such report shall be considered a special message transmitted under section 1012 or 1013.

(b) **INCORRECT CLASSIFICATION OF SPECIAL MESSAGE.**—If the President has transmitted a special message to both Houses of Congress in accordance with section 1012 or 1013, and the Comptroller General believes that the President so transmitted the special message in accordance with one of those sections when the special message should have been transmitted in accordance with the

other of those sections, the Comptroller General shall make a report to both Houses of the Congress setting forth his reasons.

SUITS BY COMPTROLLER GENERAL

SEC. 1016. If, under section 1012(b) or 1013(b), budget authority is required to be made available for obligation and such budget authority is not made available for obligation, the Comptroller General is hereby expressly empowered through attorneys of his own selection, to bring a civil action in the United States District Court for the District of Columbia to require such budget authority to be made available for obligation, and such court is hereby expressly empowered to enter in such civil action, against any department, agency, officer, or employee of the United States, any decree, judgment, or order which may be necessary or appropriate to make such budget authority available for obligation. The courts shall give precedence to civil actions brought under this section, and to appeals and writs from decisions in such actions, over all other civil actions, appeals, and writs. No civil action shall be brought by the Comptroller General under this section until the expiration of 25 calendar days of continuous session of the Congress following the date on which an explanatory statement by the Comptroller General of the circumstances giving rise to the action contemplated has been filed with the Speaker of the House of Representatives and the President of the Senate.

PROCEDURE IN HOUSE AND SENATE

SEC. 1017. (a) REFERRAL.—Any rescission bill introduced with respect to a special message or impoundment resolution introduced with respect to a proposed deferral of budget authority shall be referred to the appropriate committee of the House of Representatives or the Senate, as the case may be.

(b) DISCHARGE OF COMMITTEE.—

(1) If the committee to which a rescission bill or impoundment resolution has been referred has not reported it at the end of 25 calendar days of continuous session of the Congress after its introduction, it is in order to move either to discharge the committee from further consideration of the bill or resolution or to discharge the committee from further consideration of any other rescission bill with respect to the same special message or impoundment resolution with respect to the same proposed deferral, as the case may be, which has been referred to the committee.

(2) A motion to discharge may be made only by an individual favoring the bill or resolution, may be made only if supported by one-fifth of the Members of the House involved (a quorum being present), and is highly privileged in the House and privileged in the Senate (except that it may not be made after the committee has reported a bill or resolution with respect to the same special message or the same proposed deferral, as the case may be); and debate thereon shall be limited to not more than 1 hour, the time to be divided in the House equally between those favoring and those opposing the bill or resolution, and to be divided in the Senate equally between, and con-

trolled by, the majority leader and the minority leader or their designees. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(c) FLOOR CONSIDERATION IN THE HOUSE.—

(1) When the committee of the House of Representatives has reported, or has been discharged from further consideration of, a rescission bill or impoundment resolution, it shall at any time thereafter be in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the bill or resolution. The motion shall be highly privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(2) Debate on a rescission bill or impoundment resolution shall be limited to not more than 2 hours, which shall be divided equally between those favoring and those opposing the bill or resolution. A motion further to limit debate shall not be debatable. In the case of an impoundment resolution, no amendment to, or motion to recommit, the resolution shall be in order. It shall not be in order to move to reconsider the vote by which a rescission bill or impoundment resolution is agreed to or disagreed to.

(3) Motions to postpone, made with respect to the consideration of a rescission bill or impoundment resolution, and motions to proceed to the consideration of other business, shall be decided without debate.

(4) All appeals from the decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to any rescission bill or impoundment resolution shall be decided without debate.

(5) Except to the extent specifically provided in the preceding provisions of this subsection, consideration of any rescission bill or impoundment resolution and amendments thereto (or any conference report thereon) shall be governed by the Rules of the House of Representatives applicable to other bills and resolutions, amendments, and conference reports in similar circumstances.

(d) FLOOR CONSIDERATION IN THE SENATE.—

(1) Debate in the Senate on any rescission bill or impoundment resolution, and all amendments thereto (in the case of a rescission bill) and debatable motions and appeals in connection therewith, shall be limited to not more than 10 hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

(2) Debate in the Senate on any amendment to a rescission bill shall be limited to 2 hours, to be equally divided between, and controlled by, the mover and the manager of the bill. Debate on an amendment to an amendment, to such a bill, and debate on any debatable motion or appeal in connection with such a bill or an impoundment resolution shall be limited to 1, hours to be equally divided between, and controlled by, the mover and the manager of the bill or resolution, except that in

the event the manager of the bill or resolution is in favor of any such amendment, motion, or appeal, the time in opposition thereto, shall be controlled by the minority leader or his designee. No amendment that is not germane to the provisions of a rescission bill shall be received. Such leaders, or either of them, may, from time to time under their control on the passage of a rescission bill or impoundment resolution, allot additional time to any Senator during the consideration of any amendment, debatable motion, or appeal.

(3) A motion to further limit debate is not debatable. In the case of a rescission bill, a motion to recommit (except a motion to recommit with instructions to report back within a specified number of days, not to exceed 3, not counting any day on which the Senate is not in session) is not in order. (c) Each audit conducted pursuant to subsection (a) shall be conducted by an independent auditor in accordance with generally accepted government auditing standards, except that, for the purposes of this chapter, such standards shall not be construed to require economy and efficiency audits, program results audits, or program evaluations.

“(4) The number of transactions selected and tested under paragraphs (2) and (3), the selection and testing of such transactions, and the determinations required by such paragraphs shall be based on the professional judgment of the independent auditor.

“(5) Each State or local government which, in any fiscal year of such government, receives directly from the Department of the Treasury a total of \$25,000 or more under chapter 67 (*31 U.S.C. 6701 et seq.*) of this title (relating to general revenue sharing) and which is required to conduct an audit pursuant to this chapter for

such fiscal year shall not have the option provided by paragraph (1)(A) for such fiscal year.

“(6) A series of audits of individual departments, agencies, and establishments for the same fiscal year may be considered to be an audit for the purpose of this chapter.

“(e)(1) Each State and local government subject to the audit requirements of this chapter, which receives Federal financial assistance and provides \$25,000 or more of such assistance in any fiscal year to a subrecipient, shall

“(A) if the subrecipient conducts an audit in accordance with the requirements of this chapter, review such audit and ensure that prompt and appropriate corrective action is taken on instances of material noncompliance with applicable laws and regulations with respect to Federal financial assistance provided to the subrecipient by the State or local government; or

“(B) if the subrecipient does not conduct an audit in accordance with the requirements of this chapter

“(i) determine whether the expenditures of Federal financial assistance provided to the subrecipient by the State or local government are in accordance with applicable laws and regulations; and

“(2) Each such State and local government shall require each subrecipient of Federal assistance through such government to permit, as a condition of receiving funds from such assistance, the independent auditor of the State or local government to have such access to the subrecipient’s records and financial statements as may be necessary for the State or local government to comply with this chapter.

(f) The report made on any audit conducted pursuant to this section shall, within thirty days after completion of such report, be transmitted to the appropriate Federal officials and made available by the State or local government for public inspection.

(g) If an audit conducted pursuant to this section finds any material noncompliance with applicable laws and regulations by, or material weakness in the internal controls of, the State or local government with respect to the matters described in subsection (d)(2), the State or local government shall submit to appropriate Federal officials a plan for corrective action to eliminate such material noncompliance or weakness or a statement describing the reasons that corrective action is not necessary. Such plan shall be consistent with the audit resolution standard promulgated by the Comptroller General (as part of the standards for internal controls in the Federal Government) pursuant to section 3512(b) of this title. (31 U.S.C. 3512).

“§ 7503. Relation to other audit requirements (31 U.S.C. 7503)

“(a) An audit conducted in accordance with this chapter shall be in lieu of any financial or financial and compliance audit of an indi-

vidual Federal assistance program which a State or local government is required to conduct under any other Federal law or regulation. To the extent that such audit provides a Federal agency with the information it requires to carry out its responsibilities under Federal law or regulation, a Federal agency shall rely upon and use that information and plan and conduct its own audits accordingly in order to avoid a duplication of effort.

“(b) Notwithstanding subsection (a), a Federal agency shall conduct any additional audits which are necessary to carry out its responsibilities under Federal law or regulation. The provisions of this chapter do not authorize any State or local government (or subrecipient thereof) to constrain, in any manner, such agency from carrying out such additional audits.

“(c) The provisions of this chapter do not limit the authority of Federal agencies to conduct or enter into contracts for the conduct of, audits and evaluations of Federal financial assistance programs, nor limit the authority of any Federal agency Inspector General or other Federal audit official.

“(d) Subsection (a) shall apply to a State or local government which conducts an audit in accordance with this chapter even though it is not required by section 7502(a) to conduct such audit.

“(e) A Federal agency that performs or contracts for audits in addition to the audits conducted by recipients pursuant to this chapter shall, consistent with other applicable law, arrange for funding the cost of such additional audits. Such additional audits include economy and efficiency audits, program results audits, and program evaluations.

“SECTION 7504. Cognizant agency responsibilities (31 U.S.C. 7504)

“(a) The Director shall designate cognizant agencies for audits conducted pursuant to this chapter.

“(b) A cognizant agency shall—

“(1) ensure that audits are made in a timely manner and in accordance with the requirements of this chapter;

“(2) ensure that the audit reports and corrective action plans made pursuant to section 7502 of this title are transmitted to the appropriate Federal officials; and

“(3)(A) coordinate, to the extent practicable, audits done by or under contract with Federal agencies that are in addition to the audits conducted pursuant to this chapter; and (B) ensure that such additional audits build upon the audits conducted pursuant to this chapter.

“SECTION 7505. Regulations (31 U.S.C. 7505)

“(a) The Director, after consultation with the Comptroller General and appropriate Federal, State, and local government officials, shall prescribe policies, procedures, and guidelines to implement this chapter. Each Federal agency shall promulgate such amendments to its regulations as may be necessary to conform such regulations to the requirements of this chapter and of such policies, procedures, and guidelines.

“(b)(1) The policies, procedures, and guidelines prescribed pursuant to subsection (a) shall include criteria for determining the appropriate charges to programs of Federal financial assistance for the cost of audits. Such criteria shall prohibit a

State or local government which is required to conduct an audit pursuant to this chapter from charging to any such program (A) the cost of any financial or financial and compliance audit which is not conducted in accordance with this chapter, and (B) more than a reasonably proportionate share of the cost of any such audit that is conducted in accordance with this chapter.

“(2) The criteria prescribed pursuant to paragraph (1) shall not, in the absence of documentation demonstrating a higher actual cost, permit (A) the ratio of (i) the total charges by a government to Federal financial assistance programs for the cost of audits performed pursuant to this chapter, to (ii) the total cost of such audits, to exceed (B) the ratio of (i) total Federal financial assistance expended by such government during the applicable fiscal year or years, to (ii) such government’s total expenditures during such fiscal year or years.

“(c) Such policies, procedures, and guidelines shall include such provisions as may be necessary to ensure that small business concerns and business concerns owned and controlled by socially and economically disadvantaged individuals will have the opportunity to participate in the performance of contracts awarded to fulfill the audit requirements of this chapter.

“SECTION 7506. Monitoring responsibilities of the Comptroller General (*31 U.S.C. 7506*)

“The Comptroller General shall review provisions requiring financial or financial and compliance audits of recipients of Federal assistance that are contained in bills and resolutions reported by the committees of the Senate and the House of Representatives. If the Comptroller General determines that a bill or resolution contains provisions that are inconsistent with the requirements of this chapter, the Comptroller General shall, at the earliest practicable date, notify in writing

“(1) the committee that reported such bill or resolution; and

“(2)(A) the Committee on Governmental Affairs of the Senate (in the case of a bill or resolution reported by a committee of the Senate); or

“(B) the Committee on Government Operations of the House of Representatives in the case of a bill or resolution reported by a committee of the House of Representatives).

“SECTION 7507. Effective date; report (*31 U.S.C. 7507*)

“(a) This chapter shall apply to any State or local government with respect to any of its fiscal years which begin after December 31, 1984.

“(b) The Director, on or before May 1, 1987, and annually thereafter, shall submit to each House of Congress a report on operations under this chapter. Each such report shall specifically identify each Federal agency or State or local government which is failing to comply with this chapter”.

(b) The provisions of this Act shall not diminish or otherwise affect the authority of the Tennessee Valley Authority to conduct its own audits of any matter involving funds disbursed by the Tennessee Valley Authority.

Chief Financial Officers Act of 1990

Public Law 101–576

(104 Stat. 2838)

AN ACT To amend title 31, United States Code, to improve the general and financial management of the Federal Government by establishing a Chief Financial Officer of the United States within the Office of Management and Budget; by establishing a Chief Financial Officer within each executive department and within each major executive agency; and by requiring the development of systems that provide complete, accurate, and timely reporting of financial information.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I—GENERAL PROVISIONS

SEC. 101. SHORT TITLE.

This Act may be cited as the “Chief Financial Officers Act of 1990”.

SEC. 102. FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress finds the following:

(1) General management functions of the Office of Management and Budget need to be significantly enhanced to improve the efficiency and effectiveness of the Federal Government.

(2) Financial management functions of the Office of Management and Budget need to be significantly enhanced to provide overall direction and leadership in the development of a modern Federal financial management structure and associated systems.

(3) Billions of dollars are lost each year through fraud, waste, abuse, and mismanagement among the hundreds of programs in the Federal Government.

(4) These losses could be significantly decreased by improved management, including improved central coordination of internal controls and financial accounting.

(5) The Federal Government is in great need of fundamental reform in financial management requirements and practices as financial management systems are obsolete and inefficient, and do not provide complete, consistent, reliable, and timely information.

(6) Current financial reporting practices of the Federal Government do not accurately disclose the current and probable future cost of operating and investment decisions, including the future need for cash or other resources, do not permit adequate comparison of actual costs among executive agencies, and do not provide the timely information required for efficient management of programs.

(b) PURPOSES.—The purposes of this Act are the following:

(1) Bring more effective general and financial management practices to the Federal Government through statutory provisions which would establish in the Office of Management and Budget a Deputy Director for Management, establish an Office of Federal Financial Management headed by a Controller, and designate a Chief Financial Officer in each executive department and in each major executive agency in the Federal Government.

(2) Provide for improvement in each agency of the Federal Government, of systems of accounting, financial management, and internal controls to assure the issuance of reliable financial information and to deter fraud, waste, and abuse of Government resources.

(3) Provide for the production of complete, reliable, timely, and consistent financial information for use by the executive branch of the Government and the Congress in the financing, management, and evaluation of Federal programs.

APPENDIX I
A BRIEF EXPLANATION
OF THE
UNITED STATES CODE

THE UNITED STATES CODE

The United States Code (Code or U.S.C.) is divided into 50 major parts, called titles, by subject matter. The names of the 50 titles appear at the end of this appendix. Each title is subdivided into several categories and the most commonly used categories are chapters and sections. The chapters in each title are identified by subject matter and sequential numbers. However, the numbers in the series may be omitted. Each sequential section within a chapter contains the chapter number followed by the sequential number of the section.¹⁷

SECTIONS OF THE CODE CONTAINED IN THIS REPORT

This report consists primarily of selected provisions from Title 31, "Money and Finance," since this title contains most of the laws related to financial management. The provisions cover, among other subjects, the roles and responsibilities of governmental agencies involved in financial management (including agency Chief Financial Officers); the congressional fiscal and budget process; appropriations and appropriation accounting; the public debt; depositing, keeping and paying money; accounting and collection; claims process; prompt payment; and requirements for the single audit.

This report also includes selected sections from eight other titles of the Code in addition to Title 31. Selected provisions of these other titles provide further requirements of congressional budget and fiscal operations and governmental functions and processes relating to financial management. The codified laws included in this report were taken from the Code as of December 31, 1995. These eight titles are:

- Title 1, "General Provisions,"
- Title 2, "The Congress,"
- Title 5, "Government Organization and Employees,"
- Title 15, "Commerce and Trade,"
- Title 39, "Postal Service,"
- Title 40, "Public Buildings, Property and Works,"
- Title 41, "Public Contracts," and
- Title 44, "Public Printing and Documents."

ACTS INCLUDED IN THIS REPORT

This report also includes the recently enacted, but not yet codified, Debt Collection Improvement Act of 1996 and the Single Audit Act Amendments of 1996, because of their direct relationship to financial management. Further, 11 major laws dealing with financial management, although included in the provisions of the Code in

¹⁷ For example, Title 31, "Money and Finance," Chapter 35, "Accounting and Collection," section 3511, "Prescribing Accounting Requirements and Developing Accounting Systems" is generally referred to or cited as "31 U.S.C. 3511."

this report, also appear as originally enacted to provide users a historical perspective.

STATUTES AND PUBLIC LAWS

Officially enacted laws are bound in volumes (referred to as “Statutes at Large”) in chronological order of enactment. When citing a particular law, the volume number followed by the designation of “Stat.” (statute), followed by the page number of the volume is used. For example, the Chief Financial Officers Act of 1990, would be cited as “104 Stat. 2838,” meaning the 104th volume of the statutes at large, page 2,838.

Beginning in 1957, laws have been assigned Public law numbers. The public law number contains two numbers separated by a dash. The first number indicates the Congress and the second number indicates the law number. For example, the Chief Financial Officers Act of 1990, is Public Law 101–576; the first number indicating the 101st Congress and the second the law number.

Prior to 1957, statute citations usually included a chapter number. For example, the Budget and Accounting Act of 1921, is cited as “Chapter 18, 42 Stat. 20.”

APPENDIX II
A BRIEF EXPLANATION
OF THE
CODE OF FEDERAL REGULATIONS

THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations (C.F.R.) is a codification of the general and permanent rules issued mostly by executive departments and agencies of the federal government. The C.F.R., published by the Director of the *Federal Register*, is a special edition of the *Federal Register* containing a compilation of federal regulations.

The C.F.R. is divided into 50 parts called titles (48 active, two reserved). The titles are listed on the following page. They represent broad areas subject to federal regulation.¹⁸ Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas. The parts are numbered sequentially throughout the title.¹⁹

The C.F.R. and the individual issues of the *Federal Register* (after the latest revision of the C.F.R.) provide the latest version of any given rule. Each title of the C.F.R., which is contained in one or two separate volumes, is revised at least once each calendar year.

The C.F.R. citations in this report are taken from the "C.F.R. Index and Finding Aids," revised as of January 1, 1995. The C.F.R. citations, where applicable, appear at the end of each chapter of the United States Code included in this report, with the section of the Code listed sequentially followed by the applicable C.F.R. citation(s). Of the 48 active titles of the C.F.R., 42 titles are cited in this report.

¹⁸ Although the C.F.R. contains 50 titles, as does the Code, it is organized differently from the Code. Consequently, requirements related to a specific subject matter covered in one section of the Code may appear in several titles of the C.F.R.

¹⁹ The C.F.R. citation contains the number of the title followed by the abbreviation "C.F.R.," followed by the part number; such as 31 C.F.R. 333.

APPENDIX III
FINANCIAL MANAGEMENT ISSUANCES
OF THE
GENERAL ACCOUNTING OFFICE

The General Accounting Office

The General Accounting Office (GAO) was established by the Budget and Accounting Act of 1921 (31 U.S.C. 702) to independently audit Government agencies. The Office is under the control and direction of the Comptroller General of the United States who is appointed by the President with the advice and consent of the Senate for a term of 15 years. GAO is an investigative arm of the Congress and is charged with examining all matters relating to the receipt and disbursement of public funds. GAO's primary role is to ensure that the Congress has available for its use current, accurate, and complete financial management data. GAO also prescribes accounting principles and standards for the executive branch; advises other federal agencies on fiscal and related policies and procedures; and prescribes standards for auditing and evaluating Government programs.

This appendix is divided into two parts. The first contains a description of GAO's issuances and the second contains a cross-index listing of the sections of the Code in sequential order followed by the related GAO issuance.

Description of Issuances

The primary sources of requirements and guidelines issued by GAO related to financial management are contained in the *Policy and Procedures Manual* and *Government Auditing Standards* as explained below.

Policy Manual

The GAO *Policy and Procedures Manual for Guidance of Federal Agencies* contains the requirements agencies are to follow in accounting, internal controls, and related financial management subjects. The manual is divided into eight major parts called titles. The titles applicable to the Code in this report on financial management follow.

Title 2, "Accounting." This title contains the accounting, accounting system, and internal control principles, standards, and related requirements.

Appendix I, "Principles and Standards"	31 U.S.C. 3511. 31 U.S.C. 3512(c). 31 U.S.C. 3512(d).

Appendix III, "Accounting Systems Standards"	31 U.S.C. 3511.

Title 6, "Pay, Leave, and Allowances." This title contains the internal control and related requirements pertaining to time and attendance and payroll. (31 U.S.C. 3511)

Title 7, "Fiscal Procedures." This title contains internal controls and related requirements pertaining to receipt and payment of funds and recording, using, and reporting budget authority. (31 U.S.C. 3511)

Auditing Standards

The *Government Auditing Standards* (also called the "Yellow Book") contains the standards for audits of government organizations, programs, activities, and functions, and of government assistance received by contractors, nonprofit organizations, and other nongovernment organizations. These standards, often referred to as generally accepted government auditing standards (GAGAS), are to be followed by auditors and audit organizations when required by law, regulation, agreement, or policy. The standards pertain to auditors' professional qualifications, the quality of the audit effort, and the characteristics of professional and meaningful audit reports.

OFFICE OF MANAGEMENT AND BUDGET

THE OFFICE OF MANAGEMENT AND BUDGET

The Office of Management and Budget (OMB), formerly the Bureau of the Budget, was established in the Executive Office of the President pursuant to Reorganization Plan No. 1 of 1939 (5 U.S.C. app.). The Office is headed by the Director, who is appointed by the President and confirmed by the Senate. OMB evaluates, formulates, and coordinates management procedures and program objectives within and among federal departments and agencies. The Office's primary fiscal responsibilities include: assisting the President in preparing the Budget and formulating the federal government's fiscal program; supervising the control of the budgetary administration of the Executive Branch; and establishing and overseeing the implementation of financial management policies and requirements for the federal government.

This appendix is divided into two parts. The first contains a description of the OMB's issuances pertaining to financial management requirements and the second contains a listing of the Code's section with the related OMB issuance.

DESCRIPTION OF ISSUANCES

The primary issuances of OMB related to financial management requirements are its Circulars and Bulletins.

Circulars, identified by the letter "A" and containing a sequential number in the order of issuance, are used when the nature of the subject matter is of continuing use. Between 1952 and December 31, 1995, OMB issued 135 Circulars. Of the 135, 98 have been superseded or rescinded, leaving 37 still applicable. Of the 37, 18 pertain to the financial management requirements relating to the sections of the Code contained in this report. The applicable 18 are listed below.

APPENDIX V
FINANCIAL MANAGEMENT ISSUANCES
OF THE
DEPARTMENT OF TREASURY

THE DEPARTMENT OF THE TREASURY

The Department of the Treasury (Treasury) was created by an act of September 2, 1789 (31 U.S.C. 301 and 301 note). Many subsequent acts have figured in the development of Treasury, delegating new duties to its charge and establishing the numerous bureaus and divisions that now comprise the Treasury. Headed by the Secretary, the Treasury performs four basic functions: formulating and recommending economic, financial, tax, and fiscal policies; serving as the financial agent for the U.S. Government; enforcing the law; and manufacturing coins and currency. Its fiscal responsibilities also include managing the public debt by improving cash management, debt collection, and credit administration on a government wide basis.

This appendix is divided into two parts. The first contains a description of Treasury's issuances pertaining to financial management requirements and the second contains a cross-index listing of the section of the Code in sequential order followed by the related Treasury issuance.

DESCRIPTION OF ISSUANCES

The primary issuance of the Treasury related to financial management requirements is the *Treasury Financial Manual* (TFM). The TFM contains six volumes, with only Volume 1 having parts applicable to the sections of the Code included in this report. Volume 1 includes instructions for financial accounting and reporting of all receipts and disbursements of the federal government. The volume is divided into six parts, each part containing several chapters. The applicable parts and chapters of Volume 1 follow.

APPENDIX VIII
THE COST ACCOUNTING
STANDARDS BOARD

Cost Accounting Standards Board

Referenced to 41 U.S.C. 422

The Cost Accounting Standards Board (CASB) was established as an independent board within the OMB's Office of Federal Procurement Policy. The CASB has exclusive authority to make, promulgate, amend, and rescind cost accounting standards and interpretations designed to achieve uniformity and consistency in cost accounting practices governing measurement, assignment, and allocation of costs to contracts and subcontracts with the federal government. The Board is a successor to the previous CASB which existed from 1970 to 1980. The CASB standards and requirements are codified in the Code of Federal Regulations (48 C.F.R. 9901 and 9903-9905).

Although the CASB standards and requirements primarily pertain to government contractors, they may be referred to as authoritative guidance by federal agencies in specific subject areas (for example, determining which specific costs are part of pension costs) not covered by standards applicable to agencies.

For additional information, contact the Cost Accounting Standards Board, Office of Federal Procurement Policy, Office of Management and Budget, Washington, DC 20503, (202) 395-3254.

APPENDIX IX

**POPULAR NAMES OF SELECTED
MAJOR LAWS CROSS-INDEXED
TO SECTIONS OF THE
UNITED STATES CODE AND
STATUTE OR PUBLIC LAW**

Popular Names of Selected Major Laws Cross-Indexed to Sections of the United States Code and Statute or Public Law

The popular names of selected major laws related to federal financial management that appear below are cross-indexed to (1) sections of the Code contained in this report and (2) a statute citation or public law number. The Code indexed is the U.S.C.A. as of December 31, 1995. The statute or public law citations relate only to the listed law and do not include subsequent amendments.

As explained in appendix I, public law numbers do not exist for laws enacted prior to 1957. Therefore, the statute citation is provided for laws enacted prior to 1957 and public law numbers are provided for laws enacted after 1956. Also, some public laws contain more than one act as identified by popular name. Consequently, the same public law number may appear for more than one popular named law. When this occurs, the part or title of the public law will be provided. For example, both the Congressional Budget Act of 1974 and the Impoundment Control Act of 1974 are contained in PL 93-344. The Congressional Budget Act is in titles I-IX and will be indexed as "PL 93-344 (Titles I-IX)," whereas, the Impoundment Control Act will be indexed as "PL 93-344 (Title X)."
