Mr. STEVENS, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report revising the 302(b) allocations to subcommittees set forth in Senate Report 106-296 (May 17, 2000), Senate Report 106-303 (May 23, 2000), Senate Report 106-308 (June 14, 2000), Senate Report 106-311 (June 22, 2000), Senate Report 106-346 (July 18, 2000), and Senate Report 106-350 (July 20, 2000).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

On June 20, 2000, the Committee on the Budget filed a revised 302(a) allocation for the Committee reflecting an increase of \$470,000,000 in budget authority and \$408,000,000 in outlays (Congressional Record page S5451). These amounts were provided under the provisions of section 314(b) of the Congressional Budget Act of 1974, as amended, which mandate an increase to the Committee's 302(a) allocation when certain conditions relating to funding of continuing disability reviews and adoption incentive activities are met.

On July 18, 2000, the Committee on the Budget filed a revised 302(a) allocation for the Committee reflecting an increase of \$28,000,000 in budget authority and \$6,527,000,000 in outlays (Congressional Record page S7149). These amounts were provided under the provisions of section 314(b) of the Congressional Budget Act of 1974, as amended, which mandate an increase to the Committee's 302(a) allocation when certain conditions relating to emergency appropriations are met.

On July 24, 2000, the Committee on the Budget filed a revised 302(a) allocation for the Committee reflecting an increase of \$145,000,000 in budget authority and \$146,000,000 in outlays. These amounts were provided under the provisions of section 314(b) of the Congressional Budget Act of 1974, as amended, which mandate an increase to the Committee's 302(a) allocation when certain conditions relating to appropriations for an earned income tax credit (EITC) compliance initiative are met.

On September 5, 2000, the Committee on the Budget filed a revised 302(a) allocation restoring the levels agreed to by the conferees on the budget resolution but restrained in the Senate by section 206 of H. Con. Res. 290.

On September 18, 2000, the Committee on the Budget filed a revised 302(a) allocation for the Committee reflecting an increase of \$55,000,000 in budget authority and \$36,000,000 in outlays. These amounts were provided under the provisions of section 314(b) of the Congressional Budget Act of 1974, as amended, which mandate an increase to the Committee's 302(a) allocation when certain conditions relating to emergency appropriations are met.
