submitted the following

R E P O R T

[To accompany H. Res. 86]

The Committee on Rules, having had under consideration House Resolution 86, by a record vote of 9 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides H. Res. 78, to permit voting in the Committee of the Whole House by the Delegates and Resident Commissioner of the Congress, a structured rule providing one hour of general debate in the House equally divided and controlled by the chairman and ranking minority member of the Committee on Rules. The rule waives all points of order against the resolution and against its consideration and provides that the resolution shall be considered as read. The rule further makes in order the amendment printed in the Rules Committee report accompanying the resolution. The amendment may be offered only by Rep. Kirk of Illinois or his designee, shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the proponent and an opponent, and shall not be subject to a demand for a division of the question. All points of order against the amendment are waived. The rule provides one motion to recommit which may not contain instructions. The rule also provides that the Chair may postpone further consideration of the bill to a time designated by the Speaker.

EXPLANATION OF WAIVERS

The Committee is not aware of any points of order against the resolution or its consideration. The waivers of all points of order against the bill or its consideration are prophylactic in nature.
