Mr. MCGOVERN, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 1036]

The Committee on Rules, having had under consideration House Resolution 1036, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H. Con Res. 312, the Concurrent Resolution on the Budget for FY 2009, under a structured rule. The rule provides a total of four hours of general debate, three hours to be equally divided and controlled by the chairman and ranking minority member of the Committee on the Budget and one hour on the subject of economic goals and policies to be equally divided and controlled by Representative Maloney of New York and Representative Saxton of New Jersey or their designees. The rule waives all points of order against consideration of the concurrent resolution and provides that the concurrent resolution shall be considered as read.

The rule makes in order only those amendments printed in this report. The amendments made in order may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, and shall not be subject to amendment. All points of order against the amendments are waived except that the adoption of an amendment in the nature of a substitute shall constitute the conclusion of consideration of the concurrent resolution for amendment. The rule permits the Chairman of the Budget Committee to offer amendments in the House

to achieve mathematical consistency. The rule provides that the concurrent resolution shall not be subject to a demand for division of the question of its adoption. The rule provides that after the motion that the Committee rise has been rejected on a legislative day, the Chair may entertain another such motion on that day only if offered by the Chairman of the Committee on the Budget or the Majority Leader and that after a motion to strike out the enacting words of the bill has been rejected, the Chair may not entertain another such motion during further consideration of the bill. The rule provides that the Chair may postpone further consideration of the concurrent resolution to a time designated by the Speaker. Finally, the rule provides for a motion to take the Senate concurrent resolution on the budget from the table, strike all after the resolving clause, and to insert in lieu thereof the provisions of House Concurrent Resolution 312 as adopted by the House.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the concurrent resolution, the Committee is not aware of any specific points of order. The waiver of all points of order against consideration of the concurrent resolution is prophylactic in nature.

SEC. 411. POLICY STATEMENT ON HANFORD AND NUCLEAR CLEAN-UP.

It is the policy of this resolution that the United States Government must meet its responsibility in cleaning up nuclear waste sites created in the name of our Nation’s defense by our World War II and Cold War era nuclear weapons production and is an obligation of the Federal Government, not an option. The Environmental Management program responsible for cleaning up these wastes requires a sufficient level of funding so as not to cause legal cleanup milestones and obligations to be missed.

- (4) this policy assumes Congress will act on war funding requests in a timely manner so as to avoid—

(A) not having sufficient funds to pay United States soldiers, serving at home or abroad;

(B) not having sufficient funds to pay civilian Army personnel;

(C) significant disruption in base budget activities, which may result in delaying or foregoing contracts and activities (e.g., training) that ultimately may increase cost; and

SEC. 413. POLICY STATEMENT ON MEDICAL LIABILITY.

(a) **FINDINGS.**—Congress finds that—

(1) medical liability and the resulting practice of defensive medicine continue to plague the medical profession in the United States, reducing access for patients, increasing the cost of medical care generally, and increasing the cost of government programs such as Medicare and Medicaid for the United States taxpayer; and

(2) as the medical liability crisis grows, a large fraction of these dollars will be spent on wasteful health care services provided solely to shield providers from a lawsuits.

(b) **POLICY STATEMENT ON MEDICAL LIABILITY.**—It is the policy of this resolution that it assumes effective medical liability reform which will contribute to the overall goal of domestic entitlement reform, constraining the growth of vital programs such as Medicare and Medicaid and helping to ensure their long-term viability.

SEC. 414. POLICY STATEMENT ON THE MEDICARE “TRIGGER”.

This resolution assumes that the committees of jurisdiction, in complying with the reconciliation instruction set forth in section 20, will submit to the Committee on the Budget language that locks in any savings resulting from Medicare funding warning legislation designed to reduce the program’s general revenue spending exceeding 45 percent. By directing savings solely to deficit reduction, this provision will help Medicare fulfill its mission for the long term.

SEC. 417. POLICY STATEMENT ON HEALTH CARE SPENDING.

(a) **FINDINGS.**—The Congress finds that—

(1) Medicare's unfunded liability will grow from \$34 trillion to \$45 trillion in the next 5 years;

(2) health care spending is expected to reach nearly 20 percent of GDP by 2017;

(3) half of the Nation's \$2.4 trillion in annual health care spending comes from taxpayer dollars; and

(4) the only way to ensure health care entitlement programs survive and continue to fulfill their missions in the 21st century is through fundamental reform.

(b) **POLICY STATEMENT ON HEALTH CARE SPENDING.**—This resolution assumes that the committees of jurisdiction over health care spending issues will report legislation to reduce health care costs and expand coverage, in part, by removing distortions in the health care market. The removal of these distortions may be accomplished by increasing personal ownership and improving health care quality and information through the sharing of information, including the passage of H.R. 1174 and H.R. 3370.

(b) **DEFINITION OF IMPERMISSIBLE OFFSETS.**—A provision is an “impermissible offset” if the Committee on the Budget determines that it—

(1) is the same or substantially the same as a change in law reducing the deficit included in a bill, joint resolution, or conference report previously passed by the House but not enacted;

(2) causes a decrease in outlays within the first time period set forth in clause 10 of such rule XXI, but causes no change in outlays over the second time period included in the clause; or

(1) For purposes of enforcing clause 10 of rule XXI of the Rules of the House of Representatives, a provision included in a bill, joint resolution, or conference report increasing direct spending in any year may be deemed by the chairman of the Committee on the Budget to be structured such that it artificially disguises an increase in entitlement spending by use of expiration dates or reductions in entitlement or beneficiary levels.

(2) The chairman of the Committee on the Budget shall cause a clear statement for any bill, joint resolution or conference report as to whether a provision increasing mandatory budget authority or outlays has or has not been structured as described in paragraph (1), to be inserted in the Congressional Record if requested by the Speaker, the Majority Leader, the Minority Leader or the Ranking Member of the Committee on the Budget.

(d) **STRENGTHEN PAY-AS-YOU-GO.**—It shall not be in order to consider any bill, joint resolution, or conference report that increases the deficit in the budget year or the five-fiscal year period following the second period of fiscal years set forth in clause 10 of rule XXI of the Rules of the House of Representatives.
